

The Black Brothers Novel

In 1962, boxing writers and fans considered Cassius Clay an obnoxious self-promoter, and few believed that he would become the heavyweight champion of the world. But Malcolm X, the most famous minister in the Nation of Islam—a sect many white Americans deemed a hate cult—saw the potential in Clay, not just for boxing greatness, but as a means of spreading the Nation's message. The two became fast friends, keeping their interactions secret from the press for fear of jeopardizing Clay's career. Clay began living a double life—a patriotic "good Negro" in public, and a radical reformer behind the scenes. Soon, however, their friendship would sour, with disastrous and far-reaching consequences. Based on previously untapped sources, from Malcolm's personal papers to FBI records, *Blood Brothers* is the first book to offer an in-depth portrait of this complex bond. Acclaimed historians Randy Roberts and Johnny Smith reconstruct the worlds that shaped Malcolm and Clay, from the boxing arenas and mosques, to postwar New York and civil rights-era Miami. In an impressively detailed account, they reveal how Malcolm molded Cassius Clay into Muhammad Ali, helping him become an international symbol of black pride and black independence. Yet when Malcolm was barred from the Nation for criticizing the philandering of its leader, Elijah Muhammad, Ali turned his back on Malcolm—a choice that tragically contributed to the latter's assassination in February 1965. Malcolm's death marked the end of a critical phase of the civil rights movement, but the legacy of his friendship with Ali has endured. We inhabit a new era where the roles of entertainer and activist, of sports and politics, are more entwined than ever before. *Blood Brothers* is the story of how Ali redefined what it means to be a black athlete in America—after Malcolm first enlightened him. An extraordinary narrative of love and deep affection, as well as deceit, betrayal, and violence, this story is a window into the public and private lives of two of our greatest national icons, and the tumultuous period in American history that they helped to shape.

Every summer, two brothers swim to the rock, and one jumps off. But this summer, it's time for both of them to take the leap. In this moving coming-of-age story, a younger brother discovers newfound strength, courage, and joy, thanks to the support of his older brother—and the persuasiveness of his own imagination. Warm pastel illustrations lend a timeless quality to youthful trepidation and triumphant achievement in this celebration of summertime.

The Black Brothers A Novel in Pictures Front Street Incorporated

The Gallagher Brothers series from NYT Bestselling Author Carrie Ann Ryan continues with the one brother who thinks he can handle it all and the one woman who could change that. Owen Gallagher likes everything in its place and is organized to a fault. While his brothers have each dealt with their own personal tragedies and stresses, Owen figures he's had it pretty easy. That is until his perfectly ordered world is rocked at its foundation and he's forced to rely on others. Now, he must heal his body and his soul while trying to ignore his delectable and utterly off-limits neighbor. Liz McKinley is stressed out, exhausted, and not in the mood for a bearded and growly man in her ER. When she patches him up to the best of his ability, she's prepared to push him firmly from her thoughts. Of course, that would be easier if she and her best friend hadn't bought the house next to his. Now their paths seem to cross daily, and she is finding it harder and harder to say no to the injured and angry man next door. But she's been scarred one too many times in her life, and even though this Gallagher looks good enough to eat, she knows that sometimes, sating that craving is the worst thing she can do.

Sheltered good girl Victoria Raine has always wanted to be a little bad. Tired of living life safely on the sidelines, she summons the courage to

forge a new path for herself and applies to the FBI, looking for adventure and something to fulfill her vague longing for something...more. She gets more than she bargained for with her first undercover assignment—posing as the girlfriend of country music's bad boy, Drake Maddox, a lone wolf with a reputation for having singularly erotic tastes. Hoping to catch a serial killer that's targeting women close to Drake, Tori's job is to convince the public, and the killer, that she and the wickedly handsome superstar are an item. Although their relationship is a sham, there's nothing fake about the hidden desires the sexy as sin cowboy awakens in Tori. As the killer draws closer, Tori finds herself falling for the one man she can't have.

“A rare triumph” (The New York Times Book Review), this powerful memoir about the divergent paths taken by two brothers is a classic work from one of the greatest figures in American literature: a reflection on John Edgar Wideman's family and his brother's incarceration—a classic that is as relevant now as when originally published in 1984. A “brave and brilliant” (The Philadelphia Inquirer) portrait of lives arriving at different destinies, the classic John Edgar Wideman memoir, *Brothers and Keepers*, is a haunting portrait of two brothers—one an award-winning writer, the other a fugitive wanted for a robbery that resulted in a murder. Wideman recalls the capture of his younger brother, Robby, details the subsequent trials that resulted in a sentence of life in prison, and provides vivid views of the American prison system. A gripping, unsettling account, *Brothers and Keepers* weighs the bonds of blood, affection, and guilt that connect Wideman and his brother and measures the distance that lies between them. “If you care at all about brotherhood and dignity...this is a must-read book” (The Denver Post). With a new afterword by his brother Robert Wideman, recently released after more than fifty years in prison.

