The New York Times–bestselling author’s Whitbread Prize–winning debut—“Winterson has mastered both comedy and tragedy in this rich little novel” (The Washington Post Book World). When it first appeared, Jeanette Winterson’s extraordinary debut novel received unanimous international praise, including the prestigious Whitbread Prize for best first fiction. Winterson went on to fulfill that promise, producing some of the most dazzling fiction and nonfiction of the past decade, including her celebrated memoir *Why Be Happy When You Can Be Normal?*. Now required reading in contemporary literature, *Oranges Are Not the Only Fruit* is a funny, poignant exploration of a young girl’s adolescence. Jeanette is a bright and rebellious orphan who is adopted into an evangelical household in the dour, industrial North of England and finds herself embroidering grim religious mottoes and shaking her little tambourine for Jesus. But as this budding missionary comes of age, and comes to terms with her unorthodox sexuality, the peculiar balance of her God-fearing household dissolves. Jeanette’s insistence on listening to truths of her own heart and mind—and on reporting them with wit and passion—makes for an unforgettable chronicle of an eccentric, moving passage into adulthood. “If Flannery O’Connor and Rita Mae Brown had collaborated on the coming-out story of a young British girl in the 1960s, maybe they would have approached the quirky and subtle hilarity of Jeanette Winterson’s autobiographical first novel. . . . Winterson’s voice, with its idiosyncratic wit and sensitivity, is one you’ve never heard before.” —Ms. Magazine

The New York Times–bestselling graphic memoir about Alison Bechdel, author of *Fun Home*, becoming the artist her mother wanted to be. Alison Bechdel’s *Fun Home* was a pop culture and literary phenomenon. Now, a second thrilling tale of filial sleuthery, this time about her mother: voracious reader, music lover, passionate amateur actor. Also a woman, unhappily married to a closeted gay man, whose artistic aspirations simmered under the surface of Bechdel’s childhood...and who stopped touching or kissing her daughter good night, forever, when she was seven. Poignantly, hilariously, Bechdel embarks on a quest for answers concerning the mother-daughter gulf. It’s a richly layered search that leads readers from the fascinating life and work of the iconic twentieth-century psychoanalyst Donald Winnicott, to one explosively illuminating Dr. Seuss illustration, to Bechdel’s own (serially monogamous) adult love life. And, finally, back to Mother—to a truce, fragile and real-time, that will move and astonish all adult children of gifted mothers. A New York Times, USA Today, Time, Slate, and Barnes & Noble Best Book of the Year “As complicated, brainy, inventive and satisfying as the finest prose memoirs.”—New York Times Book Review “A work of the most humane kind of genius, bravely going right to the heart of things: why we are who we are. It’s also incredibly funny. And visually stunning. And page-turningly addictive. And heartbreaking.”—Jonathan Safran Foer “Many of us are living out the un-lived lives of our mothers. Alison Bechdel has written a graphic novel about this; sort of like a comic book by Virginia Woolf. You won’t believe it until you read it—and you must!”—Gloria Steinem

"Tubbs' connection to these women is palpable on the page — as both a mother and a scholar of the impact Black motherhood has had on America. Through Tubbs' writing, Berdis, Alberta, and Louise's stories sing. Theirs is a history forgotten that begs to be told, and Tubbs tells it brilliantly." — Ibram X. Kendi, #1 New York Times bestselling author of *How to Be an Antiracist* and National Book Award winner *Stamped from the Beginning* Much has been written about Berdis Baldwin's son James, about Alberta King's son Martin Luther, and Louise Little's son Malcolm. But virtually nothing has been said about the extraordinary women who raised them. In her groundbreaking and essential debut *The Three Mothers*, scholar Anna Malaika Tubbs celebrates Black motherhood by telling the story of the three women who raised and shaped some of America's most pivotal heroes. These three extraordinary women passed their knowledge to their children with the hope of helping them to survive in a society that would deny their humanity from the very beginning—from Louise teaching her children about their activist roots, to Berdis encouraging James to express himself through writing, to Alberta basing all of her lessons in faith and social justice. These women used their strength and motherhood to push their children toward greatness, all with a conviction that every human being deserves dignity and respect despite the rampant discrimination they faced. These three mothers taught resistance and a fundamental belief in the worth of Black people to their sons, even when these beliefs flew in the face of America's racist practices and led to ramifications for all three families' safety. The fight for equal justice and dignity came above all else for the three mothers. These women, their similarities and differences, as individuals and as mothers, represent a piece of history left untold and a celebration of Black motherhood long overdue.

