The sight of the author is a full observation of the world. For him the soul of the human being is in deep connection with nature. Doing photography by hobby, he had the chance to staring at the natural elements having that feeling, sometimes, he describes as “passing the nature’s borders”. As a result, the poems he gives us are his construction of landscapes, turning of seasons and all the natural elements such as wind, water, sun, rain that appear to be the mirror of inner feelings. Going deeply in the reading we discover a dichotomy between light and darkness. The described world appears to be the product of supernatural forces.

'The real significance of this book lies in the fact that it tells us more about the everyday life of black South Africans. It delves into the essence of black family life and the secret anguish of family members who often battle to cope.' – Niq Mhlongo A secret torment for some, a proud responsibility for others, 'black tax' is a daily reality for thousands of black South Africans. In this thought-provoking and moving anthology, a provocative range of voices share their deeply personal stories. With the majority of black South Africans still living in poverty today, many black middle-class households are connected to working-class or jobless homes. Some believe supporting family members is an undeniable part of African culture and question whether it should even be labelled as a kind of tax. Others point to the financial pressure it places on black students and professionals, who, as a consequence, struggle to build their own wealth. Many feel they are taking over what is essentially a government responsibility. The contributions also investigate the historical roots of black tax, the concept of the black family and the black middle class. In giving voice to so many different perspectives, Black Tax hopes to start a dialogue on this widespread social phenomenon.

A supposedly accidental drowning becomes something more deadly when Inspector Alan Grant finds a bizarre object tangled in the corpse's hair and later identifies the body as actress Christine Clay, a woman whom many people may have wanted dead. Reissue.

"[Quindlen] serves up generous portions of her wise, commonsensical, irresistibly quotable take on life. . . . What Nora Ephron does for body image and Anne Lamott for spiritual neuroses, Quindlen achieves on the home front."—NPR Includes an exclusive conversation between Meryl Streep and Anna Quindlen! In this irresistible memoir, Anna Quindlen writes about a woman's life, from childhood memories to manic motherhood to middle age, using the events of her life to illuminate ours. Considering—and celebrating—everything from marriage, girlfriends, our mothers, parenting, faith, loss, to all the stuff in our closets, and more, Quindlen says for us here what we may wish we could have said ourselves. As she did in her beloved New York Times columns, and in *A Short Guide to a Happy Life*, Quindlen uses her past, present, and future to explore what matters most to women at different ages. Quindlen talks about Marriage: "A safety net of small white lies can be the bedrock of a successful marriage. You wouldn't believe how cheaply I can do a kitchen renovation." Girlfriends: "Ask any woman how she makes it through the day, and she may mention her calendar, her to-do lists, her babysitter. But if you push her on how she really makes it through her day, she will mention her girlfriends." Our bodies: "I've

finally recognized my body for what it is: a personality-delivery system, designed expressly to carry my character from place to place, now and in the years to come.” Parenting: “Being a parent is not transactional. We do not get what we give. It is the ultimate pay-it-forward endeavor: We are good parents not so they will be loving enough to stay with us but so they will be strong enough to leave us.” Candid, funny, and moving, *Lots of Candles, Plenty of Cake* is filled with the sharp insights and revealing observations that have long confirmed Quindlen’s status as America’s laureate of real life. “Classic Quindlen, at times witty, at times wise, and always of her time.”—The Miami Herald “[A] pithy, get-real memoir.”—Booklist

Beloved author Maeve Binchy's first published novel, an engrossing coming of age tale about the incredible bond of friendship. To escape the chaos of London during World War II, young Elizabeth White is sent to live a safer life in the small Irish town of Kilgarret. It is there, in the crowded, chaotic O'Connor household, that she meet Aisling—a girl who soon becomes her very best friend, sharing her pet kitten and secretly teaching her the intricacies of Catholicism. Aisling’s boldness brings Elizabeth out of her proper shell; later, her support carries Elizabeth through the painful end of her parents’ chilly marriage. In return, Elizabeth’s friendship helps Aisling endure her own unsatisfying marriage to a raging alcoholic. Through the years, they come to believe they can overcome any conflict, conquer any hardship—as long as they have each other. Now they’re about to find out if they’re right... “A sumptuous saga.”—Harper’s “Wonderful...a novel that could be mistaken for life.”—New York Daily News
