Discover What Quality Men Secretly Look For When Choosing "The One" A high-quality man who knows what he wants will NOT settle for just any woman to build a meaningful relationship with. Men like this want a woman who exudes high character. And though she may be beautiful on the outside, he expects her inner worth to be far superior to the women around her. Once a woman passes a man's "physical appearance" test that is specific to his personal tastes, it's her inner value (or lack thereof) that will either lose or keep his interest in her. Learning how to keep a man interested in you is as simple as figuring out what men want when it comes to choosing a partner for a long-term relationship. Sadly, many women either disqualify themselves from relationships with phenomenal men or they only seem to attract losers, players, and time-wasters because they failed to develop the inner qualities great guys actively look for in a potential wife or girlfriend. The 7 Qualities That Can Make a Man Fall Helplessly in Love With You Due to trust issues, many great guys aren't open about they need in a relationship. Because of this, many women only learn how to understand men after painful trial and error or by fighting to get a man to open up emotionally. By the time she's figured him out, the incessant conflict and misunderstanding has already taken its toll on him; making his emotional barriers even stronger than before. The faster a man trusts you on a subconscious level, the faster he'll be able to let himself go completely and fall in love with you. And there are seven qualities that are so rare and invaluable in a woman, that when a man finds a woman like this he becomes absolutely determined to KEEP her in his life. How to Find Mr. Right By Becoming Better Girlfriend Material If you want to attract and keep a high-quality man then you need to understand what men want in a woman. This short book will reveal to you what a high-quality man wants in a woman he considers girlfriend or even wife material. Although different men want VERY different things, there are certain feminine qualities that ALL commitment-able men look for when choosing a long-term mate. Only the woman who possesses these feminine qualities will find attracting men – quality men – to be both an effortless and rewarding activity. Here's what you're going to learn inside: What men want in a woman, and why being unapologetically feminine attracts the BEST kinds of men. How to get a boyfriend using an "old-school" tactic that can captivate the heart of even the most unattainable man. How to understand men and what makes them WANT to commit to a woman. How to Tell if a Man Wants You for a Lifetime or Only for the Moment Men don't really have "commitment issues." At least, not in the way most women think men do. When a man tells you he has "commitment issues", there's a good chance that what he REALLY means is he's not that interested in you and is just using you to pass time with until he meets someone "better." When a man isn't interested in a relationship with you, his "commitment issues" are nothing more than an excuse to waste your time and reap the benefits of your decision to stay with him in order to "see where this thing goes." It's at this point where many women make one of the worse dating decisions possible, as they choose to remain with a half-interested man, hoping that over time they'll be able to "lull" him into a serious commitment. The Biggest Reason Why Men Pull Away and Suddenly Lose Interest Women often wonder why men pull away and lose interest in a blossoming romance without so much as a warning. Though there could be a ton of reasons why a man might pull away, the most common reason for his loss of interest is this: he wasn't THAT interested in you to begin with. In general, even though men are more than able to commit to a woman once certain conditions in their life are met, they will not directly inform you when you're not the right girl for them or that now isn't the right time for them to take a woman seriously. And because men are far more opportunistic when it comes to dating, a lot of guys won't hesitate to take advantage of a dating situation that reaps high rewards with as little effort possible. How to Avoid Dating Men Who Will Keep You Unloved and Perpetually Unclaimed No matter which way you look at it, even though men don't really have commitment issues, they don't find it necessary or in their best interest to inform a woman when she's nothing more than a beautiful distraction, a way to earn the respect of his peers, or just a target to sharpen his seduction skills so that he'll be primed and ready when a "better" woman comes along. This is the ugly truth, but there's hope. In this book, you'll get an inside look at how a man thinks and interacts with a woman when he's not that interested in her. This sort of male behavior is actually easy to spot IF you know what to look for. It's extremely difficult for a man to waste your time and treat you like a short-term plaything without exhibiting certain unmistakable behaviors that clearly communicate that he's trying to keep you interested...but unclaimed. Here's what you're going to learn inside: The seductive language men use when they want to