The Reading With Giggles & Games Learn-To-Read System works in a dramatically effective way because it uses several proprietary learning strategies, in combination, that create an ideal learning state in the mind and body of the student. No other system combines these learning strategies in the same way and no other system has been able to demonstrate more effective learning results. The children are happier, they learn faster and their teachers and parents are amazed at how much more quickly these students learn to read than other students who are taught with other outmoded, traditional teaching methods. When you child starts to recognize letters, numbers and their associated sounds they are ready for the Reading With Giggles and Games program. This wonderful system can help you, as a parent, be much more effective in your mission to help your child to learn to read without the hassle and frustration that often accompanies the process with other traditional learn to read methods. A poetic depiction of the desert as the provider of comfort, food, spirit, and life.

Through her role as London's first Young Poet Laureate, Warsan Shire turned her eye to the city, interrogating the capital and its continuing transformation, even while lending voice to its oft unheard or under-represented communities and spaces. Collecting work authored during Shire's tenure, 'Her Blue Body' stands as testament and witness, negotiating the complexities of heritage, cultural sensitivity, sensuality, trauma and womanhood, framed and ordered by a sequence of memorial poems, focused through the lens of Shire's intimate and unflinching vision.

"The Joy Luck Club is one of my favorite books. From the moment I first started reading it, I knew it was going to be incredible. For me, it was one of those once-in-a-lifetime reading experiences that you cherish forever. It inspired me as a writer and still remains hugely inspirational." —Kevin Kwan, author of Crazy Rich Asians Amy Tan's beloved, New York Times bestselling tale of mothers and daughters, now the focus of a new documentary Amy Tan: Unintended Memoir on Netflix Four mothers, four daughters, four families whose histories shift with the four winds depending on who's "saying" the stories. In 1949 four Chinese women, recent immigrants to San Francisco, begin meeting to eat dim sum, play mahjong, and talk. United in shared unspeakable loss and hope, they call themselves the Joy Luck Club. Rather than sink into tragedy, they choose to gather to raise their spirits and money. "To despair was to wish back for something already lost. Or to prolong what was already unbearable." Forty years later the stories and history continue. With wit and sensitivity, Amy Tan examines the sometimes painful, often tender, and always deep connection between mothers and daughters. As each woman reveals her secrets, trying to unravel the truth about her life, the strings become more tangled, more entwined. Mothers boast or despair over daughters, and daughters roll their eyes even as they feel the inextricable tightening of their matriarchal ties. Tan is an astute storyteller, enticing readers to immerse themselves into these lives of complexity and mystery.

A riveting, deeply personal account of history in the making—from the president who inspired us to believe in the power of democracy #1 NEW YORK TIMES BESTSELLER • NAACP IMAGE AWARD NOMINEE • NAMED ONE OF THE TEN BEST BOOKS OF THE YEAR BY THE NEW YORK TIMES BOOK REVIEW NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Washington Post • Jennifer Szalai, The New York Times • NPR • The Guardian • Marie Claire In the stirring, highly anticipated first volume of his presidential memoirs, Barack Obama tells the story of his improbable odyssey from young man searching for his identity to leader of the free world, describing in strikingly personal detail both his political education and the landmark moments of the first term of his historic presidency—a time of dramatic transformation and turmoil. Obama takes readers on a compelling journey from his earliest political aspirations to the pivotal Iowa caucus victory that demonstrated the power of grassroots activism to the watershed night of November 4, 2008, when he was elected 44th president of the