A special 75th anniversary edition of Richard Wright's powerful and unforgettable memoir, with a new foreword by John Edgar Wideman and an afterword by Malcolm Wright, the author's grandson. When it exploded onto the literary scene in 1945, *Black Boy* was both praised and condemned. Orville Prescott of the New York Times wrote that “if enough such books are written, if enough millions of people read them maybe, someday, in the fullness of time, there will be a greater understanding and a more true democracy.” Yet from 1975 to 1978, *Black Boy* was banned in schools throughout the United States for “obscenity” and “instigating hatred between the races.” Wright's once controversial, now celebrated autobiography measures the raw brutality of the Jim Crow South against the sheer desperate will it took to survive as a Black boy. Enduring poverty, hunger, fear, abuse, and hatred while growing up in the woods of Mississippi, Wright lied, stole, and raged at those around him—whites indifferent, pitying, or cruel and Blacks resentful of anyone trying to rise above their circumstances. Desperate for a different way of life, he may his way north, eventually arriving in Chicago, where he forged a new path and began his career as a writer. At the end of *Black Boy*, Wright sits poised with pencil in hand, determined to “hurl words into this darkness and wait for an echo.” Seventy-five year later, his words continue to reverberate. “To read *Black Boy* is to stare into the heart of darkness,” John Edgar Wideman writes in his foreword. “Not the dark heart Conrad searched for in Congo jungles but the beating heart I bear.” One of the great American memoirs, Wright's account is a poignant record of struggle and endurance—a seminal literary work that illuminates our own time. A NEW YORK TIMES NOTABLE BOOK Once in a great while a writer comes along who can truly capture the drama and passion of the life of a family. David James Duncan, author of the novel *The River* Why and the collection *River Teeth*, is just such a writer. And in *The Brothers K* he tells a story both striking and in its originality and poignant in its universality. This touching, uplifting novel spans decades of loyalty, anger, regret, and love in the lives of the Chance family. A father whose dreams of glory on a baseball field are shattered by a mill accident. A mother who clings obsessively to religion as a ward against the darkest hour of her past. Four brothers who come of age during the seismic upheavals of the sixties and who each choose their own way to deal with what the world has become. By turns uproariously funny and deeply

moving, and beautifully written throughout, *The Brothers K* is one of the finest chronicles of our lives in many years. Praise for *The Brothers K* “The pages of *The Brothers K* sparkle.”—*The New York Times Book Review* “Duncan is a wonderfully engaging writer.”—*Los Angeles Times* “This ambitious book succeeds on almost every level and every page.”—*USA Today* “Duncan’s prose is a blend of lyrical rhapsody, sassy hyperbole and all-American vernacular.”—*San Francisco Chronicle* “*The Brothers K* affords the . . . deep pleasures of novels that exhaustively create, and alter, complex worlds. . . . One always senses an enthusiastic and abundantly talented and versatile writer at work.”—*The Washington Post Book World* “Duncan . . . tells the larger story of an entire popular culture struggling to redefine itself—something he does with the comic excitement and depth of feeling one expects from Tom Robbins.”—*Chicago Tribune*

Her good deed will cost her everything—maybe even the man she saved. Keeping a low profile is Camryn Bayfield’s plan when she takes a nursing job in Utah’s desert. Her vindictive nephew won’t find her there. But on her first night, the sight of one of her patients makes her heart race. His muscular body is bruised and dirty, screaming of neglect. She has one task—sedate him on time—but she’s too busy admiring his mysterious form. And when he grabs her, his hold is unrelenting. For nearly a year, Brooks Ivanov has been tortured and used as a test subject. An experimental drug makes him lose his memories but gives him immense strength and endurance. Every time he escapes, his captors seize him and he ends up killing more people. Just as he’s lost hope, a new nurse starts caring for him—a nurse who’s different from the monsters who run his basement torture chamber. Her concerned green eyes and angelic face remind him that there’s goodness in the world. Camryn can’t help but aid in Brooks’s escape. But it’s not that simple. His intense withdrawals ravage his body, and there’s no way she can leave him. On the run, Brooks and Camryn fight to stay alive and ahead of their assailants’ pursuit. Slowly Brooks’s memories return, sparking new rage in his soul. Camryn is his rock, an anchor that keeps him grounded but also drives him to the brink with desire. He has one goal: destroy the people who hurt him and his family. But Camryn’s past creeps up behind them and soon, there’s nowhere to run. “A brilliant, powerful elegy from a living brother to a lost one, yet pulsing with rhythm, and beating with life.” --Marlon James “Highly recommend *Brother* by David Chariandy--concise and intense, elegiac short novel of devastation and hope.” --Joyce Carol Oates, via Twitter WINNER--Toronto Book Award WINNER--Rogers' Writers' Trust Fiction Prize WINNER--Ethel Wilson Prize for Fiction Esquire Best Books of the Year Kirkus Best Books of the Year Guardian Best Books of the Year New York Public Library Best Books of the Year Aspen Words Literary Prize Finalist PEN Open Book Awards Longlist Orwell Prize for Political Fiction Longlist The Believer Book Awards Longlist “Every sentence feels like a polished stone.” -*Entertainment Weekly* “Elegiac and incendiary” -*Boston Globe* “A dwarf star of mourning and regret” -*Wall Street Journal* “Elegant, vital, indubitably dope” -*Guardian* “An important, vital and groundbreaking book” -*Medium* “An absolutely mammoth literary talent” -KIESE LAYMON “Riveting, composed, charged with feeling” -MADELEINE THIEN In luminous, incisive prose, a startling new literary talent explores masculinity, race, and sexuality against a backdrop of simmering violence during the summer of 1991. One sweltering summer in the Park, a housing complex outside of Toronto, Michael and Francis are coming of age and learning to stomach the careless prejudices and low expectations that confront them as young men of black and brown ancestry. While their Trinidadian single

