DADGAD Guitar Method is different. Each scale, chord and arpeggio is taught in a musical context so that it immediately becomes part of your voice on guitar.

This starting volume of the Complete Acoustic Blues Method covers basic blues theory, left-hand techniques, call and response phrasing, intros, turnarounds, endings, and improvisation. All music is shown in standard notation and TAB, and the CD demonstrates the examples in the book. This is the perfect method for beginning acoustic blues guitarists.

All seven volumes of Mel Bay's original, internationally acclaimed Modern Guitar Method series are included in this single, deluxe master compilation. No other comparable method exists for the guitar! As Mr. Bay perceived the need for a guitar method that would effectively teach beginning guitarists to read music, this method is intentionally written in standard notation only, providing just enough music theory to understand what the student is required to play at any given point. Although fingerstyle technique can be applied to the pieces and studies, this book is specifically tailored for the plectrum-style player. Contains hundreds of beginner through advanced solos and duets in all fretboard positions and all keys, plus all four-note rhythm chord formations on high, middle and low sets of adjacent strings. This edition also includes additional outstanding plectrum guitar solo arrangements not found in the original seven volumes. All in all, this outstanding method leads the student to total mastery of the fretboard.

This book is great for acoustic guitarists who have learned the basics and are ready to take the next step. Beginning with a brief review of reading standard music notation and TAB, this book takes you further into three major areas of study: sounds, grooves and special techniques; theory and improvisation; and alternate tunings. You'll be introduced to a variety of styles including acoustic funk, New Orleans, gypsy swing, Celtic, bluegrass, Cajun and more. Master the upper positions of the guitar fingerboard as you learn major scales, triads and pentatonic scales. Greg Horne makes learning fascinating concepts easy and fun as he introduces modes and several alternate tunings.

Perfect for guitarists who have been playing for a while and are ready to expand their skills and technique, this revised book and DVD package starts with exercises for developing speed and agility and moves on to jazz chords, advanced techniques like slapping and tapping, modes, and alternate tunings. It also features thorough lessons on composition and arranging. The new DVD is hosted by Jared Meeker, one of today's hottest guitar players. If you have completed Beginning Acoustic Guitar and Intermediate Acoustic Guitar, this is your best next step. Second Edition Features: * Updated examples in the styles of acoustic guitar masters * New companion DVD demonstrating the examples in the book * Improved instruction on acoustic guitar techniques and theory, covering flatpicking, fingerstyle, and strumming

Provides beginning instruction including tuning, 1st position melody playing, C, G, G7, D7, and Em chords, rhythms through eighth notes, solos and ensembles and strumming. Features a chord chart, and traditional songs like: Amazing Grace ? Greensleeves ? and When the Saints Go Marching In.
