

Texas Holdem No Limit Poker Tomo 2 Lo Que Necesitas Saber Para Aprender A Jugar Al Poker Biblioteca Pensar Poker Spanish Edition

Tournament poker is very different from standard ring game poker. While they might appear the same from a distance, there are many differences in proper strategy that are often unknown to many experienced cash game players. Some people excel at tournament poker. This is not luck. These are players who have an advanced understanding of what the proper strategy adjustments are, and when they come into play. It is no coincidence that the same competitors make it to final tables far more than their fair share. This book explains tournament strategies that only a small number of players have mastered. It assumes you already know how to play poker well, but aren't knowledgeable of tournament-specific concepts and when and where to use them. Some of the ideas discussed include: the effect of going broke, the Gap Concept, how chips change value, adjusting strategy to rising stakes, all-in strategy, final table play, making deals, the "System," focusing on weaker opponents, unusual plays with aces and kings, moving in against the blind, and much more. This newly-expanded version contains over 100 new pages of updated material dedicated almost entirely to today's most popular form of tournament poker: no-limit hold 'em.

Short-handed No Limit Hold'em is a dangerous game. There's nowhere to hide – the slightest blip can cost you your entire stack, whilst a good play can bust your opponents. The weak players get crushed and the winners clean up. Buy this book and you will become a winner. *Secrets of Short-handed No Limit Hold'em*: features clear and insightful explanations of the thought processes of a successful high stakes player teaches how to read hands – the key skill for successful short-handed play features many actual hands from real high stakes shorthanded no limit hold'em cash games Many of the ideas articulated and explained in this book have never been seen in print before. This book. In each case, there is a very detailed, in-depth explanation for the thought processes and concepts involved in the hand. Emphasis is placed on the psychology involved which is of key importance for no limit play.

In 2003 poker was put on television and no-limit hold 'em quickly became the most popular form of poker played in casinos, public cardrooms, and on the Internet. At first, because of the newness of the game to most participants, they could be easily be beaten by players with only a moderate knowledge of sophisticated strategy. But today, this is no longer the case. Even though no-limit hold 'em is not, from a Game Theory perspective, a solved game, many ideas and concepts which come from this branch of mathematics now play an important role in a strong, winning no-limit hold 'em strategy. But it's also important for the expert player to know when to leave what is known about optimal play and switch to exploitative strategies to maximize his profit. And this brings us to *No-Limit Hold 'em for Advanced Players, Emphasis on Tough Games* by Matthew Janda. In this text, Janda spends much time discussing sophisticated strategies that should be employed against tough opposition, some of which Texas Hold 'em is not an easy game to play well. To become an expert you must balance many concepts, some of which

Read Book Texas Holdem No Limit Poker Tomo 2 Lo Que Necesitas Saber Para Aprender A Jugar Al Poker Biblioteca Pensar Poker Spanish Edition

occasionally contradict each other. In 1988, the first edition appeared. Many ideas, which were only known to a small, select group of players, were made available to anyone who was striving to become an expert, and the hold 'em explosion had begun. It is now a new century, and the authors have again moved the state of the art forward by adding over 100 pages of new material, including extensive sections on "loose games," and "short-handed games." Anyone who studies this text, is well disciplined, and gets the proper experience should become a significant winner. Some of the other ideas discussed include play on the first two cards, semibluffing, the free card, inducing bluffs, staying with a draw, playing when a pair flops, playing trash hands, desperation bets, playing in wild games, reading hands, and psychology.

Turn on the TV, drop by a newsstand, or just browse the checkout your local supermarket and you'll see firsthand that Texas Hold 'Em is the poker game everyone's playing. It's a game that's deceptively simple, yet within its easy framework you'll find truth and trickery, boredom and fear, skill and misfortune—in other words, all the things that make life fun and worth living! Texas Hold'em For Dummies introduces you to the fundamental concepts and strategies of this wildly popular game. It covers the rules for playing and betting, odds, etiquette, Hold'em lingo, and offers sound advice to avoid mistakes. This handy reference guide gives new and even seasoned players winning strategies and tactics not just for playing the game, but for winning. You'll learn: Rules and strategies for limit, no-limit, tournament, and online play How to "play" the other players The importance of your bankroll—recommended sizes and more Hands you should and should not play How to camouflage your play and dodge traps When, who, and how to bluff How to maximize your win with check-raising and trapping The different approaches for playing in private games, casinos, card rooms, tournaments, and on the Internet How to use mathematics to your advantage Texas Hold 'Em is a game of both skill and chance. But it's a game that can be beaten, and whether you want to make money, sharpen your game, or just have a good time, Texas Hold 'Em for Dummies will give you the winning edge.