mother works double, sometimes triple shifts so her boys might fulfill the elusive promise of their adopted home, Francis helps the days pass by inventing games and challenges, bringing Michael to his crew's barbershop hangout, and leading escapes into the cool air of the Rouge Valley, a scar of green wilderness where they are free to imagine better lives for themselves. Propelled by the beats and styles of hip hop, Francis dreams of a future in music. Michael's dreams are of Aisha, the smartest girl in their high school whose own eyes are firmly set on a life elsewhere. But the bright hopes of all three are violently, irrevocably thwarted by a tragic shooting, and the police crackdown and suffocating suspicion that follow. Honest and insightful in its portrayal of kinship, community, and lives cut short, David Chariandy's *Brother* is an emotional tour de force that marks the arrival of a stunning new literary voice.

On the Black Hill is a tale of two brothers (identical twins) who never go anywhere. They stay in the farmhouse on the English-Welsh border where they were born, tilling the rough soil and sleeping in the same bed, touched only occasionally by the advance of the 20th century.

From award-winning and bestselling author, Jewell Parker Rhodes comes a powerful coming-of-age story about two brothers, one who presents as white, the other as black, and the complex ways in which they are forced to navigate the world, all while training for a fencing competition. Framed. Bullied. Disliked. But I know I can still be the best. Sometimes, 12-year-old Donte wishes he were invisible. As one of the few black boys at Middlefield Prep, most of the students don't look like him. They don't like him either. Dubbing him "Black Brother," Donte's teachers and classmates make it clear they wish he were more like his lighter-skinned brother, Trey. When he's bullied and framed by the captain of the fencing team, "King" Alan, he's suspended from school and arrested. Terrified, searching for a place where he belongs, Donte joins a local youth center and meets former Olympic fencer Arden Jones. With Arden's help, he begins training as a competitive fencer, setting his sights on taking down the fencing team captain, no matter what. As Donte hones his fencing skills and grows closer to achieving his goal, he learns the fight for justice is far from over. Now Donte must confront his bullies, racism, and the corrupt systems of power that led to his arrest. Powerful and emotionally gripping, *Black Brother, Black Brother* is a careful examination of the school-to-prison pipeline and follows one boy's fight against racism and his empowering path to finding his voice.

Winner of the Governor General's Award for Fiction, the Rogers Writers' Trust Fiction Prize, the Prix des libraires du Quebec and the Stephen Leacock Medal. Shortlisted for the Man Booker Prize, the Scotiabank Giller Prize, and the Walter Scott Prize. Hermann Kermit Warm is going to die: Eli and Charlie Sisters can be counted on for that. Though Eli has never shared his brother's penchant for whiskey and killing, he's never known anything else. On the road to Warm's gold-mining claim outside San Francisco — and from the back of his long-suffering one-eyed horse — Eli struggles to make sense of his life without abandoning the job he's sworn to do. Patrick DeWitt, acclaimed author of *Ablutions*, doffs his hat to the classic Western, and then transforms it into a comic tour-de-force with an unforgettable narrative voice that captures all the absurdity, melancholy, and grit of the West — and of these two brothers, bound to each other by blood and scars and love.

