

Teacher Created Resources Inc Answer Key

This graph art activity book is a compilation of holiday pictures which are designed to fit graph paper squares. The child colors in the squares on graph paper according to the direction sheet, and a mystery picture appears.

Approach analogies as puzzles. To solve them, students need to use cognitive processes and critical-thinking skills. These exercises present word and/or picture relationships in several different ways. The goal is to develop skills in visual imagery, reading comprehension, vocabulary development, reasoning and test-taking.

This series takes a fresh approach to the mastery of grade-specific skills. Each book uses a wide range of activities to spark students interest in learning. As students complete the activities, they develop the skills they need to meet academic standards in reading, writing, math, social studies, and science. Because the ability levels of students in any one grade level vary, each book spans a broad range of skills. Both teachers and parents can use the books to introduce new concepts, to assess learning and skill development, and to reinforce familiar knowledge. The versatile activities can be used for individual practice, test preparation, or homework assignments. Complete answer keys are provided.

Introduces basic concepts of paragraph writing, explains the essentials of paragraphs, and provides practice exercises.

Introduce students to the people and events of the Industrial Revolution with emphasis on transportation, communication, and production. Lessons focus on nonfiction reading comprehension, research, writing, critical thinking, working with maps, and more.

Heres the question parents ask at the end of every school year: How can we help our kids prepare for the next school year, while allowing them to enjoy their summer vacation? Heres the perfect answer: short lessons presented in a daily schedule for 8 weeks. The MondayThursday lessons cover a variety of grade-appropriate subjects. Fridays lessons are fun, brain-teasing kinds of activities. Each book for Grades PreK6 includes over 300 stickers that can be used to track progress and reward good work.

Each book in the Daily Warm-Ups: Reading series provides students with over 150 opportunities to master important reading skills. The warm-ups include both fiction and nonfiction reading passages, followed by questions that are based on Bloom's Taxonomy to allow for higher-level thinking skills. Book jacket.

Teaching materials that introduce basic concepts of paragraph writing, explain the essentials of paragraphs, and provide practice exercises.

Both teachers and parents appreciate how effectively this series helps students master skills in mathematics, penmanship, reading, writing, and grammar. Each book provides activities that are great for independent work in class, homework assignments, or extra practice to get ahead. Text practice pages are included!
