**Master Thieves** Stephen Kurkjian, 2015-03-10 The definitive story of the greatest art theft in history. In a secret meeting in 1981, a low-level Boston thief gave career gangster Ralph Rossetti the tip of a lifetime: the Isabella Stewart Gardner Museum was a big score waiting to happen. Though its collections included priceless artworks by Rembrandt, Vermeer,

Degas, and others, its security was cheap, mismanaged, and out of date. And now, it seemed, the whole Boston criminal underworld knew it. Nearly a decade passed before the Museum was finally hit. But when it finally happened, the theft quickly became one of the most infamous art heists in history: thirteen works of art valued at up to 500 million, by some of the most famous artists in the world, were taken. The Boston FBI took control of the investigation, but twenty-five years later the case is still unsolved and the artwork is still missing. Stephen Kurkjian, one of the top investigative reporters in the country, has been working this case for over nearly twenty years. In *Master Thieves*, he sheds new light on some of the Gardner's most abiding mysteries. Why would someone steal these paintings, only to leave them hidden for twenty-five years? And why, if one of the top crime bosses in the city knew about this score in 1981, did the theft happen in 1990? What happened in those intervening years? And what might all this have to do with Boston's notorious gang wars of the 1980s? Kurkjian's reporting is already responsible for some of the biggest breaks in this story, including a meticulous reconstruction of what happened at the Museum that fateful night. Now *Master Thieves* will reveal the identities of those he believes plotted the heist, the motive for the crime, and the details that the FBI has refused to discuss. Taking you on a journey deep into the gangs of Boston, Kurkjian emerges with the most complete and compelling version of this story ever told.

The Swan Thieves Elizabeth Kostova, 2010-04-01 Psychiatrist Andrew Marlow, devoted to his profession and the painting

hobby he loves, has a solitary but ordered life. When renowned painter Robert Oliver attacks a canvas in the National Gallery of Art and becomes his patient, Marlow finds that order destroyed. Desperate to understand the secret that torments the genius, he embarks on a journey that leads him into the lives of the women closest to Oliver and a tragedy at the heart of French Impressionism. Kostova's masterful new novel travels from American cities to the coast of Normandy, from the late 19th century to the late 20th, from young love to last love. *The Swan Thieves* is a story of obsession, history's losses, and the power of art to preserve human hope.

**The Rescue Artist** Edward Dolnick, 2010-11-16 In the predawn hours of a gloomy February day in 1994, two thieves entered the National Gallery in Oslo and made off with one of the world's most famous paintings, Edvard Munch's *Scream*. It was a brazen crime committed while the whole world was watching the opening ceremonies of the Winter Olympics in Lillehammer. Baffled and humiliated, the Norwegian police turned to the one man they believed could help: a half English, half American undercover cop named Charley Hill, the world's greatest art detective. *The Rescue Artist* is a rollicking narrative that carries readers deep inside the art underworld -- and introduces them to a large and colorful cast of titled aristocrats, intrepid investigators, and thick-necked thugs. But most compelling of all is Charley Hill himself, a complicated mix of brilliance, foolhardiness, and charm whose hunt for a purloined treasure would either cap an illustrious career or be the fiasco that would haunt him forever.