discourage you from wanting a COMMITTED relationship. How quickly learning this ONE thing about him can tell you if he's "unequipped" to handle a serious relationship. The pattern in a man's dating history that IMMEDIATELY reveals if he's a commitment-phobic time waster. How to avoid being confused by men who might love you tenderly, but would NEVER make you their girlfriend. How to stop losing sleep wondering "DOES HE LIKE ME?" and get him to either take you seriously or take a hike! How observing this simple behavior reveals if he thinks you're "THE ONE" or just "Some One" to pass time with until he finds his Ms. Right. The relationship red flags for recognizing a DEAD ON ARRIVAL romance so you don't end up wasting your time. How to tell if a man is still secretly IN LOVE with his ex and is only one sad love song away from abandoning YOU for HER. And much, much more... Would You Like to Know More? Discover Why Men Come on Strong Then Suddenly Lose Interest If you are currently dating, at some point you've probably been blindsided and left utterly frustrated after a great guy suddenly lost interest in you even though he seemed so passionate in the beginning. Maybe you've been completely heartbroken after a long-term boyfriend suddenly started pulling away from you. Sadly, as unfortunate as these dating situations are, when they do occur, most women tend to act in counterproductive ways that only end up pushing their guy even further away, maybe even for good. *What to Do When Men Pull Away, Become Distant, or Try to Ignore You* No woman can change the reality that any man, no matter how interested or invested he may first appear, can potentially pull away and lose interest in her at some point. Although this is the reality, a woman can, in fact, change the way she deals with such situations. While you might not be able to control a man's behavior, you can control your own. Being in control of your emotions, especially when a man's behavior threatens your future with him, will make it easier for you to influence his heart and make him see you as an irreplaceable, high-value woman. But in order to effectively influence a man's heart, a woman must possess a deep understanding of how men think - why they lose interest and what scares them away from a blossoming relationship. *How to Finally Understand Men and Never Be Confused by Their Behavior Again* The thing is, a woman can astronomically increase her chances of dating success by doing one simple thing: understanding men. Rather than responding in desperation and frantic fretting, when a woman truly understands male dating behavior, she becomes far more confident and capable in dealing with men whenever they pull away or attempt to ghost her. Fortunately, in *Never Get Ghosted Again*, you're going to get an inside look into how men think when it comes to women and dating. In this fun and insightful dating book for women, you will discover the secret reasons why men suddenly lose interest, what causes men to fall in (and out of) love with a woman, and how to prevent that special guy from disappearing on you. Here's what you're going to learn inside: The BIGGEST reason why men pull away whenever you start giving them MORE of your love and attention. What to Text Him Back to Keep Him Hooked and Make Him BEG to See You Again Did you know that men secretly use texting as a way to "pre-screen" a woman's romantic value? A woman's texting habits can reveal a lot about her self-worth, confidence, intelligence, and even her level of class and emotional maturity. Because guys covertly appraise a woman's relationship potential this way, many women often have no idea that the way they communicate via text is actually sending the wrong message and thus, they unknowingly end up chasing men away. Discover the Secrets of Texting Men to Effortlessly Stand Out from EVERY Other Woman Men have their own unique way of interpreting a woman's communication attempts. Therefore, although many women mean well, they often do things when texting men that sometimes makes them appear too easy, too needy, too bossy, or too boring...even if these things aren't necessarily true about them. Texting is the one medium of communication in which a great guy can easily get the wrong idea about you. And as these wrong ideas pile up inside his mind, they usually coalesce into a single romance-killing thought: That he can do better than you. So, what's a girl supposed to do then? Simple really. All she needs to do is understand exactly how men appraise female texting habits and how to use this knowledge to differentiate herself as being a high-value woman. Doing so will make it easy for her to stand out from EVERY other woman who texts him. How to Use Texting to Tease, Flirt, and Entice Your Way into Becoming His TOP Priority If you want to arouse the kind of long-term desire in a man that makes him eager to pursue you for dates, romance, commitment, and more, you must take advantage of texting and use it to make subtle and seductive displays of your high-status, and thus, your high-value. How to Attract Men Worth Dating and Get the Guy You Really Want When it comes to finding a suitable mate for a passion filled, committed relationship, one of the things men want most in a woman