United States, becoming the first African American to hold the nation's highest office. Reflecting on the presidency, he offers a unique and thoughtful exploration of both the awesome reach and the limits of presidential power, as well as singular insights into the dynamics of U.S. partisan politics and international diplomacy. Obama brings readers inside the Oval Office and the White House Situation Room, and to Moscow, Cairo, Beijing, and points beyond. We are privy to his thoughts as he assembles his cabinet, wrestles with a global financial crisis, takes the measure of Vladimir Putin, overcomes seemingly insurmountable odds to secure passage of the Affordable Care Act, clashes with generals about U.S. strategy in Afghanistan, tackles Wall Street reform, responds to the devastating Deepwater Horizon blowout, and authorizes Operation Neptune's Spear, which leads to the death of Osama bin Laden. *A Promised Land* is extraordinarily intimate and introspective—the story of one man's bet with history, the faith of a community organizer tested on the world stage. Obama is candid about the balancing act of running for office as a Black American, bearing the expectations of a generation buoyed by messages of "hope and change," and meeting the moral challenges of high-stakes decision-making. He is frank about the forces that opposed him at home and abroad, open about how living in the White House affected his wife and daughters, and unafraid to reveal self-doubt and disappointment. Yet he never wavers from his belief that inside the great, ongoing American experiment, progress is always possible. This beautifully written and powerful book captures Barack Obama's conviction that democracy is not a gift from on high but something founded on empathy and common understanding and built together, day by day.

Close to. Stark. The poems in Yrsa Daley-Ward's collection *bone* are exactly that: reflections on a particular life honed to their essence—so clear and pared-down, they become universal. From navigating the oft competing worlds of religion and desire, to balancing society's expectations with the raw experience of being a woman in the world; from detailing the experiences of growing up as a first generation black British woman, to working through situations of dependence and abuse; from finding solace in the echoing caverns of depression and loss, to exploring the vulnerability and redemption in falling in love, each of the raw and immediate poems in *Daley-Ward's bone* resonates to the core of what it means to be human. Legacy poems This book represents a legacy in poems - moral, ethical and practical education in verses. In Robin Wyatt Dunn's words: Osuoha's language reads like a stilted nursery rhyme, doubly insisting both on the rights of the white settler to determine the destiny of her community (the book is dedicated to God and is scattered throughout with various Christian homilies), yet its deeper intention is profoundly anti-colonial, and a sharp critic of the state: Osuoha observes: The world violates covenants And desecrates every altar Yet they all are communicants And none is a defaulter Here, everything is fake And anyhow, they fail brake Drop not your guard. These poems are a mix of compassion and angst, a homely mother reciting her rhymes who is concealing her deep mistrust

and rage at the history which has raped her language and culture, insisted on its rights to do so, and continues to oppress her country and environment. But, as she observes, it is not ultimately the white settler who is to blame, but the world: we are all implicated in this suffering and desecration. Each poem in beautiful rhyme representing a letter addressed to her unborn child and safely placed in a file from a caring and protective mother is a skillfully crafted piece of work by the Nigerian poet Ngozi Olivia Osuoha. The poems act as codes of conduct for childhood, adolescence and adulthood and can be collectively taken as a guide for facing the ups and downs of life. Original, captivating, heart touching and soul stirring Letter to My Unborn will certainly leave imprints of permanent ink in the readers' mind long after it has been read. This is truly a poetry collection of all-time, a shining star on each book lover's shelf. - Vatsala Radhakeesoon author of Depth of the River

NEW YORK TIMES BEST SELLER • A Best Book of 2021: Entertainment Weekly, Good Morning America, Wall Street Journal, and more From the indie rockstar of Japanese Breakfast fame, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, Crying in H Mart is a book to cherish, share, and reread.

A renowned cultural critic untangles the twisted history and future of racism through its most volatile word. The N Word reveals how the term "nigger" has both reflected and spread the scourge of bigotry in America over the four hundred years since it was first spoken on our shores. Jabari Asim pinpoints Thomas Jefferson as the source of our enduring image of the "nigger." In a seminal but now obscure essay, Jefferson marshaled a welter of pseudoscience to define the stereotype of a shiftless child-man with huge appetites and stunted self-control. Asim reveals how nineteenth-century "science" then colluded with

popular culture to amplify this slander. What began as false generalizations became institutionalized in every corner of our society: the arts and sciences, sports, the law, and on the streets. Asim's conclusion is as original as his premise. He argues that even when uttered with the opposite intent by hipsters and hip-hop icons, the slur helps keep blacks at the bottom of America's socioeconomic ladder. But Asim also proves there is a place for the word in the mouths and on the pens of those who truly understand its twisted history—from Mark Twain to Dave Chappelle to Mos Def. Only when we know its legacy can we loosen this slur's grip on our national psyche.

