In this provocative and dreamy parable, a young man disillusioned by the corruption of his homeland sets out on a quest to find Gebel, the land of perfection, from which no one has ever returned. On his way, Ibn Fattouma passes through a series of very different lands--realms where the moon is worshipped, where marriage does not exist, where kings are treated like gods, and where freedom, toleration, and justice are alternately held as the highest goods. All of these places, however, are inevitably marred by the specter of war, and Ibn Fattouma finds himself continually driven onward, ever seeking. Like the protagonists of *A Pilgrim's Progress* and *Gulliver's Travels*, Naguib Mahfouz's hero travels not through any recognizable historical landscape, but through timeless aspects of human possibility.

defeated the dreaded monster Gorgrael and by fulfilling his destiny he has brought peace finally to the three races of this land: the Icarrii bird people, the Avar tree people, and the humans who for generations controlled (and oppressed) the other two races. Attaining god-like powers, Axis chose to retire to the ethereal sphere in the heavens with his beautiful consort Azhure and ceded his authority to his son Caelum SunSoar. As Supreme Ruler of Tencendor, Caelum holds the reins of power carefully and the thousands of years of ill-will between the three races seems to be at an end. All seems golden for this land. Or so it might seem. But the path of the son is not necessarily that of the father. Caelum is untried and has known nothing but peace during his lifetime. And while the three races appear at peace, there are undercurrents of jealousy and bitter memories just buried beneath the surface. So when strange powers threaten to come through the Star Gate (a source of power that gives those with magic their near immortality) bent on the destruction of all he holds dear, Caelum will have to find the strength to fight this threat. Complicating this situation is the almost impossible death of his Icarrii sister...and the culprit appears to be none other than his hated brother Drago, who as a baby had been in league with Gorgrael and had sufficient power to try to kill Caelum. As punishment Drago was made mortal (unlike his near invulnerable siblings). As Caelum struggles to hold all he holds dear safe, he is left with this quandary: Is Drago as powerless as he seems? Is his hate for his fate enough to have him murder? And is he in league with the demons that hover ever nearer? How do we find the courage to always be true to ourselves—even if we are unsure of who we are? That is the central question of international bestselling author Paulo Coelho's profound new work, *The Witch of Portobello*. It is the story of a mysterious woman named Athena, told by the many who knew her well—or hardly at all. Like *The Alchemist*, *The Witch of Portobello* is the kind of story that will transform the way readers think about love, passion, joy, and sacrifice.

Eleven Minutes is the story of Maria, a young girl from a Brazilian village, whose first innocent brushes with love leave her heartbroken. At a tender age, she becomes convinced that she will never find true love, instead believing that "love is a terrible thing that will make you suffer. . . ." A chance meeting in Rio takes her to Geneva, where she dreams of finding fame and fortune. Maria's despairing view of love is put to the test when she meets a handsome young painter. In this odyssey of self-discovery, Maria has to choose between pursuing a path of darkness -- sexual pleasure for its own sake -- or risking everything to find her own "inner light" and the possibility of sacred sex, sex in the context of love. This P.S. edition features an extra 16 pages of insights into the book, including author interviews, recommended reading, and more.

The writing of the Gospels was entrusted to Luke, a medical doctor; Matthew, a retired tax collector; Mark, the manager of a family trust; and John, a food supplier. Lydia was "a dealer in purple cloth." Dorcas was a clothes designer. In this expanded version of the bestselling *Anointed for Business*, Ed Silvoso focuses on the heart of our cities, which is the marketplace. Yet the perceived wall between commercial pursuit and service to God continues to be a barrier to advancing His kingdom. Silvoso shows Christians how to knock down that wall--and participate in an unparalleled marketplace transformation. Only then can we see God's kingdom invade every corner of our world. Readers will appreciate Silvoso's passionate call to men and women in the workplace to rise to their God-appointed positions.