is self-possession, or said another way, womanly poise. When high-quality men come across a woman with poise they crave her respect, her approval, and most importantly, her love. Men like this understand that a woman's poise reflects her self-worth. And they know that a woman can only act with poise when she's placed a higher importance on her dignity and well-being than she does on ANY man. It is this unique female attitude that drives a man wild with sustainable desire, the kind of desire that makes him eager to commit to a woman and claim her as his own. How to Attractively Set Standards with a Man and Make Him Want You Even More When a woman lacks poise she generally gives too much of herself, and usually at the most ineffective times when dating a man. She is too lenient with men in the beginning stages of a new romance, and she's prone to compromising her standards just to keep a man in her life. Women like this unknowingly chase men, as they become frantic, frustrated, and foolhardy whenever the guy they want begins to pull away or lose interest in them. A woman with poise never chases or throws herself at a man, nor does she make things easy for him by clearing her schedule "just in case" he calls or comes around. Instead, a woman with poise maintains her mystery, sticks to her standards, and uses her feminine charms to invite men to either pursue her passionately or leave her alone. How to Date like a High-Value Woman and Be Irresistible to Mr. Right It's easy to show class and character when things are going your way with a guy. But your ability to remain unfazed amid his disrespect or disinterest is what really helps him determine whether you are a high-value woman or not. A man will not always act in ways that are favorable to you. Sure, some men are scumbags, but not all men who act thoughtlessly towards you should be categorized this way. Therefore, if you want to separate the good guys from the time wasters it's important to act with poise. This book was designed for women who want to go from being powerless to being irresistible to men. In it, you'll discover the secrets to having more confidence and power with men and dating as you learn the beliefs, attitudes, dating rules, "love habits", and seduction secrets of the high-value woman. Here's what you're going to learn inside: What to say when you want to "slow things down" with a guy without losing his interest in you. The most seductive first date "good deed" that can CAPTURE a man's desire and make him desperate to see you again. The #1 key to conquering a man's heart during the early dating stages. (This is something most women only figure out after YEARS of painful trial and error.) How to get a boyfriend by avoiding a HUGE relationship-killing mistake most women make within the first few weeks of dating. The single most irresistible feminine attitude that easily overwhelms a man's emotions and makes it IMPOSSIBLE for him to get you off his mind. How to get a man to treat you like a top priority (instead of his Plan B) once you start dating him. How to maintain the "Queen's Composure" when men pull away and how to use it to make the good ones come RUNNING back to you. The "dating rules" high-value women use to quickly eliminate players and find Mr. Right. And much, much more... Would You Like to Know More? Discover What Women Want in a Man and How They Secretly Test You For it If you pay close enough attention to what really attracts women, you'll find that what women want is a man with a backbone. Women want to be with a man who knows how to take the lead and make decisions; one who has strong personal boundaries and knows how to love her like...a man. Unfortunately, a lot of men have difficulty accepting the truth that many women prefer to be with a man who isn't afraid to stand up to them, who challenges them, and who refuses to be pushed around by women (or anything else for that matter). This is especially true of women who seek a more traditional male-female gender role dynamic in their romantic relationships. Even if a man knows how to attract women, cultivating a mind-blowing relationship with one requires a different set of skills entirely. Women want men who can make them feel secure - men with strong boundaries and unwavering commitment. Sadly, most dating and relationship books rarely show men how to keep a woman happy without them having to sacrifice their manhood in the process. How to Understand Women and Pass Their Tests With Unshakeable Confidence Men around the world have no idea that the women they know and love are testing them. These men go about their lives interacting with the opposite sex in absolute darkness, ignorant to the fact that they're being judged, appraised, approved, and rejected based on their subconscious reactions to female testing. If you had no idea that women test men and why they have to, you're about to take a journey onto a road less traveled - the more mysterious side of female psychology and how women think. Attract Women Through Authenticity and Be the Strong Man a Woman Wants For a Relationship It's important for a man to learn how to walk that thin line between caring, thoughtful lover and firm, assertive leader. The man who masters the art of being the perfect gentleman and a strong alpha male is the ideal specimen

