INSTANT NEW YORK TIMES AND USA TODAY BESTSELLER FROM THE AUTHOR OF IN A DARK, DARK WOOD Featured in TheSkimm An Entertainment Weekly "Summer Must List" Pick A New York Post "Summer Must-Read" Pick Included in Summer Book Guides from Bustle, Oprah.com, PureWow, and USA TODAY An instant New York Times bestseller, *The Woman in Cabin 10* is a gripping psychological thriller set at sea from an essential mystery writer in the tradition of Agatha Christie. In this tightly wound, enthralling story reminiscent of Agatha Christie's works, Lo Blacklock, a journalist who writes for a travel magazine, has just been given the assignment of a lifetime: a week on a luxury cruise with only a handful of cabins. The sky is clear, the waters calm, and the venerated, select guests jovial as the exclusive cruise ship, the Aurora, begins her voyage in the picturesque North Sea. At first, Lo's stay is nothing but pleasant: the cabins are plush, the dinner parties are sparkling, and the guests are elegant. But as the week wears on, frigid winds whip the deck, gray skies fall, and Lo witnesses what she can only describe as a dark and terrifying nightmare: a woman being thrown overboard. The problem? All passengers remain accounted for—and so, the ship sails on as if nothing has happened, despite Lo's desperate attempts to convey that something (or someone) has gone terribly, terribly wrong... With surprising twists, spine-tingling turns, and a setting that proves as uncomfortably claustrophobic as it is eerily beautiful, Ruth Ware offers up another taut and intense read in *The Woman in Cabin 10*—one that will leave even the most sure-footed reader restlessly uneasy long after the last page is turned.

Dubliners is a collection of picturesque short stories that paint a portrait of life in middle-class Dublin in the early 20th century. Joyce, a Dublin native, was careful to use actual locations and settings in the city, as well as language and slang in use at the time, to make the stories directly relatable to those who lived there. The collection had a rocky publication history, with the stories being initially rejected over eighteen times before being provisionally accepted by a publisher—then later rejected again, multiple times. It took Joyce nine years to finally see his stories in print, but not before seeing a printer burn all but one copy of the proofs. Today *Dubliners* survives as a rich example of not just literary excellence, but of what everyday life was like for average Dubliners in their day. This book is part of the Standard Ebooks project, which produces free public domain ebooks.

"Listening to stories gives you many lives, telling them dims loneliness." —Marcela Serrano Nine Chilean women from vastly different backgrounds have been brought together by their beloved therapist, Natasha, to talk about their lives and help each other heal. From a teenage computer whiz confronting her sexual identity, to a middle-aged recluse who prefers the company of her dog over that of most humans, the women don't have much in common on the surface. And yet as they tell their stories, unlikely common threads are discovered, bonds are formed, and lives are transformed. The women represent the many cultural, racial, and social groups that modern Chile is composed of—from housekeeper to celebrity television personality—and together their stories form a pastiche that is at times achingly sad, and at other times funny and inspiring. This is an intricately woven, beautifully rendered tale of the universal bonds between women from one of Latin America's most celebrated novelists.
