Ghast the Supervillain Trilogy (an Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Mark Mulle,2016-12-15
GENRE: Children's Adventure (An Unofficial Minecraft Book for Kids Ages 9 - 12 (Preteen) Ghast the Supervillain Book 1: Building a Nether Army They haven't seen the last of me yet! Those fools think that they can just kick me out of their army! I was the best soldier that they've ever had. They'll lose the war without my great ideas. They must just be afraid of how great I am. I would be scared too if a great big Ghast had all of the answers. The army made a big mistake when they kicked me out. Now I'm going to get my revenge. I'll build up my own army and take over theirs and then take over the whole Nether

and maybe even the Overworld too! No one will be able to stop me! There's just one problem... I need to build my army first. Book 2: Taking Over the Nether Army Sergeant Ghast is back! After the Nether army kicked me out for having a couple of ideas that were too crazy for them, I swore that I would get my revenge. I spent weeks building a new army. It was filled with angry Skeletons soldiers and some Blazes who had always wanted to fight. The Nether army made its second mistake when they asked me to come back. I did come back, but with an army of my own! Now that my army and I are inside of the Nether base, we'll stop at nothing from taking over the army. We aren't really sure how we're going to take over the army yet, but we're smarter and much more clever than the Nether army brats, so we know that nothing will stop us from being the biggest and baddest army in all of the Nether, and some day, in the whole Overworld too! Book 3: The End of the War My name is Ghast, formerly Sergeant Ghast, but currently General Ghast. Months ago I was removed from the Nether army because they thought that my ideas for improving the army were too crazy. Little did they know, but my ideas were actually just crazy enough to get the job done. Within a month out of the Nether army I had created my own army, full of Skeletons and Blazes. In another month, I was back into the Nether army base. My new troops and I took over the Nether army. Now I am the leader of this whole army, but I'm not done yet. The Nether army is at war with the Overworld army. Those Overworld punks won't give us the resources that we deserve. We didn't want to fight them for the resources, but sometimes a guy, or an entire army, needs to fight to get what they deserve. Now the Nether army, which is under my control, is getting ready to take on the Overworld army, and hopefully take it over! Those resources will be ours sooner than anyone would have ever expected!