Fiercely independent and newly single mom Emmaline Hart has spent the last thirteen years putting everyone's needs before her own. Secretly afraid that her ex-husband's assertions that she's too uptight are right, Emma nonetheless keeps her life, and her emotions, firmly under control, fearful of getting hurt again. However, when she meets the dangerously attractive Beckett Black on a job assignment, the way his casual touch sends her pulse racing forces her to acknowledge her growing need to move beyond her fear. When Beckett offers her a job writing the memoir of his father, a renowned cancer researcher, Emma jumps at the career opportunity and the chance to get to know Beckett better. Emma spends her days with the renowned doctor, who has spent his career studying a plant in the Amazon that has the potential to cure cancer, and her nights with Beckett, who slowly pushes past her fears and breaks down her barriers, introducing her to a passionate and forbidden love that surpasses her wildest fantasies. As the doctor's story of secrets and cover-ups unravels, so does Emmaline's view on everything she thought she knew about herself and the power of surrender. The Black Brothers Trilogy Three brothers, bound by a secret that could change the world of medicine. Three women, hired to protect the secret that someone is willing to kill for. The last thing they expected to find was love. A heartbreaking and powerful story about a black boy killed by a police officer, drawing connections through history, from award-winning author Jewell Parker Rhodes. An instant New York Times bestsellerAn instant IndieBound bestsellerThe #1 Kids' Indie Next PickA Walter Award winner Only the living can make the world better. Live and make it better. Twelve-year-old Jerome is shot by a police officer who mistakes his toy gun for a real threat. As a ghost, he observes the devastation that's been unleashed on his family and community in the wake of what they see as an unjust and brutal killing. Soon Jerome meets another ghost: Emmett Till, a boy from a very different time but similar circumstances. Emmett helps Jerome process what has happened, on a journey towards recognizing how historical racism may have led to the events that ended his life. Jerome also meets Sarah, the daughter of the police officer, who grapples with her father's actions. Once again Jewell Parker Rhodes deftly weaves historical and socio-political layers into a gripping and poignant story about how children and families face the complexities of today's world, and how one boy grows to understand American blackness in the aftermath of his own death.

Twin brothers Omar and Yaqub may share the same features, but they could not be more different from one another. And the possessive love of their mother, Zana, stirs the troubled waters between them even more. After a brutally violent exchange between the young boys, Yaqub, "the good son," is sent from his home in Brazil to live with relatives in Lebanon, only to return five years later as a virtual stranger to the parents who bore him, his tensions with Omar unchanged. Family secrets engage the reader in this profoundly resonant story about identity, love, loss, deception, and the dissolution of blood ties. Set in the port city of Manaus on the riverbanks of the Amazon, Two Brothers celebrates the vibrant life and diversity of Brazil. Based on a work by acclaimed novelist Milton Hatoum, Two Brothers is stunningly reimaged by the award-winning graphic novelists Fábio Moon and Gabriel Bá. "This work goes far beyond its publicity hook, which is that Eisner award-winning Brazilian twin brothers (Casanova, Daytripper) have adapted Milton Hatoum's classic novel about twin brothers to the graphic novel form. Narrated mostly by Nael, the illegitimate son of one of the brothers, the tale is presented in a nonlinear narrative with multiple flashbacks, as stories within

stories begin to fill in the greater family chronicle spiraling around the twins and their simmering rivalry and hatred. The intricate secrets and lies at the heart of families are set against a backdrop of almost cinematic cityscapes and vistas. Bá and Moon present the naturalistic dynamism of Brazil in their art: sweeping, dramatic organic shapes against the sharp angularity of the people. The stark b&w art crackles to express the subtleties of palpable, barely contained tension between kin, a brutal police beating, and the erotic electricity of an exotic dance. Bá and Moon bring a cool, confident sharpness to their narrative to reflect the shades of gray in this powerful family saga." —Publishers Weekly (Starred review) "TWO BROTHERS is a feat of bravura visual storytelling, a revealing and nuanced work of family portraiture, and a thrilling act of historical re-imagination. It is clearly the work of two major artists, two master collaborators, operating at the peak of their powers." —Michael Chabon, *The Amazing Adventures of Kavalier and Clay* "I cannot think of a single gift more pure than the gift the twins possess. Gabriel and Fabio give the world something unique, and precious. It is most amazing to be alive in a time where two creators such as these exist - they give us another reason to wake up and another way to see the world. Two Brothers, like their other work, is another masterpiece, but so different in it's pacing and tone than anything they have done before. I am lucky to share the same planet with them, because they are kind enough to share their stories with me, and the world." —Gerard Way, *The Umbrella Academy* "This book immediately jumps onto the list of the most essential graphic novels you will read in your lifetime. Two amazing creators at the top of their game, telling a story in a way only they can tell it. What a gift. What a treat." —Brian Michael Bendis, *Powers* "Moon and Bá have long been cartoonists of extraordinary skill, and with Two Brothers they have created their masterwork. Their passion for the comics medium bleeds through in every brushstroke and pen line. This is a stunning book that will touch your heart and leave you breathless." —Jeff Lemire, *Descender* "TWO BROTHERS is a haunting tribute to sibling love, brotherly hatred, and the kinetic energy when those two forces fuel a family. The deep sense of place, the palpable sorrow of nostalgia, the aura of truth: once again Ba and Moon bring it like no one else in graphic storytelling. —Mat Johnson, *Loving Day* "This is an extraordinary work. Moon and Bá, two men already on top of their game, have rewritten what we thought the game was. The comic book was created as entertainment. Two Brothers is proof comics can be Art. The wider your eyes get, the more it touches your heart." —Brian Azzarello, *100 Bullets* "Speaking of brothers that both work in comics: TWO BROTHERS is a visually stunning work that makes me dizzy with admiration. Attention to detail, the concern with communicating with the reader on emotional terms as well as intellectual, it is a classic example that artistic chops still matter in the modern comics world. In fact it matters more than ever now. —Gilbert Hernandez, *LOVE & ROCKETS* "Moon and Bá have both shot for the stars here... TWO BROTHERS is a striking graphic novel that allows fans to see a different aspect of two of the very best creators in comics— come and see what flavor of genius the Brazilian-based brothers have crafted from the work of Milton Hatoum." —COMICS BEAT "As anyone who's read *The Umbrella Academy*, *Casanova*, or *Daytripper* knows, Moon and Bá are two of the most gifted artists in the comics world. Their new graphic novel, based on the Brazilian novel *Dois Irmãos*, may be their most ambitious work yet, and the preview art glows. Moon and Bá are themselves Brazilian twins, so it's easy to see how they were attracted to the story." —io9 "Riveting.... Two Brothers is an

