This critique provides a framework for understanding and interpreting the widespread but little-known New Apostolic Reformation (NAR) movement. As the authors state in the preface: "We write this book with two major goals in mind. First, to give people an idea of the sheer size and reach of the NAR movement. And second, to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning In our judgment, the NAR perspective crosses these boundaries [that is, certain broad parameters, revealed in Scripture and practiced in the historical orthodox church], and it does so in part because of flawed theology rooted in a flawed understanding of Scripture. We wish to warn readers about a possible confusion: Some critics have linked the NAR movement with mainstream Pentecostalism and charismatics. We do not do this. In fact, it is our contention that the NAR movement deviates from classical Pentecostal and charismatic teachings. This movement has emerged out of independent charismatic churches and, thus, has gained a foothold in many of those churches in varying degrees."

The Torch and the Sword is the long-awaited sequel to The Final Quest and The Call. Written for mature Christians, this book is not recommended for the spiritually timid. Continuing themes established in the previous books, The Torch and the Sword carries these themes further and deeper while venturing into new spiritual territories The Torch and the Sword paints an increasingly broad and clear spiritual picture of our times. As Christians, we are called not only to endure the challenges with which we are faced, but also to prevail, seizing the great spiritual opportunities available to us. The truth of the gospel of Jesus Christ is the light which is

stronger than any darkness. This book is a call to those who will love and stand for the Truth until His victory is complete.

Why is God restoring apostles to His Church? Because restoration of the apostolic ministry is necessary for the Church to complete its mission on earth. We are now experiencing the greatest outpouring of the Holy Spirit the world has ever known, and we should expect to see multitudes swept into the Kingdom as a result. In this book, John Eckhardt reveals how the apostolic dimension affects the preaching, teaching, worship, prayer and giving of the local church--and how apostolic leadership will point the way toward fulfillment of the Great Commission.

Establishing a Biblical Foundation for the Meaning and Purpose of Apostles in the Church Today

"One of the greatest sources of prophetic vision is found by better understanding our past," says Rick Joyner. "I studied Christ's interaction with the apostles as well as the life of the early church to be obedient to a heavenly vision in which I was told that I would not be able to accurately foresee the future until I understood the past." In this important book Joyner looks at the life and ministry of the apostles and of later generations so that Christians today can close the openings the enemy has used to gain entry and do his deadly work. He examines the successes and failures of Christians of the past so we can better understand how to be God's servants today.

Transformation of the city was the battle cry in the 1990s. How far have we come since then? How do apostles fit into the urban landscape? How do they line up with God's plans? C. Peter Wagner has been writing on these subjects for a number of years, and now he brings city transformation and the role of apostles together in one volume. This book is a call for apostles to assume their rightful sphere of authority to see God's will accomplished here on earth. Wagner relates his decades of experiences and those of others, showing the role of apostles not only in the traditional church, but also in the extended church. *Apostles Today* offers vision for the role of apostles in healthy churches, workplaces and cities. The greatest adventure that can be experienced in this life is a true walk with God. This book is about a circle of people who have given their lives to that pursuit, and the incredible journey it has been.

"The final quest is a panoramic vision of the ultimate quest. It is about the greatest and last battle between light and darkness, which is happening now. Published in nearly fifty languages, it continues to call all who will go on to the greatest and most noble adventure of the age."--P. [4] of cover.

In 2018 I had a dream of a coming second American Revolution/Civil War. In this dream I saw events that are now unfolding at a rapid pace. I saw the conclusion of our present trauma, and the triumph over the evil that has been subduing our land. I saw how this victory will be accomplished. This is what I saw. ~Rick Joyner

For those enmeshed in conflict--relational, internal, spiritual--Rick Joyner uses the image of the Tree of Knowledge of Good and Evil and the Tree of Life to explain its existence, and also how one can achieve victory over it.

This publication presents a solid introduction to the apostolic ministry. It will bring clarity and understanding to the apostolic office, the apostolic anointing, and apostleship. This

information will help individuals to recognize the operations of this anointing in their lives and in the lives of others. It is our hope that believers will develop a greater respect and appreciation for the apostolic office and gift.

