In a time of so many distractions from television, to the internet, movies, and more Bible study is fast becoming obsolete. Who in the world has time to open the Book? Yet God promises huge blessings for those who daily receive His bread of truth. In this inspiring booklet, Pastor Doug shows you the power of God's Word to change your life and the tremendous need to return to the source of our faith.

In this 6-session study, Dr. Moore uses key scriptures that distinctively shape us as United Methodists. Each session also lifts up and uses core terms and life application topics taken from the Wesley Study Bible to help you grow as a faithful follower of Jesus as you practice your faith in everyday life. Study questions are included at the end of each chapter for private devotion or small group study.

Help students investigate and explore earth's most amazing book—the Bible! It's an ideal supplement to any Sunday School curriculum and great for Christian schools or homeschooling. • Includes a complete index so it's easy to find information about a Bible person or event •

Reproducible, so you can photocopy whatever information you want to share

What better way to present the fascinating facts, trivia, lessons and really cool stuff hidden in the pages of the Bible than through a new almanac style full-colour book? This highly designed colourful reference book will engage kids with hundreds of lists, timelines, quizzes, maps and other captivating details about Biblical times and the people and stories of the Bible itself.

A comprehensive reference designed to promote interest in biblical history and culture includes such features as "25 Facts about Music and Poetry" and "35 Facts about Ancient Rulers."

How well do you really know the Bible? For instance, guess how many doves were aboard Noah's Ark. The answer is not two. And guess on which day the Bible says Jesus died. Believe it or not, the Good Book doesn't mention Friday, and even more surprisingly, while the Bible says Jesus rose from the grave, it does not say it occurred Sunday morning. Remember, Jesus' followers found an empty tomb then. But don't feel bad if you've always assumed otherwise. Like countless millions of people, you've just been misinformed, misled or even (dare we

## Download Free The Amazing Bible Fact Book For Kids

say) lied to about what the Bible actually says. In a stunning investigation, news veteran Joe Kovacs goes on a mission to help both Christians and non-Christians alike find out what the Bible really contains, and what it doesn't. "Shocked by the Bible: The Most Astonishing Facts You've Never Been Told" is an educational juggernaut that relies solely on the Holy Bible to reveal hundreds of Scriptural facts that many people of all persuasions simply don't know. The book instantly skyrocketed to the No. 1 position in three Bible-related categories on Amazon.com. "I'm among the biggest fans of the Bible of all time," says Kovacs. "My goal is to educate people about the solid truth of Scripture and to stop the spread of erroneous information. I want people to crack open their Bibles and see with their own eyes what's actually printed on the pages, and what's not. It's shocking!" According to Scripture, you won't find "Three Wise Men" mentioned anywhere in the story of Jesus' birth. For that matter, none are said to have shown up at the manger in Bethlehem. The truth straight from your own Bible is that an unspecified number of wise men first met Jesus as a "young child" in a "house," not a babe in a manger, and it might have been more than a year after He was born. Go ahead, look it up for yourself. Also according to Scripture, you won't find a single mention of Easter eggs, but you will find God warning His people not to have anything to do with a pagan fertility goddess, whose name is synonymous with "Easter." "Yes, I'm a Bible-believing Christian," says Kovacs. "But I'm not here to convert anyone. People are free to believe whatever they wish and can come to their own conclusions. I just want to show them the biblical record is often very different from what many assume. Not only will Christians love this book, but I think Jews, Muslims and even agnostics and atheists will get a kick out of it as well." When the veil of presumption is removed and people see the words that are actually on the Bible's pages, readers will discover: Jesus said no one has gone to heaven except Himself "Christmas" is not mentioned in the Bible The practice of decorating a tree with silver and gold is actually condemned by God "Easter" has vanished from the Bible Jesus made appearances on Earth on the Old Testament God sought to kill Moses The destiny of human beings is not what you think (it's not to float around on clouds in heaven) God ran lotteries Jesus did not come to make everyone understand His message Noah's Ark is not said to have rested on "Mount Ararat" Noah, Abraham, Isaac and Jacob were not Jews Nagging wives are mentioned in Scripture Women's breasts are celebrated in the Bible There's a character in the Bible called a "dumb ass" Underwear didn't disintegrate despite 40 years of heavy use The worst case of hemorrhoids in history is recorded Endorsement: "If you think you really know the Bible, better think again. Joe Kovacs takes a close look at the greatest story ever told and separates myth from reality. My favorite parts of the book deal with Christmas and Easter. Check out 'Shocked by the Bible.' You may well be shocked." – Bill O'Reilly, anchor, Fox News Channel

