It's designed to cultivate a rhythm to the life of prayer either in groups or by individuals. Providing a structure for morning, midday, evening, and night prayer, it is an excellent devotional aid that also allows the reader, or readers, to pray along with others wherever they may be. Also included are some of the prayers and blessings used in the work of the community, as well as the community's "identity statements" or "little rule." To make use of the prayerbook, all you'll need, in addition to the book, is a Bible.

The Art of True Healing details a powerful exercise that stimulates the body, mind, and spirit to help us create physical health and personal success. Originally published in 1932, predating by more than a half century the current interest in the mind's power to heal, this concise work guides readers through what Israel Regardie calls the Middle Pillar meditation — a technique that combines the mystical concepts of yoga's chakras and the Kabbalah's Tree of Life to create a simple and effective healing tool. In this edition, editor Marc Allen brings Regardie's work into the twenty-first century — showing us how to unleash energy to heal our bodies and, ultimately, every part of our lives. Like few books before or since, The Art of True Healing provides both the theory and practices necessary for attaining well-being and fulfillment.

Would you like to learn to pray like a medieval Christian? In *Mary and the Art of Prayer*, Rachel Fulton Brown traces the history of the medieval practice of praising Mary through the complex of prayers known as the Hours of the Virgin. More than just a work of comprehensive historical scholarship, the book asks readers to immerse themselves in the experience of believing in and praying to Mary. *Mary and the Art of Prayer* crosses the boundaries that modern scholars typically place between observation and experience, between the world of provable facts and the world of imagination, suggesting what it would have been like for medieval Christians to encounter Mary in prayer. *Mary and the Art of Prayer* opens with a history of the devotion of the Hours or “Little Office” of the Virgin. It then guides readers in the practice of saying this Office, including its invitatory (Ave Maria), antiphons, psalms, lessons, and prayers. The book works on several levels at once. It provides a new methodology for thinking about devotion and prayer; a new appreciation of the scope of and audience for the Hours of the Virgin; a new understanding of how Mary functions theologically and devotionally; and a new reading of sources not previously taken into account. A courageous and moving work, it will transform our ideas of what scholarship is and what it can accomplish.

In *The Art of Healing Prayer*, Charles Ringma and Mary Dickau invite us to enter the realm of God’s curative love to aid those seeking the wholeness of Christ. Implicit in this invitation is the understanding that we have opened up our own lives to God’s healing grace. For this is a costly ministry, in which precious time and resources will be required of us as we pray biblically, imaginatively and sensitively for someone who may be on a very difficult journey to restoration. Although often carried out behind the scenes of much of the Church’s activity, the healing ministry is one of joy and transformation. A person released from long-standing inner woundedness – from the prison of reaction, bitterness, self-pity, self-protection and fear – is one who can grow to inhabit new wide spaces of love and forgiveness. In turn, they may become a source of goodness and healing, as the ‘magic’ of God’s grace results in eddies of life-giving love for others.

*THE ART OF PRAYER: A Comprehensive Understanding of Prayer* provides a deeper and clearer understanding of prayer. From the wide array of definitions; the different types of prayers, and what we are all required to have when going to pray; God's responses to our prayers, and the examples of answered prayers derived from the scripture, this publication gives the reader a detailed knowledge on what prayer entails. Read it to understand, and appreciate the sacredness of prayers. Also, do not be reluctant to share the knowledge with others, for that is the only way of gaining even more blessings.

"I often shrink from books about prayer, because they usually produce in me feelings of inadequacy. I was delighted to find Tim Jones to be a sympathetic, not intimidating, guide. He writes with humility, clarity, and practicality—exactly the qualities I want in a book on prayer." —Philip Yancey Revised and Expanded Edition with Study Guide Included "Timothy Jones...guides us into a life of prayer not by cramming us with knowledge and technique, but by quietly returning us to simplicity of soul and the presence of God." —Eugene Peterson Something within us wants to grow closer to the God who loves to relate to us. But we often hesitate. Even though we have a desire to pray, questions nag us: Can I pray when I feel distant from God? Is it okay to ask God for help in "little" things? What do I do when I don't know what to say? What sense can I make of seemingly unanswered prayer? How do I keep growing closer to God? In *The Art of Prayer*, Timothy Jones honestly shares his own struggles with prayer and invites you to be honest—and hopeful—as well. Offering biblically wise, warmly instructive explorations of our questions, Jones considers how you can become fluent in the world's simplest language: talking with God. Includes a full-length inductive Bible study guide on prayer, ideal for small groups or individual readers. "...wisely human, spiritually practical, and wonderfully interesting." — the late Lewis Smedes, author of *My God and I* "...luminous prose and...lucid insights." —Publishers Weekly

