For fans of Tess Gerritsen and Kathy Reichs comes a gripping debut thriller introducing Camden's most exciting new forensic investigator. 'Spellbinding storytelling' Val McDermid 'A first-rate crime novel . . . I loved it' Elly Griffiths 'One of the best series openers I've read in years' Jane Casey Don't miss the next Cassie Raven mystery, LIFE SENTENCE, available to pre-order now. Cassie Raven believes the dead can talk. We just need to listen . . . People think being a mortuary technician is a seriously weird job. They can't understand why I choose to cut up dead bodies for a living. But they don't know what I know: The dead want to tell us what happened to them. I've eviscerated thousands of bodies, but never someone I know before - someone who meant a lot to me; someone I loved. The pathologist says that her death was an accident. Her body is telling me differently. Praise for Body Language: 'Blackly humorous, with a fabulously one-of-a-kind protagonist' Heat Magazine 'Ingenious and sardonically written' Financial Times '[A] gritty novel with an engaging heroine' Sunday Times 'A terrific, well-placed plot' Spectator 'Cassie Raven is a lot of fun to spend time with' Big Issue 'Excellent fun, compulsive and Cassie Raven is a protagonist I want to meet again soon' James Oswald 'Cassie Raven is a blast of fresh air, striding onto the crime scene like a punk superstar' Sarah Hilary 'Move over Silent Witness - Cassie Raven is an utterly compelling contemporary forensic heroine' Isabelle Grey 'A fresh and exciting new series' Claire McGowan 'I loved it. It was awesome! Dark humour and gore galore - Cassie Raven is my new favourite character . . . it was like Silent Witness, but much more believable' Susi Holliday

to reveal practical tactics for seduction, connection and enduring romance.

Being fooled or conned can happen to anyone; It doesn't matter how intelligent, old, rich, or famous you are. Whether you have been scammed in business, swindled out of money, betrayed by a friend, relative, or coworker, or cheated on by a spouse, rest assured you are not alone. The world is full of these most toxic people—liars. You can never be sure if people are lying until you analyze their body language, facial expressions, speech patterns, even their online writing patterns. Now, world-renowned body language expert Dr. Lillian Glass shares with you the same quick and easy approach she uses to unmask signals of deception—from “innocent” little white lies to life-changing whoppers. Featuring photographs of celebrities and newsmakers such as Bill Clinton, Lance Armstrong, O.J. Simpson, Kim Kardashian, Lindsay Lohan, and many others at the actual moment they were lying, their specific signals of deception will be permanently etched in your mind. Analyzing the body language of troubled or divorced couples such as Arnold Schwarzenegger and Maria Shriver, Katie Holmes and Tom Cruise, and Ashton Kutcher and Demi Moore, you'll learn the “obvious” signs to look for.

In this witty, sensual, poignant tale, New York Times bestselling author Suzanne Brockmann explores destiny, deception, and that steamy tipping point between deep friendship and romantic love. Photographer Clint McCade was a rugged free spirit with the perfect life, until he realized something vital was missing—Sandy Kirk. Since grade school, Sandy had been Clint's best friend and closest confidante. She was smart, beautiful, shy—and clueless about her power over men. But when Clint finally seeks her out to declare his love, he finds she's fallen for another man. Sandy knew she was a lot of things to Clint—except what she'd always longed to be: the woman he loved. So it comes as no surprise when he encourages her pursuit of another, even offering to coach her in the art of seduction. But soon the friends find themselves engaged in a series of crossed signals, mixed messages, and unbearably titillating close encounters that prove only one thing is certain: body language doesn't lie. From the Paperback edition. "Body language and Behavioral Profiling" is a timely book on the vital roles of nonverbal communications and people reading in our everyday lives. We all use body language to communicate our innermost feelings, thoughts, and attitudes along with spoken words. Knowing the hints, clues, signals, and signs that people use in business and social settings helps people to interpret behavioral motives, and enables them to rapidly organize information for quick decisions that may be consequential. In addition, facial expressions, posture, dress attire, and gestures that people use all infer future behavior patterns. In this book, body language signals and signs are broken down into understandable topics backed by authoritative sources. Practical pointers help readers to adopt better image and self-presentation skills. The social science tools that are covered will help readers to "get" the motives and behavior of others, while improving their own intercommunications, which helps people make more informed decisions, meet personal goals, and more fully protect themselves.

NEW YORK TIMES BESTSELLER “I come from a family forged by tragedies and bound by a remarkable, unbreakable love,” Hunter Biden writes in this deeply moving memoir of addiction, loss, and survival. When he was two years old, Hunter Biden was badly injured in a car accident that killed his mother and baby sister. In 2015, he suffered the devastating loss of his beloved big brother, Beau, who died of brain cancer at the age of forty-six. These hardships were compounded by the collapse of his marriage and a years-long battle with drug and alcohol addiction. In *Beautiful Things*, Hunter recounts his descent into substance abuse and his tortuous path to sobriety. The story ends with where Hunter is today—a sober married man with a new baby, finally able to appreciate the beautiful things in life.