table { }td { padding-top: 1px; padding-right: 1px; padding-left: 1px; color: black; font-size: 12pt; font-weight: 400; font-style: normal; text-decoration: none; font-family: Calibri,sans-serif; vertical-align: bottom; border: medium none; white-space: nowrap; }.xl72 { color: windowtext; font-family: "Times New Roman"; } This is the only book that shows players how to earn cash by playing in satellites for big buy-in no limit hold'em tournaments like the World Poker Tour, European Poker Tour and the World Series of Poker. Tucker, who has won 18 World Poker Tour main event seats in two years using this exact same method, shows how to survive until the top two places of a single-table sit-and-go and either win the valuable main event seat or negotiate a deal for a huge cash profit. Players learn how to play aggressively in the short-stacked supersatellites, more conservatively in the deeper-stacked satellites, and when and how to negotiate deals. Dozens of hand examples, table graphics, and clear explanations demonstrate how decision making is guided by the objective of playing heads-up.

Master Texas Hold'em Poker for Fun and Profit! In Texas Hold'em, players compete against each other – not just the dealer (as in other casino games). This popular and exciting game offers many profitable opportunities to smart, savvy, and educated players. Take the plunge and start your Texas Hold'em adventure today! Poker: How to Play Texas Hold'em Poker will welcome

Read Book Texas Holdem No Limit Poker Tomo 2 Lo Que Necesitas Saber Para Aprender A Jugar Al Poker Biblioteca Pensar Poker Spanish Edition

to the poker table with everything you need to win big – from the most basic elements of the game to advanced strategies for increasing your winnings. You'll find out how to navigate the various seats at the Texas Hold'em poker table, play the game like a pro, and avoid the "never ever" mistakes that trap so many other beginners. In no time, you'll be winning big, feeling great, and raking in the chips! Before you sit down at the table for the first time, make sure to spend time with your copy of *Poker*. You can make the most of your investments, learn to read the table and your opponents, and separate poker myths from poker facts. This complex and exciting game has many nuances details to enjoy – including the subtle art of reading other players. Develop your poker face, learn to avoid your tells, and give your opponents a run for the money by "reading their minds" and playing your hand to the greatest advantage!

A no-limit, illustrated guide for both novice and expert.

A practical guide for investors who are ready to take financial matters into their own hands *The Warren Buffetts Next Door* profiles previously unknown investors, with legendary performance records, who are proving every day that you don't need to work for a hedge fund or have an Ivy League diploma to consistently beat the best performing Wall Street professionals. These amazing individuals come from all walks of life, from a globe drifting college dropout and a retired disc jockey to a computer room geek and a truck driver. Their methods vary from technical trading and global macro-economic analysis to deep value investing. The glue that holds them together is their passion for investing and their ability to efficiently harness the Internet for critical investment ideas, research, and trading skills. The author digs deep to find the best of the best, even finding those who are making money during these turbulent times *Contains case studies that will explain to you how these great individual investors find and profit from stocks and options. Shows you how to rely on your own instincts and knowledge when making important investment decisions* In an era when the best professional advice has cracked many investor nest eggs and Madoff-style frauds have shattered investor trusts, the self-empowered investors found in *The Warren Buffetts Next Door* offer an inspiring and educational tale. *Demonstrates how decision trees can be used to model complex poker decisions.*

Mastering Poker Math teaches the math in Texas No-Limit Hold'em and how to integrate it with other poker skills.

*Small stakes no-limit hold'em cash games offer remarkable opportunities...if you come armed with the right skills. Using hand examples from actual play to illustrate key concepts, *Small Stakes No-Limit Hold'em* translates high-level poker theory into an easy-to-learn format that will give you the edge needed to win in today's games. You'll learn solid money-winning tactics and be able to craft winning strategies just like the top cash-game pros. Get the lowdown on:*

- 7 easy steps to no-limit hold'em success
- Making decisions using steal equity and showdown equity
- Beating online 6-max games
- Isolating bad players and handling tough, aggressive players
- Determining optimal bluff sizes and planning big bluffs
- Balancing your lines of play to maximize deception ...and much more!

