In November, the air grows cold and the earth and all of its creatures prepare for winter. Animals seek food and shelter. And people gather together to celebrate their blessings with family and friends. Cynthia Rylant's lyrical language and Jill Kastner's rich, cozy paintings capture the cherished moments of this autumn month--the moments we spend together and the ones we witness in the world around us.

In this festive Caldecott Honor-winning picture book, Alice Dalgliesh brings to life the origin of the Thanksgiving holiday for readers of all ages. Giles, Constance and Damaris Hopkins are all passengers aboard the crowded Mayflower, journeying to the New World to start a new life. Things get a little more cramped when their baby brother Oceanus is born during the passage. However, when they arrive, there are even worse challenges to face as the Pilgrims are subjected to hunger, cold, and sickness that put their small colony in great danger. With the help of the Native Americans though, they might just be able to survive their first year in this strange land—and have a November harvest to celebrate for generations!

Celebrating the 40th anniversary of the Terry Fox Marathon of Hope, this picture book biography tells the story of a friendship defined by strength and love. Before Terry Fox became a national hero and icon, he was just a regular kid. But even then, his characteristic strength, determination and loyalty were apparent and were the foundation for his friendship with Doug. The two first met at basketball tryouts in grammar school. Terry was the smallest - and worst - basketball player on the court. But that didn't stop him. With Doug's help, Terry practiced and practiced until he earned a spot on the team. As they grew up, the best friends supported each other, challenged each other, helped each other become better athletes and better people. Doug was by Terry's side every step of the way: when Terry received a diagnosis of cancer in his leg, when he was learning to walk - then run - with a prosthetic leg and while he was training for the race of his life, his Marathon of Hope. Written from Doug's perspective, this story shows that Terry Fox's legacy goes beyond the physical and individual accomplishments of a disabled athlete and honors the true value of friendship.