The ministry of the apostle is the linchpin ministry of the church, and without it the church cannot become what it is called to be. While the world and much of the church has focused on scandals and problems in the church, that which is now being called 'The New Apostolic Reformation' emerged and quickly became not only the fastest growing part of the church, but the fastest growing religious movement of any kind on the earth. For this reason the subject addressed by this book is one of the most important for our times.

“Make Disciples of All Nations” In this book, Rice Brooks explains the progress of the Church in terms of its obedience to the apostolic mandate. This mandate, which has been called the Great Commission, must be recovered and embraced if the Church is going to get back into the race for the destiny of the planet. The orders of Jesus to His followers to "make disciples of all nations" is far more than simply giving people a basic gospel message. This mandate includes not only individual transformation, but cultural as well. About the author: Rice Brooks is the president of Morning Star International (MSI), a family of churches and ministries currently operating in 35 nations. He is also the senior pastor of Bethel World Outreach Center in Nashville, Tennessee, where he lives with his wife and their five children. He is the co-founder of Champions for Christ, a ministry to college and professional athletes, as well as the president of Victory Campus Ministries, reaching out to hundreds of university campuses around the world. The Earth is waiting For Apostolic Power to be Demonstrated! Even though there were 12 apostles in Scripture, there is still an apostolic office and function that all Christians need to know about. In fact, many believers are functioning apostolically—and yet, they are not fully stepping into this unclaimed seat in the spirit realm. When the people of God access the apostolic anointing, the Earth will witness a greater manifestation of Jesus' fullness and power! Dr. Ché Ahn, president and founder of Harvest International Ministry, is a world-recognized apostolic leader. In this signature book, he is taking all believers to the school of the apostles, where they will learn to either operate in the office of apostle or function apostolically in their current sphere of influence. You will learn how to: Recognize if you are an apostle by office or apostolic in function. Step into your apostolic anointing and multiply the release of Kingdom influence through your life. Operate in your apostolic jurisdiction in the church or marketplace. Re-cultivate your sphere of influence as an ambassador of God's Kingdom. When you learn how to operate apostolically, you can boldly take your place as an ambassador of God's Kingdom on Earth with a supernatural assignment to transform your sphere of influence to look more like Heaven.

The Call continues the message introduced in *The Final Quest* that challenged Christians around the world to begin living the truth which they have been entrusted with. The Call is a call to life, a call to love in the unprecedented glory of the Son of God, a call to sacrifice, and to do all things for the sake of the gospel. The darkness will soon be over, and the day of our Lord will dawn. Now is the time for us to take a stand against the great darkness of our time for the sake of the Light who is greater and is surely coming, for it is written: "And it shall be in the last days," God says, "that I will pour forth of My Spirit upon all mankind; and your sons and your daughters shall

prophecy, and your young men shall see visions, and your old men shall dream dreams; even upon My bondslaves, both men and women, I will in those days pour forth of My Spirit and they shall prophesy" (Acts 2:17-18) The "last days" are here. These are the days of dreams, visions, and prophecy for the young and old, the sons and the daughters, the days that the great saints of old longed to see and in which we are privileged to live. This book is a call to seize an unprecedented opportunity and to live in a manner worthy of . . . The Call

In today's world we need Christians and churches willing to break out of the normal patterns of religion and tradition to impact and reach the world. *Ordinary People, Extraordinary Power* gives a strong case for the apostolic culture as a criterion for change in the church today. A culture is a way of life of a group of people—the behaviors, beliefs, values, and symbols that they accept, generally

without thinking about them, and that are passed along by communication and imitation from one generation to the next. An apostolic culture is simply the ways, beliefs, behavior, and values of God's people. It is a culture of power and the Holy Spirit. Apostolic leaders will impart power and authority to the members. Believers need to be activated to heal, deliver, prophesy, and preach. They must be activated to demonstrate the kingdom. The apostolic culture includes worship, deliverance, apostolic teams, prophecy, ordaining, establishing, pioneering, evangelizing, prayer, teaching, helps, governments, missions, healing, the Gifts of the Spirit, holiness, impartation, and church government. All of these will be discussed in this book in order to help leaders and believers move in apostolic power and authority.

These prophetic visions and a Spirit inspired allegory were given to help stir the church to make the preparation required to accomplish her mandate for the last days ministry.