Surviving Primary School! - The secrets of body language, listening and intuition... It happened on one of the first hot days at the very beginning of the summer. A few of us decided to ditch school - simply to walk out of the building and spend the rest of the morning by the sea! Right from the start my body started sending me signals that this wasn't OK...my stomach hurt me, and I ignored it, I got a thumping headache which I also ignored. Sarah forged our teacher's signature with incredible skill and handed us the signed notes which were our pass out of school. We went to the gatekeeper holding our notes then, suddenly, he made a comment, one tiny remark which made us all change colors, from bright red to white and we were struck dumb... And you really don't want to know what happened next... There are no two ways about it - our bodies talk to us and also talk to our environment about us! In this book you'll learn:

- * How to interpret our intuitions
- * How to understand what our bodies are telling us
- * The secret of body language - the international language which isn't taught in any schools but can help you better understand what your friends are telling you, so you can work out what they really mean... Let's find out together what different movements or positions really mean, what lies hidden behind our words and how we can use our own body language to get what we really, truly want. This book, the third in the popular series, (the books can be read in any sequence) includes:
- * True life stories about growing up!
- * Tips, helpful rules, simple to do exercises!
- * Fun 'test yourself' questionnaires
- * A personal journal All of which will help you discover what the popular kids already know...the secrets of body language, listening and intuition. Most importantly you'll learn how to be

An instant Wall Street Journal Bestseller The definitive guide to communicating and connecting in a hybrid world. Email replies that show up a week later. Video chats full of “oops sorry no you go” and “can you hear me?!” Ambiguous text-messages. Weird punctuation you can't make heads or tails of. Is it any wonder communication takes us so much time and effort to figure out? How did we lose our innate capacity to understand each other? Humans rely on body language to connect and build trust, but with most of our communication happening from behind a screen, traditional body language signals are no longer visible -- or are they? In Digital Body Language, Erica Dhawan, a go-to thought leader on collaboration and a passionate communication junkie, combines cutting edge research with engaging storytelling to decode the new signals and cues that have replaced traditional body language across genders, generations, and culture. In real life, we lean in, uncross our arms, smile, nod and make eye contact to show we listen and care. Online, reading carefully is the new listening. Writing clearly is the new empathy. And a phone or video call is worth a thousand emails. Digital Body Language will turn your daily misunderstandings into a set of collectively understood laws that foster connection, no matter the distance. Dhawan investigates a wide array of exchanges—from large conferences and video meetings to daily emails, texts, IMs, and conference calls—and offers insights and solutions to build trust and clarity to anyone in our ever changing world.

The importance of our bodies cannot be overstated – this goes for all walks of life, whether it's a simple commute to work, or a tense interview situation: every movement that you make says ten things about you. This is partly what makes romantic situations so difficult for many people. Body language can be a very subconscious, hidden affair – meaning that we can't openly identify why an interaction isn't going well, or why one is. Every second, of every day, you are screaming messages to the world – even when your mouth is tightly shut. Your body is constantly having conversations with the other bodies around it, often without your recognition – in this short book, Stefan Cain tackles the difficulties of flirting, relationships and social interaction, by looking at the body language of men and women. Within these pages, you will learn:

- How body language works and where it came from
- How to attract men with powerful body language
- How to attract women with powerful body language
- How to react and understand the body language of others
- How to increase your confidence and natural charisma

Stefan Cain takes you through the ups and downs of romantic body language – the language of love – in an easy to understand, engaging and frank manner, better equipping you for a more successful love life, and a better social standing.

Learn how to spot the lies and deceptions of our politicians in action. You can't turn on the television, check your phone, or scroll through social media without being besieged with political headlines and the "Who's Who" of today's news. With so much spoon-fed to us by the

media, fake news, and from politicians themselves, it's time to take the reins and control what you see, feel, and know so you can make informed political choices in our hot, political environment. In *The Body Language of Politics*, body language expert Dr. Donna Van Natten provides you with the tools and resources that you need to analyze movements of today's most notable politicians. She looks at some of the looming figures in our political landscape—Donald Trump, Hillary Clinton, Nancy Pelosi, Mitch McConnell, Chuck Schumer, and Alexandria Ocasio-Cortez, among others—and analyzes their physical behaviors, breaking down the lies and deceptions embedded in their everyday movements. Further, Dr. Van Natten challenges you to understand your own emotional biases towards certain politicians, and examine how that may skew your read of their body language. Finally, she confronts the gendered stereotypes that we often apply to our nation's leaders, examining how those labels play into our opinions of politicians. Clear, concise, and filled with expert knowledge, *The Body Language of Politics* will help you make an informed decision at the voting booth.