Poker is a fun game, but it's even more fun when you win. With Miller, Mehta, and Flynn as your mentors, you will have all the advanced-yet-practical information you need to dominate any small stakes no-limit hold'em cash game.

MAKE LESS MISTAKES AND IMPROVE YOUR GAME You have been playing fantastic all night. You have a mountain of chips in front of

Read Book Texas Holdem No Limit Poker Tomo 2 Lo Que Necesitas Saber Para Aprender A Jugar Al Poker Biblioteca Pensar Poker Spanish Edition

you. Your buddies surround you, congratulating you on your best night ever. Then you look down and see two black aces! This must really be your night! You smile to yourself and think of all the fun you will have spending your winnings and one terrifying minute later you see all of your chips getting pushed to your opponent. It happened so quickly that you are not sure of anything, except the fact that after playing great for hours you now have nothing to show for it. All of your chips are gone and all it took was one big mistake. What happened? This is the nature of No Limit Texas Hold 'Em. All of your chips are at risk on every hand. Every mistake is magnified. Every decision is important. At any moment you can lose everything but so can your opponents. Often the player that makes the least mistakes wins. This book details 15 of the most common mistakes found at the poker table. By avoiding these mistakes, you will be able to win more money on a more consistent basis. You will be able to avoid putting your chips into losing situations. You will immediately see when your opponents are making critical playing mistakes and punish them by taking all of their chips! This book is also loaded with tips and techniques that will help improve your game immediately. It doesn't matter if you play cash games or tournaments, recreational or for serious cash, this book will make you a better poker player.

Hand reading is the single most important no-limit hold'em skill. If you can figure out what hands your opponents are likely to have, you will make consistently good decisions. You'll find bluffs other players miss. You'll find value bets other players miss. And you'll also be able to anticipate and avoid trouble before you're knee-deep in it. Some people say hand reading is a "feel" skill. That you can only learn it through experience. They're wrong. Not that experience isn't vital. It is. But if you think that you're just going to figure it all out by playing hours and hours of hold'em, you're likely mistaken. The learning curve is very steep. That's the bad news. The good news is that How To Read Hands At No-Limit Hold'em can leapfrog you up the learning curve. Not only will you be reading hands better from the moment you finish your first read-through, but you will also learn how to develop your skill during every session you play in the future. What's inside: How to get a read on all the different types of opponents in your small stakes no-limit games How to systematically find big bluffs and thin value bets on the river How to react when you get raised How to spot one of the biggest mistakes many players make on the turn and how to turn that leak into profit. This one alone is worth the price of the book How to spot the flops you shouldn't be continuation betting How to sniff out bluffs using null ranges How to use software at home to fine-tune your hand reading even further And much more

Like a secret society, poker has its own language and customs -- its own governing logic and rules of etiquette that the uninitiated may find intimidating. It's a game of skill, and playing well depends on more than just a good hand or the ability to hide emotion. The first step toward developing a style of play worthy of the greats is learning to think like a poker player. In a game where there are no absolutes, mastering the basics is only the beginning -- being able to pull off the strategy and theatrics is the difference between legendary wins and epic failure. The story of Doyle Brunson, an American treasure and the greatest poker player of all time, is one for the ages. Its a story of guts and glory, of good luck and bad, of triumph and unspeakable tragedy, of courage and grace. He has survived whippings, gun fights, stabbings, mobsters (the real-life ones portrayed in the movie Casino), murderers, and a death sentence when, riddled with incurable cancer, he was given months to live by doctors who told him his hand was played out. A master of the bluff, his most outrageous bluff came after being pistol-whipped and told hes going to die with a gunman pointing a pistol at his forehead. Again, he lived. Brunson has seen it all: from the athletic dreams and a leg shattered by a freak injury which waylaid his path to the NBA (he was drafted by the Lakers), to the devastating death of his first-born daughter, to outrageous exploits like trying to discover Noah Ark and raise the Titanic. Doyles rollercoaster of a life defines the saying: Truth is stranger than fiction. Twice a winner of the prestigious World Series of Poker in Las Vegas, he's won millions and lost millions

Read Book Texas Holdem No Limit Poker Tomo 2 Lo Que Necesitas Saber Para Aprender A Jugar Al Poker Biblioteca Pensar Poker Spanish Edition

sometimes in seconds but decidedly more of the former than the latter. Brunson can still be found playing in the highest stakes poker games in the world, often with as much as one million dollars in front of him. To every one of the 250 million people worldwide who play poker each year, Doyle Brunson, is the legendary Babe Ruth of Poker the greatest gambler and poker player who has ever lived.

