I'm going to play this rich guy for all he's worth." - - - Meet Alicia, she's 22, sexy, sassy and she lives in Sydney, Australia. She's also loaded. At least, that's what she tells the rich boys she dates. But Alicia has a secret, one that she keeps all to herself; she's not really a millionaire with dead parents and money tied up in Swiss bank accounts. She's really a poor girl from the outer suburbs of Sydney, and she uses her con to bleed rich men of their money. Everything is going well until Alicia gets an unexpected invite to the party of Hawk Kinsey, the newly-returned eldest son of Australia's wealthiest billionaire tycoon. If Alicia can land Hawk, she'll never have to pull another con again. Problem is, Hawk's identity is secret, and no one knows who he is, or what he looks like. Can Alicia discover the secret Hawk, and seduce him, all in one night? Set in the beautiful city of Sydney, Australia, this novelette is the first part of a hot, new steamy romance series. This book contains very, very steamy scenes, including m/f, m/f/f, f/f, voyeurism and public displays. It uses very strong language and imagery suitable for mature audiences. If you're tired of wilting violets and first-timers who are putty in the billionaire's hands, you'll find this book a refreshing take, blending mystery and romance. Alicia is street-smart and knows what she likes; she's just the kind of girl who can stand up to an arrogant billionaire! Excerpt: 'Let's have a drink.' He goes over to one of the cupboards and opens it, and there is a fully stocked bar. 'I'm having scotch. What would you like?' 'Vodka. And juice.' 'If I'm drinking, I might as well do it properly. I hear the chink of ice, and the pour of the spirits. He comes over with the glasses and hands me mine. I take a sip. He's made it strong, but the ice takes away the sting. Before I can lower my glass, he lunges, finding my chin with his hand, and pulling it up to his waiting mouth. His kiss is soft and warm, and tastes of the scotch he has just consumed, making my lips tingle with warmth. Our mouths sink against one another as though they were made for each other. The kiss stretches on and on, neither of us wanting to end it. I open my mouth a little, and his tongue darts in, exploring. He moves closer, until his chest presses against mine. I can feel the strength of his body beneath his suit. I run a hand up his front. His abs are like steel, and his chest is hard and defined. His hands slide down my body too, cupping my ass in firm hands. He pulls back suddenly. 'I don't know your name.' 'Alicia,' I say. 'Alicia,' he whispers. I am about to ask him his name when his mouth reclaims mine, and the kiss is so passionate it drives all rational thought from my head. The alcohol fills my being, making the world soft and fuzzy, letting me give in to the base need my body so desires. 'I want you,' I whisper. 'I want you now.' 'I want you too,' he replies. He smells like the sea. His mouth continues to explore mine, as he reaches down and begins to gather up the fabric of my dress, lifting it up and over my hips. He slides his hands along the insides of my thighs, touching the silky material of my panties with a light pressure. His fingers brush my --- and I groan against his mouth. "You don't have to like me, Ms. Slade. But if you deliver results, I might be able to tolerate your presence in my home." Fresh out of graduate school, aspiring author Victoria Slade is lucky to land a job as a tutor to an adopted overachieving ten-year-old boy. However, her boss - the stern, enigmatic billionaire Sebastian Chase - presents a difficulty for her. Victoria bristles under his low opinion of her and her working-class status, yet can't help wondering just how cold and hard he really is under his impeccably tailored suits. Sebastian isn't prepared for the sudden presence of the redheaded woman in his home - or in his thoughts. He offers Victoria a way to both explore their attraction to each other and keep their professional distance. But even if she can pay the price to have him, how much is he willing to lose? _____ EXCERPT _____ The word hung heavy in the air between them as soon as Sebastian spoke it. Sex. He wasn't sure why he'd brought it up. Perhaps it was the twinge of jealousy he felt when her face lit up as she smiled at the waiter Marco. Or the way her wine-red hair glinted in the dim light of the Al Porto Italia. The way her skin glowed made him ache to reach out across the table to caress her hand with his fingers. Perhaps he wanted to unnerve her a little, the way he was bit by bit coming undone every second they were in the same room together. The slight flush on Victoria's cheeks gratified him only a little.

Never fall in love with your best friend... I met Hal on the first day of high school. I also fell in love with Hal on the first day of high school. But although we were good friends from the start, I knew he'd never be mine. He's gorgeous, confident, sexy, and he's also incredibly rich. I'm scarred - physically and emotionally - quiet, and my family has always been poor. The two of us are poles apart. So I've trained myself not to think of him in that way. Not to think of kissing him, undressing him slowly. Of sliding beneath the bedclothes. Of having his hands on my skin. I don't think of it at all. I can't. Because Hal never stays with a girl for long, and if he were to have me, then leave me, my heart would break into a million pieces, and I'd never be able to put it together again. But then he tells me he's fallen in love with someone. I try to guess who, and he just smiles. "Izzy," he says patiently, "it's you." Oh no. * The Billionaire Kings is set in Noah's Ark Animal Sanctuary and features the sons of the heroes from the USA Today bestselling Three Wise Men series of sexy holiday romances. The books are all standalones, and you don't have to have read the Three Wise Men to enjoy The Billionaire Kings, but if you have read them you will hopefully have fun meeting up with Brock, Charlie, and Matt occasionally in these stories! This new series takes place approximately thirty years after the Three Wise Men, but it's not set 'in the future'. I just thought it would be fun to write a new series that had a connection to one of my favorites. I hope you enjoy reading it as much as I enjoyed writing it!
