The prayers and declarations carry power and influence and will not fall to the ground. Yes! You will be magnifying the WORD of God. His word will not return to Him void! And because these prayers are to be prayed daily, you, the reader will become skilled in the Word of righteousness and will begin speaking as the oracles of God (1 Peter 4:11). No more worrying! How to Pray with Boldness, Authority, and Supernatural Power
In a world full of desperate need, we turn expectantly to prayer, hoping to witness the realities promised in Scripture. Most of us, however, seldom see the results we hope for. Why don't our prayers make more of a difference? Beginning with her own experiences of breakthrough, Jennifer Eivaz offers much-needed direction and the biblical context for prayer that does make a difference--explaining the intervention of angels and demons, prophetic manifestations, and much more. She helps believers take hold of their authority and spiritual giftings and use them in the battle for victory. The Kingdom principles and study questions will help every believer navigate the spiritual realm of prayer by using the tools that make it truly effective.

DON'T GET ON YOUR KNEES WITHOUT IT! This book is the sequel and companion to *The Art of Intercession*. The current volume, as its title suggests, focuses on the more practical aspects of intercession: the use of time, discipline, goals, fasting, resisting the devil, the use of the Bible and knowledge of facts. From the practical, Professor Fomum leads us through the levels of intercession - from the beginner to the advanced. He goes on to give practical lessons on high level spiritual warfare against principalities and powers - for those who

are called. There are sections on intercessory prayer chains and a full-time ministry of intercession. All this from the pen of one who has himself advanced through the school of calloused knees. If God is calling you to be an intercessor, this is the single best, most practical manual to get you started or advancing on your knees. Bestselling Author Inspires Prayer for the Impossible Called foundational, revolutionary, illuminating, and motivating, Intercessory Prayer continues to be a classic work after more than 20 years. This rich, biblical teaching is full of fresh insights showing how vital our prayers are and how God has always planned to work in partnership with us through prayer. As Dutch explains the nuts and bolts of prayer with wisdom, gentleness, and humor, readers will find inspiration and courage to pray for the impossible--and the persistence to see prayers to completion. A workbook and 8-session DVD are also available, making this book ideal for small groups, church classes, or individuals who want to go deeper on their own.

Before the fall of man, when Adam walked in fellowship with God in the Garden of Eden, he experienced God's glory with a spiritual connection. He had a perfect relationship with God and saw Him face-to-face. When Adam disobeyed God and fell, everything changed. He died spiritually and his connection to the spirit realm of God was severed. With his spiritual eyes now closed, he was left with a soul and a body of flesh. Adam's ability to see into the spirit realm was gone, and the glory that had rested upon his physical body was gone as well. In this book, you will see what fellowship in the Spirit is, and

how God has restored this relationship with His children. God wants us to know Him personally, not just know about Him. He wants a face-to-face relationship with us. You are invited to see and experience what spiritual life in the presence of God can be.

Finally there is something that really explains what is happening to so many folk in the Body of Christ. What does it mean to carry the burden of the Lord? Where is it in Scripture and in history? Why do I feel as though God is groaning within me? No, you are not crazy; God is restoring genuine intercessory prayer in the hearts of those who are open to respond to His burden and His passion.

Following in the footsteps of the two earlier teaching series of the 1950s and 1970s, these volumes seek to reveal the distinctive vision Anglicanism offers for the people of God today. Each book includes a study guide and a list of additional resources. The series is designed for wide parish use, including adult education, classes for inquirers and newcomers, the adult catechumenate, parish libraries, and study groups throughout the church year. In this down-to-earth book on the essentials of prayer, Guenther answers many of the most common questions about prayer and the spiritual life. She also discusses basic matters of Christian practice, such as making a confession, going on retreat, using a journal to pray, finding a spiritual director, and praying when God does not seem to listen.

This book offers a model of profound and accessible congregational prayer. At once inspirational and practical, it will empower and equip laypeople and clergy alike to offer heartfelt, informed, and appropriate prayers on behalf of the people of God. As Samuel Wells and Abigail Kocher say, "Interceding in public worship is a duty. This book is intended to make it a joy." *Shaping the Prayers of the People* begins by considering what public prayer is and offering practical guidelines for avoiding common pitfalls. It explores prayer as an integral part of worship and discusses the language we need (and don't need) to address God. Significantly, the book also provides an array of example prayers along with commentary.

In this handbook, Professor Fomum demonstrates, in very powerful terms, the determinant role of prayer in spiritual warfare. The burden he is labouring to discharge is to bring every believer to develop an ever-increasing life of prayer, with the aim of destroying the devil's plans and purposes.

Throughout his message, it emerges that to wage spiritual warfare, you must: 1) Identify your enemy; 2) Build a hedge of protection around you and around everything that belongs to you. That should be in addition to the hedge already built by God. 3) For more range in combat, you've got to draft in a great number of people of quality; 4) You and them

have got to be united for the same purpose; 5) Do not omit the role of angels in combat. 6) Finally, know that whoever engages in combat must persevere until the end. Don't ever give up till victory.

This book is a very practical and precious work meant to lead you to realise, as a believer, that you must pray or perish. Read it now and act!