The contents of this message upon prayer should be read alike by preacher and teacher, evangelist and intercessor. Its pages contain an appeal to every "worker together with Christ," and stimulate the desire for prayer in the varied relationships of Christian life. The appeal deserves a wide circulation amongst members of Prayer Circles and Prayer Unions, and, indeed, amongst all who are looking for a revival of true religion in our land, and an exodus of ambassadors for Christ to heathen and Moslem populations. -- Albert A. Head.

The chapters in this important handbook on the lost art of prayer cover such subjects as: praying for your nation, interceding for the lost, praying for de-

liverance, groanings in the Spirit, fasting, and pray-ing for those in sin. Prayer is a universal activity, and it is probably true to say that nearly everyone has prayed as some time in his or her life-even if it's just to say, "Oh, God, help!" The need to reach out to someone or something beyond ourselves is as old as humanity itself and is shared by people of all nations. In an increasingly busy world the ancient art of prayer can help to center your life and provide space for spiritual growth. The simple, step-by-step approach in this book will help you unlock the secrets of prayer. It explores what prayer really means, why and how people pray and what difference prayer can make in your life--here, today. It encourages you to begin where you are and to progress toward a deeper understanding both of yourself and of God. The Art of Prayer draws upon 2,000 years of Christian experience and devotion through words used by all kinds of people in many different circumstances.

A guide on how to pray, endorsed by several well-known evangelists. This work illustrates the author's personal, practical, biblical approach by true-life stories. Each chapter begins with quotations and ends with helpful prayers. It also includes a Bible study guide relating to each chapter, which is useful for small groups or individual readers.

Prayer is natural for human beings, a spontaneous impulse common in all people. Yet, beyond instinct, there is a kind of prayer that's conscious and articulate, that we have to be taught. There is an "art of prayer," when faith and prayer become creative responses by which creatures made in the image and likeness of the Creator relate to him with help of the imagination. Timothy Verdon explores these essential interactions in this magnificent book. Richly illustrated, Monsignor Verdon explains that images work in believers as tools that teach them how to turn to God. Art and Prayer explores these interactions in detail, demonstrating that prayer can become a fruit of the sanctified imagination - a way of beauty and turning to God.

"JESUS CHRIST & THE VIRGIN MARY IN ART: A VISUAL PRAYER BOOK & ART ANTHOLOGY" is a distinctive new religious art book. It is a stunning 334 page 9" by 11" hardcover printed on 70 lb. bright white glossy paper which totally enhances the true colors of each marvelous painting. This comprehensive collection of 280 incredible oil paintings truly becomes a strong personal conduit for reflection and compelling inspiration for an intimate closeness with Jesus Christ and The Virgin Mary. Readers will learn about the life and art career of 36 master religious artists, their distinctive art styles, historic perspective and enjoy many of their finest religious artwork created from 1200 A.D. to the early 1900's A.D. It is as much an interesting learning experience in art history, distinctive painting styles and historic perspective as it is a heartening study of important religious artwork and creating a new channel to reaching God. The creation of this book began with a goal of producing a stunning visual anthology of the best artwork--some rarely seen---of the most talented religious artists including El Greco, Giotto, Caravaggio, Raphael, Rubens, Duccio, Angelico, Bellini,

