“Brilliantly researched, utterly gripping history: the first full account of a remarkable group of Jewish refugees—a top-secret band of brothers—who waged war on Hitler.”—Alex Kershaw, New York Times best-selling author of *The Longest Winter* and *The Liberator* The incredible World War II saga of the German-Jewish commandos who fought in Britain’s most secretive special-forces unit—but whose story has gone untold until now June 1942. The shadow of the Third Reich has fallen across the European continent. In desperation, Winston Churchill and his chief of staff form an unusual plan: a new commando unit made up of Jewish refugees who have escaped to Britain. The resulting volunteers are a motley group of intellectuals, artists, and athletes, most from Germany and Austria. Many have been interned as enemy aliens, and have lost their families, their homes—their whole worlds. They will stop at nothing to defeat the Nazis. Trained in counterintelligence and advanced combat, this top secret unit becomes known as X Troop. Some simply call them a suicide squad. Drawing on extensive original research, including interviews with the last surviving members, Leah Garrett follows this unique band of brothers from Germany to England and back again, with stops at British internment camps, the beaches of Normandy, the battlefields of Italy and Holland, and the hellscape of Terezin concentration camp—the scene of one of the most dramatic, untold rescues of the war. For the first time, X Troop tells the astonishing story of these secret shock troops and their devastating blows against the Nazis. “Garrett’s detective work is stunning, and her storytelling is masterful. This is an original account of Jewish rescue, resistance, and revenge.”—Wendy Lower, author of *The Ravine* and National Book Award finalist *Hitler’s Furies*

Describes the formation of one of the most daring underground movements of World War II under the leadership of twenty-four-year-old Isaac Zuckerman and the group's collective efforts to gather information, build an arms cache, participate in uprisings, and organize escape systems.

The New York Times bestselling author of the “heart-stopping tale of survival and heroism” (People) *The Book of Lost Names* returns with an evocative coming-of-age World War II story about a young woman who uses her knowledge of the wilderness to help Jewish refugees escape the Nazis—until a secret from her past threatens everything. After being stolen from her wealthy German parents and raised in the unforgiving wilderness of eastern Europe, a young woman finds herself alone in 1941 after her kidnapper dies. Her solitary existence is interrupted, however, when she happens upon a group of Jews fleeing the Nazi terror. Stunned to learn what’s happening in the outside world, she vows to teach the group all she can about surviving in the forest—and in turn, they teach her some surprising lessons about opening her heart after years of isolation. But when she is betrayed and escapes into a German-occupied village, her past and present come together in a shocking collision that could change everything. Inspired by incredible true stories of survival against staggering odds, and suffused with the journey-from-the-wilderness elements that made *Where the Crawdads Sing* a worldwide phenomenon, *The Forest of Vanishing Stars* is a heart-wrenching and suspenseful novel from the #1 internationally bestselling author whose writing has been hailed as “sweeping and magnificent” (Fiona Davis, New York Times bestselling author), “immersive and evocative” (Publishers Weekly), and “gripping” (Tampa Bay Times).

With Britain braced for a German invasion, MI5 recruited an ex RNAS officer, come confidence trickster, named Walter Dicketts as a double agent. Codenamed Celery, Dicketts was sent to Lisbon with the seemingly impossible mission of persuading the Germans he was a traitor and then extract crucial secrets. Once there, the Nazis spirited him off to Germany. With his life on the line, Dicketts had to outwit his interrogators in Hamburg and Berlin before returning to Britain as, in the Nazis eyes, a German spy. Despite discovering he had been betrayed as an MI5 plant before he even left for Germany, Celery somehow got back to Lisbon. After that he persuaded an Abwehr Officer to defect, and spent nine months undercover in Brazil. A mixture of hero and crook, Dicketts was worldly and intelligent, charming and charismatic. Sometimes rich and sometimes poor, his private life was a web of complexity and deception. Using family and official records, police records, newspaper articles and memories, the author unravels the tangled yet true story of Double Agent Celery. Threatened with extermination, many Jewish people refused to go passively to their deaths at the hands of the Nazis during World War II and instead put up heroic resistance. Prisoners at Sobibór and Treblinka organized successful revolts, while at Auschwitz they sacrificed their lives to dynamite the crematorium. Beyond the barbed wire of the camps, hundreds of Jewish people were active in the French resistance and thousands fought with partisans in other occupied countries. One and a half million more served in the Allied armed forces. Incredibly, it took the Nazis longer to subdue the forces of the Warsaw ghetto than it had taken them to defeat the Polish army in 1939. This book

