Praise for *Windows of the Soul* Every once in a while a book comes along that makes you stop and think—and then think some more—like Ken Gire's wonderful book *Windows of the Soul*.—John Trent in *Christian Parenting Today* Ken Gire has created a book that gently pours forth, like water out of a garden bucket, cleansing our thoughts and opening the petals of our spirits, providing us with a new sense of clarity in our search for God. —Manhattan (KS) Mercury Each word, each phrase, is painstakingly wrought, loaded with thoughts and prayer, and filled with new glimpses of God's love, grace, and strength. —The Christian Advocate *Windows of the Soul* will surprise you with the many and varied windows God uses to speak to us. With the heart of an artist, Ken Gire paints word pictures in prose and poetry that will thrill your heart.—Mature Living *Windows of the Soul* is a rare book, resounding with the cry for communion that is both ours and God's. With passion, honesty, and beauty, Ken Gire calls us to a fresh sensitivity to God's voice speaking through the unexpected parables that surround us.—Christian Courier

The author offers sixty-two short reflections on self-acceptance and staying positive with oneself.

Lisa H. Cooper offers new insight into the relationship of material practice and literary production in the Middle Ages by exploring the representation of craft labor in England from c.1000-1483. She examines genres as diverse as the school-text, comic poem, spiritual allegory, and mirror for princes, and works by authors both well-known (Chaucer, Lydgate, Caxton) and far less so. Whether they represent craft as profitable endeavor, learned skill, or degrading toil, the texts she reviews not only depict artisans as increasingly legitimate members of the body politic, but also deploy images of craft labor and its products to confront other complex issues, including the nature of authorship, the purpose of community, the structure of the household, the fate of the soul, and the scope of princely power.

Derived from a popular Revive Our Hearts radio series, "Choosing Gratitude: Your Journey to Joy" challenges and equips the reader to live a life of intention. As a bonus, a 30-day plan of journaling, prayer, and activities is included.

In this inspiring book, Erwin McManus uses the biblical account of Israel's war with the Philistines (1 Samuel 13 and 14) and the characters of Saul and Jonathan to demonstrate the difference between living a life of purpose and adventure, and living one of apathy and missed opportunity. In the midst of a less-than-hopeful battle, Saul—who should have been leading—rested beneath a pomegranate tree as Jonathan seized the divine moment that would impact the future of Israel. Through this story McManus artfully illustrates the eight characteristics of an adventurer's heart, what he calls "the

Jonathan factor." Using powerful examples from his own life and ministry, along with fresh biblical teaching, McManus asserts that God crafts divine moments specific to each of us-priceless opportunities for us to actively engage in God's big-picture plan. Apathy and apprehension prevent us from being all we are meant to be for God's kingdom. But by developing the characteristics McManus outlines, Christians can move from mundane to miraculous living.

A noted journalist chronicles three years in the lives of a team of maverick software developers, led by Lotus 1-2-3 creator Mitch Kapor, intent on creating a revolutionary personal information manager to challenge Microsoft Outlook. Reprint. 30,000 first printing.

Every woman has had this experience: you get to the end of the day and realize you did nothing for you. And if you go days, weeks, or even months in this cycle, you begin to feel like you have lost a bit of yourself. While life is busy with a litany of must-dos--work, parenting, keeping house, grocery shopping, laundry and on and on--women do not have to push their own needs aside. Yet this is often what happens. There's just no time, right? Wrong. In this practical and liberating book, Jessica Turner empowers women to take back pockets of time they already have in their day in order to practice self-care and do the things they love. Turner uses her own experiences and those of women across the country to teach readers how to balance their many responsibilities while still taking time to invest in themselves. She also addresses barriers to this lifestyle, such as comparison and guilt, and demonstrates how eliminating these feelings and making changes to one's schedule will make the reader a better wife, mother, and friend. Perfect for any woman who is doing everything for everyone--except herself--The Fringe Hours is ideal for both individuals and small group use.