Most people believe that Prayer and Intercession are the same thing, when nothing could be further from the truth. Prayer is simply how believers in God communicate with Him. Prayer is meant to be a two way conversation between God and His children; not a monologue where one lays out a laundry list of requests but a personal conversation where BOTH parties speak and listen. Intercession on the other hand is a form of Spiritual Warfare. True Intercession is triggered by a burden one receives from God to declare the Word of God for a particular person, place or thing. It is how believers in Christ use their spiritual authority in Him to regulate and influence the spiritual climate making the atmosphere conducive for the Word of God to manifest; whether it be in a individuals life, a city, region or even a Nation. The Art of Strategic Intercession will equip the reader with the necessary knowledge, skills and spiritual tools needed to operate effectively and efficiently as they respond to the burden placed upon them to declare the Word of God for His people. Have you ever wondered why there seems to be open heavens in one city with signs, wonders and miracles taking place, while in another the heavens appear to be made out of brass as if God is withholding His blessing? If we are going to discover the answer to this puzzling question, we must go back to the very foundation of the early Church in America that produced earth shaking revivals and giants of the faith such as Jonathan Edwards, John Wesley, Charles Finney, William Seymour and the early Pentecostal and Healing Movements. If we have any hope of impacting our cities, we must begin by changing the present day condition of the Church. In its present weakened condition the Church in America will not be able to change itself, let alone impact the cities. A paradigm shift needs to take place in the consciousness of the Church, to shake them out of their slumber and wake up to the reality that we are in the middle of a spiritual war zone. The present religious structure cannot contain the outpouring that is fixing to take place. Many high places are going to have to come down, and major shifts and changes take place in the Church if it wants to be a part of what God is about to do in the world. The Apostolic Reformation that is coming will impact and transform cities and nations as apostolic houses begin to release God's power and authority.

This is not a pipe dream, but the only true foundation upon which God's Kingdom should be built.

Everything else is but shifting sands that cannot withstand the storms that are about to come against the world. Any church that has been built upon any foundation other than the Apostles and Prophets, Jesus Christ Himself being the chief cornerstone, will not survive the great shaking that is about to take place. A reformation will take place on this earth that will shake the Church to its very foundation, and prepare the Bride for the return of our Lord Jesus Christ. This book is about a topic that is very misunderstood and desperately needed in the body of Christ. It was written to help train believers in the lost art of Intercessory Prayer and Spiritual Warfare. This book takes you through the four levels of prayer, and teaches you with simple yet profound insight how to become a prayer warrior in the kingdom of God. If you have been feeling like the Lord is calling you to a higher level in your prayer life and desire to walk under open heavens, this book will help you get there. Come, oh mighty man and woman of God! Let the Lord of Hosts train your hands to war the only way we are able to fight this war and win: Intercessory Warfare. overwhelmed by His presence, the fullness of joy. From this place we begin to see from His perspective. As we see and understand His world we are compelled to intercede. We are now praying and speaking with fresh insight. We see that we no longer have to pray from a place of defense. Instead we pray offensive prayers from His presence. When we speak our petitions and most important our declarations into the atmosphere, authority and breakthrough come. From the intimate place with our Father everything is birthed.

What if there was a key that made every prayer more effective--something that would bring all prayers into agreement with the heart of God every single time? This type of praying does exist, says bestselling author and prophetic leader James W. Goll, and it's called prophetic intercession. It is the humble act of holding the needs of people before God while leaning into God's heart for them. There is nothing mystical or elite about this kind of praying, and it's for the new Christian and the most seasoned prayer warrior. All you need is to learn to lean into your heavenly Father and pray what you see and hear in alignment with his heart, empowered by the Holy Spirit. God wants you to align your heart with his. He wants you to pray more effectively in these turbulent times, and he wants you to help usher in the fullness of his purposes on the earth. Are you ready?

Since the beginning of time, a fierce spiritual battle has raged between the forces of good and evil. Today the spiritual entities of wickedness are winning, burdening countless souls in a world lacerated by evil. To claim victory, God is calling us to engage in spiritual warfare as the only way to save the world from the desolation that is sure to come. In these pages, theologian Venatius Ofora explains that we are part of a spiritual web through which God acts to save souls. No longer does God create out of nothing. Instead, He achieves His purposes through the prayers and actions we pour in. To win such a sophisticated war, Ofora introduces us to the supernatural weapons of war and how we can shape the events that affect our earthly and eternal destiny. From Father Ofora, you will learn: How the ministry of intercession can bring salvation to millions of hopeless souls How to frustrate the Devil's evil schemes How to free yourself from the encumbrances of the flesh so you can fully participate in spiritual warfare The two basic actions Christians must undertake to survive evil days The profound advantage you have over Satan and his works How and why God needs intercessors to save souls Why God requires us to act before He steps in The critical role of the angels and the saints in fighting evil The importance of suffering in spiritual warfare Why God needs our prayers to make His Kingdom come

Prayer is natural for human beings, a spontaneous impulse common in all people. Yet, beyond instinct, there is a kind of prayer that's conscious and

articulate, that we have to be taught. There is an "art of prayer," when faith and prayer become creative responses by which creatures made in the image and likeness of the Creator relate to him with help of the imagination. Timothy Verdon explores these essential interactions in this magnificent book. Richly illustrated, Monsignor Verdon explains that images work in believers as tools that teach them how to turn to God. Art and Prayer explores these interactions in detail, demonstrating that prayer can become a fruit of the sanctified imagination - a way of beauty and turning to God.