Here's what you're going to learn inside: How to be radically honest with a woman and why this makes her MORE attracted to you. How to be confident with difficult women. What women want in a man and how to give it to them. How to make a woman happy without becoming a complete doormat of a man. How to seduce your wife and get her in the mood by responding like a MAN whenever she "pokes the bear." How to be firm and say "No" to the woman you love without destroying intimacy. Discover How to Get the Guy You Want and Avoid Dead-End Relationships If a man doesn't take you seriously he may feel compelled to have a good time with you. Unfortunately, this good time will last until you finally realize you're being taken for a ride or until Mr. Time-Waster moves on to the woman he REALLY wants. In cases like this, what a woman really requires are two things: a healthy amount of self-respect and a set of "player-proof" dating rules that will allow her to make wise dating decisions as she navigates the treacherous territory of finding Mr. Right. How to Keep a Man Interested Without Playing Games or Becoming His Doormat Many dating advice books for women tout the idea that a high level of confidence is key when dealing with men. However, while this is partially true, being confident, at least in regards to making a man pursue you, is pointless without understanding how to apply that confidence in various dating situations when dealing with men. A woman's confidence is communicated to a man by what she stands for and what she doesn't. Being able to confidently socialize with men, having confident body language, and illustrating confidence in your femininity will only go so far if you still allow men to have their way with your emotions, time, affections, body, and anything else for that matter. Self-confidence makes a woman more attractive, but unless it effects how she enforces her personal boundaries it won't do anything to keep a man interested in her for the long-term. How to Date a Man to Keep Him Calling and Falling For You Women with strong personal boundaries are principle-centered, not men-centered or romance-centered. To them, their personal values, such as giving and receiving unconditional love, are more important to them than needing to be with any one particular guy. When a woman has strong personal boundaries she doesn't make excuses because of a man's handsomeness, status, wealth, race, background, promises, sexual chemistry, etc. She sticks to her guns and refuses to settle for dating situations that might cause her distress or jeopardize her future happiness. This book was designed to show women how men appraise female behavior in order to determine a woman's level of self-respect and therefore, her value as a romantic partner. In it, you'll discover the timeless seduction secrets and dating rules for women that will help you avoid those dating mistakes that make could make a woman appear desperate, needy, commonplace, or even "unqualified" for a serious commitment to a great guy. Here's what you're going to learn inside: The most powerful form of male seduction that can KEEP a woman helplessly "addicted" to chasing a man. How to keep a man interested by doing the one thing MOST women are terrified of doing when they find a great guy. An irritating habit that

extroverted woman may become overly catty and mean-natured with her teasing towards the man she's smitten with. Sadly, most guys have no idea that an interested woman may act this way unless they've had considerable experience with the opposite sex. So although different women act very differently when they're interested in a man, in general, men tend to read signs of romantic interest in a very uniform way. Because of this, a woman can place the odds of meeting Mr. Right more in her favor by adopting a seduction strategy that speaks directly to the masculine subconscious. How to Meet Men By Being Hard-to-Get But Easy to Approach If men seldom approach you or good guys rarely ever show an interest in you, you may have a difficult time filtering out the players and time-wasters from the guys who want a relationship. You know you can do better than this loser." Women with options don't have to settle or act needy and desperate with men. Because they know how to be attractive to men, they trust that if they're not being treated with love and respect they can easily meet another guy. If you don't know how to be attractive to men or feel unconfident about when the next guy is going to show up, you may find yourself in desperate situations with men that you know aren't right for you. So aside from making it even just a bit easier to attract a good man into your life, becoming more approachable to men will help you to avoid dismal dating experiences where most, if not all of your relationship decisions are made purely out of scarcity and desperation. spouse, or boyfriend and really want to make it work? If the answer is yes, then a deeper understanding of men and their mysteries will make you a better-equipped and informed relationship partner, and will also help you manage those circumstances where your reaction or response would normally be different from your male counterpart. Men