Inside you will find: 2,000 entries with examples of everyday usage The latest slang used in the American lexicon Fun illustrations that show the humor of taking expressions too literally

More than 2000 brand-new slang terms and familiar expressions that have acquired new meanings appear in the supplement. Altogether the volume contains more than 22,000 definitions.

For the 411 on American slang, this guidebook is the top banana From "head trip" to "foot in mouth," American Slang Dictionary gives you the complete definitions of thousands of uniquely American words and phrases, ranging from golden oldies such as "catch some rays" and "take the fifth" to more up-to-the-minute coinages like Wall Street's "jonx," the Internet's "ping," and the gangsta's favorite, "shizzle." Inside you'll find more than 12,000 words and expressions from a wide variety of sources, including gangsta rap, the blogosphere, and the U.S. prison system. In a New York minute, you'll be down with the colloquialisms, vulgarities, and substandard English that make everyday interactions in contemporary American life so colorful. BSOD or blue screen of death the blue computer screen that appears after a programming or operational error crunk wild; crazy; out of control kvetch to complain left-handed monkey wrench a nonexistent tool word of mouse a message spread by e-mail

Slang words, slang terms and phrases of the American language.

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

A dictionary of modern slang draws on the resources of the "Oxford English Dictionary" to cover over five thousand slang words and phrases from throughout the English-speaking world.

A collection of more than six hundred slang terms of American political speech encompasses informative entries on such words as "boondoggle," "juice bill," and "Joe Citizen," including both the definition of the word and its historical background.

This unique reference volume is two books in one: a dictionary of slang and a slang thesaurus, with both sections treating the same words and phrases. Entries are arranged alphabetically in the dictionary and thematically in the thesaurus, and include definition, pronunciation, part of speech, and origins, usage information, and usage alerts when applicable, in both the thesaurus and the dictionary. All entry words are visually coded to help you distinguish slang that is potentially objectionable from other slang, and all synonyms are coded for the level of formality (formal, informal, no register) and separated by part of speech. This gives you more information about the potential effects of your word choice on your audience, so you have a much better chance than with a "regular" thesaurus of picking the right word for your particular context the first time. Graphics and brief articles are added to show you slang "under the hood," the patterns and features that characterize slang usage. With this book, you'll be able to find out how the screaming meemies got their name, why someone might be offended if you use the apparently inoffensive word crumbs, which words that mean "to kill" also mean "to cause riotous laughter," and easily distinguish whether someone is an old fart, a son of a bitch, or just a silly ass. Here is a handy reference book for students, word buffs, and professional writers—a title that merits a place in every reference library. Printed throughout in two colors.

Includes words and phrases from United States history and from such current subcultures as technology and the Internet, the media, recent immigrants, and fashion.

Originally published in 1960, The Dictionary of American Slang is widely regarded as the standard in its field. Expanded and completely updated, this third edition contains more than 19,000 terms of representing the variety and vigor of American slang, from the most widely acceptable to the taboo, and covering all periods of American history -- from the gypsies, soldiers, railroad workers and cowboys of the 19th century to more modern spawning grounds such as the rock 'n' roll world, the corporate sector, African-Americans, gays and lesbians and many more. Intimately connected with the fringes of our culture and responding with vigilance to new developments in technology, slang is the fastest changing part of our language. This new edition considers the subcultures that have emerged in the wake of the past decade's technological and communication advances, including the advent of computer usage at home and in the workplace and the explosion of the Internet and the World Wide Web. With more than 2,000 new terms, the Lexicon of the '90s is recorded here in definitive detail. Like previous editions, this edition features pronunciation guides, word origins, examples of appropriate usage as well as a helpful highlighting system that lets you know which terms should be used with caution, and never in polite company. Both as important archive of the way America is really talking and a lot of fun to read, The Dictionary of American Slang will prove to be an invaluable companion in keeping up with the dauntingly jargon-filled, quickly evolving language of today.

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. The Routledge Dictionary of Modern American Slang offers the ultimate record of modern, post WW2 American Slang. The 25,000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics, and Internet user groups. Etymology, cultural context, country of origin and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language, as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will, and should, offend. Rich, scholarly and informative, The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers, lexicographers and translators.

1891 reprint.

Completely revised and expanded, this is the ultimate slang dictionary, giving the meaning of more than 15,000 words and phrases of modern slang.

This up-to-date dictionary presents 1,700 entries including colorful words and phrases from television and movies, as well as the streets and campuses. Each entry has two examples.

The Slanguage Dictionary: Caribbean and Latin American Slang Words and Phrases is just that; a dictionary of slang words translated to English. Whether for entertainment or to expand your knowledge, this reference guide has slang covered from Puerto Rico to Panama. Also includes a pronunciation guide for Standard Spanish, Caribbean Spanish and Jamaican Patois.

A pioneering exploration of form, meaning, theme and function in African American slang, illustrated with thousands of contextual examples.

We all know language changes rapidly, but to follow along requires an historical view. Chapman's Dictionary of American Slang, Fourth Edition, provides just what is needed to trace the language of today back to its American roots. And make no mistake—this is a dictionary that is purely American, the place where you can trace the development of the American language, in it's highly informal format known as "slang." Some would ask: "isn't the language changing so fast that this book is out of date the day on which it is published?" Although it is true that changes to the language, particularly slang, happen faster and faster in the electronic age, still there is a place for an authoritative, recognized work that keeps track of and compiles the language into an historical document, as this dictionary does. It is true that language changes very quickly; it is just as true that today's slang may be forgotten tomorrow. In recording the changing language, and sorting out what's here to stay from what's coming and quickly going, the Dictionary of American Slang serves a useful and important purpose.

Features definitions, pronunciations, time and place origins, usage examples, cross-references, synonyms, and impact of the word or phrase

And make no mistake this is a dictionary that is purely American, the place where you can trace the development of the American language, in it's highly informal format known as "slang."

More bling for the buck! The #1 guide to American slang is now bigger, more up-to-date, and easier to use This new edition of McGraw-Hill's Dictionary of American Slang and Colloquial Expressions offers complete definitions of more than 12,000 slang and informal expressions from various sources, ranging from golden oldies such as . . . golden oldie, to recent coinages like shizzle (gangsta), jonx (Wall Street), and ping (the Internet). Each entry is followed by examples illustrating how an expression is used in everyday conversation and, where necessary, International Phonetic Alphabet pronunciations are given, as well as cautionary notes for crude, inflammatory, or taboo expressions. This edition also features a fascinating introduction on "What is Slang?," a Thematic Index that cross-references expressions by standard terms--such as Angry, Drunk, Food, Good-bye, Mess-up, Money, and Stupidity--and a Hidden Word Index that lets you identify and locate even partially remembered expressions and phrases.
