This gathering of writings from well-known authors is a celebration of sensual love from classic times to the present day. Representing some of literature's brightest lights, this anthology aptly fulfills the many purposes of erotic writing. Included here are selections from Anais Nin, Anne Rice, Pat Califia, Alice Joanou, and many others.

Milo Manara's internationally acclaimed erotic work concludes on a high note, with this deluxe, archival volume featuring one of his best-loved stories, *Butterscotch!* A physicist discovers a way to become invisible, but a curious ballerina easily tracks him by the smell of butterscotch! This volume also includes *Candid Camera*, *Gulliveriana*, *Three Girls on the Internet*, and more, all newly translated, as well as an essay by comics scholar Ben Saunders of the University of Oregon on the relationship between art and pornography.

Star-studded and with something for every sexual taste and curiosity Famous for taking her readers to undiscovered places, Susie Bright has changed the rules for writing about sex. Erotica is no longer under-the-covers reading; it's thrilling literature that showcases the best writing around. In *Best American Erotica 2006*, Bright chooses stories that toy with desire in excerpts from some of the most sexually charged and fearless writing of the year. John Updike's story recalls his narrator's first love and how they began to have sex. David Sedaris takes us into his strip poker card room. Tom Perrotta portrays a bored married man whose wife busts him as he navigates his Internet swinger life. Helen Walsh's diary shows a college student in England who drifts from a promising academic career into the arms of prostitutes. In *Best American Erotica 2006*, today's most popular writers add their voices to a collection for any reader -- straight, gay, curious -- seeking memorable sex and riveting storytelling. Contributors John Updike, David Sedaris, Tom Perrotta, Steve Almond, Lynn Freed, Maxine Chernoff, Carol Queen, Helen Walsh, Stephen Elliott, Rachel Kramer Bussel, Bob Vickery, James Williams, Will Heinrich, Peggy Munson, Sera Gamble, Salome Wilde, Bianca James, Donna George Storey, Mr. Sleep, Gwen Masters, Gaea Yudron, Kweli Walker, L. Elise Bland, and Sidney Durham An inventive, provocative, and sensual collection of over 40 of the year's best erotic short stories from the world's leading writers.

My family are fighting over who's the next Duke of Fairfax. The rules say it's me—if I'm married. It's not a trade-off worth making. I could never limit myself to just one woman. Or so I thought until my world is turned upside down. Now, the only way I can save the empire I built is to inherit the title I've never wanted—so I need a wife. To take my mind off business I need a night that's all pleasure. I need to bury myself in a stranger. The skim of Scarlett King's hair over my body as she bends over . . . The scrape of her nails across my chest as she screams my name . . . The bite of her teeth on my shoulder just as we both reach the edge . . . It all helps me forget. I just didn't bargain on finding my one-night stand across the boardroom table the next day. Scarlett's making a business proposal. I've got more interest in a (fake) marriage proposal. A sexy, standalone romance.

"Walkin' Pussy" is a bold and beautiful collection of erotic short stories, unashamedly sexy erotica from the heart and soul of Afro-America. These stories were written with the intention of fully engaging the lust buttons of serious erotic readers who crave powerful and passionate fantasies that don't hold back! "Walkin' Pussy" is a daring toe-curling collection of tales, guaranteed to take you on a sexual "E" ride through the past, present, and yes ... the future. Unfasten your seatbelt, y'all! Pull out your stilettos and your sexiest lingerie ... or your lucky drawers. Make reservations with your lover, pop the top of your toy box, and get ready to let out a great big old sexy ass scream.

Susie Bright brings together love's darkest arrows in this shiver-inducing collection of 15 gothic erotic short stories, with original stories from legends such as author Francesca Lia Block and Supernatural screenwriter Sera Gamble. Delicate illustrations weave throughout the lush package, and printed edges make the baroque book an object to behold. Open alone or share with a lover and devour the mystical characters, forbidden sexual relationships, and private pleasures.