earthquake both visually and narratively.... Moon and Bá are in clear control of every element of Two Brothers, bringing to life a city, history, and compelling story of a family locked in obsession.” —FANBOY COMICS

A bestseller in China, *Brothers* is an epic and wildly unhinged black comedy of modern Chinese society running amok. Here is China as we've never seen it before, in a sweeping, Rabelaisian panorama of forty years of rough-and-rumble Chinese history, from the madness of the Cultural Revolution to the equally rabid madness of extreme materialism. Yu Hua, award-winning author of *To Live*, gives us a surreal tale of two comically mismatched stepbrothers, Baldy Li, a sex-obsessed ne'er-do-well, and the bookish, sensitive Song Gang, who vow that they will always be brothers—a bond they will struggle to maintain over the years as they weather the ups and downs of rivalry in love and making and losing millions in the new China. Both tragic and absurd by turns, *Brothers* is a fascinating vision of an extraordinary place and time.

ONE OF THE NEW YORK TIMES BOOK REVIEW'S TEN BEST BOOKS OF THE YEAR • MAN BOOKER PRIZE FINALIST • “A gripping historical narrative exploring both the bounds of slavery and what it means to be truly free.” —Vanity Fair Eleven-year-old George Washington Black—or Wash—a field slave on a Barbados sugar plantation, is initially terrified when he is chosen as the manservant of his master's brother. To his surprise, however, the eccentric Christopher Wilde turns out to be a naturalist, explorer, inventor, and abolitionist. Soon Wash is initiated into a world where a flying machine can carry a man across the sky, where even a boy born in chains may embrace a life of dignity and meaning, and where two people, separated by an impossible divide, can begin to see each other as human. But when a man is killed and a bounty is placed on Wash's head, they must abandon everything and flee together. Over the course of their travels, what brings Wash and Christopher together will tear them apart, propelling Wash ever farther across the globe in search of his true self. Spanning the Caribbean to the frozen Far North, London to Morocco, *Washington Black* is a story of self-invention and betrayal, of love and redemption, and of a world destroyed and made whole again.

****A New York Times Editors' Choice Pick**** ****Winner of the 2021 New Mexico-Arizona General Nonfiction Book Award**** "A heart-stomping, heart-stopping read. Unsentimental. Unforgettable. Astonishing. *Brothers on Three* captures the roar of a community spirit powered by blood history, loyalty, and ferocious love." —Debra Magpie Earling, author of *Perma Red* From journalist Abe Streep, the story of coming of age on a reservation in the American West and a team uniting a community March 11, 2017, was a night to remember: in front of the hopeful eyes of thousands of friends, family members, and fans, the Arlee Warriors would finally bring the high school basketball state championship title home to the Flathead Indian Reservation. The game would become the stuff of legend, with the boys revered as local heroes. The team's place in Montana history was now cemented, but for starters Will Mesteth, Jr. and Phillip Malatare, life would keep moving on—senior year was only just beginning. In *Brothers on Three*, we follow Phil and Will, along with their teammates, coaches, and families, as they balance the pressures of adolescence, shoulder the dreams of their community, and chart their own individual courses for the future. *Brothers on Three* is not simply a story about high school basketball, about state championships and a winning team. It is a book about community, and it is about boys on the

