This "fiercely written and endlessly readable" novel of a teenage girl in thrall to a magnetic—and terrifying—preacher who promises to save her dying town is "a godsend" (Entertainment Weekly). Drought has settled on the town of Peaches, California. The area of the Central Valley where fourteen-year-old Lacey May and her alcoholic mother live was once an agricultural paradise. Now it's an environmental disaster, a place of cracked earth and barren raisin farms. In their desperation, residents have turned to a cult leader named Pastor Vern for guidance. He promises, through secret "assignments," to bring the rain everybody is praying for. Lacey has no reason to doubt the pastor. But then her life explodes in a single unimaginable act of abandonment: her mother, exiled from the community for her sins, leaves Lacey and runs off with a man she barely knows. Abandoned and distraught, Lacey May moves in with her widowed grandma, Cherry, who is more concerned with her taxidermy mouse collection than her own granddaughter. As Lacey May endures the increasingly appalling acts of men who want to write all the rules and begins to uncover the full extent of Pastor Vern's shocking plan to bring fertility back to the land, she decides she must go on a quest to find her mother no matter what it takes. With her only guidance coming from the romance novels she reads and the unlikely companionship of the women who knew her mother, she must find her own way through unthinkable circumstances. Possessed of an unstoppable plot and a brilliantly soulful voice, Godshot is a book of grit and humor and heart, a debut novel about female friendship and resilience, mother-loss and motherhood, and seeking salvation in unexpected places. It introduces a writer who gives Flannery O'Connor's Gothic parables a Californian twist and who emerges with a miracle that is all her own. "[A] haunting debut . . . This is a harrowing tale, which Bieker smartly writes through the lens of a teenager on the cusp of understanding the often fraught relationship between religion and sexuality . . . It's a timely and disturbing portrait of how easily men can take advantage of vulnerable women—and the consequences sink in more deeply with each page."—Annabel Gutterman, Time "Drawn in brilliant, bizarre detail—baptism in warm soda, wisdom from romance novels—Lacey's twin crises of faith and femininity tangle powerfully. Fiercely written and endlessly readable, a novel like this is a godsend. A—"—Mary Sollosi, Entertainment Weekly "[An] absolute masterpiece . . . Imagine if Annie Proulx wrote something like White Oleander crossed with Geek Love or Cruddy, and then add cults, God, motherhood, girlhood, class, deserts, witches, the divinity of women . . . Terrifying, resplendent, and profoundly moving, this book will leave you changed." —T Kira Madden, author of Long Live the Tribe of Fatherless Girls

Erma Bombeck remains one of America's favorite humorists. When *God Created Mothers* republishes one of her most popular Mother's Day columns as an illustrated keepsake book that offers a touching description of all the characteristics a mother must possess. When it first appeared in Erma Bombeck's Mother's Day column in 1974, *When God Created Mothers* was an instant success, clipped from newspapers, tucked into purses, and tacked onto refrigerators all over America. Now in this beautiful keepsake edition, Bombeck's moving words are paired with original art that bring to life the warm portrait of motherhood contained within. An angel marvels at the detail and overtime that the good Lord is putting into his creation of mothers. Despite the six pairs of hands and the three pairs of eyes that every mother needs, the angel thinks she has discovered a flaw: “There's a leak,” she pronounced. “I told you that you were trying to put too much into this model.” “It's not a leak,” said the Lord. “It's a tear.” “What's it for?” “It's for joy, sadness, disappointment, pain, loneliness and pride.” “You are a genius,” said the angel. The Lord looked somber, “I didn't put it there.” Every mother will treasure this moving tribute, penned by America's most beloved expert on motherhood.

What kind of story is your church telling? Ministry experts describe our culture as having "lost its story." Through neglect or rejection, the next generation seems unplugged from the church's core beliefs. For the most part, young people simply do not feel part of the ongoing, communal story. Paradoxically, this has occurred at a time when youth have fully embraced social networks that connect the world in self-obsessed "I" narratives. This world is starving for a story bigger than what you find on Facebook and YouTube. Sarah Arthur emphasizes the importance of story, an intrinsic aspect of the Christian faith but an aspect that is often overlooked in ministry, especially youth ministry. Arthur shows how youth ministry can be planned as a transforming series of story moments instead of programming. She weaves together her personal experiences and insights along with the sociological work on the faith of teenagers from the book Soul Searching by Christian Smith and Melinda Denton. Repeatedly and unapologetically, Arthur stresses the importance of a distinct Christian language for teenagers. If teens can't speak the Christian language, they don't know the Christian story. If they don't know the Christian story, they don't know how Christians are supposed to live. So what's her solution to this narrative deficiency? The idea of youth ministers as bards, or storytellers. Arthur reminds youth ministers that their primary task is to tell the Christian story, to reclaim the imagination as part of spiritual formation, and to reclaim the church as God's ongoing story. This book would be insightful for all ministers, not only those who work with youth. It can help us make a significant shift in the way we think about and approach ministry in the postmodern world.
