Steve is just an ordinary guy living in a rural town north of Toronto. And when the world goes to shit, everyone looks to him for help. Heck, he even gets a girlfriend out of it. But survival in a broken world can be tough when everyone wants to have what you have. Even the corpses lumber after him through the adventure of staying alive. The topper of his whole existence is the bikers, they blame him for everything that happens. And when things go real wrong, they try to take their revenge. Little do they know he has friends. From the mind of Douglas Owen comes the story of the zombie apocalypse as it unfolds just north of Toronto. Steve is nice, polite, caring, and trying to survive in a country with gun control laws.

In 33 Bits, a gold charm bracelet tangibly records the adventure, friendships, love, and disappointment experienced by a young American woman during a life-changing journey to England.

Over the past 100 years, climbers have been pushing standards in the Canadian Rockies. From long alpine ridges to steep north faces, the Rockies are synonymous with cutting edge ascents. Peaks such as Robson, Chephren, Kitchener, Twins and Alberta elude the many and reward the few. Many of the big faces were climbed between the 1960s and 1990, the golden age of alpinism in the Rockies. The men and women who first were part of the golden age set high standards. Future alpinists read old journals and guidebooks, hoping to experience what the alpine "pioneers" did. The Rockies require a certain edge that comes with age, humiliation and failure, for most. Perhaps the ones who drink the most whiskey, dream of the biggest peaks and sleep with snowballs in their hands are the ones rewarded with the momentary triumph of coming to a draw with one of these mountains. This is not a guidebook, rather a story book by the people who risked life and limb to establish long and difficult climbs in the style of bold. What kind of climb? The scary kind of climb, the kind that will send most packing and the kind that rarely gets climbed, but often are dreamed about. They demand every inch of one's physical, mental and spiritual self being. The kind that might, has and could kill. These climbs are not for the weak of heart, the beginner or even the advanced climber. They are for a rare breed. A breed that through experience in harsh and unpleasant situations have honed their skills in a manner that allows them to ante up. The mountains dictate the route and conditions, the climbers dictate the style. These routes are perhaps enjoyed best through the words of others, the pictures taken with frosty lenses and numb fingers, the stories told by the bold souls who knowingly stepped into the spiritual, mental and physical struggle these mountains offer. Suffering, unforgiving circumstances, where if mistakes are made there is a price to pay. The grades are trivial, for it is the experience, not the difficulty that defines the route. These are not any-given-weekend routes. Many factors must align for an ascent to go down, conditions of both the route and the climber must be tip top. These routes are for occasions when the mind and body need a check, a good check. With an increasing number of people entering the world of climbing, it is important to keep these stories close. To know a small group of climbers including Canadian, European, American and South Africans made bold decisions that brought the world's attention to Canada. Legends were born, men died. The mountains made of rotten rock, ice and snow kept the stakes high. Once the summits were had, the walls had to be had. Nearly 100 years after the rise of alpinism in Europe, it began in Canada. The 1860s are for Europe what the 1960s are for Canada. The peaks had been climbed and it was time for the faces. The pursuit of difficulty on steep terrain, ice and rock marked the dawn of the golden era and the 25 bold and cold.

Henry Wyeville is small, clumsy and unhappy having moved to a new house and new school. It is the period immediately after WW 2 and there is a bomb site next door to his house that he simply must explore. An accident with an old radio results in him gaining new mental abilities and this is just the start of his adventures.

He was famous for telling stories. He could always make the story interesting. He had a way of seeing the best or funniest of every situation. He wrote down over 180 of his best stories in his last few years for all his family and friends. You will laugh, and relate to the stories of childhood, school years, and growing up during the depression. From his northern New Jersey, small town home he shares what it was like growing up in the 20's and 30's. From logging to working with horses, the stories provide a great view of the life style from that time period.