Warning: This book may not be for you! This book is dangerous! It is only for those who are ready to join an uprising? a revolution of the soul that will change an ordinary life into an extraordinary one. It is only for those who want something more out of life, who desire to tap into the divine potential that was placed in them at their creation. You were in God's imagination before you were ever born. All the talent, gifting, and creativity you possess was placed in you by God Himself. Can you imagine the things you could do, the impact you could have on the world, if you tapped into the dreams God has for your life? In Uprising: A Revolution of the Soul, Erwin Raphael McManus boldly invites you to join the revolution. He illuminates the desperate heart cry of every human being?"I want to live!"?and then serves as a guide on a quest to answer that cry. Find your true purpose and destiny in the pursuit of the passion and character of God. Be a part of a revolution that changes a life of imitation and mediocrity into one of passion and character . . . a radical revolt that will forever change the world!

After receiving an invitation to spend the summer with their estranged grandmother, the Story cousins arrive at her house only to discover that she is not there, and the longer they stay on the island, the more they realize their mysterious family

history has some deadly secrets.

Through thought-provoking chapters, McManus takes readers on a journey of transformation through the landscape of their character--from where they start out "Running Free," through "Rising Out of the Ashes," developing "Divine Imagination," and finally, reaching the "Greatness of Servanthood."

With no-holds-barred honesty and poignant storytelling, Nate Larkin introduces a model of community and friendship that is reinvigorating men's ministry across the country, a model he calls The Samson Society. Too many men see the biblical hero Samson as their model for manhood--a rugged individualist of the highest order. Yet, Samson's solitary successes were eventually overcome by moral weaknesses. Larkin, through the story of his own past and the stories of those in The Samson Society, offers a radical, refreshing alternative.

The Artisan Soul Crafting Your Life into a Work of Art Harper Collins

Bestselling author, speaker, and activist Christine Caine helps you overcome past guilt and live an unashamed life. Shame can take on many forms. It hides in the shadows of the most successful, confident and high-achieving woman who struggles with balancing her work and children, as well as in the heart of the broken, abused and downtrodden woman who has been told that she will never amount to anything. Shame hides in plain sight and can hold us back in ways we do not realize. But Christine Caine wants readers to know something: we can all be free. "I know. I've been there," writes Christine. "I was schooled in shame. It has been my constant companion from my very earliest memories. I see shame everywhere I look in the world, including in the church. It creeps from heart to heart, growing in shadowy places, feeding on itself so that those struggling with it are too shamed to seek help from shame itself." In *Unashamed*, Christine reveals the often-hidden consequences of shame—in her own life and the lives of so many Christian women—and invites you to join her in moving from a shame-filled to a shame-free life. In her passionate and candid style, Christine leads you into God's Word where you will see for yourself how to believe that God is bigger than your mistakes, your inadequacies, your past, and your limitations. He is not only more powerful than anything you've done but also stronger than anything ever done to you. You can deal with your yesterday today, so that you can move on to what God has in store for you tomorrow—a powerful purpose and destiny he wants you to fulfill. Join the journey. Lay ahold of the power of Jesus Christ today and step into the future—his future for you—a beautiful, full, life-giving future, where you can even become a shame-lifter to others. Live unashamed! Dive deeper into the *Unashamed* message with the *Unashamed* video study and study guide. Available now.

In *The Artisan Soul*, Erwin Raphael McManus, author, thought leader, and founder of MOSAIC in Los Angeles, pens a manifesto for human creativity and the beginning of a new renaissance. McManus not only calls us to reclaim our

creative essence but reveals how we can craft our lives into a work of art. There are no shortcuts to quality, and McManus celebrates the spiritual process that can help us discover our true selves. McManus demonstrates that we all carry within us the essence of an artist. We all need to create, to be a part of a process that brings to the world something beautiful, good, and true, in order to allow our souls to come to life. It's not only the quality of the ingredients we use to build our lives that matter, but the care we bring to the process itself. Just like baking artisan bread, it's a process that's crafted over time. And God has something to say about how we craft our lives. With poignant, inspirational stories and insights from art, life, history, and scripture interspersed throughout, McManus walks readers through the process of crafting a life of beauty and wonder.

PURSuing CHRIST. CREATING ART. is written for people who are living in the intersection of the Christian faith, and the creation of art. By their nature, artists look at a life of faith differently, and that unique journey warrants an exploration of what it means to be a Christ-follower and an artist. The book intentionally veers away from tips and techniques and formulas, while concentrating on the journey, the mystery, and the heart.

