As a casting director for twenty-three years, Holly Powell witnessed the casting world from three different points of view: As an independent casting director, as Head of Casting for a Studio, and as a Network Casting Executive. From this unique perspective, she formed Holly Powell Studios, with her mission being to demystify the audition process for actors. Through using her "The 6 Audition Tools Method," actors are guided into adopting the mental focus of the athlete and learn to control sabotaging thoughts that can derail an audition. THE AUDITION BIBLE: Secrets Every Actor Needs To Know, originally written as a companion piece to Holly's audition workshops, covers not only audition techniques and tools but answers many common questions about audition protocol. Anecdotal audition stories exemplify what works and what doesn't during the casting process. Part 1: The Audition is a handbook for any actor auditioning for any venue, be it television, film, theater, a commercial or a webisode. The actor travels through waiting in the lobby, walking into the audition room, the audition itself, the people he encounters in the room, and finally exiting the audition room. Part 2: Auditioning For A Series-Regular Role guides the actor through the four steps it typically takes to book a series-regular role on a network television series: The Pre-Read with the Casting Director, The Callback for Producers, Reading for Studio Executives, and Testing at the Network. Even though the format in Part 2 is specifically geared toward auditioning for television, all actors in every medium will find invaluable information here that will apply to their individual audition circumstances. Frustrating, nerve-wracking, job-winning or job-losing, flawed yet necessary - auditioning is a maddening business for everyone involved. The people behind the audition desk are looking for a killer audition (often under tremendous pressure), but most of the auditionees walk into the room feeling nervous, unprepared, and unable to control their own performance. Although the idea of creating 'winning performance strategies' is common in business and sports studies, no one has ever really attempted to bring the psychology of creating a winning performance to a book on auditioning. Drawing on some fascinating, cutting-edge research into how the brain copes and responds in high-stress situations, Mastering the Audition looks closely at the effects of fear, at our flawed ability to assess or really know ourselves, at what really drives us, and at what it really takes to master the audition

experience. Applicable to all areas of performing, including reality television, musicals, stage, film and commercials, this book helps you hone your performing skills and develop the mental toughness that can keep you going through the inevitable ups and downs of the audition process. Where other books advise you to 'be confident' and 'be prepared', Mastering the Audition tells you exactly HOW.

Four plays from the rich theatrical world of Catalan drama. Since the early 1990s, Catalonia has proven to the world that its rich heritage and artistic tradition are worthy of focus and study. The plays in the volume reflect the post-Franco era during which Barcelona and other parts of Catalonia have become the focal point for new dramatic expression. Joan Brossa (1919-1998) was the spiritual father of this new wave of artistic revolution in writing. His play The Quarrelsome Party is a dark family drama as surreal as any bad dream. The Audition by Rodolf Sirera has its roots in the author's anti-Franco stance. This in-the-theatre drama has the mystery cat-and-mouse playfulness of Anthony Shaffer's Sleuth. Benet

i Jorner's play Desire is a Beckettian mystery play about four unnamed characters. Sergi Belbel represents the new generation of Catalan playwrights and his plays have had wide appeal abroad. In Fourplay he experiments with the idea of a sex farce and the play's 38 scenes lead to wild conclusions.

Twelve-year-old Harper loves to dance and is a rising star in Connecticut when her parents move her to Florida and she must prove herself to The Bunheads in order to compete.