Are science and religion hopelessly at odds with one another in their view of truth? Not if you read physicist Michael Guillen's new book on truth, which shows that the two sources of truth, scientific and religious, are not opposed but in surprising agreement Presents one-year's worth of devotions based on trivia questions from the Bible, explaining the story that relates to the question and what it means for the reader.

Every day for an entire year, The 365-Day Fun Bible Fact Book gives you a concise, easy-to-read entry on the strange, wonderful, and intriguing aspects of scripture. Covering the miraculous, the odd, the important-but-little-known, and the truly bizarre, this book is a useful and fun tool for enhancing biblical knowledge. Appropriate for readers from junior high and up, The 365-Day Fun Bible Fact Book covers "The Bible's Other Noah," "Solomon's 700 Wives," "Healing Hankies," and 362 other unusual aspects of scripture. Bonus Bible trivia questions appear with each reading, promising you an entire year's worth of fun!

A much anticipated reissue of Who Wrote the Bible?—the contemporary classic the New York Times Book Review called "a thought-

provoking [and] perceptive guide” that identifies the individual writers of the Pentateuch and explains what they can teach us about the origins of the Bible. For thousands of years, the prophet Moses was regarded as the sole author of the first five books of the Bible, known as the Pentateuch. According to tradition, Moses was divinely directed to write down foundational events in the history of the world: the creation of humans, the worldwide flood, the laws as they were handed down at Mt. Sinai, and the cycle of Israel’s enslavement and liberation from Egypt. However, these stories—and their frequent discrepancies—provoke questions: why does the first chapter in Genesis say that man and woman were made in God’s image, while the second says that woman was made from man’s rib? Why does one account of the flood say it lasted forty days, while another records no less than one hundred? And why do some stories reflect the history of southern Judah, while others seem sourced from northern Israel? Originally published in 1987, Richard Friedman’s *Who Wrote the Bible?* joins a host of modern scholars who show that the Pentateuch was written by at least four distinct voices—separated by borders, political alliances, and particular moments in history—then connected by brilliant editors. Rather than cast doubt onto the legitimacy of the Bible, Friedman uses these divergent accounts to illuminate a text that was written by real people. Friedman’s seminal and bestselling text is a comprehensive and authoritative answer to the question: just who exactly wrote the Bible?

Introduces the stories of some of the heroes and villains of the Bible through casefiles with background information, on-the-scene interviews, and other clues, and invites readers to be detectives and determine what happened.

This fact book is as entertaining as it is informative. Each page includes an interesting statistic, a helpful definition, or some other noteworthy morsel of data from the Old or New Testament as well as a playful cartoon illustration. The tidbits of information are organized in the order they appear in the Bible, giving young readers a feel for the story line of Scripture. How tall was the Tower of Babel? Can the City of David really fit inside the Superdome? What cool things could Jesus do after the resurrection? Answers to these questions and 98 other interesting facts will whet young readers’ appetites and help them become Bible experts in no time.

A handy resource that offers Biblical information including time-charts and diagrams

Even considering such questions alerts the modern reader to the limitations of ancient history, as well as to the great distance of time, culture, and language, between the biblical writer and the current reader. IS THE BIBLE FACT OR FICTION? invites the reader to look at the "historical books" of the Bible, not from the standpoint of what actually happened, but to understand the type of history the biblical authors were actually writing. Organ wrote this book out of frustration with uncritical reading of various genres of biblical texts. She felt that the "historical books"--such as Acts of the Apostles and the Old Testament chapters of Maccabees, and Joshua though Kings--are most susceptible of being read in a naive and literal way. Most readers fail to take into account modern expectations of historical accuracy vs. the preconceptions of the ancient writers. Her book focuses on the style, creativity, and individuality of the biblical writers/historians and the richness of their work and examines their accounts through the lens of modern scholarship.

