Reviewing the growing body of scientific research on prayer, this book describes what is known about the behavioral, cognitive, emotional, developmental, and health aspects of this important religious activity. The highly regarded authors provide a balanced perspective on what prayer means to the individual, how and when it is practiced, and the impact it has in people's lives. Clinically relevant topics include connections among prayer, coping, and adjustment, as well as controversial questions of whether prayer (for oneself or another) can be beneficial to health. The strengths and limitations of available empirical studies are critically evaluated, and promising future research directions are identified.

Rev Hagin shares inspiring anecdotes about great prayer warriors from the past: Charles Finney, George Whitfield, Smith Wigglesworth, P.C. Nelson, and John G. Lake. Instead of arguing with the Bible, why don't you just side in with it?

This book teaches the art of intercession with the Lord.

Kenneth E. Hagin shows the believer how to get prayers answered. Effective praying, he explains is the result of following certain Biblical principles he outlines in this book.

Tongues: Beyond the Upper Room looks at common objections to and misconceptions about tongues, scriptural purposes of speaking in other tongues, common excesses, praying out God's plan, pressing into greater depths in prayer, guidelines to receiving the Baptism in the Holy Spirit, and much more!

Life was not easy on the farm in the forties and growing up is never easy. However, with the old man's support and the guidance of the "Good Book" the Boy did manage to overcome life's obstacles, to learn its valuable lessons, and to walk in faith believing through this vale of tears and laughter.

A pioneer in his radical approach to politics and prayer, internationally known theologian and activist Kenneth Leech has for half a century influenced religious leaders on both sides of the Atlantic. This essential reference text brings together his writings on prayer, contextual theology, and social justice in one wide-ranging volume. This selection of writings illustrates how theology can inform prayer and action in a local context, plus highlights wider themes such as globalization and inter-faith collaboration. Secondary goals were to present materials from both British and North American perspectives. The key criteria in selecting material were continuing relevance, popular appeal, and readability. The book is organized by theme, including: FIRST PRINCIPLES — illustrating how his revolutionary political convictions arose from Trinitarian orthodoxy. THE VISIBLE CHURCH — focusing on the Anglican denomination, and on reaction and renewal of the Catholic tradition. MINISTRY ON THE MARGINS — highlighting Leech's work in various aspects of ministry, especially with respect to anti-racism, drugs, homelessness, and young people. SPIRITUAL THEOLOGY — containing his reflections about prayer and worship, noting particularly the indivisibility of spirituality and social justice. PILGRIM JOURNEY — including people and places that have influenced Leech and personal reflections about discipleship and ministry.

"Pray for me," someone says. How seriously do most Christians take such requests? "The request 'pray for me' is one that I have learned to honor," writes Kenneth Carter, a pastor for nearly 30 years. "It is a cry for help, however it is expressed. It is an acknowledgment that we are limited and finite creatures. It is a trust placed in a higher power." Using a beautiful metaphor, Carter compares the person in need--whether it's because of illness, a broken relationship, unemployment, grief, or another crisis--to a full bucket. That person's bucket is filled with emotion, grief, confusion, and disappointment. The intercessor comes alongside the person with an empty bucket. Intercessors take into their "empty bucket" the person's needs, and they begin their ministry of praying for that person. In "Pray for Me," Carter lays a scriptural foundation and introduces readers to the ministry of intercessory prayer. Interspersed through the 6 chapters are brief, practical exercises that lead the reader to pray for others in various situations. Appendices include a small-group guide, contexts for intercessory prayer, personal and congregational models for intercession, and suggestions for further reading. This book is a must-read for groups and congregations that want to explore intercession more deeply, or feel the need to pray for others but don't know how.

And that witch's hat appearing on his head is a sure sign that your court-ordered virtual therapy session is being attacked by an Inuit revenge virus, which threatens to loop you into unmapped regions of cyberspace. Here comes LeRoux, the best cowboy on the Grid in a sleek netcraft (The "Exorcizer") with a rescue plan (B) that just might work. Problem is, LeRoux is not really all that real either. Or is he?

This book offers a model of profound and accessible congregational prayer. At once inspirational and practical, it will empower and equip laypeople and clergy alike to offer heartfelt, informed, and appropriate prayers on behalf of the people of God. As Samuel Wells and Abigail Kocher say, "Interceding in public worship is a duty. This book is intended to make it a joy." Shaping the Prayers of the People begins by considering what public prayer is and offering practical guidelines for avoiding common pitfalls. It explores prayer as an integral part of worship and discusses the language we need (and don't need) to address God. Significantly, the book also provides an array of example prayers along with commentary.

Steps to Answered Prayer reveals step-by-step guidelines that when faithfully followed in prayer, assure the believer of an answer.

Many 21st Century Christians have excused themselves from the Biblical mandate to engage in effectual prayer and meditation. God is unlimited, yet He chooses to demonstrate His power through prayer. Prayer Force is a call to the believer for greater intimacy and communion with God. Prayer is not a magic wand. Perhaps the chief reason believers do not pray consistently is because they do not see their prayers answered. Without God's prerequisites, prayer remains unanswered. Misconceptions regarding prayer must be dispelled with the foundational Biblical descriptions. Priorities dictate schedules and schedules reveal priorities. If prayer is not a priority in action, it is not a priority at all. A look at God's view from Scripture and man's view from life, combine to make this book a dynamic propeller to fight the good fight on our knees. Pastor Kenneth J. Rev. Hagin encourages Christians to examine and follow the scriptural reasons for fasting. He discusses the proper length for a fast, and he presents an interesting alternative to the traditional view of fasting--an alternative the Lord gave him.

Witnessing to the cross of Christ stands at the very heart of Christian spirituality, and without it our faith makes no sense. In this tenth anniversary edition of Kenneth Leech's classic Lenten book, *We Preach Christ Crucified*, he draws from his own prayer, study of the Bible, and encounters with others to offer a rich account of the resurrection for today. The themes of suffering and healing, justice and compassion, and Christ's dying and rising all come together in a compelling theology of discipleship and ministry. With six short chapters and hymns and poetry drawn from the Anglican spiritual tradition, *We Preach Christ Crucified* is an excellent resource for study groups who want to enter more deeply into the meaning of Christian discipleship faith and prayer and study New Testament texts that draw on the Resurrection and themes of Jesus' passion.