When God's people send 'up' the incense of prayer and worship, God will send 'down' supernatural power, anointing, and acts of intervention. It's something you are privileged to do. Indeed, praying for others is a beautiful way of thinking, acting, and living like Christ. This inspiring book walks you through nine key steps to boosting your intercessory prayer's power and efficacy. Each step is paired with practical tips to help you implement the principle in your daily life, a patron saint to provide direction and encouragement on your journey, and prompt questions to guide meditations and journaling. It is necessary to iterate and reiterate that prayer, as a mere habit, as a performance gone through by routine or in a professional way, is a dead and rotten thing. Such praying has no connection with the praying for which we plead. We are stressing true praying, which engages and sets on fire every high element of the preacher's being -- prayer which is born of vital oneness with Christ and the fullness of the Holy Ghost, which springs from the deep, overflowing fountains of tender compassion, deathless solicitude for man's eternal good; a consuming zeal for the glory of God; a thorough conviction of the preacher's

difficult and delicate work and of the imperative need of God's mightiest help. Praying grounded on these solemn and profound convictions is the only true praying. Preaching backed by such praying is the only preaching which sows the seeds of eternal life in human hearts and builds men up for heaven.

The bestselling author of "The Message" challenges believers to read the Scriptures on their own terms, as God's revelation, and to live them as they read them. You Can Be an Intercessor To intercede is to truly pray with power. How do you know God is not calling you to be an intercessor? As you read this book with its study of the great intercessors in the Bible - from Abraham and Moses to Daniel and Nehemiah to Paul and Epaphras to Jesus himself - you will never be the same again. You will catch a new glimpse of the importance of intercession. You will see the great need for intercessors and understand if God is calling you to be one. Above all, with all the Biblical models presented, you will be challenged to join this godly company. "The challenge is disturbing as the reader realizes how short of the mark is even the most spiritual of Christians," writes Dr. Lester Sumrall in his Foreword. "Dr. Fomum practices what he teaches, as do some churches in Cameroon. Who of us prays for several hours each day? Who among us fasts and prays in spiritual warfare for From 21 to 40 days at a time, several times per year? This book is MUST reading for the serious Christian."

Knowledge now becomes a decisive factor in spiritual warfare! The Bible shows clearly that the people of God are either in captivity or destroyed for lack of knowledge (please see Isaiah 5:13 and Hosea 4:6). This book teaches the modern and advanced spiritual warfare strategies of Spiritual Geography, Spiritual Mapping, Prophetic Prayers, Prophetic Action, etc. However the author recognizes that it is the believer that is largely delivered that can deliver people and places while applying these principles. This book therefore offers deliverance to the would-be deliverer; showing how to identify and deal with family and environmental curses, etc. This book has been selected as a Bible School textbook and is blessing people in different nations in five continents of the world. "The Complete Works of Zacharias Tanee Fomum on Prayer (Volume 2)" contains the following books: 1) The Art of Intercession 2) The Practice of Intercession 3) Practical Spiritual Warfare Through Prayer 4) Life-Changing Thoughts on Prayer (Volume 1) 5) The Overthrow of Principalities and Powers 6) The Prophecy of the Overthrow of the Satanic Prince of Douala 7) The Prophecy of the Overthrow of the Prince of Cameroon Having left the ABCs of prayer behind, this volume deals with the intricacies of intercession, spiritual warfare, and the overthrow of satanic princes ruling entire nations behind the scenes. It tackles both the art and practice of intercession. Simply put, intercession is both the art and practice by a righteous, blameless, and absolutely consecrated person, to accept, stand in the gap, and defend a person or people that God has targeted for destruction due to their brazen and sustained violation of His will. The Lord's response to Moses' intercession and entreaty for the children of Israel was swift and dramatic. The Bible says, "Then the Lord relented and did not bring on his people the disaster he had threatened"(Exodus 32:14). That was intercession in both its art and practice. So many advanced believers in

Christ don't even believe that satanic princes exist. They exist. They are so real, so devastating in their work and so strangulating in their grip of people and their affairs, that you can only ignore them to your own undoing. Daniel battled these satanic princes all his adult life in exile in the Babylonian, Persian, and Median realms. He did so through strategic, prevailing, and sustained prayer and fasting (Daniel 10:1-21; 11:1). He battled in prayer and fasting until the satanic princes of Persia and Greece, which were opposing God's purposes, were overcame, overturned, and overthrown. We send this second prayer volume out with a cry to the Lord that He should use it to teach the church of the Firstborn the intricacies of intercession and spiritual warfare. In this age of atheism, agnosticism, humanism, espionage, robots, sophisticated gadgets, and the Internet, there was never a time we needed intercession and spiritual warfare like now.