Inspired by her transgender son, activist Jodie Patterson explores identity, gender, race, and authenticity to tell the real-life story of a family's history and transformation. "A courageous and poetic testimony on family and the self, and the learning and unlearning we must do for those we love."--Janet Mock As an African American growing up on Manhattan's Upper West Side in the 1970s, when neighborhoods defined people, Jodie Patterson learned early on to engage with her community for strength and comfort. But then in 2009 this mother of five had her world turned upside down. Realizing that her definition of community wasn't wide enough for her own child's needs, Patterson forced the world wide open. In *The Bold World*, we witness a mother reshaping her attitudes and beliefs, as well as those of her community, to meet the needs of her transgender son, Penelope-- and opening the minds of everyone in her family who absolutely, unequivocally refused to conform. As we walk alongside Patterson on her journey, we meet the Southern women who came before her--the mother, grandmothers, and aunts who raised and fortified her, all the while challenging cultural norms and gender expectations. She shares her family's history--particularly incidents within the Black community around sexism, racism, and civil rights. We learn about her children, who act as a vehicle for Jodie Patterson's own growth and acceptance of her diverse family, and her experiences as a wife, mother, and, eventually, activist. The result is an intimate portrait and an exquisite study in identity, courage, and love. Patterson's relentless drive to change the world will resonate with and inspire us all, reflecting our own individual strength and tenacity, our very real fears, and, most of all, our singular ability to transform despite the odds. Praise for *The Bold World* "In *The Bold World*, Jodie Patterson makes a case for respecting everyone's gender identity by way of showing how she came to accept her son, Penelope. In tying that struggle to the struggle for race rights in this country during her own childhood, she paints a vivid picture of the permanent work of social justice."--Andrew Solomon, bestselling author of *The Noonday Demon* and *Far from the Tree*

The winter landscape is a relatively untapped photographic subject for most photographers. As renowned nature photographer Joseph Classen proves, though, if you venture out, you're sure to discover a remarkable array of photo opportunities. You'll learn to recognize the obvious and overlooked subjects, both big and small, and to capitalize on what Mother Nature provides. In this beautifully illustrated book, you'll discover intelligent approaches to preparing for each wintry photo outing and employing the best techniques for capturing subjects in all genres of winter photography—from nature and wildlife photography, to night and astrophotography, to urban, industrial, holiday photography, action and adventure, and more. Classen will also provide great tips for winterizing your camera gear—and keeping your body safe in the most bitter climes. As you make your way through the book, you'll gain a new appreciation for winter photography and will even begin to look forward to “shooting cold.”

KITTY'S BIG ADVENTURE - This short, easy-to-read children's story is told with 332 words and 34 color photos. The story is about a stuffed animal named Kitty and Kitty's friends Al and Wendell, who are stuffed baby raccoons. The three friends take a trip to Grandfather Mountain, a state park in North Carolina. There they see deer, a bear, an eagle, a cougar, and an otter. They also go on the Mile High Swinging Bridge and visit the Nature Museum. The story ends with them riding home in the car.

In the year 2110, fourteen-year-old Val returns home to find that the time machine her father created has returned home without him. Having lost her mother to illness two years earlier, Val decides to use the machine to go back in time to find her father and bring him home. She does a test landing in a remote area of the U.S. in the year 2010 and meets three brothers: sixteen-year-old football star James, thirteen-year-old Luke and an amazing seven-year-old named Wumpy. They decide to join her and help find her father. Val believes her father would have gone back to the first century to see Jesus Christ, who Val's dad considers the most important person in history. Val knows her father wanted to see for himself if the stories about Jesus in the Bible are true. She and the three brothers go back in time to first century Jerusalem and begin the search, looking for Val's dad at some of the major events of Jesus' life. During their quest they meet Jesus and see amazing things. They also have to outwit local authorities and an assortment of villains who threaten to strand them in the first century or - even worse - end their short lives two thousand years before they were born. The adventure is non-stop, but in the end this is a story about friendship and faith and the truth of 1 John 4:18: "Perfect love expels all fear."

Finished is a 1917 novel by H. Rider Haggard featuring Allan Quatermain. It is the last in a trilogy about the Zulu kingdom, which also includes *Marie and Child of Storm*, and involved the dwarf Zikali. It is set against the background of the Anglo-Zulu War of 1879, covering events leading up to the war, and ending with the death of Cetewayo.

Quatermain is depicted as being one of the few survivors of the Battle of Isandhlwana. Like others in the series, several real-life characters appear, such as Cetewayo and Anthony Durnford.

Artemis the Pig isn't like the other farm animals. He wants to fly with the butterflies and he's determined to build something to let him do just that! This delightful tale teaches the importance of creativity and perseverance in pursuing goals. Recommended for ages 3-10. Makes a great bedtime story.

Our choices seal our fate. Hannah Reed is about to learn just how important one little decision can be. Hannah's plans for a nice, quiet senior year of high school are rapidly disintegrating. It all starts when she innocently bursts in on Ethan Flynn in the change room of the clothing store where she works. Ethan's presence in Hannah's world is subtle but constant, and when he saves her life, they become linked by the workings of an ancient society and Ethan's sworn duty to protect Hannah. Working together to figure out

what destiny wants with Hannah, the two of them stumble on a baffling mystery that leaves even Ethan questioning what is in store for her future. With Ethan's help, Hannah learns there is far more to this life, to her life, than she ever realized. As they attempt to untangle Hannah's unique past and emerging abilities, an unknown danger from Ethan's past looms ever closer. While racing to put together the pieces of the puzzle before it's too late, Hannah wrestles with the idea that she is anything but average, and that perhaps she is also more to Ethan than just a job. Hleo is the first book in the series with the same name. A story of destiny and how one decision can change everything. When you buy a copy of Hleo, your one decision also has the ability to change the lives of others across the globe. \$3.00CAD from every copy of Hleo purchased goes towards the amazing efforts of the Because I am a Girl Education initiative. Fighting to bring literacy and safe learning resources to girls living in some of the poorest nations in this world.