Poems of migration, womanhood, trauma, and resilience from the celebrated collaborator on Beyoncé's *Lemonade* and *Black Is King*, award-winning Somali British poet Warsan Shire Mama, *I made it / out of your home / alive, raised by / the voices / in my head*. With her first full-length poetry collection, Warsan Shire introduces us to a young girl, who, in the absence of a nurturing guide, makes her own stumbling way toward womanhood. Drawing from her own life, as well as pop culture and news headlines, Shire finds vivid, unique details in the experiences of refugees and immigrants, mothers and daughters, Black women and teenage girls. In Shire's hands, lives spring into fullness. This is noisy life, full of music and weeping and surahs and sirens and birds. This is fragrant life, full of blood and perfume and shisha smoke and jasmine and incense. This is polychrome life, full of henna and moonlight and lipstick and turmeric and kohl. The long-awaited collection from one of our most exciting contemporary poets, this book is a blessing, an incantatory celebration of resilience and survival. Each reader will come away changed.

Twelve-year-old Charles experiences many difficulties in adjusting to a new stepfather, stepsister, and stepbrother.

In this collection of her finest and best-known short essays, Natalia Ginzburg explores both the mundane details and inescapable catastrophes of personal life with the grace and wit that have assured her rightful place in the pantheon of classic mid-century authors. Whether she writes of the loss of a friend, Cesare Pavese; or what is inexpugnable of World War II; or the Abruzzi, where she and her first husband lived in forced residence under Fascist rule; or the importance of silence in our society; or her vocation as a writer; or even a pair of worn-out shoes, Ginzburg brings to her reflections the wisdom of a survivor and the spare, wry, and poetically resonant style her readers have come to recognize. "A glowing light of modern Italian literature . . . Ginzburg's magic is the utter simplicity of her prose, suddenly illuminated by one word that makes a lightning streak of a plain phrase. . . . As direct and clean as if it were carved in stone, it yet speaks thoughts of the heart." — *The New York Times Book Review*

"Literary pointillism on a funk-ed-out canvas."

Journalist Walls grew up with parents whose ideals and stubborn nonconformity were their curse and their salvation. Rex and Rose Mary and their four children lived like nomads, moving among Southwest desert towns, camping in the mountains. Rex was a charismatic, brilliant man who, when sober, captured his children's imagination, teaching them how to embrace life fearlessly. Rose Mary painted and wrote and couldn't stand the responsibility of providing for her family. When the money ran out, the Walls retreated to the dismal West Virginia mining town Rex had tried to escape. As the dysfunction escalated, the children had to fend for themselves, supporting one another as they found the resources and will to leave home. Yet Walls describes her parents with deep affection in this tale of unconditional love in a family that, despite its profound flaws, gave her the fiery determination to carve out a successful life. -- From publisher description.

In her acclaimed New York Times bestseller, *Motherless Daughters*, Hope Edelman explored the profound and lasting effects of mother loss, as well as her own search for healing. Now, in her compelling new work, Edelman explores another complex, life-changing relationship, the intricate bond between generations. Drawing from her own experience and the recollections of over seventy other granddaughters, Edelman explores the three-generation triangle from which women develop their female identities: the grandmother-mother-daughter relationship. With eloquent personal testimony, she demonstrates the vital roles grandmothers have played in their granddaughters' lives, as a source of unconditional love, family values and traditions, and backup parent, the ultimate safety net. Here are grandmothers in all their glory: The "Benevolent Manipulator", whose love for her family is matched only by her desire for control; The "Gentle Giant", awesome, respected, who possesses a quiet, behind-the-scenes power; The "Autocrat", who rules her extended family like a despot; The "Kinkeeper", the family hub, who offers a sense of cohesion to the extended clan. With insight and compassion, Edelman probes this unique and emotionally-charged relationship in a book that is a true celebration of an extraordinary bond--and a must read for every woman.