reveals a little known chapter of history and uncovers many stories of amazing courage in the face of overwhelming odds.

The "extraordinary and gripping account of Irena Sendler--the "female Oskar Schindler"--who took staggering risks to save 2,500 children from death and deportation in Nazi-occupied Poland during World War II"--Dust jacket.

The Boy in the Suitcase: Holocaust Family Stories of Survival is a uniquely different Holocaust book. It reads like an intriguing novel, such as the title chapter which tells the story of an infant smuggled out of Germany in a suitcase and raised in the Dominican Republic. Each chapter tells a different story of families throughout the world who have been affected by the Holocaust. This book also covers the trauma of second generation children of Holocaust survivors and the bravery of Christian families who hid Jewish children in Quaregnon, Belgium. The Boy in the Suitcase includes inspirational stories from nations such as Russia, Poland, France, Germany, Holland, Hungary, and the Dominican Republic. Intelligence, courage, and the will to survive permeate each remarkable chapter.

"[T]he amazing story of a woman who lived through one of the worst times in human history, losing family members to the Nazis but surviving with her spirit and integrity intact."

—Publishers Weekly Marthe Cohn was a young Jewish woman living just across the German border in France when Hitler rose to power. Her family sheltered Jews fleeing the Nazis, including Jewish children sent away by their terrified parents. But soon her homeland was also under Nazi rule. As the Nazi occupation escalated, Marthe's sister was arrested and sent to Auschwitz and the rest of her family was forced to flee to the south of France. Always a fighter, Marthe joined the French Army and became a member of the intelligence service of the French First Army. Marthe, using her perfect German accent and blond hair to pose as a young German nurse who was desperately trying to obtain word of a fictional fiancé, would slip behind enemy lines to retrieve inside information about Nazi troop movements. By traveling throughout the countryside and approaching troops sympathetic to her plight--risking death every time she did so--she learned where they were going next and was able to alert Allied commanders. When, at the age of eighty, Marthe Cohn was awarded France's highest military honor, the Médaille Militaire, not even her children knew to what extent this modest woman had helped defeat the Nazi empire. At its heart, this remarkable memoir is the tale of an ordinary human being who, under extraordinary circumstances, became the hero her country needed her to be.

My brother's tears left a delicate, clean line on his face. I stroked his cheek, whispered, it's really you...

Halina Rudowski is on the run. When the Polish ghetto where she lives is evacuated, she narrowly escapes, but her mother is not as lucky. Along with her friend Batya, Halina makes her way to a secret encampment in the woods where Jews survive by living underground. As the group struggles for food, handles infighting, and attempts to protect themselves from the advancing Germans, Halina must face the reality of life without her mother. Based on historical events, this gripping tale sheds light on a little-known aspect of the Holocaust: the underground forest encampments that saved several thousand Jews from the Nazis. In telling the story of one girl's survival, *Escaping into the Night* marks the arrival of a remarkable new voice in fiction.

The poignant, autobiographical story of the fall and evacuation of the Jewish Quarter, as witnessed through the eyes of a young girl. With maps.

At the height of the Irish Famine, now considered the greatest social disaster to strike nineteenth-century Europe, Anglo-Irish landlord Major Denis Mahon was assassinated as he drove his carriage through his property in County Roscommon. Mahon had already removed 3,000 of his 12,000 starving tenants by offering some passage to America aboard disease-ridden "coffin ships," giving others a pound or two to leave peaceably, and sending the sheriff

to evict the rest. His murder sparked a sensation and drove many of the world's most powerful leaders, from the queen of England to the pope, to debate its meaning. Now, for the first time, award-winning journalist Peter Duffy tells the story of this assassination and its connection to the cataclysm that would forever change Ireland and America.