Excelling at No-Limit Hold'em is a sensation in poker publishing. Renowned poker professional and author Jonathan Little brings together 17 of the greatest no-limit experts in the world to discuss all aspects of the game. These experts include superstars such as Phil Hellmuth, Chris Moneymaker, Mike Sexton and Jared Tendler. In Part 1 strategies are analysed for topics such as understanding the fundamentals, satellite play, lower-buy in events, analysing tells and moving up in stakes Part 2 sees a thorough technical breakdown of the game including sections on range analysis, game theory optimal play, short stack strategies, value betting and final table play. As any serious poker will confirm, the technical side is only half the battle and so Part 3 deals with mental toughness, psychology and understanding tilt. Excelling at No-Limit Hold'em provides all the tools that an aspiring player needs to understand no-limit hold'em. It is a must buy for anyone who is serious about wanting to improve their poker.

Poker star Dusty Schmidt presents his first book [→] one that stands to shake up poker in the same way Moneyball did for baseball. Schmidt offers an inspiring look at how in just five years, he went from not knowing a thing about poker to netting a seven-figure annual income. Far from a mathematical or technological genius, Schmidt says what guides him through is a fundamental understanding of business. Treat Your Poker Like A Business provides a foundation upon which all poker will be evaluated in the future, and will help an entire generation of poker players evolve their games into empires. A consummate "grinder," Dusty Schmidt has played nearly 7 million hands of online poker over more than 10,000 hours during his five-year career. He's won over \$3 million during that period, and has never experienced a losing month. In 2007, he achieved Poker Stars' SuperNova Elite status in just eight months while playing high-stakes cash games exclusively. Schmidt posted the world's highest win rate in both 5/10 NL and 10/20 NL in both 2007 and 2008. In a four-month period between Nov. 2007 and Feb. 2008, Schmidt won in excess of \$600,000 in high-stakes cash games. He is now a highly respected instructor at Stoxpoker.com, and plays as high as 25/50 NL. As a young man, Schmidt was a top-ranked golfer. He broke two of Tiger Woods' junior records, and was the leading money winner on the Golden States Tour when, at age 23, he suffered a career-ending heart attack. Schmidt returned to golf in 2009, winning medalist honors in qualifying for the Oregon Amateur Championship. Later that year, Schmidt famously represented himself in federal court in his suit against the United States Golf Association, which controversially stripped him of his amateur status, in part due to his poker profession. Schmidt is now a volunteer assistant coach for the University of Oregon's men's golf team, working under his good friend, Head Coach Casey Martin. Schmidt is also a successful entrepreneur.

He is part-owner of Stoxpoker.com and Imagine Media, and the creator of 10thGreen.com, the first social network for golfers. His story has been featured in Sports Illustrated, Card Player, Poker News, Golf Magazine, Fairways and Greens, Golf Week, Golf World and the Portland Oregonian, as well as on ESPN, cnn.com, wallstreetjournal.com, forbes.com, fortune.com, espn.com, golfdigest.com and golf.com, among many others. He recently founded the House of Cards Project, a philanthropic effort to provide food and shelter to disadvantaged families. His life story will be told in the book [→Raise: The Impossibly True Tale of Dusty Schmidt, [→? to be released later in 2010. He lives in Portland, Ore., with his wife, Nicole, and daughter, Lennon.

World champion poker players demonstrate the winning strategies for the hottest poker game. The 2004 World Series of Poker awarded more than \$30 million in prize money, the biggest prize of any sporting event, with the first place winner receiving \$5 million! That, for a mere investment of \$10,000. This is the first-ever instructional book devoted entirely to showing players how to win no-limit hold'em tournaments as nationally televised on ESPN and the Travel Channel and watched by millions each week. Readers learn the basic concepts of tournament strategy, plus: how to win big by playing small buy-in events, how to graduate and adjust to medium and big buy-in tournaments, how to adjust for short fields, huge fields, different time periods (slow and fast-action events), how to win online no-limit tournaments, how to manage a tournament bankroll, all the basic and advanced betting and positional strategies, and tips on table demeanor for televised tournaments. The authors also show actual hands played by finalists at the WSOP and the WPT championship tables with card pictures, analysis and useful lessons from the play.