The Most Important Work of Art Is the Life That We Create In The Artisan Soul, Erwin Raphael McManus— author, thought leader, and founder of MOSAIC in Los Angeles—pens a manifesto for human creativity and the beginning of a new renaissance. Just as with baking artisan bread, it's a process that's crafted over time. And God is the master artisan of our lives. With poignant, inspirational stories and insights from art, life, history, and scripture interspersed throughout, McManus walks readers through the process of crafting a life of beauty and wonder.

As the world around us changes at record-speed, An Unstoppable Force imagines a church that embraces change by remaining fully committed to its apostolic calling. Church leaders will discover new ways of engaging communities through vibrant, relevant ministries and clear, innovative communication. An Unstoppable Force challenges churches to cast aside methods that are broken or atrophied and embrace the future of the Church with vigor. McManus's prophetic voice outlines a church that is not a refuge from the world, but a refuge to the world. Christians on the forefront of the church movement must be ready to let go of the past and move forward.

In this long awaited follow-up to the best-selling An Altar in the World, Barbara Brown Taylor explores 'the treasures of darkness'

that the Bible speaks about. What can we learn about the ways of God when we cannot see the way ahead, are lost, alone, frightened, not in control or when the world around us seems to have descended into darkness?

Before You Die, Live the Life You Were Born To Live. When you come to the end of your days, you will not measure your life based on success and failures. All of those will eventually blur together into a single memory called "life." What will give you solace is a life with nothing left undone. One that's been lived with relentless ambition, a heart on fire, and with no regrets. On the other hand, what will haunt you until your final breath is who you could have been but never became and what you could have done but never did. The Last Arrow is your roadmap to a life that defies odds and alters destinies. Discover the attributes of those who break the gravitational pull of mediocrity as cultural pioneer and thought leader Erwin McManus examines the characteristics of individuals who risked everything for a life they could only imagine. Imagine living the life you were convinced was only a dream. We all begin this life with a quiver full of arrows. Now the choice is yours. Will you cling to your arrows or risk them all, opting to live until you have nothing left to give? Time is short. Pick up this new paperback edition of The Last Arrow and begin the greatest quest of your life. Now with questions for reflection and discussion.

"The Life of Cheese is the definitive work on America's artisanal food revolution. Heather Paxson's engaging stories are as rich, sharp, and well-grounded as the product she scrutinizes. A must read for anyone interested in fostering a sustainable food system." Warren Belasco, author of Meals to Come: A History of the Future of Food "Heather Paxson's lucid and engaging book, The Life of Cheese, is a gift to anyone interested in exploring the wonderful and wonderfully complex realities of artisan cheesemaking in the United States. Paxson deftly integrates careful considerations of the importance of sentiment, value and craft to the work of cheesemakers with vivid stories and lush descriptions of their farms, cheese plants and cheese caves. While she beguiles you with the stories and tastes of cheeses from Vermont, Wisconsin and California, she also asks you to envision a post-pastoral ethos in the making. This ethos reconsiders contemporary beliefs about America's food commerce and culture, reimagines our relationship to the natural world, and redefines how we make, eat, and appreciate food. For cheese aficionados, food activists, anthropologists and food scholars alike, reading The Life of Cheese will be a transformative experience." Amy Trubek, author of The Taste of Place: A Cultural Journey into Terroir

Bestselling author and pastor Chris Hodges helps those struggling with depression find liberating solutions by drawing from the life of the prophet Elijah. Shame about the dark thoughts swirling in your mind. Guilt about how powerless you feel to overcome negative emotions. Alternating bouts of sadness and numbness. You might be asking, Should a Christian even be having these struggles? Depression is the number one health issue in the world today, yet those who suffer are still sometimes stigmatized--especially followers of Jesus. Many assume God's peace, power, and protection should prevent us from ever feeling anxious, depressed, and afraid. But the Bible teaches otherwise, particularly in its depiction of the life of the Old Testament prophet Elijah. In Out of the Cave, bestselling author and pastor Chris Hodges uses Elijah's life to show us that everyone is susceptible to depression. Even when we're walking closely with God, we can still stumble and get lost in the wilderness of tangled

emotions. But we don't have to stay there, because we serve a God who meets us in the darkness. *Out of the Cave* helps us remove the stigma of depression and realize we're not alone; understand the ways our temperament and view of God affect the way we handle depression; and learn a comprehensive approach to wellness—mind, body, and soul—from Elijah's journey. With his trademark blend of Bible-based wisdom, practical application, and vulnerability in sharing his personal struggles, Hodges explores the causes of depression we can't change, the contributors we can conquer, and offers transformative hope and spiritual power to help us win the battle.

