The period between the end of World War I and Hitler's ascension to power witnessed an unprecedented cultural explosion that embraced the whole of Europe but was, above all, centered in Germany. Germany housed architect Walter Gropius and the Bauhaus movement; playwrights Bertolt Brecht and Erwin Piscator; artists Hans Richter, George Grosz, John Heartfield, and Hannah Hoch; composers Paul Hindemith, Arnold Schonberg, and Kurt Weill; and dozens of others. In *Art and Politics in the Weimar Period*, John Willett provides a brilliant explanation of the aesthetic and political currents which made Germany the focal point of a new, down-to-earth, socially committed cultural movement that drew a significant measure of inspiration from revolutionary Russia, left-wing social thought, American technology, and the devastating experience of war. The national bestselling author of *The Marsh Madness* takes rare book collector Jordan Bingham on a trip to San Francisco—home to Dashiell Hammett's hard-boiled heroes—where nothing is as it seems. On a getaway to the City by the Bay, book collector Jordan Bingham becomes entangled in a mystery with more twists than Lombard Street... Jordan has been able to swing a romantic trip to San Francisco with Officer Tyler "Smiley" Dekker on one condition—she must return with a rare copy of Dashiell Hammett's *Red Harvest* for her irascible employer, Vera Van Alst. For his own part,

Smiley is full of surprises. He's a Dashiell devotee himself—excited to be in the city of Hammett's hard-boiled heroes like Sam Spade and the Continental Op—and also announces he plans to visit his previously unmentioned estranged grandmother, who lives in an old Victorian in Pacific Heights. But the trip goes downhill fast when Jordan is pushed from a cable car and barely escapes death. And when a dark sedan tries to run the couple down, it's clear someone's after them—but who? Just like in Hammett's world, nothing is quite what it seems... INCLUDES RECIPES

David Bate examines automatism and the photographic image, the Surrealist passion for insanity, ambivalent use of Orientalism, use of Sadean philosophy and the effect of fascism of the Surrealists. The book is illustrated with a wide range of surrealist photographs.

Launched in 1970 it used the underpinnings from the DS, which meant it had self-leveling hydro-pneumatic suspension, power brakes and good steering. Maserati produced a 170bhp, quad-cam V6 engine. Coupled with a stylish fastback bodyshell it should have been a good car. But v the engine was complicated and it was inclined to rust. When Peugeot took over Citroen they sold off Maserati and ceased production of the SM. A good car now is sought after and owners cannot praise them highly enough. This is a book of contemporary road and comparison tests, technical and specification data, new model introductions, driver's impressions & buyer's guide.

Originally published in 1936, in this classic account of the development of abstract art Alfred Barr analyses the

many diverse abstract movements which emerged with bewildering rapidity in the early years of the twentieth century, and which had an impact on every major form of art. Barr traces the history of nonrepresentational art from its antecedents in late nineteenth-century painting in France – Seurat and Neo-Impressionism, Gauguin and Synthetism, and Cézanne – through abstract tendencies in Dada and Surrealism. He distinguishes two main trends in abstract art: the geometrical, structural current as it developed in Cubism and later in Constructivism and Mondrian, and the intuitional, decorative current running from Matisse and Fauvism through Kandinsky and, later, Surrealism. He shows how individual movements influenced one another, and how many artists experimented with more than one style. Barr also discusses the involvement of a number of abstract movements in architecture and the practical arts – the Bauhaus in Germany, de Stijl in Holland, Purism in France, and Suprematism and Constructivism in Russia. The main finding is that there exists a threshold debt to gross domestic product (GDP) ratio of 55–56 percent. Moreover, the debt dynamics begin changing well before this threshold is reached. Specifically, at debt levels lower than 30 percent of GDP,

increases in the debt-to-GDP ratio are associated with faster economic growth. However, as debt rises beyond 30 percent, the effects on economic growth diminishes rapidly and at debt levels reaching 55-56 percent of GDP, the growth impacts switch from positive to negative. Thus, beyond this threshold, debt becomes a drag on growth.

The rule: Get married and have a baby. When Grandpa Stinson dies, he expects nothing more than to keep his grandsons together, running the family's multibillion-dollar business. But he's got just one unfaltering rule: they have to get married and have a baby first. The brothers disagree...wholeheartedly. But it's set in stone. Follow the rule or you're one grandson out of luck... Loving a good challenge, playboy bachelor, TJ Stinson decides to take the bull by the horns and puts out an ad in the local newspaper for a wife and "baby mama." Determined to get the job done, TJ interviews women, making sure this is in contract only--no ties of love for this particular agreement. Overhearing one of his ridiculous interviews, Anna Granger decides she'd be perfect for the "role." But what happens when neither of them are pretending anymore? Their pasts have a way of creeping back up on them, teaching them what Grandpa Stinson knew all along: there's more to life than just prestige and money. Examining in detail the work of consecration carried out by elite education systems, Bourdieu analyzes the distinctive forms of power—political, intellectual, bureaucratic, and economic—by means of which contemporary societies are governed.