The Bible is filled with stories: of faithful—and unfaithful—men and women; of great battles, and quiet failures. The vast amount of information in this book reveals more about the Old and the New Testaments than is commonly known, on such diverse subjects as law, crime, love, folktales, superstitions, customs, and cultures.

How Much Do You Know About the Bible? God's Word is filled with fascinating history, intriguing facts, and an endless supply of interesting trivia. This one-of-a-kind book will test and expand your knowledge of the Bible. Learn the biblical origin of popular sayings, uncover hidden truths about Scripture, and increase your Bible IQ with challenging quizzes. Whether you are a lifelong devotee or someone wanting to know more about God's Word, this collection of trivia will help you grow in your understanding of the Bible in a fun, new way. Take the ultimate Bible knowledge challenge and be amazed as God's amazing book comes alive for you!

The Bible is the Word of God, but even on a human level it stands apart. No other book has sold so many copies; been translated into so many languages; been so often adapted, recited, and performed; or took so many years (centuries!) to write.

Powerful, inspirational, full of wisdom, proverbs, aphorisms, Solomon pens in a sense his own autobiography in the book of

Ecclesiastes. The book lays out beautifully, Solomon's quest for the meaning of life. Solomon chronicles his quest to find life's meaning leaving nothing out, unveiling as it were, his entire life for us to see that seeking after worldly allures will leave us empty, bare, without meaning and sad. He concludes in Ecclesiastes 12:13 'Let us hear the conclusion of the whole matter: Fear God, and keep his commandments: for this is the whole duty of man'.

Kids often hear Sunday school lessons about Noah, Abraham, Moses, David, and Jesus. But what about Ehud, Deborah, Jonathan, and some of the other lesser-known but equally colorful heroes of the Bible? Popular children's author and illustrator Sandy Silverthorne uses hilarious drawings and modern-day settings to introduce kids to some of the everyday people God has used in amazing ways. Each story includes an age-appropriate devotional that ties a life lesson to the character and helps kids apply what they learn to their own lives. These tongue-in-cheek but historically accurate retellings will help readers (8 to 12 years old) discover some of the hidden gems in the Bible. Even "reluctant readers" will become immersed in these stories and enjoy watching the way God can turn anyone into a surprising and unusual hero in His plan to reach the world.

This new volume combines Joel Meredith's two books of Bible lists for a total of 375 lists! Includes easy access to lists like the Ten Commandments, the gifts of the Spirit, and the Beatitudes. But it doesn't stop with the expected. It also offers lists of people raised from the dead and people who were struck blind. Readers will also discover surprising Bible facts, like animals God used miraculously, bald men in the Bible, and nine of the earliest recorded inventors. Lists are organized into 39 categories. A great resource for students, families, or anyone wanting to learn more about the Bible.

These days fact-checking can seem like a lost art. The Fact Checker's Bible arrives not a moment too soon: it is the first—and essential—guide to the important but increasingly neglected task of checking facts, whatever their source. We are all overwhelmed with information that claims to be factual, but even the most punctilious researcher, writer, and journalist can sometimes get it wrong, so checking facts has become a more pressing task. Now Sarah Harrison Smith, former New Yorker fact checker and currently head of checking for The New York Times Magazine explains exactly how to: \*Reading for accuracy \*Determine what to check \*Research the facts \*Assess sources: people, newspapers and magazines, books, the Internet, etc. \*Check quotations \*Understand the legal liabilities \*Look out for and avoid the dangers of plagiarism For everyone from students to journalists to editors, the methods and practices outlined in The Fact Checker's Bible provide both a standard and a working manual for how to get the facts right.

This fun collection of more than 1700 trivia questions brings together some of the very best in Bible brainteasers, riddles, and puns. From amazing to zany facts and figures, The Awesome Book of Bible Trivia covers the entire spectrum. Friends, family, and groups of all ages will enjoy countless hours of fun-filled learning that will fascinate both new sheep and old saints: Who fell asleep during a sermon and died as a result? Eutychus—Acts 20:9 What is the longest word in the Bible? Mahershalalhashbaz—Isaiah 8:1,3 What kind of lights did Noah have on the Ark? Flood lights Terrific for family game nights, vacations, car trips, and church groups.
