

The Book Of Tells Peter Collett

A Business Week, New York Times Business, and USA Today Bestseller "Ambitious and readable . . . an engaging introduction to the oddsmakers, whom Bernstein regards as true humanists helping to release mankind from the choke holds of superstition and fatalism." —The New York Times "An extraordinarily entertaining and informative book." —The Wall Street Journal "A lively panoramic book . . . Against the Gods sets up an ambitious premise and then delivers on it." —Business Week "Deserves to be, and surely will be, widely read." —The Economist "[A] challenging book, one that may change forever the way people think about the world." —Worth "No one else could have written a book of such central importance with so much charm and excitement." —Robert Heilbroner author, *The Worldly Philosophers* "With his wonderful knowledge of the history and current manifestations of risk, Peter Bernstein brings us *Against the Gods*. Nothing like it will come out of the financial world this year or ever. I speak carefully: no one should miss it." —John Kenneth Galbraith Professor of Economics Emeritus, Harvard University In this unique exploration of the role of risk in our society, Peter Bernstein argues that the notion of bringing risk under control is one of the central ideas that distinguishes modern times from the distant past. *Against the Gods* chronicles the remarkable intellectual adventure that liberated humanity from oracles and soothsayers by means of the powerful tools of risk management that are available to us today. "An

extremely readable history of risk." —Barron's
"Fascinating . . . this challenging volume will help you understand the uncertainties that every investor must face." —Money "A singular achievement." —Times Literary Supplement "There's a growing market for savants who can render the recondite intelligibly-witness Stephen Jay Gould (natural history), Oliver Sacks (disease), Richard Dawkins (heredity), James Gleick (physics), Paul Krugman (economics)-and Bernstein would mingle well in their company." —The Australian

The Book of Tells
How to Read People's Minds from Their Actions
Random House

Creative visionary of *The Word Collector*, *Happy Dreamer*, and *The Dot*, #1 New York Times bestseller Peter H. Reynolds creates a tender, lyrical story of multigenerational love, tradition, and family coming together with gratitude and thanks. Celebrated, bestselling creator Peter H. Reynolds brings his signature touch of love and kindness to this special, timely picture book, as families now, more than ever, are rediscovering and reevaluating what means the most: time together with one another. Violet longs for the time when her family was connected: before life, distractions, and technology pulled them all away from each other. They used to gather at the table, with food and love, to make memories, share their lives, and revel in time spent together. But now her family has been drifting apart, and with nobody to gather around it, the table grows smaller and smaller. Can Violet remind her family of the warmth of time spent together, and gather around the table once more? A mystical fable that feels at once timeless and

utterly of the present moment, Our Table is renowned, bestselling creator Peter H. Reynolds at his best. Exquisite, expressive watercolor tells a tender story, growing from monochrome into luscious, joyful color as Violet's family is reunited around the beloved table. An ode to traditions that unite families, Our Table brings readers together with a universal message of gratitude.

A TELL IS AN ACTION THAT TELLS YOU WHAT SOMEONE IS THINKING, EVEN IF THAT PERSON DOESN'T KNOW IT THEMSELVES. AND TELLS ARE HIGHLY INFORMATIVE. The way you stand when you're talking to others, how you move your feet, your hands, your eyes - even your eyebrows - says a lot about your commitment to a conversation and your underlying attitude. Your actions and stance can also affect how long you get to talk and how often you get interrupted. Even when you're seated, the position of your arms and legs provides a wealth of information about your mood and intentions, showing whether you feel dominant or submissive, preoccupied or bored. But Tells aren't confined merely to conversations; when you are alone you are constantly shifting your body - and each movement, each gesture provides clues about your state of mind. In this illuminating book, Peter Collett, social psychologist, former Oxford don and Big Brother's resident psychologist, introduces us to the fascinating concept of Tells, showing how they work, where they come from and how to identify and interpret them. Whilst sensitizing readers to the motives and actions of other people, this invaluable guide also focuses on the messages that we unwittingly send, and the impact that

these might have on those around us. Comprehensive and accessible in its approach, and written in the tradition of the international bestseller, *Manwatching*, **THE BOOK OF TELLS** offers a new, unifying vocabulary for understanding human communication and social influence - and a unique opportunity to read yourself, and others.

C. S. Lewis was a British author, lay theologian, and contemporary of J.R.R. Tolkien. *The Lion, the Witch, and the Wardrobe* is the first book in *The Chronicles of Narnia*.