Grünewald, Botticelli, Bosch, Mantegna, Van der Weyden and many more and encouraging a VISUAL meditational focus on the paintings while praying or reflecting. Traditional, centuries-old Christian Meditation involves reading bible passages, and fervently reciting prayers to reach a meditative state. This VISUAL PRAYER BOOK takes Christian Meditation to a new beautiful sensory level by combining the focusing of all our senses on the vivid images while praying--all leading to a stronger channel to absorb the love and strength of Jesus and The Virgin Mary and allows our being to be totally one with the painting. The 280 oil paintings are presented as a "window" or a "meeting place" of our mind and soul between ourselves and God. We hope that readers may find a capacity to move through and beyond to "contact" God in a direct, personal way-- creating a time of communion in which you may be inspired, healed, reconciled, challenged, and nourished. Meditating with art---particularly religious art--is a practical devotional tool that is highly portable. The presence and strength of God is all around us, all the time. The creativity of these spiritual paintings powerfully reaches us throughout our being. What emerges from the artist touches the viewer. The viewer opens to the spiritual realities the image presents. The image unites the artist and the viewer----and GOD AND OUR SPIRITUALITY IS AT THE CENTER. Here is what noted art historian, best-selling art author and PBS host of art history broadcasts; Sister Wendy Beckett once observed: "I knew that if we really looked at all spiritual religious art, we would see that it draws us into something greater than ourselves, something beyond, something other... .. -- AND THAT SOMETHING IS GOD!" The Voice of God is often "heard" through image rather than sound. Hidden within the silent metaphors of artistic impressions, whispers of the Holy Spirit can be recognized and sensed. This section of Oasis dedicated to meditating with art, strives to distinguish these whispers in an atmosphere of artistic beauty and solitude. "Every genuine art form -especially paintings---in its own way is a path to the inmost reality of man and of the world. It is therefore a wholly valid approach to the realm of faith, which gives human experience its ultimate meaning." Candace Loheed said "Resting the mind can be accomplished by meditation, and also by artwork, which allows the intuition to flow: the conscious mind recedes. Meditation and artwork at their best complement each other, and true things emerge." This book truly brings together the appreciation of beautiful religious artwork and its importance in reaching a closer to connection to God by focusing on the artwork and praying.

Is Catholicism more than giving up beer or chocolate for Lent? Even if it's good beer or great chocolate the answer is a resounding "yes!" In fact, we're called to have such faith that when others meet us they actually see Christ. But how do we do that in a world where Notre Dame means "football" and not Our Lady? By following the lead of so many before us... We have living examples of holy men and women who overcame the same types of temptations we face and shortcomings we all have, to become "huge, blinking neon signs that pointed to

Jesus." And if they can do it so can we...with a little practice. Author, lecturer, and Catholic covert Matthew Leonard combines the stories of the saints' triumphs and struggles along with his own personal anecdotes and wry humor to show us all a fresh take on the art of being truly Catholic in a contemporary world.

This prayer book strives to instill in young Catholics not only a love of our Lord in the Holy Eucharist but also a love of prayer and a practical knowledge of the art of meditation. As examples of the many ways to pray, this book contains prayers to pray out loud (vocal prayer) or in the silence of your heart. It shows how you can talk with God, and more importantly, how you can love God. It shows how to use pictures and images-like holy cards and the Stations of the Cross-to help you pray and meditate. This book also shows you how to use Bible stories to meditate on the lessons Jesus taught. You will see how you can talk with God silently in the quiet of your room, in church, outdoors in His wonderful creation-at all times, in all places. As you progress through this book-from discovering what prayer is to reading and reciting simple prayers to understanding meditation and then to helps for deeper meditation-you will see that prayer and meditation often go together. Meditation is described by the big "Catechism of the Catholic Church" as nothing more than "prayerful reflection" or holy thinking. You can use books, devotions, pictures, holy cards, and images (such as the stained glass windows in church) to help you think or meditate on holy people, events, and ideas. This book gives many suggestions about how to talk with God so that each day you can love Him more and become closer friends. Learn to hear His loving voice and follow His holy will.