The true story of three Jewish brothers who founded a hidden Jewish community during World War II.

Based on a true story, this tale tells of the experiences of a nine-year-old girl who, while living in the Jewish ghetto in Nazi-occupied Poland, was saved by a man who risked his life to bring Jewish prisoners to a hidden camp deep in the forest.

This story of an anti-fascist's dramatic and remarkable victory against Nazism in 1935 is an inspiration to anyone compelled to resist when signs of oppression are on the horizon. By 1935, Hitler had suppressed all internal opposition and established himself as Germany's unchallenged dictator. Yet many Americans remained largely indifferent as he turned his dangerous ambitions abroad. Not William Bailey. Just days after violent anti-Semitic riots had broken out in Berlin, the SS Bremen, the flagship of Hitler's commercial armada, was welcomed into New York Harbor. Bailey led a small group that slipped past security and cut down the Nazi flag from the boat in the middle of a lavish party. A brawl ensued, followed by a media circus and a trial, in which Bailey and his team were stunningly acquitted. The political victory ultimately exposed Hitler's narcissism and violent aggression for all of America to see. *The Agitator* is the captivating story of Bailey's courage and vision in the Bremen incident, the pinnacle of a life spent battling against fascism. Bailey's story is full of drama and heart—and it's an inspiration to anyone who seeks to resist tyranny.

THE INSTANT NEW YORK TIMES BESTSELLER! Also on the USA Today, Washington Post, Boston Globe, Globe and Mail, Publishers Weekly, and Indie bestseller lists. One of the most important stories of World War II, already optioned by Steven Spielberg for a major motion picture: a spectacular, searing history that brings to light the extraordinary accomplishments of brave Jewish women who became resistance fighters—a group of unknown heroes whose exploits have never been chronicled in full, until now. Witnesses to the brutal murder of their families and neighbors and the violent destruction of their communities, a cadre of Jewish women in Poland—some still in their teens—helped transform the Jewish youth groups into resistance cells to fight the Nazis. With courage, guile, and nerves of steel, these “ghetto girls” paid off Gestapo guards, hid revolvers in loaves of bread and jars of marmalade, and helped build systems of underground bunkers. They flirted with German soldiers, bribed them with wine, whiskey, and home cooking, used their Aryan looks to seduce them, and shot and killed them. They bombed German train lines and blew up a town's water supply. They also nursed the sick, taught children, and hid families. Yet the exploits of these courageous resistance fighters have remained virtually unknown. As propulsive and thrilling as *Hidden Figures*, *In the Garden of Beasts*, and *Band of Brothers*, *The Light of Days* at last tells the true story of these incredible women whose courageous yet little-known feats have been eclipsed by time. *Judy Batalion*—the granddaughter of Polish Holocaust survivors—takes us back to 1939 and introduces us to Renia Kukielka, a weapons smuggler and messenger who risked death traveling across occupied Poland on foot and by train. Joining Renia are other women who served as couriers, armed fighters, intelligence agents, and saboteurs, all who put their lives in mortal danger to carry out their missions. *Batalion* follows these women through the savage destruction of the ghettos, arrest and internment in Gestapo prisons and concentration camps, and for a lucky few—like Renia, who orchestrated her own audacious escape from a brutal Nazi jail—into the late 20th century and beyond. Powerful and inspiring, featuring twenty black-and-white photographs, *The Light of Days* is an unforgettable true tale of war, the fight for freedom, exceptional bravery, female friendship, and survival in the face of staggering odds.

Sweden during the Eighth Air Force's first large-scale daylight bombing raid on Berlin. 1st Lt. Herman Allen was interned and began working for his country's espionage agency, the OSS, with instructions to befriend a businessman suspected of selling secrets to the Germans. Soon Herman fell in love with a beautiful Swedish-American secretary working for the OSS, their courtship unfolding amid the glamour and intrigue of wartime Stockholm. As Swedish newspapers trumpeted one of the biggest spy scandals of the war, two of the main protagonists walked down the aisle in a storybook wedding presided over by the nephew of the King of Sweden.