In this call to listen to the God who speaks, Dr. Klaus Bockmuehl (formerly professor of theology at Regent College, Vancouver, BC) encourages the cultivation of a "listening heart" -- a day-by-day, obedient sensitivity to the voice of God. Tracing themes in divine guidance first through the Old and New Testaments, Dr. Bockmuehl then turns to the "living testimonies" of church history and a crucial doctrinal struggle rooted in the Reformation that has left its legacy in secular and religious ideology alike. Insightful and devotional, "Listening to the God Who Speaks" instructs and motivates readers for a life attentive to God's voice, liberated by a "new creativity and spontaneity that go beyond personal piety to implementation of the Kingdom of God in all human affairs." Two thousand years later the call to follow Christ has been repackaged to be smooth and trouble-free, filled with opportunity and promise but lacking risk, passion, and sacrifice. Is this really what Jesus died for? If He chose the way of the cross, where would He hesitate leading us? Is it possible that to follow Jesus is to choose the barbarian way? Jesus never made a pristine call to a proper or safe religion. Jesus beckons His followers to a path that is far from the easy road. It is a path filled with adventure, uncertainty, and unlimited possibilities—the only path that can fulfill the deepest longings and desires of your heart. This is the barbarian way: to give your heart to the only One who can make you fully alive. To love Him with simplicity and intensity. To unleash the untamed faith within. To be consumed by the presence of a passionate and compassionate God. To go where He sends you, no matter the cost.

#1 New York Times bestselling author Eric Metaxas delivers an extraordinary book that is part history and part rousing call to arms, steeped in a critical analysis of our founding fathers' original intentions for America. In 1787, when the Constitution was drafted, a woman asked Ben Franklin what the founders had given the American people. "A republic," he shot back, "if you can keep it." More than two centuries later, Metaxas examines what that means and how we are doing on that score. *If You Can Keep It* is at once a thrilling review of America's uniqueness—including our role as a "nation of nations"—and a chilling reminder that America's greatness cannot continue unless we embrace our own crucial role in living out what the founders entrusted to us. Metaxas explains that America is not a nation bounded by ethnic

identity or geography, but rather by a radical and unprecedented idea, based on liberty and freedom for all. He cautions us that it's nearly past time we reconnect to that idea, or we may lose the very foundation of what made us exceptional in the first place.

What is the story you have been told about the gospel? James Bryan Smith, author of the bestselling book *The Good and Beautiful God*, brings us this spiritual formation resource full of field-tested material and practices for both individuals and groups. Uncover the magnificent story of beauty, goodness, and truth that will satisfy the ultimate longings of your heart. A young woman invites readers into her personal spiritual journey from Orthodox Judaism to Christianity in a powerful book about religion and identity.

In the immediate aftermath of the Civil War, the North assumed significant power to redefine the South, imagining a region rebuilt and modeled on northern society. The white South actively resisted these efforts, battling the legal strictures of Reconstruction on the ground. Meanwhile, white southern storytellers worked to recast the South's image, romanticizing the Lost Cause and heralding the birth of a New South. Prince argues that this cultural production was as important as political competition and economic striving in turning the South and the nation away from the egalitarian promises of Reconstruction and toward Jim Crow.

A groundbreaking and endlessly surprising history of how artisans created America, from the nation's origins to the present day. At the center of the United States' economic and social development, according to conventional wisdom, are industry and technology-while craftspeople and handmade objects are relegated to a bygone past. Renowned historian Glenn Adamson turns that narrative on its head in this innovative account, revealing makers' central role in shaping America's identity. Examine any phase of the nation's struggle to define itself, and artisans are there-from the silversmith Paul Revere and the revolutionary carpenters and blacksmiths who hurled tea into Boston Harbor, to today's "maker movement." From Mother Jones to Rosie the Riveter. From Betsy Ross to Rosa Parks. From suffrage banners to the AIDS Quilt. Adamson shows that craft has long been implicated in debates around equality, education, and class.