Mika James is handsome, so what's the problem if she uses her attributes to seduce rich women? There are worse ways to keep a roof over

her head. After her latest lover calls it quits for a better offer and shows her the door by telling her she'll never do anything of importance with her life anyway, Mika has a choice to make: keep searching for validation between the sheets or go back to college and prove she's capable of more. Professor Jennifer Long loves her job and she's really good at it. Unfortunately, it's the only thing she has under control. Her unrewarding yo-yo dieting and her mom's unending suggestion that she lose weight because no one will want her the way she is has killed not only her confidence, but any belief she's sexy. Mika's struggling with her coursework, but she isn't keen on admitting she needs help, even if it's from the beautiful Professor Long. When Mika realizes Jennifer could also use some tutoring—of the hands-on erotic variety—they strike a deal to help each other. If only their perfect sexy arrangement wasn't so dangerous for their hearts.

A revised and updated edition of the New York Times–bestselling classic on understanding body language from the author of *Subtext*. *Body Language* helps you to understand the unconscious body movements and postures that provide intimate keys to what a person is really thinking and the secrets of their true inner selves. You will learn how to read the angle of shoulders, the tilt of a head, or the tap of a foot, in order to discern whether an individual is angry, frightened, or cheerful. You will be able to use *Body Language* to discover the most—and least—important person in any group by the way others position themselves. The body is not able to lie, for it sends subtle signals to those who know how to read them. *Body Language* will even show you how to do it without others knowing you are observing them. *Body Language* was a huge best seller when first published and has remained in print ever since. It has been thoroughly updated and revised especially for this ebook edition.

Bodies talk. Do you know how to listen? A quick glance, a twist of the hips, or a biting of the lower lip can speak volumes about what someone is thinking or feeling. The powerful messages our bodies send can make all the difference when interviewing for a new job, going on a date, or detecting when a person is lying to you. In *Body Language for Women*, body language expert Dr. Donna Van Natten provides you with the tools and resources that you need to analyze the movements of those around you. She helps you detect what you are subtly and unconsciously saying with your own body and the implications these communications are having on your life. Further, Dr. Van Natten challenges you to understand the nonverbal cues of other women and men in general, your family members, and your romantic interests. Finally, she fine-tunes your gut instinct to confirm the truth or deception of what others are saying. Clear, concise, and filled with expert knowledge, *Body Language for Women* will help you win in the workplace, successfully navigate social situations, and gain a greater understanding of what's really going on when we communicate with others.

In *The 5 Love Languages*, you will discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner starting today.

From the world's #1 body language expert* comes the essential book for decoding human behavior Joe Navarro has spent a lifetime observing others. For 25 years, as a Special Agent for the FBI, he conducted and supervised interrogations of spies and other dangerous criminals, honing his mastery of nonverbal communication. After retiring from the bureau, he has become a sought-after public speaker and consultant, and an internationally bestselling author. Now, a decade after his groundbreaking book *What Every BODY is Saying*, Navarro returns with his most ambitious work yet. *The Dictionary of Body Language* is a pioneering "field guide" to nonverbal communication, describing and explaining the more than 400 behaviors that will allow you to gauge anyone's true intentions. Moving from the head down to the feet, Navarro reveals the hidden meanings behind the many conscious and subconscious things we do. Readers will learn how to tell a person's actual feelings from subtle changes in their pupils; the lip behaviors that betray concerns or hidden information; the many different varieties of arm posturing, and what each one means; how the position of our thumbs when we stand akimbo reflects our mental state; and many other fascinating insights to help you both read others and change their perceptions of you. Readers will turn to *The Dictionary Body Language* again and again—a body language bible for anyone looking to understand what their boss really means, interpret whether a potential romantic partner is interested or not, and learn how to put themselves forward in the most favorable light. *GlobalGurus.org

Stare or glare—which is it? If you can't read the visual clues of body language, you could lose a lot in the translation. *Body Language Basics* makes you fluent in no time. Whether you're trying to get a read on a new client's willingness to make a deal or wondering if your date's down-turned gaze indicates disinterest or coyness, *Body Language Basics* shows you how to get a better read on the subconscious signals people send your way.

Do you feel awkward at networking events? Do you wonder what your date really thinks of you? Do you wish you could decode

people? You need to learn the science of people. As a human behavior hacker, Vanessa Van Edwards created a research lab to study the hidden forces that drive us. And she's cracked the code. In *Captivate*, she shares shortcuts, systems, and secrets for taking charge of your interactions at work, at home, and in any social situation. These aren't the people skills you learned in school. This is the first comprehensive, science backed, real life manual on how to captivate anyone—and a completely new approach to building connections. Just like knowing the formulas to use in a chemistry lab, or the right programming language to build an app, *Captivate* provides simple ways to solve people problems. You'll learn, for example...

- How to work a room: Every party, networking event, and social situation has a predictable map. Discover the sweet spot for making the most connections.
- How to read faces: It's easier than you think to speed-read facial expressions and use them to predict people's emotions.
- How to talk to anyone: Every conversation can be memorable—once you learn how certain words generate the pleasure hormone dopamine in listeners. When you understand the laws of human behavior, your influence, impact, and income will increase significantly. What's more, you will improve your interpersonal intelligence, make a killer first impression, and build rapport quickly and authentically in any situation—negotiations, interviews, parties, and pitches. You'll never interact the same way again.