In 1941, three brothers witnessed their parents and two other siblings being led away to their eventual murders. It was a grim scene that would, of course, be repeated endlessly throughout the war. Instead of running or giving in to despair, these brothers -- Tuvia, Zus, and Asael Bielski -- fought back, waging a guerrilla war of wits against the Nazis. By using their intimate knowledge of the dense forests surrounding the Belarusian towns of Novogrudek and Lida, the Bielskis evaded the Nazis and established a hidden base camp, then set about convincing other Jews to join their ranks. As more and more Jews arrived each day, a robust community began to emerge, a "Jerusalem in the woods." After two and a half years in the woods, in July 1944, the Bielskis learned that the Germans, overrun by the Red Army, were retreating back toward Berlin. More than one thousand Bielski Jews emerged -- alive -- on that final, triumphant exit from the woods.

Sibert Honor author Deborah Hopkinson unearths the heroic stories of Jewish survivors from different countries so that we may never forget the past. As World War II raged, millions of young Jewish people were caught up in the horrors of the Nazis' Final Solution. Many readers know of Adolf Hitler and the Nazi state's genocidal campaign against European Jews and others of so-called "inferior" races. Yet so many of the individual stories remain buried in time. Of those who endured the Holocaust, some were caught by the Nazis and sent to concentration camps, some hid right under Hitler's nose, some were separated from their parents, some chose to fight back. Against all odds, some survived. They all have stories that must be told. They all have stories we must keep safe in our collective memory. In this thoroughly researched and passionately written narrative nonfiction for upper middle-grade readers, critically acclaimed author Deborah Hopkinson allows the voices of Holocaust survivors to live on the page, recalling their persecution, survival, and resistance. Focusing on testimonies from across Germany, the Netherlands, France, and Poland, Hopkinson paints a moving and diverse portrait of the Jewish youth experience in Europe under the shadow of the Third Reich. With archival images and myriad interviews, this compelling and beautifully told addition to Holocaust history not only honors the courage of the victims, but calls young readers to action -- by reminding them that heroism begins with the ordinary, everyday feat of showing compassion toward our fellow citizens.

Extravagantly praised by critics and readers, this stunning story by bestselling author Kati Marton tells of the breathtaking journey of nine extraordinary men from Budapest to the New World, what they experienced along their dangerous route, and how they changed America and the world. This is the unknown chapter of World War II: the tale of nine men who grew up in Budapest's brief Golden Age, then, driven from Hungary by anti-Semitism, fled to the West, especially to the United States, and changed the world. These nine men, each celebrated for individual achievements, were part of a unique group who grew up in a time and place that will never come again. Four helped usher in the nuclear age and the computer, two were major movie myth-makers, two were immortal photographers, and one was a seminal writer. The Great Escape is a groundbreaking, poignant American story and an important untold chapter of the tumultuous last century.

It is one of the most remarkable dramas of World War II -- untold until now. In 1941, three young men -- brothers, sons of a miller -- witnessed their parents and two other siblings being

