Featuring elegant designs and high-quality paper, The Colors of Asia is the perfect adult coloring book for fans of Asian art and motifs. Indulge in the romance of Asia with designs that have graced elegant porcelains and carpets, elaborate books of poetry, temple walls and more. With The Colors of Asia coloring book for adults, you become the artisan, choosing from 90 motifs drawn from a wealth of Asian cultures—timeless designs, whose influence is still seen in the art of today. With such a selection of adult coloring projects, you can choose which to work on according to their complexity and your mood. Reinvent each piece, letting your sense of color, balance, and style turn it into something new. Be in the moment and enjoy the relaxation that comes as you put colored pencils or fine markers to paper. Let your creativity run freely, then at the end, admire your handiwork and go on to another page for a new adventure.

The Anti-Colouring Book is nothing like an ordinary colouring book. It's great. It's different. It's completely original. It provides the springboard for ideas and gives you the chance to use your imagination to the full. So what are you waiting for? Get your paints, crayons, felt-tip pens, or whatever else you like to use, and get colouring creatively. If you can keep the book to yourself, that is!

More than 30 original full-page illustrations abound in dancing skeletons and other exciting interpretations of traditional lore associated with the Mexican holiday. Perforated pages are printed on one side only.

Based on fashions from steampunk literature, 31 original designs combine Victorian-era clothing with goggles, clocks, and other technological accessories. The intricacy and post-apocalyptic air of the illustrations offer creatively challenging, unique coloring experiences.

Classic African-inspired images feature silhouetted figures in head wraps and flowing gowns decorated with patterns based on traditional African arts and crafts designs. Background elements include animals, plants, and fanciful ornaments.

Step back in time with 31 pages of styles from the 1950s. Then play fashion designer by adding color to men's and women's

outfits, from full skirts to cardigans and capris.

Coloring books became a thing when adults discovered how relaxing and meditative they were. Jigsaw puzzles roared back into popularity as an immersive activity, not to mention a great alternative to television. How exciting is it, then, to introduce an activity that tops them both: reverse coloring, which not only confers the mindful benefits of coloring and puzzling but energizes you to feel truly creative, even when you're weary and just want to zone out. It's so simple, yet so profoundly satisfying. Each page in *The Reverse Coloring Book* has the colors, and you draw the lines. Created by the artist Kendra Norton, these beautiful and whimsical watercolors provide a gentle visual guide so open-ended that the possibilities are limitless. Trace the shapes, draw in figures, doodle, shade, cover an area with dots. Be realistic, with a plan, or simply let your imagination drift, as if looking at clouds in the sky. Each page is an invitation to slow down, let go, and thoughtfully (or thoughtlessly) let your pen find its way over the image. *The Reverse Coloring Book* includes 50 original works of art, printed on sturdy paper that's single-sided and perforated. And unlike with traditional coloring books, all you need is a pen.

Offers parents constructive, age-appropriate ways of developing their child's natural curiosity, energy, and creativity in the formative years before age four

A favorite of parents, educators, and therapists since the appearance of the first title in 1978, more than a million copies of these "draw-from-your-imagination" books have been sold around the world. Praised as "extraordinary, revolutionary" (*Newsweek*), "imaginative" (*The Christian Science Monitor*), and "great stuff" (*Detroit Free Press*), this innovative series has continued to spark the creative impulses in children through the years.

Unleash your creative spirit with this sophisticated anti-stress colouring, doodling and drawing book. The flowing lines, sweeping swirls and highly-detailed patterns on every illustration have been created so that anyone and everyone can enjoy making something beautiful and calming. Increasing focus through creativity can benefit those who find it difficult to unwind or struggle to find their inner artist when faced with a blank page. There are no instructions, no rights or wrongs, and no need for expensive art supplies - readers can simply doodle and colour in any way they wish to create unique and exquisite pieces.

The First Anti-Coloring Book Creative Activities for Ages 6 and Up Macmillan