The year is 4518 BCE. Halim, a Shakti warrior initiate, lives with his family in Harappa, a fortified city in the Indus River Valley. His father is injured, so the task falls to Halim to find a cure for his mother, who has fallen prey to a mysterious, debilitating disease. Sanjit, a seasoned Shakti, agrees to accompany Halim to the Kunlun Mountains in search of a sacred medicine from an ancient monastery. Halim's impulsive sister, Taja, insists on joining them too. When the three travellers confront the Ignogai, a barbaric tribe with a bloodthirsty shaman, they must flee across hazardous and unfamiliar terrain to avoid being captured and persecuted for their Shakti Prana. With a little bit of magic, determination, and some help from a few extraordinary people, the trio must fight for their lives to make it back home in time to save Halim's mother from certain demise.

When the author's mother died he discovered over 200 letters in a shoe box that his father had written to her during their separation during World War II. Captain Lashley was stationed first at a hospital in England as a supply officer and then as the commander of a prisoner of war camp in France. During those months his letters tell of the events of his life. Some are boring and seem to be of little consequence, others are filled with emotional turmoil. Rene Lashley, his wife, has his fourth child while he is away, moves in with her mother and sister and raises her other three children. Kirk, the second son, is puzzled by what is happening, but continues doing those things a normal child does. The book is an effort to show the common, everyday concerns of all the family members in what is an unprecedented time in the life of the family and the world. The story is told through the voices of the soldier, the mom, and the child.

The Bolds are very surprised to be visited by Fred's mother, Granny Imamu. She's travelled all the way from the Serengeti, and now she's here, she does not approve of what she finds. Hyenas, living as people - whatever next! Granny Imamu starts to stir up mischief with the twins, encouraging them to get in touch with their beastly side at school. And then the twins' teacher comes to the Bolds with a rather unusual problem: her grown-up son Jeffrey just isn't like other people. He's rather hairy, doesn't much like to talk, and loves to monkey about. If animals can become people, could it happen the other way around . . . ?

Ten-year-old Beatrix is very good at telling jokes, dancing and throwing knives. She also happens to be a queen of a distant land - though she doesn't know that yet. She also happens to be the queen who is quite possibly destined to lead the Wobblers to bold victory over the Evil Army - though she doesn't know that yet either. Beatrix lives in an enormous golden palace with Aunt Esmerelda the Terrible and Uncle Ivan the Vicious, but as she's only been allowed to see one new room per birthday, she's only ever been inside ten rooms of the palace. Her aunt and uncle have always told her that if she goes beyond the woods outside the palace she'll fall off the edge of the world. And the Dark, Dark Woods and all that lies beyond must be avoided at all costs - what if the dreaded Wobblers were to get her? But finally, the veil Beatrix has been living under is starting to slip. Beatrix knows she needs to be bold. Beatrix knows she needs to look for answers. And she's about to get them.

I'm sure you've heard of Calamity Jane, but this is not a novel about Calamity Jane. At least not the Jane you may have read about. Calamity Jane is part of the legends of the Wild West, but long before she scouted with Custer or "Wild Bill" Hickok, she was a fifteen-year-old girl with a fiery temper. Violence and tragedy turn young Jane's world upside down and soon she finds herself riding with an alien gunslinger--the Green Man--through a landscape of revenge and betrayal. Along the way, she learns how to shoot a six-gun and how to stand on her own, even when surrounded by Lakota warriors, and be respected. From space ships to guns that can shoot the wings off a butterfly a mile away, young Jane realizes that the universe is far bigger than the Wild West and that she can trust no one in it to save her but herself. When the villainous Grays meddling in the wars between the Indians and the government stand in the way of the Green Man making his way home, Jane finds her desire for revenge may be less than her loyalty for the longrider. And in that realization, she becomes the hero the Wild West has long remembered. So, forget what you know of how the West was won. Forget the Indian Wars and Custer's Last Stand. Instead, learn the truth of what happened when a young girl met a longrider she called the Green Man . . .