led away to their eventual murders. It was a grim scene that would, of course, be repeated endlessly throughout the war. What makes this particular story of interest is how the survivors responded. Instead of running or capitulating or giving in to despair, these brothers -- Tuvia, Zus, and Asael Bielski -- did something else entirely. They fought back, waging a guerrilla war of wits and cunning against both the Nazis and the pro-Nazi sympathizers. Along the way they saved well over a thousand Jewish lives. Using their intimate knowledge of the dense forests surrounding the Belorussian towns of Novogrodek and Lida, the Bielskis evaded the Nazis and established a hidden base camp, then set about convincing other Jews to join their ranks. When the Nazis began systematically eliminating the local Jewish populations -- more than ten thousand were killed in the first year of the Nazi occupation alone -- the Bielskis intensified their efforts, often sending fighting men into the ghettos to escort Jews to safety. As more and more Jews arrived each day, a robust community began to emerge, a "Jerusalem in the woods." They slept in camouflaged dugouts built into the ground. Lovers met, were married, and conceived children. The community boasted a synagogue, a bathhouse, a theater, and cobblers so skilled that Russian officers would wait in line to have their boots reshod. But as its notoriety grew, so too did the Nazi efforts to capture the rugged brothers; and on several occasions they came so near to succeeding that the Bielskis had to abandon the camp and lead their massive entourage to newer, safer locations. And while some argued in favor of a smaller, more mobile unit, focused strictly on waging battle against the Germans, Tuvia Bielski was firm in his commitment to all Jews. "I'd rather save one old Jewish woman," he said, "than kill ten Nazis." In July 1944, after two and a half years in the woods, the Bielskis learned that the Germans, overrun by the Red Army, were retreating back toward Berlin. More than one thousand Bielski Jews emerged -- alive -- on that final, triumphant exit from the woods. The Bielski Brothers is a dramatic and heartfelt retelling of a story of the truest heroism, a historic testament to courage in the face of unspeakable adversity.

This book explores the lives and legacy of the Bielski Brothers during World War Two, and their efforts to save nearly 1,200 Jews from Nazi persecution in Eastern Europe.

A select list of recipients of Yad Vashem's "Righteous Among the Nations" title and their stories of courage and humanity.

Two cousins relate their experiences with Bielski's partisan brigade in war-torn Russia during the Second World War. Natives of Novogrodek, part of present-day Belarus, they describe Jewish life before the Holocaust and furnish a most moving account of how a thriving and prosperous Jewish center was decimated by the Nazis and local collaborators. Initial joy when their hometown was taken over by the Soviet Union disappeared when the Germans ran the Russians out of town and started implementing policies to eradicate all Jews and anything Jewish. Dov (Berl), the elder of the cousins, whose account comprises the first section of the book, lost his immediate family in the early days of German occupation and escaped from ghetto life in November 1942 to join the partisans in the dense forests of the area. He joined the Kalinin brigade and spent the rest of the war fighting the Germans and Russian sympathizers. Jack (Idel), seven years his junior, remained in the ghetto with the remnants of their once-large family. After a failed attempt in December 1942 to escape to reach the partisans in an episode which nearly cost him his life Jack joined an escape effort from the ghetto in September 1943, successfully reached the partisans as a member of Bielski's partisan brigade and was reunited with his cousin. This second section features many original documents from Russian archives and elsewhere, about the partisan bands' structure and their activities. The authors provide a unique view, not only of actual incidents, but of how two different people react to events and experiences. Updated in this second edition by a new preface and appendix, this is their story: a tale of tragedy, courage and triumph. One family's inspiring true story of love, escape, and survival "An uplifting tale, suffused with a karmic righteousness that is, at times, exhilarating." —Wall Street Journal "A gripping narrative

that reads like a page turning thriller novel." —NPR In the summer of 1942, the Rabinowitz family narrowly escaped the Nazi ghetto in their Polish town by fleeing to the forbidding Bialowieza Forest. They miraculously survived two years in the woods—through brutal winters, Typhus outbreaks, and merciless Nazi raids—until they were liberated by the Red Army in 1944. After the war they trekked across the Alps into Italy where they settled as refugees before eventually immigrating to the United States. During the first ghetto massacre, Miriam Rabinowitz rescued a young boy named Philip by pretending he was her son. Nearly a decade later, a chance encounter at a wedding in Brooklyn would lead Philip to find the woman who saved him. And to discover her daughter Ruth was the love of his life. A stunning exploration of characters shaped by the forces of history, the debut work of fiction by a National Book Foundation "5 Under 35" Honoree. Moving from modern-day Jerusalem to McCarthy-era Los Angeles to communist Prague and back again, *The UnAmericans* is a stunning exploration of characters shaped by the forces of history. Molly Antopol's critically acclaimed debut will long be remembered for its "poise and gravity" (New York Times), each story "so full of heartache and humor, love and life...[it's] as though we're absorbing a novel's worth of insight" (Jesmyn Ward, Salon).

