The renowned Caldecott Honoree and illustrator of *Chicka Chicka Boom Boom* provides a moving, intimate, and inspiring inside look at her colorful picture book career. Lois Ehlert always knew she was an artist. Her parents encouraged her from a young age by teaching her how to sew and saw wood and pound nails, and by giving her colorful art supplies. They even gave her a special spot to work that was all her own. Today, many years and many books later, Lois takes readers and aspiring artists on a delightful behind-the-scenes tour of her books and her book-making process. Part fascinating retrospective, part moving testament to the value of following your dreams, this richly illustrated picture book is sure to inspire children and adults alike to explore their own creativity.

The creators of the award-winning *An Egg Is Quiet* and *A Seed Is Sleepy* have teamed up again to create this gorgeous and informative introduction to the world of butterflies. From iridescent blue swallowtails and brilliant orange monarchs to the world's tiniest butterfly (Western Pygmy Blue) and the largest (Queen Alexandra's Birdwing), an incredible variety of butterflies are celebrated here in all of their beauty and wonder. Perfect for a child's bedroom bookshelf or for a classroom reading circle! Plus, this is the fixed format version, which looks almost identical to the print edition.

After a caterpillar comes to school in a jar, the children are captivated as it eats, grows, and eventually becomes a beautiful Painted Lady butterfly.