"It is hard not to say 'I told you so.' The first time I read Juliet Benner's 'Oh Taste & See' column for Conversations journal I knew she had a rare gift for seeing---what others may miss---and describing---in a way that touches the soul---and I was pretty sure a wonderful book would follow. Here it is!" Gary W. Moon, executive editor of Conversations Juliet Benner was trained as a visual artist, so when she became a spiritual director, she found it natural to begin showing people how to meditate on Christian art treasures that are rooted in a passage of Scripture. She taught a way of encountering the Word behind both the words of Scripture and the artist's meditation on Scripture. This became a way of seeing art as an aid to contemplative prayer. In each chapter of this book you'll encounter a passage of Scripture and a corresponding piece of art. You'll be guided into deeper levels of meaning and reflection through the text and the questions at the end of each chapter. In the process you'll find yourself entering into a new experience of prayer and meditation in God's presence. "This is a beautiful and inspiring work that will help you reflect and respond to God not just with your mind but also with your heart and soul." Ruth Haley Barton, author of Strengthening the Soul of Your Leadership "A delightful and lavish feast, it left me hungry for more!" Margaret Guenther, author of Holy Listening

**You Can Be an Intercessor** To intercede is to truly pray with power. How do you know God is not calling you to be an intercessor? As you read this book with its study of the great intercessors in the Bible - from Abraham and Moses to Daniel and Nehemiah to Paul and Epaphras to Jesus himself - you will never be the same again. You will catch a new glimpse of the importance of intercession. You will see the great need for intercessors and understand if God is calling you to be one. Above all, with all the Biblical models presented, you will be challenged to join this godly company. "The challenge is disturbing as the reader realizes how short of the mark is even the most spiritual of Christians," writes Dr. Lester Sumrall in his Foreword. "Dr. Fomum practices what he teaches, as do some churches in Cameroon. Who of us prays for several hours each day? Who among us fasts and prays in spiritual warfare for From 21 to 40 days at a time, several times per year? This book is **MUST** reading for the serious Christian."

It is shame that the modern world have lost the edge when it comes to the power of prayer. Prayer is so powerful that in the hand of a righteous person, that a man like us named Elijah prayed earnestly that is will not rain and it did not rain for three and half year. And to show how effective prayer can be, he prayed again and the havens gave rain. The bible shows us time and time again how the less powerful have used prayer to conquer their adversaries. Our Lord and savior, Jesus Christ told us Mathew 17:20, "I tell you the truth, if you have faith as small as a mustard seed, you can say to this mountain, 'Move from here to there' and it will move. Nothing will be impossible for you. Why will Jesus give us such an assurance? It is because, the weapon we fight with are not the weapons of the sinful world, we the children of God use divine power of God to tear down the strong hold of the evil one. So we must continue to pray even when you think your answers are not coming as quickly as you wanted. Remember when Martha and Mary send a message to Jesus that Lazarus is sick," his sisters sent unto

him, saying, Lord, behold, he whom thou lovest is sick" even though the answer took two days to get to the sisters. The most important thing is that Jesus was called and that is when action was put in process and they did not put their request on the righteousness of Lazarus or his status in the ministry or how hard he works or even what he has given to the Church. The appeal was based on the love of Jesus Christ. "The one whom you love is sick," that is our clue; we must always focus our prayers on the love of God. We also have the confidence that God will answer our prayers if they are in agreement with His will. So I know that anything I ask that is according to His will be answered no matter how sinful the person praying may be. Even though we don't always get yes, but His answer are always in our best interest. And we don't have to follow any secret incantation before praying or offer some unnecessary repetition while praying. And the eloquence of our prayer will not make God answer our prayer. That is why in Matthew 6:7-8, Jesus rebukes those who pray using repetitions, "And when you pray, do not keep on babbling like pagans, for they think they will be heard because of their many words. Do not be like them, for your Father knows what you need before you ask him." "The Word of God is full of accounts describing the power of prayer in various situations. The power of prayer has overcome enemies (Psalm 6:9-10), conquered death (2 Kings 4:3-36), brought healing (James 5:14-15), and defeated demons (Mark 9:29). God, through prayer, opens eyes, changes hearts, heals wounds, and grants wisdom (James 1:5). The power of prayer should never be underestimated because it draws on the glory and might of the infinitely powerful God of the universe! Daniel 4:35 proclaims, "All the peoples of the earth are regarded as nothing. He does as he pleases with the powers of heaven and the peoples of the earth. No one can hold back his hand or say to him: 'What have you done?'" So pray and God who loves you first will answer your prayers.

An inspirational guide to the art of prayer attempts to answer such questions as "Can I pray when I feel distant from God?" "Can I get mad at God?" and "What sense can I make of unanswered prayers?" Original.