Recounts the efforts of Jews who organized others and sabotaged the Nazis during the Holocaust, including Georges Loinger who smuggled children from occupied France into Switzerland and four brothers who led refugees into the forest to build a village and an army. An autobiographical account of the armed resistance movement and related circumstances in Lithuania under Soviet occupation.

The heroic story of Jewish resistance and survival during the Second World War. The prevailing image of European Jews during the Holocaust is one of helpless victims, but in fact many Jews struggled against the terrors of the Third Reich. In *Defiance*, Nechama Tec offers a riveting history of one such group, a forest community in western Belorussia that would number more than 1,200 Jews by 1944--the largest armed rescue operation of Jews by Jews in World War II. Tec reveals that this extraordinary community included both men and women, some with weapons, but mostly unarmed, ranging from infants to the elderly. She reconstructs for the first time the amazing details of how these partisans and their families--hungry, exposed to the harsh winter weather--managed not only to survive, but to offer protection to all Jewish fugitives who could find their way to them. Arguing that this success would have been unthinkable without the vision of one man, Tec offers penetrating insight into the group's commander, Tuvia Bielski. Tec brings to light the untold story of Bielski's struggle as a partisan who lost his parents, wife, and two brothers to the Nazis, yet never wavered in his conviction that it was more important to save one Jew than to kill twenty Germans. She shows how, under Bielski's guidance, the partisans smuggled Jews out of heavily guarded ghettos, scouted the roads for fugitives, and led retaliatory raids against Belorussian peasants who collaborated with the Nazis. Herself a Holocaust survivor, Nechama Tec here draws on wide-ranging research and never before published interviews with surviving partisans--including Tuvia Bielski himself--to reconstruct here

the poignant and unforgettable story of those who chose to fight.

In a shocking indictment of NHS standards, cover-ups and legal dirty tricks, Peter Duffy, consultant surgeon writes of his 35 years of experience on the front-line of the NHS. Charting his career pathway from auxiliary nurse and unskilled operating theatre orderly, he takes us through his progress to senior consultant surgeon and head of department. In 2015, and after blowing the whistle on a series of near misses, he reluctantly reported an avoidable death, cover-up and ongoing surgical risk-taking to the Care Quality Commission. Within months he was out of work and unemployed. Via avoidable deaths and errors, cover-ups, misuse of public funds, bullying, abuse and victimisation the author charts out in searing detail his demotion, punishments and exile from both family and NHS and the subsequent brutal legal process that followed his illegal dismissal. "Peter's love for his family and for what he does as a surgeon runs through the pages of this gripping book as he takes you on a journey to some of the darker areas of our NHS and legal system. As a society we need to face up to the appalling reality of what the NHS does to staff that speak up and how much public money it wastes fighting people that act in the public interest. Even a committed, award winning surgeon who transformed cancer services was not immune from attempts by the NHS to destroy him when he decided to stand up for patients and services. This is everyone's problem." Dr Chris Day, junior doctor and whistle-blower. "As a fellow whistleblower in the same NHS Trust I recommend that everybody should read Peter's account. This is an incredibly important and unmissable portrayal of how toxic NHS management culture is harming patients and destroying the careers and lives of dedicated healthcare professionals. His bravery, dedication to his patients and commitment to exposing the truth is commendable. Read his book to learn the truth as to what is happening every day in NHS Trusts across the UK." Sue Allison, Morecambe Bay whistle-blower. "Peter's book has opened our eyes to a series of injustices that has not only destroyed his family life but revealed appalling wrong doings within the NHS. Our father was sadly a victim in a dysfunctional urological surgery department, where Peter was trying to make a difference against the odds. Our sincerest gratitude goes to a person who has tirelessly fought with passion, dignity and sheer determination against an organisation that wish to silence the honesty of a whistle-blower." Karen and Nicola Read, daughters of 'Patient A'
