Create a sampler quilt as unique as you are! Tula Pink gives you an inspiring quilt block collection with Tula Pink's City Sampler. Make a beautiful, modern quilt of your own design with the 100 original quilt blocks or try one of the 5 city-themed sampler quilts designed by Tula. A note from Tula: "You will notice...that the blocks are not named but simply numbered. This is intentional. I may have designed the blocks and given you the instructions on what to cut and where to stitch, but I have not infused the blocks with any meaning. This is your quilt. The fabrics that you choose, the colors that you use and why you are making it are what will give the quilt a purpose. Name your blocks, write in the margins, cross out the ones that you don't like, draw hearts around the ones that you love. In a perfect world, everyone's book would end up looking like a journal, coffee stains and all. The more adventurous ones might rename the book and write their own introduction. Tula Pink's City Sampler is a collaboration between you and me. I am the platform and you are the speaker, so stand on my shoulders and tell the future who you are and why you make."

Japanese student who had gone home for a visit and found a book on this type of patchwork. She set about making folded shapes of the basic patterns, and found the techniques very versatile and inspiring. Because each folded patchwork square is a self-contained unit it is possible to make them as you go along, during a busy day, watching television, or on holiday. Joining the pieces when you have the time and space almost makes an instant quilt. Following the same basic techniques, a wide variety of squares, hexagons and circles in contrasting patches can be made. Once sewn together they can be used to make attractive patterns of crosses, diamonds, chevrons, flowers, stars and much more. This comprehensive introduction to this fascinating technique provides 20 easy-to-follow projects for creating quilts, throws, wall hangings and mats.
