A tender, powerful, and achievable path to the everyday resiliency we all need to navigate the uncertainty in our lives. An inspiring new voice in resiliency, Dr. Robyne Hanley-Dafoe believes that our modern conception of resiliency as "fighting" or being "tougher" is misguided. Learning happens when we are able to trust and feel safe; fear and shame are barriers, not facilitators, for authentic growth, acceptance, and change. In *Calm Within the Storm*, Dr. Robyne maps out a kinder approach to taking on the challenges of life and developing authentic self-alignment and balance. By focusing on research-informed, sustainable, and achievable personal development practices, Dr. Robyne presents a new, attainable model for everyday resiliency—one that everyone can use to feel more grounded and capable. She identifies the obstacles that derail us and keep us stuck, and shows us how to enact our resiliency through stories, research, and practical strategies.

FINALIST FOR THE NATIONAL BOOK AWARD WINNER OF THE STORY PRIZE ONE OF NPR'S BEST BOOKS OF THE YEAR

From the universally acclaimed, New York Times bestselling author of *Fates and Furies* and *Matrix Florida* is a "superlative" book (Boston Globe), "frequently funny" (San Francisco Chronicle), "brooding, inventive and often moving" (NPR Fresh Air) --as Groff is recognized as "Florida's unofficial poet laureate, as Joan Didion was for California." (Washington Post) In her thrilling new book, Lauren Groff brings the reader into a physical world that is at once domestic and wild—a place where the hazards of the natural world lie waiting to pounce, yet the greatest threats and mysteries are still of an emotional, psychological nature. A family retreat can be derailed by a prowling panther, or by a sexual secret. Among those navigating this place are a resourceful pair of abandoned sisters; a lonely boy, grown up; a restless, childless couple, a searching, homeless woman; and an unforgettable, recurring character—a steely and conflicted wife and mother. The stories in this collection span characters, towns, decades, even centuries, but Florida—its landscape, climate, history, and state of mind—becomes its gravitational center: an energy, a mood, as much as a place of residence. Groff transports the reader, then jolts us alert with a crackle of wit, a wave of sadness, a flash of cruelty, as she writes about loneliness, rage, family, and the passage of time. With shocking accuracy and effect, she pinpoints the moments and decisions and connections behind human pleasure and pain, hope and despair, love and fury—the moments that make us alive. Startling, precise, and affecting, *Florida* is a magnificent achievement.

From the author of the National Book Award–nominated *Veronica*: Mary Gaitskill's most poignant and powerful work yet—the story of a Dominican girl, the white woman who introduces her to riding, and the horse who changes everything for her. Velvet is eleven years old, a Fresh Air Fund kid from Brooklyn. Her host family is a couple in upstate New York: Ginger, a failed artist on the fringe of Alcoholics Anonymous, and Paul, an academic who wonders what it will mean to “make a difference” in such a contrived situation. *The Mare* illuminates the couple's changing relationship with Velvet over the course of several years, as well as Velvet's powerful encounter with the horses at the stable down the road, as Gaitskill weaves together Velvet's vital inner-city community and the privileged country world of Ginger and Paul. The timeless story of a girl and a horse is joined with the timeless story of people from different races and socioeconomic backgrounds trying to meet one another honestly in a novel that is raw, striking, and completely original.

Soon to be a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir about a boy striving to become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liar's Club*. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and identity. Though J.R.'s mother was his world, his rock, he craved something more, something faintly and hauntingly audible only in *The Voice*. At eight years old, suddenly unable to find *The Voice* on the radio, J.R. turned in desperation to the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Bear sound-alike; and Joey D, a softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and eventually from reality. In the grand tradition of landmark memoirs, *The Tender Bar* is