The best erotic science fiction and fantasy as determined by the annual contest run by Circler Press. Rewarding originality and positive sensuality, the contest inspires well-known and unknown writers alike to excel in this provocative genre. Erotic sf/f

Following up on the overwhelming success of the first volume comes this second, containing more tales of extreme sex. Sex on the edge is the theme of this unique collection that goes way beyond silk and satin, candlelight and lingerie. There is leather in these stories—and also latex, chains, paddles, whips, and more. If you thought the first book was hot, wild, and kinky, then be prepared to be delightfully shocked as Volume 2 goes even more over the top. Featuring contributions from some of the best erotica writers in the world—plus stories from brand new authors—here you will savor such diverse delights as "Her Master's Voice," "Never Say Never," "Dancing for Daddy," "Her Favorite Ride," and 22 more. Sit back and take pleasure as authors like M. Christian (who also edited the collection), Patrick Califia, Lisabet Sarai, Sage Vivant, and Simon Sheppard stretch the limits of your erotic imagination. You won't believe the sensual surprises that lie ahead. From fetish and master/slave to body mortification and bondage, it's all here and waiting for your enjoyment . . .

This is the fifth volume of the *Best Lesbian Erotica of the Year* anthology series, which features representations of queer women, non-binary, and trans women's sexuality that are not as frequently seen—with ability, race, ethnicity, class, neuro-diversity, ace-spectrum, age, religion, or other marginalized viewpoints. #Ownvoices stories are of importance to this volume. The anthology is not limited to certain kinds of sex acts. "Vanilla," BDSM, fetish, ace, and all kinds of sensual and sexual expression make an appearance. There is no limit of sexual identities: mommy, mistress, sir, puppy, girl, servant, etc.

There is a deep tradition of eroticism in American poetry. Thoughtful, provocative, moving, and sometimes mirthful, the poems collected in *The Best American Erotic Poems* celebrate this exuberant sensuality. These poems range across the varied landscapes of love and sex and desire -- from the intimate parts of the body to the end of an affair, from passion to solitary self-pleasure. With candor and imagination, they capture the delights and torments of sex and sexuality, nudity, love, lust, and the secret life of fantasy. David Lehman, the distinguished editor of the celebrated *Best American Poetry* series, has culled a witty, titillating, and alluring collection that starts with Francis Scott Key, Emily Dickinson, Walt Whitman, and Hart Crane, encompasses Frank O'Hara, Anne Sexton, John Updike, Charles Simic, Billy Collins, Kevin Young, and Sharon Olds, and concludes with the rising stars of a whole new generation of versifiers, including Sarah Manguso, Ravi Shankar, and Brenda Shaughnessy. In a section of the book that is sure to prompt discussion and further reading, the living poets write about their favorite works of erotic writing. This book will delight, surprise, and inspire.

These erotic tales of bisexuality really run the gamut -- from Samurai-era Japan to an 18th century French nunnery; from a shape-shifting college dude to a lap-dance stripper to a man cross-living as a woman on the Canadian prairie in the early 1900s. Plenty of three-way affairs and encounters, a moderate dose of bondage and S/M, and three great stories incorporating sex in the restroom! Despite all of this delightful romping, the tone of the book is more serious overall and somewhat darker than in the first volume, with well-developed plots featuring characters dealing (and in some cases, Not dealing) with complex issues. Stories tackle the intricacies of polyfidelity, coming out, and forging a positive bisexual identity. There is a lot for readers to sink their teeth into, and the range of contributions demonstrates a maturing of the bisexual erotic voice.

In *Best Women's Erotica of the Year*, Volume 4, award-winning editor Rachel Kramer Bussel has gathered the hottest sexy stories starring outspoken women who daringly pursue love and lust. When I'm offered the chance to leave New York to live in London for three months, I can't pack my suitcase fast enough. As soon as I touch down I'm obsessing over red telephone boxes, palaces and all the black cabs. But my favorite place is the tube. It's wall-to-wall hot British men in suits. When I'm offered a temporary job working for a barrister, I say, sign me up. On my first commute into work, it's a total accident when I lose my balance and fall against the most handsome Brit alive. He's as charming as James Bond and as suave as Mr. Darcy. I want to lick tea from his hard abs and listen to his accent all night long. Turns out Mr.

Handsome is my new boss. And his attitude isn't as hot as his gorgeous face, broad shoulders and tight ass. He's brooding, short-tempered and the most arrogant man I've ever met. As we're fighting, out of nowhere he kisses me. And I'm pretty sure I see fireworks over Big Ben and hear God Save the Queen. I wasn't looking for the fairytale but I might have found my knight in shining armor. The problem is he lives an ocean away. A stand-alone, contemporary romance.
