Throughout the entire Bible, "the anointing" is seen a dynamic power that enabled believers to fulfill their destinies in the kingdom of God. While some people confuse the meaning of the anointing by using it interchangeably with one's natural gifts and skills or the spiritual gifts of the Holy Spirit, I define the anointing as the manifest presence of God upon our lives. I mean the gift, the grace, and the power of the Holy Spirit to change and influence every aspect of our lives.

"I am quite sure that many of the Lord's people are none too clear upon the different aspects of the Holy Spirit's Presence and ministry in the life of the believer, and that there is a good deal of confusion; that terms become mixed and there is not clear discernment of the specific significance of each term used in the Word of God. I mean the fact that we hear of those in the New Testament who were baptised with the Spirit, and filled with the Spirit, and sealed by the Spirit, and anointed; and it is important that we should be able to discriminate on these matters. It is not my intention to lead you out in such a discrimination that may come itself as we go on. What I am concerned and occupied with is the anointing as representing some particular aspect of the Holy Spirit's presence and work." T. Austin-Sparks

DIVSowell presents a devastating critique of the mind-set behind the failed social policies of the past thirty years. It has been observed that some people have faltered in their Christian walk because of failure to understand how the anointing of the Holy Spirit operates. Many men of God have tried to move in the anointing with little results because they ever in the first place sought to understand the anatomy and physiology of the anointing. In order to be effective in ministry especially in the demonstration of the power of God, it is important that you understand the character of manifestation, nature of operation and genetic make-up of the anointing. Having a deeper understanding of the anointing to that level will usher you into streams of practical demonstrations that will change your ministry fever. This publication focuses on the anatomy and physiology of the anointing. This implies dissecting the subject of the anointing in order to gasp a deeper revelation of the character, composition, ingredients and genetic make-up of the anointing. When we speak of the anatomy and physiology of the anointing, we connote to the chemical, physical and mechanical composition of the anointing. In other words, we are closely examining the ingredients, components and forensic details of the substance of the anointing. A forensic understanding of its character will enable you as a believer to flow easily in the demonstration of the anointing. It is important that since Christianity is a journey into the dimension of the spirit, we ought to understand holistically how the anointing operates so that we can effectively move, function and operate in that realm. The most overworked Christian vocabulary across a broad spectrum of Christian charismatic cycles is the word “anointing”. Dozens of books have been written and countless messages preached on the subject of the ‘anointing’ yet for all the attention the subject is given, it is one of the least understood gifts God has freely bequeathed upon every believer in Christ. Although the anointing is the current church’s diet and a delicate recipe for living a naturally supernatural life, the masses are starving for the anointing of the Holy Spirit. Throughout the Scriptures, we find this phrase over and over again, "And the Spirit of the Lord God came upon Him". Well, this book is about the anointing of God. I want by the grace of God and the help of the Holy Spirit to show you what the Spirit of the Lord God really is and what Him coming upon you means. So many people confuse the anointing with talent or the anointing with the way a preacher preaches a sermon and it is not really the Spirit of God but rather just some kind of mental ascent that they've given to it. Listen, when God anoints something, it is drenched in His presence. It is manifestly all about Jesus and not about a man or something else. This book was written that you might know that the Spirit of the Lord God is upon you! Yes you! Because He has anointed you! If God is going to anoint anybody, He needs to anoint you and me for all the people whom we touch and have influence in our lives. As you read this book, you will understand Biblically that the anointing comes through great suffering, great travail, great stripping, a great foundation, and a great humbling. By the time you finish this

book, I promise you will know what the anointing of God means and then it is up to you to pay the price and so that it can be said of you, "The Spirit of the Lord God is upon me; because the Lord hath anointed me..." To this end was this book written.

Although many of us long to be blessed by the anointing of the Holy Spirit, R. T. Kendall believes it is possible to abuse this anointing - and become yesterday's man or woman. Drawing on the Bible, especially the lives of Saul, Samuel and David, as well as on his own experience, R. T. helps us to identify our current usefulness and urges us to seek a fresh anointing of the Holy Spirit each day.

The Lord has anointed all believers to demonstrate His power by operating in their anointing, and yet it remains one of the most misunderstood topics in the modern-day church. In *Marked by the Anointing*, Anthony Trezza takes readers on a journey through the Bible, revealing what the anointing is according to the word of God and not according to the tradition of men. As you read this book you will clearly see that the anointing is not a power, it the process by which the Lord marks and sets apart ordinary men and women for an extraordinary work, and that the power of the anointing is the Holy Spirit.

"The promise of the Father" was a long-standing promise, and therefore, a long-standing hope. The point, of course, which is so impressive, is this, that ... all the meaning and value of Christ, in every respect, was only made effective here by the coming of the Holy Spirit... If He "did not go away, the Spirit would not come"; it was "expedient that He should go away" for that very reason, surely indicating and implying that all that He had come to do, and did, waited for its practical effectiveness in the coming of the Spirit. Christ's life, Christ's work, and Christ's power as Son of Man here, was dependent entirely upon the anointing. He fulfilled all His ministry in dependence upon the anointing, by all that the anointing meant. It was true in His case, and the Word of God bears that out abundantly, it must be all the more true, certainly equally true, in the case of the church; that the church's life and work, ministry and power rest solely upon the anointing of the Holy Spirit.