Artisanship has often been a site of resistance for oppressed people, such as enslaved African-Americans whose skilled labor might confer hard-won agency under bondage, or the Native American makers who adapted traditional arts into statements of modernity. Theirs are among the array of memorable portraits of Americans both celebrated and unfamiliar in this richly peopled book. As Adamson argues, these artisans' stories speak to our collective striving toward a more perfect union. From the beginning, America had to be-and still remains to be-crafted.

Patrick F. McManus, the "funniest guy in the Outdoor Life and Field & Stream gang...offers another bag of whimsy in the Great Outdoors"\* with *The Grasshopper Trap*. In this collection of thirty zany stories, spoofing camping, fishing, and

other outdoor recreational activities, McManus shares his hilarious wilderness misadventures. From facing an angry bear with an unloaded gun and the folly of running a boat while it's still on the trailer to not questioning the ingredients found in camp cookout cuisine and the best methods of catching grasshoppers, no one knows how to express Mother Nature's sense of humor like Patrick F. McManus. "It's enough to tickle the most rabid member of the National Rifle Association."—\*Kirkus Reviews

Chasing Daylight (previously published as Seizing Your Devine Moment) is a call to live a life of blazing urgency. We have but one life. We are given one opportunity to pursue our dreams and fulfill our divine purpose. Every moment counts, and we must engage them with fierceness and zeal. Put an end to passive observation, paralyzed by the need for perfect opportunity, and start seizing the raw, untapped potential of your life with God. Are you willing to risk failure? Are you ready to get in the game? You may stumble, but you will find yourself falling forward, propelled toward the God-inspired adventure He intends you to live.

The alarm sounds. Your feet hit the floor and carry you into another day. But what does that day hold for you? Will you be punching your card at work, catching up on TV at home, and crashing into bed before you rinse and repeat the next day? Or will you dare to dig deep and discover the incredible potential lying dormant within us all? In *Wide Awake*, renowned speaker and church visionary Erwin Raphael McManus challenges us to put an end to all the sleepwalking and settling, for each of us was created by God for a reason. He has called you to live as Jesus did—a heroic life, void of monotony, teeming with danger, adventure, and the unknown. Living wide awake is about realizing that the world desperately needs you to live up to your potential. There is a future that needs to be created, and it is waiting for us all to wake up and get out of bed. The alarm has sounded, and it is time to shake off the slumber. It's time to live, to create, to imagine, to dream . . . *Wide Awake*.

A Publishers Weekly Best Book of 2019 Why do we make things by hand? And why do we make them beautiful? Led by the question of why working with our hands remains vital and valuable in the modern world, author and maker Melanie Falick went on a transformative, inspiring journey. Traveling across continents, she met quilters and potters, weavers and painters, metalsmiths, printmakers, woodworkers, and more, and uncovered truths that have been speaking to us for millennia yet feel urgently relevant today: We make in order to slow down. To connect with others. To express ideas and emotions, feel competent, create something tangible and long-lasting. And to feed the soul. In revealing stories and gorgeous original photographs, *Making a Life* captures all the joy of making and the power it has to give our lives authenticity and meaning.

A Library Journal Best Cookbook of the Year "SHUK shouts 'Cook me!' from every vibrant page." —Boston Globe "Fascinating. . . This energetic and exciting volume serves as an edifying deep dive into Israeli food market culture and cuisine." —Publishers