A FINANCIAL TIMES, I PAPER AND STYLIST BOOK OF THE YEAR 'In his absorbing book about the lost and the gone, Peter Ross takes us from Flanders Fields to Milltown to Kensal Green, to melancholy islands and surprisingly lively ossuaries . . . a considered and moving book on the timely subject of how the dead are remembered, and how they go on working below the surface of our lives.' - Hilary Mantel 'Ross is a wonderfully evocative writer, deftly capturing a sense of place and history, while bringing a deep humanity to his subject. He has written a delightful book.' - The Guardian 'The pages burst with life and anecdote while also examining our relationship with remembrance.' - Financial Times (best travel books of 2020) 'Among the year's most surprising "sleeper" successes is *A Tomb with a View*. In a year with so much death, it may have initially seemed a hard sell, but the author's humanity has instead acted as a beacon of light in the darkness.' -The Sunday Times 'Fascinating . . . Ross makes a likeably idiosyncratic guide and one finishes the book

feeling strangely optimistic about the inevitable.' - The Observer 'Ross has written [a] lively elegy to Britain's best burial grounds.' - Evening Standard (*Best New Books of Autumn 2020*) 'One of the non-fiction books of the year.' - The i paper (*2020 Best Books for Christmas*) 'Brilliant.' - Stylist (*Best Christmas books for Christmas 2020*) 'Never has a book about death been so full of life. James Joyce and Charles Dickens would've loved it - a book that reveals much gravity in the humour and many stories in the graveyard. It also reveals Peter Ross to be among the best non-fiction writers in the country.' - Andrew O'Hagan For readers of The Salt Path, Mudlarking, Ghostland, Kathleen Jamie and Robert Macfarlane. Enter a grave new world of fascination and delight as award-winning writer Peter Ross uncovers the stories and glories of graveyards. Who are London's outcast dead and why is David Bowie their guardian angel? What is the remarkable truth about Phoebe Hessel, who disguised herself as a man to fight alongside her sweetheart, and went on to live in the reigns of five monarchs? Why is a Bristol cemetery the perfect wedding venue for goths? All of these sorrowful mysteries - and many more - are answered in A Tomb With A View, a book for anyone who has ever wandered through a field of crooked headstones and wondered about the lives and deaths of those who lie beneath. Not a cloud in the blue Atlanta sky, Jeffrey Ross made his morning visit to the Dunwoody Starbucks, expecting this day to be like any other. It wouldn't. Samarra Russell left her meeting at Emory Medical Center after receiving the strange call and wondered if it had anything

to do with her immunology research at CDC. It was a secret, or was supposed to be. Going home as instructed, Samarra opened the box of Valentine candy on the kitchen counter and collapsed. Before losing her balance, Samarra recognized the small finger, severed and still wearing the tiny ring she gave him for his 7th birthday. Her precious son. She opened the note after regaining limited senses and read. If she didn't want to receive young Thomas Russell's head in a box, she would do as instructed. And she did.

New York Times Bestseller * National Book Award Longlist From bestselling and award-winning author Sara Pennypacker comes a beautifully wrought, utterly compelling novel about the powerful relationship between a boy and his fox. Pax is destined to become a classic, beloved for generations to come. Pax and Peter have been inseparable ever since Peter rescued him as a kit. But one day, the unimaginable happens: Peter's dad enlists in the military and makes him return the fox to the wild. At his grandfather's house, three hundred miles away from home, Peter knows he isn't where he should be—with Pax. He strikes out on his own despite the encroaching war, spurred by love, loyalty, and grief, to be reunited with his fox. Meanwhile Pax, steadfastly waiting for his boy, embarks on adventures and discoveries of his own. . . . Pax is a wonderful choice for independent reading, sharing in the classroom, homeschooling, and book groups. Plus, don't miss Pax, Journey Home, the sequel to the award-winning and modern classic Pax.

The controversial Bible scholar and author of The

Evolution of Adam recounts his transformative spiritual journey in which he discovered a new, more honest way to love and appreciate God's Word. Trained as an evangelical Bible scholar, Peter Enns loved the Scriptures and shared his devotion, teaching at Westminster Theological Seminary. But the further he studied the Bible, the more he found himself confronted by questions that could neither be answered within the rigid framework of his religious instruction or accepted among the conservative evangelical community.