cusps of adulthood, finding their way through the intersecting worlds they inhabit and forging their own paths to personhood. From the two-time Pulitzer Prize-winning author of *The Underground Railroad* and *The Nickel Boys*: a hilarious and supremely original novel set in the Hamptons in the 1980s, "a tenderhearted coming-of-age story fused with a sharp look at the intersections of race and class" (*The New York Times*). Benji Cooper is one of the few Black students at an elite prep school in Manhattan. But every summer, Benji escapes to the Hamptons, to Sag Harbor, where a small community of Black professionals have built a world of their own. The summer of '85 won't be without its usual trials and tribulations, of course. There will be complicated new handshakes to fumble through and state-of-the-art profanity to master. Benji will be tested by contests big and small, by his misshapen haircut (which seems to have a will of its own), by the New Coke Tragedy, and by his secret Lite FM addiction. But maybe, just maybe, this summer might be one for the ages. Look for Colson Whitehead's bestselling new novel, *Harlem Shuffle!* The story begins with the 1672 lynching of the Dutch Grand Pensionary Johan de Witt and his brother Cornelis by a wild mob of their own countrymen, considered by many as one of the most painful episodes in Dutch history, described by Dumas with a dramatic intensity. The city of Haarlem, Netherlands, has set a prize of *f*100, 000 to the person who can grow a black tulip, sparking competition between the country's best gardeners to win the money, honor and fame. Only the city's oldest citizens remember the Tulip Mania thirty years prior, and the citizens throw themselves into the competition. The young and bourgeois Cornelius van Baerle has almost succeeded but is suddenly thrown into the Loevestein prison... Alexandre Dumas, père (1802-1870) was a French writer whose works have been translated into nearly 100 languages and he is one of the most widely read French authors. His most famous works are *The Count of Monte Cristo* and *The Three Musketeers*. Mankind has been wiped out by a plague and centuries has passed... Margaret of Urbs is fighting against some of the tattered remains of humanity whom have become mutants...

Brothers Black: Wyatt the Heartbreaker Book 1 in *Brothers Black Series* I don't just love my woman, I protect her, I provide for her, I would die for her. Nellie walked into my life when I needed her most. Now I'm not willing to let her go. I will destroy anyone that even thinks of harming my woman. Nellie is nothing like the women I used to bring pleasure to. Oh Yes, I bring pleasure on levels that will numb your mind for months. When I lay eyes on Nellie, I know I want to bring her and only her that pleasure. I just need her to see past my past. I'm the oldest of seven hardheaded brothers. Some call me the ring leader, some call me the voice of reason, and everyone knows me as the heartbreaker. Only I never wanted her to know that. Now I'll just have to show her that I can heal a heart much better than I can break one because I want hers. I am running from my past. I never thought that I would run right into the arms of freaking Wyatt Black. I watched him break hearts from afar. The last thing I need is to be next. But like I said this is Wyatt freaking Black, the six foot three, golden eyed breathing definition of sexy. Women line up to get their hearts broken by him. So really how am I supposed to resist him? I'll give in and when I do, I'll find that he is more than what I bargained for in so many ways. I mean in every way imaginable. If sex were a weapon Wyatt Black would be lethal. Who I am kidding Wyatt is lethal, especially when it comes to me. When the past comes to haunt us, Wyatt will always protect me, without thought, without

question. Wyatt isn't a heartbreaker, he is my heart healer. Find out what happened to lead to the text message Nathan Briggs received at his wedding, in Legally Bound 3. *This is Book 1 in the Brothers Black Series a spin-off from the bestselling Legally Bound Series placed after book 3 in the Legally Bound Series. The #1 New York Times bestselling novel and basis for the Academy Award-winning film—a timeless and universal story about the lines we abide by, and the ones we don't—nominated as one of America's best-loved novels by PBS's The Great American Read. Aibileen is a black maid in 1962 Jackson, Mississippi, who's always taken orders quietly, but lately she's unable to hold her bitterness back. Her friend Minny has never held her tongue but now must somehow keep secrets about her employer that leave her speechless. White socialite Skeeter just graduated college. She's full of ambition, but without a husband, she's considered a failure. Together, these seemingly different women join together to write a tell-all book about work as a black maid in the South, that could forever alter their destinies and the life of a small town...

The murderous drug gang that terrorized Philadelphia.

In the middle of the nineteenth century, Giorgio is sent to Milan to work as a slave, and although his life is difficult, he is able to survive because of the friendship and solidarity he experiences with a group known as the Black Brothers.