A leading young Italian semiologist scrutinizes today's cultural phenomena and finds the prevailing taste to be "neo-baroque"--characterized by an appetite for virtuosity, frantic rhythms, instability, poly-dimensionality, and change. Omar Calabrese locates a "sign of the times" in an amazing variety of literary, philosophical, artistic, musical, and architectural forms, from the Venice Biennale through the "new science" to television series, video games, and "zapping" with the remote control device from channel to channel! Calabrese admits that he begins the book with a refusal to distinguish between "Donald Duck and Dante." Avoiding hierarchies or ghettos among works, he takes his readers on a fast-paced expedition through contemporary culture that closes with an elegant essay on evaluation and classical form. According to Calabrese, the enormous quantity of narrative now being produced has led to a new situation: everything has already been said, and everything has already been written. The only way of avoiding saturation has been to turn to a poetics of repetition. The author shows that pleasure in texts is now produced by tiny variations, and a certain kind of citation from other works has taken on a central importance that would have been unthinkable only a few years ago. In describing this development, and others shared by both avant-garde and mass media, he makes us aware of the rapid shrinkage in the once ample space between "highbrow" and "lowbrow." This book addresses the No 1 challenge of all major luxury brands today: How can these brands pursue their growth yet remain luxury? How do you reconcile growth and rarity? Kapferer on Luxury offers a selection of the most recent and insightful articles and original essays on the luxury growth challenge from Jean-Noël Kapferer, a world-renowned luxury analyst. Each chapter addresses a specific issue relating to the luxury growth challenge such as sustaining the 'luxury dream', adapting the internet to luxury demands, re-widening the gap with premium brands' competition, and the importance of non-delocalization. It also explores in detail facing the demand of the Chinese clients, rising sustainable quality and experiential standards, developing real luxury services and managing luxury brands within groups without diluting their equity and more. As such, Kapferer on Luxury is the perfect and timely resource for luxury executives, communication managers, luxury observers and advanced students willing to deepen their understanding of this major luxury challenge.

A forbidden love torn between 1950s Britain and Greece Cathy Kotsikas is as unsettled as anyone in postwar Britain. A hasty marriage has become an exhausting clash of personalities. Leon, her Greek husband, as charming as he is ruthless and self-centred, understands neither her mildly eccentric character nor her need for freedom. Cathy's sanctuary is Sandlings, a remote cottage on the barren Suffolk coast left to her by her grandfather. For Leon, however, his business in London

19th Century Britain: the abolitionists have won. Slavery is outlawed. A valiant victory - but it's all too easy to forget that in the rest of the world the inhuman practice is still a part of everyday life. A thought that the usually clear-thinking Mattie Henderson chooses to suppress when she finds herself unexpectedly married and on her way to South Carolina with her new husband. Mattie realises too late that she is heading towards a country where a bitter civil war is about to break out - brother

against brother, father against son. And the innocent, as always, will suffer with the guilty. A generation later and the battle is still not won: the grim slave trade still flourishes. This time it is Mattie's estranged and headstrong son Harry who, against the backdrop of the glorious River Nile finds himself caught up in the murderous machinations of the slavers. From the American civil war to the slave trade in Egypt, Freedom's Banner is the perfect generational saga of love, family and redemption for fans of Josephine Cox, Lily Graham and Natasha Lester.

London's teeming docklands, Sally Smith knows very little of the working-man's fight for a living wage, even less of women's battle for the vote, and nothing of Europe's relentless march towards war. Yet these events will affect her as profoundly as she is to affect those close to her: Toby, the urchin she rescues from starvation; Philippa Van Damme, who shows her a world she had never dreamed of; and the Patten family, stimulating and eccentric, whose orphanage becomes her first real home, and whose social revolution she will find herself reluctantly involved in... From the squalor of the East End slums to the devastation of the Flanders Fields, *Tomorrow, Jerusalem* is a stirring evocation of a lost generation, and the passionate tale of one woman's fight against all odds. Perfect for fans of Santa Montefiore, Lucinda Riley and Kate Morton.