Rejecting the increasingly complicated intellectual games used by conservative Christians to "protect" the Bible, Enns was conflicted. Is this what God really requires? How could God's plan for divine inspiration mean ignoring what is really written in the Bible? These questions eventually cost Enns his job—but they also opened a new spiritual path for him to follow. *The Bible Tells Me So* chronicles Enns's spiritual odyssey, how he came to see beyond restrictive doctrine and learned to embrace God's Word as it is actually written. As he explores questions progressive evangelical readers of Scripture commonly face yet fear voicing, Enns reveals that they are the very questions that God wants us to consider—the essence of our spiritual study.

Because he spends so much time perfecting his flying form instead of concentrating on getting food, a seagull is ostracized by the rest of the flock.

All Tiger Lily wants is to be a warrior and serve as one of the protectors of her people. But there are rules in the Miakoda tribe of Neverland. Girls aren't allowed to fight or hunt, and princesses are to remain free of

danger. When pirates threaten her tribe, Tiger Lily is thrown into the very center of peril and uncertainty. But it's not until she finds herself face to face with the legendary Peter Pan that her true adventure begins.

There are two kinds of families: the ones we are born into and the ones we create. Walk has never left the coastal California town where he grew up. He may have become the chief of police, but he's still trying to heal the old wound of having given the testimony that sent his best friend, Vincent King, to prison decades before. Now, thirty years later, Vincent is being released. Duchess is a thirteen-year-old self-proclaimed outlaw. Her mother, Star, grew up with Walk and Vincent. Walk is in overdrive trying to protect them, but Vincent and Star seem bent on sliding deeper into self-destruction. Star always burned bright, but recently that light has dimmed, leaving Duchess to parent not only her mother but her five-year-old brother. At school the other kids make fun of Duchess—her clothes are torn, her hair a mess. But let them throw their sticks, because she'll throw stones. Rules are for other people. She's just trying to survive and keep her family together. A fortysomething-year-old sheriff and a thirteen-year-old girl may not seem to have a lot in common. But they both have come to expect that people will disappoint you, loved ones will leave you, and if you open your heart it will be broken. So when trouble arrives with Vincent King, Walk and Duchess find they will be unable to do anything but usher it in, arms wide closed. Chris Whitaker has written an extraordinary novel about people who deserve so much more than life serves them. At times devastating, with flashes of humor

and hope throughout, it is ultimately an inspiring tale of how the human spirit prevails and how, in the end, love—in all its different guises—wins.

This level 2, elementary Penguin Reader contains 500 words and tells the story of Amity, a quiet town near New York, that gets terrorized by a great white shark.

Policeman Brody is a good policeman and tries to close the beaches, but people won't listen to him.

The heartwarming true story of two penguins who create a nontraditional family. At the penguin house at the Central Park Zoo, two penguins named Roy and Silo were a little bit different from the others. But their desire for a family was the same. And with the help of a kindly zookeeper, Roy and Silo got the chance to welcome a baby penguin of their very own.

A special 20th anniversary edition of the beloved international bestseller that changed millions of lives

Maybe it was a grandparent, or a teacher, or a colleague. Someone older, patient and wise, who understood you when you were young and searching, helped you see the world as a more profound place, gave you sound advice to help you make your way through it. For Mitch Albom, that person was Morrie Schwartz, his college professor from nearly twenty years ago. Maybe, like Mitch, you lost track of this mentor as you made your way, and the insights faded, and the world seemed colder. Wouldn't you like to see that person again, ask the bigger questions that still haunt you, receive wisdom for your busy life today the way you once did when you were younger? Mitch Albom had that second chance. He reconnected with Morrie in the last

months of the older man's life. Knowing he was dying, Morrie visited with Mitch in his study every Tuesday, just as they used to back in college. Their rekindled relationship turned into one final "class:" lessons in how to live. Tuesdays with Morrie is a magical chronicle of their time together, through which Mitch shares Morrie's lasting gift with the world.

Have you ever wondered what people are thinking or if they are telling the truth? Did you know that you can discern someone's thoughts by reading the clues in a person's body language? Did you know that the position of your hand during a handshake shows whether you have a submissive or a dominant personality? And that your apparently unconscious choice to say "do not" instead of "don't" can indicate that you are lying? These revealing clues (and many more) provide insights into people's innermost thoughts. In this entertaining and illuminating guide, Peter Collett decodes the fascinating intricacies of body language and speech.

