All the treasures and truths men have searched for across the ages would be found in Him, if they would but look. The search ends and the greatest treasure found, once He becomes the object of our seeking. Are you walking through life unfulfilled, or are you seeking God's plan and purposes for your life? Have you struggled with your faith and with living it out daily? How do you view God? So many people have read about God, or have even sat on church pews for years hearing about Him, but have yet to experience Him. He is a supernatural God and loving Father, yet so few of us experience Him relationally, experientially. It is His strong desire that we do so. *Arise Shine* is a journey which takes you to the heart of this amazing God and guides you into the power of His presence, finding the inexplicable peace, unspeakable joy, and overwhelming love He longs to give us.

Many have tried to tell Bible stories as historical fiction. But I have attempted to tell the entire story of the universe, starting with the Bible and integrating history and chronology, legend, and ancient Talmudic tradition, along with a good deal of speculation. My story begins before time, and continues past the ages of time into eternity. It is an adult work, for some of mankind's descent into depravity cannot be sanitized. But it is also a fun work, as I bounce around from our perspective up to the heavenly realms and even down into hell itself. My purpose was not just to tell the story, but also to teach wisdom and to clarify the nature and character of God. I trust each reader will grow in relationship to the God of infinite love, as I have grown in the writing. Volume Five begins with the coming of Messiah to Earth - the Gospel story. It continues through the first few chapters of the book of Acts, and then skips to the book of Revelation - the Great Tribulation, Rapture, and Millennium. I conclude with a wildly speculative story of the ages beyond the Millennial Age, all the way into eternity when all things are reconciled with the eternal Father.

Dr. Doug Graham has taken the increasingly popular and tremendously successful low-

fat, plant-based diet and turbo-charged it for unprecedented, off-the-charts results. Eclipsing even the astounding benefits so well documented by renowned health professionals who also advocate low-fat eating, Dr. Graham's plan is the first to present a low-fat diet and lifestyle program based exclusively around whole, fresh, uncooked fruits and vegetables. From effortless body weight management to unprecedented vibrant health and disease reversal to blockbuster athletic performance, The 80/10/10 Diet delivers in ways no other plan can even hope to match. But instead of reading our own tireless advocacy, here are stories of 811 success from around the world. Explains how to use enzymes, aromatherapy, diet, nutrition, Ayurvedic medicine, glandular extracts, exercise, and supplements to help lose weight permanently. Did you know the secret to vibrant health is in your blender? It's true--juicing vegetables provides concentrated nutrition that is found in virtually no other source: vitamins, minerals, enzymes, phytochemicals, and antioxidants. By juicing, you'll feel better, more energized, and improve your immune system. More than a simple collection of recipes, this book guides readers toward a lifestyle that promotes alkaline balance by juicing, eating well, and cleansing the body and soul. While most juicing books focus too much on fruit juice (which disrupts the body's pH balance with too much natural sugar), this book primarily focuses on juices, smoothies and soups made from vegetables. It also offers a guide to the food richest in nutrients from Vitamin A to zinc and includes various cleanses to benefit the colon, liver, gall bladder, and kidney and more. Beyond the body, the Caboms explain the heavy toll emotional, mental, and spiritual unrest can take on the body (and sometimes even encourage disease) and share unique, effective methods for cleansing the body of such toxicity.
