Professor Jennifer Long loves her job and she's really good at it. Unfortunately, it's the only thing she has under control. Her unrewarding yo-yo dieting and her mom's unending suggestion that she lose weight because no one will want her the way she is has killed not only her confidence, but any belief she's sexy. Mika's struggling with her coursework, but she isn't keen on admitting she needs help, even if it's from the beautiful Professor Long. When Mika realizes Jennifer could also use some tutoring—of the hands-on erotic variety—they strike a deal to help each other. If only their perfect sexy arrangement wasn't so dangerous for their hearts.

Surviving Primary School! - The secrets of body language, listening and intuition... It happened on one of the first hot days at the very beginning of the summer. A few of us decided to ditch school - simply to walk out of the building and spend the rest of the morning by the sea! Right from the start my body started sending me signals that this wasn't OK...my stomach hurt me, and I ignored it, I got a thumping headache which I also ignored. Sarah forged our teacher's signature with incredible skill and handed us the signed notes which were our pass out of school. We went to the gatekeeper holding our notes then, suddenly, he made a comment, one tiny remark which made us all change colors, from bright red to white and we were struck dumb... And you really don't want to know what happened next... There are no two ways about it - our bodies talk to us and also talk to our environment about us! In this book you'll learn: * How to interpret our intuitions * How to understand what our bodies are telling us * The secret of body language - the international language which isn't taught in any schools but can help you better understand what your friends are telling you, so you can work out what they really mean... Let's find out together what different movements or positions really mean, what lies hidden behind our words and how we can use our own body language to get what we really, truly want. This book, the third in the popular series, (the books can be read in any sequence) includes: * True life stories about growing up! * Tips, helpful rules, simple to do exercises! * Fun 'test yourself' questionnaires * A personal journal All of which will help you discover what the popular kids already know...the secrets of body language, listening and intuition. Most importantly you'll learn how to be "simply me" and to survive Primary School! Scroll up and grab your book today!