This classic book is considered by the pros to be the best book ever written on poker! Jam-packed with advanced strategies, theories, tactics and money-making techniques no serious poker player can afford to be without this hard-hitting information. Includes fifty pages of the most precise poker statistics ever published. Features chapters written by pokers biggest superstars, such as Dave Sklansky, Mike Caro, Chip Reese, Bobby Baldwin, and Doyle two world champions and three master theorists. Essential strategies, advanced play, and no-nonsense winning advice on making money at 7-card stud (razz, high-low split, cards speak, and declare), draw poker, lowball, and hold'em (limit and no-limit). This is a must-read. 605 pages

No-Limit Texas Hold'Em A Complete Course ECW Press

Most books say the same basic thing. Select strong hands and play them 'aggressively'. This book does that but gives better insight into what aggressively really means and thoroughly and clearly explains numerous concepts that are necessary to win consistently.

A progressive system of learning that examines the intricacies of no-limit Texas Hold'em on a step-by-step basis, the lessons advance from absolute beginner to professional level while exploring common tips to determine rates of success and offering methods to get beyond the game's most difficult concepts.--From publisher description.

A hard-hitting guide to the best strategies for the most popular casino poker games--seven-card stud and Texas hold 'em--plus insights into winning at Omaha, Omaha eight-or-better, seven-card stud eight-or-better, razz, and lowball. No limit hold 'em is exploding in popularity. Before 2000, it could be difficult to find a game. In 2006, it is played everywhere - in casino cardrooms, in backrooms and homes, and on the Internet. Now anyone can find a game, but few know how to play well. Most players learn by watching television or by listening to dubious advice from their friends. While they may have picked up a valuable tidbit here or there, most players have two options: wise up or go broke. The world's foremost poker theorist, David Sklansky, and noted poker authority, Ed Miller, will wise you up quickly. No Limit Hold 'em: Theory and Practice is the definitive work on this complex game. It provides you a window into the heads of experts, teaching you in straightforward and enjoyable terms the how's and why's of winning play. Book jacket. Because of television, the game of choice for most new poker players is no-limit Hold'em. This has led to changes in the game. With so many players trying to emulate their TV heroes, they tend to play too many weak hands, call too many bets with marginal to poor holdings, and try to make too many big bluffs. Today's skilled player must learn to adapt to these changes in this complex game. This book covers all aspects of the smaller, fixed buy-in, no-limit hold'em games from understanding your opponents to learning about pot odds. Included are topics seldom written about such as finding the proper amount to bet, how to manage your mental game, bankroll considerations, and how to beat the rake. Also introduced is "The Matrix Theory: " a unique tool for understanding just what hands you should play and how they should

Read Book Texas Holdem No Limit Poker Tomo 2 Lo Que Necesitas Saber Para Aprender A Jugar Al Poker Biblioteca Pensar Poker Spanish Edition

be played depending on a matrix of considerations few think about. If you are looking for the most comprehensive guide to fixed buy-in cash games, you need this book!

Poker is a game of table position, flop texture, players in a hand, personalities, and so much more. This book teaches you how to identify and analyze those variables, become a great strategist, and have confidence in any poker situation. Decide to Play Great Poker is written by Annie Duke, the world's most renowned woman poker player, with John Vorhaus, himself a winning poker player and prolific author.

at the poker table to make are always the most profitable move. Most importantly, you will become a much better and profitable poker player! So what are you waiting for? Purchase this book today to start learning how to advance your poker game with simple poker math!

Love poker but looking for a change from endless No-Limit Hold'em? Take up mixed games! Mixed games are becoming more and more popular. The World Series of Poker features events such as Omaha 8-or-Better, Deuce to Seven Triple Draw, Razz, Stud High and Stud 8-or-Better – all of which are covered in detail in this book. There are also formats such as Dealer's Choice, H.O.R.S.E., and 8-game, which require expertise in many of these games. Dylan Linde is a professional poker player and mixed games expert. In *Mastering Mixed Games* he gives a thorough introduction to each variant, explaining the rules and basic strategy before moving on to discuss advanced concepts. With this book you will specifically learn: * solid pre-flop ranges and hand strategies * how to apply generic concepts to each individual game * how to recognise and exploit your opponents' tendencies The basic themes of poker apply to all games and learning a new variant is, essentially, just understanding how to value new ranges in a new game. *Mastering Mixed Games* will enable you to join the whole new generation of players who are exploring the weird and wonderful world of mixed game poker.