AN INSTANT NEW YORK TIMES BESTSELLER / AN OPRAH'S BOOK CLUB PICK PRESIDENT OBAMA'S SUMMER 2021 READING LIST In the spirit of *The Known World* and *The Underground Railroad*, “a miraculous debut” (Washington Post)? and “a towering achievement of imagination” (CBS This Morning) about the unlikely bond between two freedmen who are brothers and the Georgia farmer whose alliance will alter their lives, and his, forever—from “a storyteller with bountiful insight and assurance” (Kirkus) A New York Times Book Review Editors' Choice A July Indie Next Pick In the waning days of the Civil War, brothers Prentiss and Landry—freed by the Emancipation Proclamation—seek refuge on the homestead of George Walker and his wife, Isabelle. The Walkers, wracked by the loss of their only son to the war, hire the brothers to work their farm, hoping through an unexpected friendship to stanch their grief. Prentiss and Landry, meanwhile, plan to save money for the journey north and a chance to reunite with their mother, who was sold away when they were boys. Parallel to their story runs a forbidden romance between two Confederate soldiers. The young men, recently returned from the war to the town of Old Ox, hold their trysts in the woods. But when their secret is discovered, the resulting chaos, including a murder, unleashes convulsive repercussions on the entire community. In the aftermath of so much turmoil, it is Isabelle who emerges as an unlikely leader, proffering a healing vision for the land and for the newly free citizens of Old Ox. With candor and sympathy, debut novelist Nathan Harris creates an unforgettable cast of characters, depicting Georgia in the violent crucible of Reconstruction. Equal parts beauty and terror, as gripping as it is moving, *The Sweetness of Water* is an epic whose grandeur locates humanity and love amid the most harrowing circumstances.

Master storyteller Stephen King presents the classic “wondrously frightening” (Publishers Weekly) #1 New York Times bestseller about a writer's horrific and haunting pseudonym. “I'm back...I'm back from the dead and you don't seem glad to see me at all, you ungrateful son

of a bitch.” After thirteen years of international bestseller stardom with his works of violent crime fiction, author George Stark is officially declared dead—revealed by a national magazine to have been killed at the hands of the man who created him: the once well-regarded but now obscure writer Thad Beaumont. Thad’s even gone so far as to stage a mock burial of his wildly successful pseudonym, complete with tombstone and the epitaph “Not a Very Nice Guy.” Although on the surface, it seems that Thad can finally concentrate on his own novels, there’s a certain unease at the prospect of leaving George Stark behind. But that’s nothing compared to the horror about to descend upon Thad’s new life. There are the vicious, out-of-control nightmares, for starters. And how is he able to explain the fact that everyone connected to George Stark’s untimely demise is now meeting a brutal end of their own in a pattern of homicidal savagery...and why each blood-soaked crime scene has Thad’s fingerprints all over it? Thad Beaumont may have once believed that George Stark was running out of things to say, but he’s going to find out just how wrong he is...

African-American men share their feelings, concerns, situations, and advice in an anthology that captures the African-American experience, covering such topics as spirituality, sex, family, money, and power.

Widely acclaimed as one of the finest books ever written on race and class divisions in America, this powerful novel reflects the forces of poverty, injustice, and hopelessness that continue to shape our society. Copyright © Libri GmbH. All rights reserved.

In a world where magic is tightly controlled, the most powerful man in history must choose between his kingdom and his son in the first book in the epic NYT bestselling Lightbringer series. Guile is the Prism. He is high priest and emperor, a man whose power, wit, and charm are all that preserves a tenuous peace. Yet Prisms never last, and Guile knows exactly how long he has left to live. When Guile discovers he has a son, born in a far kingdom after the war that put him in power, he must decide how much he's willing to pay to protect a secret that could tear his world apart. If you loved the action and adventure of the Night Angel trilogy, you will devour this incredible epic fantasy series by Brent Weeks.

Three brothers and their relations in 19th century Russia provide the base for a sweeping epic overview of human striving, folly and hope. First published in 1880, *The Brothers Karamazov* is a landmark work in every respect. Revolving around shiftless father Fyodor Pavlovich Karamazov are the fates of his three sons, each of whom has fortunes entwined with the others. The eldest son, Dimitri, seeks an inheritance from his father and becomes his rival in love. Ivan, the second son, is so at odds with the world that he is driven near to madness, while the youngest, Alexi, is a man of faith and a natural optimist. These personalities are drawn out and tested in a crucible of conflict and emotion as the author forces upon them fundamental questions of morality, faith, reason and responsibility. This charged situation is pushed to its limit by the addition of the unthinkable, murder and possible patricide. Using shifting viewpoints and delving into the minds of his characters, Dostoevsky adopted fresh techniques to tell his wide-reaching story with power and startling effectiveness. *The Brothers Karamazov* remains one of the most respected and celebrated novels in all literature and continues to reward readers beyond expectation. With an eye-catching new cover, and professionally typeset manuscript, this edition of *The Brothers Karamazov* is both modern and readable.

Rapier-sharp, witty, intriguing, and mysterious: a new novel from Peter Ackroyd set in the London of the 1960s. *Three Brothers* follows the fortunes of Harry, Daniel, and Sam Hanway, a trio of brothers born on a postwar council estate in Camden Town. Marked from the start by curious coincidence, each boy is forced to make his own way in the world—a world of dodgy deals and big business, of criminal gangs and crooked landlords, of newspaper magnates, backbiters, and petty thieves. London is the backdrop and the connecting fabric of these three lives, reinforcing Ackroyd's grand theme that place and history create, surround and engulf us. From bustling, cut-throat Fleet Street to

hallowed London publishing houses, from the wealth and corruption of Chelsea to the smoky shadows of Limehouse and Hackney, this is an exploration of the city, peering down its streets, riding on its underground, and drinking in its pubs and clubs. Everything is possible—not only in the new freedom of the 1960s but also in London's timeless past.