may be hard to understand at times, but women just can't get enough of them anyway, right? You've probably sworn off guys in the past, especially after a particularly painful break-up or experience, but after a while you will find yourself interested again, ready to try one more time. That is, after all, the essence of the human experience. You learn from your experiences, go through the hits and the misses, and must always be ready to get back right up and try again until you get it right. In relationships with men, there's a lot of trial-and-error happening, so you really have to be flexible and open to different scenarios that could arise. This is especially true in today's modern society, where people's attention spans are much shorter and distractions abound everywhere. You will find yourself competing for the attention of your spouse or partner with other people, or even gadgets, games, career opportunities, and other attention-getters. But let's be very honest here: while men may be difficult to comprehend, it is also what makes them the mysterious and intriguing creatures that they are, making them more attractive to the female gender. If men were just plain and simple robots you could program to your desired specifications and to cater to your every whim, it won't be long before you get tired of the lack of adventure. For all their weaknesses, weird workings, and strange activities, men are compatible with women and they make for great spouses and partners, so don't count them off just yet. As a woman, you can learn so much and grow in character by simply attempting to understand the inner workings of the male psyche and how they are wired to protect you and procreate with you. After a woman has passed a man's physical appearance test, he will gauge her level of chemistry with him (the way she makes him feel). And once a man realizes that he has a good enough amount of chemistry with a woman, over time he will slowly evaluate various aspects of her character in order to determine if she is, in fact, a woman worth dating for long-term love and perhaps even marriage. In the ruthless arena of King Henry VIII's court, only one man dares to gamble his life to win the king's favor and ascend to the heights of political power England in the 1520s is a heartbeat from disaster. If the king dies without a male heir, the country could be destroyed by civil war. Henry VIII wants to annul his marriage of twenty years, and marry Anne Boleyn. The pope and most of Europe opposes him. The quest for the king's freedom destroys his adviser, the brilliant Cardinal Wolsey, and leaves a power vacuum. Into this impasse steps Thomas Cromwell. Cromwell is a wholly original man, a charmer and a bully, both idealist and opportunist, astute in reading people and a demon of energy: he is also a consummate politician, hardened by his personal losses, implacable in his ambition. But Henry is volatile: one day tender, one day murderous. Cromwell helps him break the opposition, but what will be the price of his triumph? In inimitable style, Hilary Mantel presents a picture of a half-made society on the cusp of change, where individuals fight or embrace their fate with passion and courage. With a vast array of characters, overflowing with incident, the novel re-creates an era when the personal and political are separated by a hairbreadth, where success brings unlimited power but a single failure means death.

storm. Abigail Shrier, a Wall Street Journal writer, does something simple yet devastating: she rigorously lays out the facts." —Janice Turner, The Times of London Until just a few years ago, gender dysphoria—severe discomfort in one’s biological sex—was vanishingly rare. It was typically found in less than .01 percent of the population, emerged in early childhood, and afflicted males almost exclusively. But today whole groups of female friends in colleges, high schools, and even middle schools across the country are coming out as “transgender.” These are girls who had never experienced any discomfort in their biological sex until they heard a coming-out story from a speaker at a school assembly or discovered the internet community of trans “influencers.” Unsuspecting parents are awakening to find their daughters in thrall to hip trans YouTube stars and “gender-affirming” educators and therapists who push life-changing interventions on young girls—including medically unnecessary double mastectomies and puberty blockers that can cause permanent infertility. Abigail Shrier, a writer for the Wall Street Journal, has dug deep into the trans epidemic, talking to the girls, their agonized parents, and the counselors and doctors who enable gender transitions, as well as to “detransitioners”—young women who bitterly regret what they have done to themselves. Coming out as transgender immediately boosts these girls’ social status, Shrier finds, but once they take the first steps of transition, it is not easy to walk back. She offers urgently needed advice about how parents can protect their daughters. A generation of girls is at risk. Abigail Shrier’s essential book will help you understand what the trans craze is and how you can inoculate your child against it—or how to retrieve her from this dangerous path.