Provides poker strategies for every phase of tournament play, covering the early phase where the stakes are small to later tactics such as bluffing, flops, scare cards, playing shorthanded, loose games, and endgame play.

Since its first publication in 1994, *Winning Low-Limit Hold'em*, by Lee Jones, has become the major reference on playing Texas Hold'em at the lower limits. However, poker has changed over the several years and Lee has continued to study the game. The result is this revised and expanded second edition.

Strategies to consistently beat small stakes poker tournaments and cash games.

The first years of the poker boom were fueled by the interest in no-limit hold 'em tournaments. Recently, however, players have been gravitating to another, even more complex form of hold 'em - no-limit cash games. *Harrington on Cash Games: Volume II* continues where *Volume I* left off. In sections on turn and river play, Harrington explains why these are the most important streets in no-limit hold 'em, and shows how to decide when to bet or check, when to call or fold, and when to commit all your chips. In later sections, Harrington shows how to play a looser and more aggressive style, how to make the transition from online to live games, and how to extract the maximum profit from very low-stakes games.

Volume II concludes with an interview with Bobby Hoff, considered by many the best no-limit cash game player of all times, who shares some of his secrets and insights.

One of the most daunting moments in a poker player's career occurs when he realizes his knowledge of how to play a

Read Book Texas Holdem No Limit Poker Tomo 2 Lo Que Necesitas Saber Para Aprender A Jugar Al Poker Biblioteca Pensar Poker Spanish Edition

specific hand well is incomplete without the additional understanding of how to play every other hand in his range well. This task would be impossible if a player had to actually think about every other hand in his range, but by understanding theoretical sound poker, he can quickly design balanced ranges using the proper bet-sizing while playing. Applications of No-Limit Hold 'em teaches theoretical sound poker, and thus the ability to create the bet-sizings and ranges which will beat the better players. The theory in this book is not designed to be complex or abstract, but rather it's intended to be applied immediately producing better overall results. Many confusing concepts such as overbetting, balancing multiple bet-sizing ranges, donk betting, and check-raising as the preflop raiser are crucial to a player's strategy despite few players implementing them or talking about them. And after reading this book, you should be able to not only conceptually understand these ideas, but also know how to begin incorporating them into your game, and thereby successfully compete against tough opponents.

The Fundamentals of Playing Online Texas Hold'em Poker is a complete Guide from getting started to becoming a winning online player. It's perfect for poker players looking to start online for the first time or are new to online and need help with techniques and strategies, as well as any online poker player interested in enhancing their Poker knowledge. It covers everything from picking a site and starting online to multi-tabling, moving up in stakes, bluffing, online tells, and bankroll management. But the book's main focus is on fundamental playing strategies known as the "Fundamental Building Blocks". The Building Blocks are designed to enforce a base set of strategies that need to be mastered first when playing online. These are the strategies that all winning online players utilize as well as targeting the most common game situations. Here are the Fundamental Building Blocks that will be in this book. The goal and focus of this list are to build a strong foundation for the situations that occur the most. The Fundamental Building Blocks are Positional Awareness, Starting Hands, Heads Up Displays (Huds), Blind Stealing, Playing from the Blinds, Continuation Betting (CBetting), Poker Math, Player Types, Hand Ranges and Managing Tilt. Whether you're just starting to play online for the first time, already playing online and want to refresh your fundamentals, or want to build on your basic skills, this book should provide you with the building blocks you need to make money playing online No Limit Texas Hold'em.

Heads-up confrontations can occur in any game, even when every seat is occupied. Adjusting to the amount of aggression can be difficult since heads-up battles require you to bet and raise with many hands. This book covers heads-up tournaments, cash matches, the final two of a multi-table tournament, and blind-vs-blind play at fuller tables.

Mastering heads-up no-limit hold 'em is invaluable if you're looking to add a loose-aggressive component to your game. With more heads-up matches available, becoming proficient in them is highly profitable.