Jade Lowry, the co-discoverer of the way out of the continent-covering Dome of Boucher's World, was kidnapped but managed to escape with the help of her soul-mate, Kendis Rost, and the doomed precog, S'tella. Once she and Kendis get back to her home in Village Twelve, what does Lark, the Elwist Healer, and Sparrow, its precog vow-mate have to tell them that explain why they appear to be transforming into something that isn't quite Human?

Life in lower class as offspring of a notorious thief was simple for the Quartar daughters until accidental mishaps with the other classes of society turn their dirt poor lives around for worse and better. Eight young women are taken from the slums into the high class world they never understood only at first to find betrayal, suffering, scandal, revenge and corruption. Then, before they know it they are wrapped in the grandest scandal their country of Galli has ever seen. The kingdom of Cretaine is trying to overthrow the corrupted kingdom of Galli. The Quartar family must betray their world in order to save Galli from a brutal civil war.

The Bolds' Great Adventure

Another body in a string of ritualistic murders. A serial killer who's getting cocky. Detective Derek Childress thinks this day just can't get any worse. And then he meets his new partner. Investigator Kayle Perrine is a Variant: one of several races of once-thought mythical creatures who now live among and lord-over humankind. Led by a group of vampires called the Clan Gentry, the Variants protect their own, just as they did when Derek's previous partner was killed by one, nearly a year ago. Now that Perrine's on the case, Derek expects a cover-up. Kayle Perrine has worked his whole life to prove himself, but being paired up with a boorish mundane like Derek Childress is feeling more like punishment than reward. Derek is so blinded by his prejudice against Variants, that he refuses to see the evidence Kayle finds blatantly obvious. The sooner Kayle can close this case, the sooner he can go back home and forget about the infuriating human detective. A brutal attack forges a fragile truce between the two men, driving them together. Derek and Kayle must learn to trust and depend on each other while tempers flare and passions of every kind run hot between them. Yet as they begin to grow closer, one fact continues to keep them apart: they are from different worlds. With time running out to solve this case, Derek and Kayle understand that love may not be enough to overcome prejudice, politics, and murder.

Daniel Nash struggles to reconcile his feelings of betrayal with his desire to understand his life. His hopes of uncovering the secrets revealed in his father's journals are quickly dashed, and he works with a private investigator to discover the truth. Worry about his wife, Sarah, combines with his efforts to cope with his childhood trauma, an unexpected death, and the recent revelations. His obsession with the past threatens to destroy his stable life. Meanwhile, Sarah and her father, Tristan, continue to combat the lingering discord that developed between them years before but refuse to take their main focus from Daniel. As he reviews his biological father's efforts to be a good man, Daniel searches for a way to comprehend shocking disclosures. He questions his own goodness as he fights not to emotionally withdraw from those around him, especially the two people he knows will always love him, Sarah and Tristan.

Who says having all your dreams come true is a good thing? Serenity Winters is taking the summer off. After her last year included crushing on the wrong guy (again), having her best friend move all the way across the country, and an unexpected loss she's still not prepared to deal with, she deserves it. And a visit to see Maia in California seems the perfect getaway. Beaches, bonfires and boys? Yes please! But Rennie's dreams aren't so easy to elude. Sketching what she can remember of them helps some, but her drawings are taking on a life of their own and the dreams they represent are starting to come true. Enter Alex, who may or may not be perfect. (No, who is she kidding? He's perfect. Great hair, plus he can quote Hamlet and Yoda? Come on!) But Alex has secrets of his own, namely a hidden ability to transport himself through time using a book as a portal. Could it be that both Rennie and Alex are being drawn in to the same mystery? They better find out quickly, because her dreams are getting louder. And they know her by name.

Hoverdia Eighteen is first of its kind and a brand new Two-In-One logic-number puzzle. The main puzzle is best represented by 8 long horizontal blocks and 8 long vertical blocks, with each long horizontal block and each long vertical block consists of 8 small boxes, which give the total of 64 boxes. Each long horizontal or long vertical block which consists of 8 boxes must contain one of the numbers from 1 to 8 inclusively without repeating any thereof - This is Rule One. The main puzzle with 64 boxes is also alternatively represented by 4 sub-puzzles which are called Quadrants and each quadrant is made up of 4x4 short blocks. For Rule Two in any of the 4 quadrants, after having complied with Rule One, each block, consists of 4 boxes, must be added up to the sum of 18 horizontally, vertically and diagonally.

This is a 157 page adventure that involves swordplay, castle storming, Indian raids, betrayal, kidnapping, snobbish royalty, humble farmers, and a lot more that you won't want to pass up. So if you're on the hunt for adventure, there's no better place to start.