Weekly, starred review With Shuk, home cooks everywhere can now inhale the fragrances and taste the flavors of the vivacious culinary mash-up that is today's Israel. The book takes you deeper into this trending cuisine, through the combined expertise of the authors, chef Einat Admony of Balaboosta and food writer Janna Gur. Admony's long-simmered stews, herb-dominant rice pilafs, toasted-nut-studded grain salads, and of course loads of vegetable dishes—from snappy, fresh, and raw to roasted every way you can think of—will open your eyes and your palate to the complex nuances of Jewish food and culture. The book also includes authoritative primers on the well-loved pillars of the cuisine, including chopped salad, hummus, tabbouleh, rich and inventive shakshukas, and even hand-rolled couscous with festive partners such as tangy quick pickles, rich pepper compotes, and deeply flavored condiments. Through gorgeous photo essays of nine celebrated shuks, you'll feel the vibrancy and centrality of the local markets, which are so much more than simply shopping venues—they're the beating heart of the country. With more than 140 recipes, Shuk presents Jewish dishes with roots in Persia, Yemen, Libya, the Balkans, the Levant, and all the regions that contribute to the evolving food scene in Israel. The ingredients are familiar, but the combinations and techniques are surprising. With Shuk in your kitchen, you'll soon be cooking with the warmth and passion of an Israeli, creating the treasures of this multicultural table in your own home.

A best-selling author, pastor, futurist, and cultural thought leader argues that to experience and establish inner peace, we must first confront the battles that rage within. Your longings for inner peace and deep purpose are attainable, but they won't come easy. They require a warrior's mentality. Fighting for them requires passion, perseverance, and precision. This is an invitation to an unflinchingly honest look at your interior life guided by the ancient principles and methods revealed through Scripture. Erwin Raphael McManus delivers wisdom, instills passion, and provides the sacred movements needed to become the warrior you were meant to be. We live in a time of global and personal chaos. The world is at war because our souls are at war. The path to peace begins with you overcoming your most frequent and fierce enemy: yourself.

"A groundbreaking manifesto on the countless ways Jesus of Nazareth transformed our world--and empowers us to live lives of courage, purpose, and grace today. From the bestselling author of *The Last Arrow* and *The Way of the Warrior*. In every realm of our existence--art, technology, mathematics--we are captivated by stories of genius. Geniuses violate the status quo, destabilize old ways of thinking, and ultimately disrupt history by making us see the world differently. We see this effect when we consider the canon of history's great geniuses, from Leonardo da Vinci to Steve Jobs. But when we look for the genius who left the most lasting impact on human life--our search for truth; our desire to know who we are; our notion that happiness is about more than seeking to serve ourselves--we inevitably encounter Jesus. Despite having lived in obscurity for most his life, Jesus of Nazareth is undeniably one of the most influential people to have ever walked the face of the earth. In *The Genius of Jesus*, Erwin Raphael McManus asks: what would happen if we studied and emulated Jesus, not only through the lens of his divinity, but as a genius who showed us what it means to live fully human? Drawing on scripture, history, and stories from his own ministry, McManus dives into the nuances of Jesus's words and actions, showing how they can not only inspire us, but transform how we think about humility,

freedom, and the purpose that makes our lives worth living. For Christians who want to better know and understand their faith, or for readers who want to create their most powerful future, The Genius of Jesus is a thought-provoking study of the most important person who ever lived"--

The #1 bestselling author of Bonhoeffer and Martin Luther explores miracles in an inspiring response to the "New Atheists" Not since C. S. Lewis in 1947 has an author of Eric Metaxas's stature undertaken a major exploration of the phenomenon of miracles. In this groundbreaking work, Metaxas examines the compatibility between faith and science and provides well-documented anecdotal evidence of actual miracles. With compelling—sometimes electrifying—evidence that there is something real to be reckoned with, Metaxas offers a timely, civil, and thoughtful answer to recent books by Richard Dawkins, Christopher Hitchens, and Sam Harris. Already a New York Times bestseller, Miracles will be welcomed by both believers and skeptics—who will find their minds opening to the possibilities.

Highlighted by two hundred full-color photographs, a celebration of American crafts and decorative arts and the artists who create them showcases masterpieces of furniture, wood, ceramics, glass, fiber, jewelry, metal, and basketry from the past two centuries, along with a look at how craft has shaped American history, arts, vitality, and identity. 25,000 first printing.

Batterson examines biblical and modern-day examples of people who were willing to put everything on the line, take risks, seize opportunities, face fears, embrace uncertainty, and look foolish when it comes to chasing after God-given opportunities.

Vividly reconstructs economic conditions in ancient Roman cities and the socio-economic strategies of artisans who lived in them.