Nothing is new under the sun and classic cars books come and go. But here, instead of a heavy, large, glossy book of classic car images and details destined to stay on a shelf, is something new. This book is designed to be read as a companion, a book that can go in the car or on a 'plane, and which can be read in full, or dipped into anywhere for a classic car fix. Old stories and new details are presented and cover all eras of our cars. Gathered here is a compilation of the author's published and unpublished adventures and opinions about the design and the driving of some of the greatest cars in motoring history. From 'vintagent' to 'modern classic', pristine to oily-rag, up hill, down dale and across continents, award-winning motoring author, designer and serial classic car owner, Lance Cole, charts the great

classic car enthusiasm in a series of engaging essays about cars, car design and the men that made the motor industry. From tales of Malcolm Sayer to Bedelia, and of BMW, Jaguar, Bugatti and Porsche, to tales of old Saabs and rusty Citroens, classic car life is here. Erik Carlsson, Jacques Gerin, Giovanni Michelotti and Innes Ireland are just a few of the names that can be found in these pages. From design to driving, here is a book that is a classic car adventure.

Jean-Luc Godard, like many of his European contemporaries, came to filmmaking through film criticism. This collection of essays and interviews, ranging from his early efforts for *La Gazette du Cinéma* to his later writings for *Cahiers du Cinéma*, reflects his dazzling intelligence, biting wit, maddening judgments, and complete unpredictability. In writing about Hitchcock, Welles, Bergman, Truffaut, Bresson, and Renoir, Godard is also writing about himself-his own experiments, obsessions, discoveries. This book offers evidence that he may be even more original as a thinker about film than as a director. Covering the period of 1950-1967, the years of *Breathless*, *A Woman Is a Woman*, *My Life to Live*, *Alphaville*, *La Chinoise*, and *Weekend*, this book of writings is an important document and a fascinating study of a vital stage in Godard's career. With commentary by Tom Milne and Richard Roud, and an extensive new foreword by Annette Michelson that reassesses Godard in light of his later films, here is an outrageous self-portrait by a director who, even now, continues to amaze and bedevil, and to chart new directions for cinema and for critical thought about its

OBJECT:PHOTO shifts the dialogue about modernist photography from an emphasis on the subject and the image to the actual photographic object, created by a certain artist at a particular time and present today in its unique physicality. This shift is especially significant for a study of the period during which photography developed a distinctive formal language. A growing awareness of the rarity of images made between the two world wars has altered historians' considerations, encouraging new approaches privileging the originality of each work and the density of references each contains. This richly illustrated publication culminates a four-year collaborative research endeavor between The Museum of Modern Art's Departments of Photography and Conservation, and nearly 30 visiting scholars, on the material and aesthetic evolution of avant-garde photography in the early twentieth century. The 341 modernist photographs known as The Thomas Walther Collection, a major museum acquisition made in 2001, is presented in its entirety, establishing a new standard of depth for the medium. Essays by curators, researchers, and conservators consider the history of collecting from this era to the present and how deepening knowledge has shifted the perspective on the medium; the material facts of the Walther pictures as a baseline for understanding the development of photographic materials in this era; and how the intellectual formation of the writers of critical photographic publications of the era and the societal and cultural pressures of that historical moment inflected the photography's sense of its own

history. Together with thematic, object-based case studies of groups of pictures that demonstrate new approaches in specific, divergent examples, these contributions reanimate the dialogue on this formative era in photography.

The Fluxus Reader offers the first comprehensive overview on this challenging and controversial group. Fluxus began in the 1950s as a loose, international community of artists, architects, composers and designers. By the 1960s, Fluxus had become a laboratory of ideas and an arena for artistic experimentation in Europe, Asia and the United States. Described as 'the most radical and experimental art movement of the 1960s', Fluxus challenged conventional thinking on art and culture for over four decades. It had a central role in the birth of such key contemporary art forms as concept art, installation, performance art, intermedia and video. Despite this influence, the scope and scale of this unique phenomenon have made it difficult to explain Fluxus in normative historical and

Twelve Years a Slave (1853) is a memoir and slave narrative by Solomon Northup, as told to and edited by David Wilson. Northup, a black man who was born free in New York, details his kidnapping in Washington, D.C. and subsequent sale into slavery. After having been kept in bondage for 12 years in Louisiana by various masters, Northup was able to write to friends and family in New York, who were in turn able to secure his release. Northup's account provides extensive details on the slave markets in Washington, D.C. and New Orleans and describes at length cotton and sugar cultivation on major plantations in Louisiana.