Jarrett doesn't trust Kevon. But he's got to share a room with him anyway. It was one thing when Jarrett's mom took care of foster babies who needed help. But this time it's different. This time the baby who needs help has an older brother -- a kid Jarrett's age named Kevon. Everyone thinks Jarrett and Kevon should be friends -- but that's not gonna happen. Not when Kevon's acting like he's better than Jarrett -- and not when Jarrett finds out Kevon's keeping some major secrets. Jarrett doesn't think it's fair that he has to share his room, his friends, and his life with some stranger. He's gotta do something about it -- but what? From award-winning author Coe Booth, *KINDA LIKE BROTHERS* is the story of two boys who really don't get along -- but have to find a way to figure it out.

NATIONAL BESTSELLER The true story of two African-American brothers who were kidnapped and displayed as circus freaks, and whose mother endured a 28-year struggle to get them back. The year was 1899 and the place a sweltering tobacco farm in the Jim Crow South town of Truevine, Virginia. George and Willie Muse were two little boys born to a sharecropper family. One day a white man offered them a piece of candy, setting off events that would take them around the world and change their lives forever. Captured into the circus, the Muse brothers performed for royalty at Buckingham Palace and headlined over a dozen sold-out shows at New York's Madison Square Garden. They were global superstars in a pre-broadcast era. But the very root of their success was in the color of their skin and in the outrageous caricatures they were forced to assume: supposed cannibals, sheep-headed freaks, even "Ambassadors from Mars." Back home, their mother never accepted that they were "gone" and spent 28 years trying to get them back. Through hundreds of interviews and decades of research, Beth Macy expertly explores a central and difficult question: Where were the brothers better off? On the world stage as stars or in poverty at home? *TRUEVINE* is a compelling narrative rich in historical detail and rife with implications to race relations today.

Originally published: New York: Doubleday, 2016.

Artemis Fowl meets Men in Black in this exhilarating debut middle grade fantasy, the first in a trilogy filled with #blackgirlmagic. Perfect for fans of Tristan Strong Punches a Hole in the Sky, the Percy Jackson series, and Nevermoor. Amari Peters has never stopped believing her missing brother, Quinton, is alive. Not even when the police told her otherwise, or when she got in trouble for standing up to bullies who said he was gone for good. So when she finds a ticking briefcase in his closet, containing a nomination for a summer tryout at the Bureau of Supernatural Affairs, she's certain the secretive organization holds the key to locating Quinton—if only she can wrap her head around the idea of magicians, fairies, aliens, and other supernatural creatures all being real. Now she must compete for a spot against kids who've known about magic their whole lives. No matter how hard she tries, Amari can't seem to escape their intense doubt and scrutiny—especially once her supernaturally enhanced talent is deemed "illegal." With an evil magician threatening the supernatural world, and her own classmates thinking she's an enemy, Amari has never felt more alone. But if she doesn't stick it out and pass the tryouts, she may never find out what happened to Quinton.

Have you ever wondered what it would be like to be plunged into a dangerous fantasy world? The Blackwood brothers from New Orleans are about to find out. Youngest brother Will dreams of escaping his mundane life as an apprentice contractor. Caleb is a bartender whose charm and good looks see him through life. Val, the eldest, is a high-powered attorney who hides the fact that he can perform parlor tricks with his mind. The brothers' lives are changed forever when they receive a belated inheritance from their father: a staff with a mysterious stone on

top, a pair of rogue's bracers, and a sword that Will can barely lift. Searching for an explanation, it is not until a strange key whisks the brothers across time and space, into a terrifying version of New Orleans ruled by wizards, that the brothers accept the truth and undergo a perilous journey home. With the help of an alluring but deadly adventuress, they must break into the keep of a sorcerer known for his love of diabolical games, find a trio of enchanted talismans, and somehow defeat an evil wizard who can raise legions of the undead to do his bidding. It seems the brothers have found their adventure. But will they live to tell the tale?

With a New Introduction by Jonathan Franzen There's Rob, Bob, Tom, Paul, Ralph, and Noah; Nick, Dennis, Bertram, Russell, and Virgil. The doctor, the documentary filmmaker, and the sculptor in burning steal; the eldest, the youngest, and the celebrated "perfect" brother, Benedict. In Donald Antrim's mordantly funny novel *The Hundred Brothers*, our narrator and his colossal fraternity of ninety-eight brothers (one couldn't make it) have assembled in the crumbling library of their family's estate for a little sinister fun. Executed with the invention and intelligence of Barthelme and Pynchon, Antrim's taxonomy of male specimens is in equal proportions disturbing and absurdly hilarious.