A monumental, genre-defying novel that David Mitchell calls "Michel Faber's second masterpiece," *The Book of Strange New Things* is a masterwork from a writer in full command of his many talents. It begins with Peter, a devoted man of faith, as he is called to the mission of a lifetime, one that takes him galaxies away from his wife, Bea. Peter becomes immersed in the mysteries of an astonishing new environment, overseen by an enigmatic corporation known only as USIC. His work introduces him to a seemingly friendly native population struggling with a dangerous illness and hungry for Peter's teachings—his Bible is their "book of strange new

things.” But Peter is rattled when Bea’s letters from home become increasingly desperate: typhoons and earthquakes are devastating whole countries, and governments are crumbling. Bea’s faith, once the guiding light of their lives, begins to falter. Suddenly, a separation measured by an otherworldly distance, and defined both by one newly discovered world and another in a state of collapse, is threatened by an ever-widening gulf that is much less quantifiable. While Peter is reconciling the needs of his congregation with the desires of his strange employer, Bea is struggling for survival. Their trials lay bare a profound meditation on faith, love tested beyond endurance, and our responsibility to those closest to us. Marked by the same bravura storytelling and precise language that made *The Crimson Petal and the White* such an international success, *The Book of Strange New Things* is extraordinary, mesmerizing, and replete with emotional complexity and genuine pathos.

“A rich, sensual, bewitching adventure of good vs. evil with love as the prize.” ~Publisher’s Weekly on *ETERNITY*

300 years ago, Raven St. James was hanged for witchcraft. But she revives among the dead to find herself alive. She is an Immortal High Witch, one of the light. A note from her mother warns that there are others, those of the Dark, who preserve their own lives by taking the hearts of those like her. Duncan Wallace’s forbidden love for the secretive lass costs him his life. 300 years later, he loves her again, tormented by hazy memories of a past that can’t be real. She tells him of another lifetime, claims to be immortal. Though he knows

she's deluded, he can't stay away. And the Dark Witch after her heart is far closer than either of them know. If you liked the TV Series HIGHLANDER, you will LOVE this series. Don't miss Book 2, INFINITY. "A hauntingly beautiful story of a love that endures through time itself." ~New York Times Bestselling Author, Kay Hooper "This captivating story of a love that reaches across the centuries, becomes as immortal as the lover's themselves, resonates with timeless passion, powerful magic, and haunting heartbreak." ~BN.com's official review

Be curious...Be adventurous...Be brave...BE YOU!
Discover a joyful reminder of the ways that every child is unique and special, from the beloved creator of The Dot, Happy Dreamer, and New York Times bestseller, The Word Collector. Here, Reynolds reminds readers to "be your own work of art." To be patient, persistent, and true. Because there is one, and only one, YOU. In the tradition of books like Oh, the Places You'll Go! and I Wish You More comes a wholly original, inspirational celebration of individuality as only Peter H. Reynolds can create!

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

Spot the difference is an amazing activity that boosts your child's fine-ground perception. Fine-ground perception is the skill that would allow children to see in-between the negative spaces. This makes it possible to

locate hidden objects, which is an important element to learning math and reading. Don't forget to checkout with a copy of this activity book today!

Presents a controversial history of violence which argues that today's world is the most peaceful time in human existence, drawing on psychological insights into intrinsic values that are causing people to condemn violence as an acceptable measure.

Escape from the everyday stresses in your life and unwind with Chromalaxing, Kaleidoscope Series, Adult Coloring Book #1. The first book in this great new series. Forty intricately and delightfully designed images. Printed one side per page. The reverse side includes the image number so you can leave your thoughts and specific feedback for us per image. Your finished work may be suitable for framing or gift giving. Our website (<http://www.chromalaxing.com>) features fun art contests. Enter today and show us your masterpiece for a chance to win great prizes. Vote for your favorites too. Our designs offer a pleasing variety in image complexity suitable for beginner to expert-level. Join countless adults all over the world and rediscover the fun and relaxing hobby of coloring. Grab your pencils, pens... relax and explore your creative side today.

A biography of venture capitalist and entrepreneur Peter Thiel, the enigmatic, controversial, and hugely influential power broker who sits at the dynamic intersection of tech, business, and politics A New York Times Book

Review Editors' Choice “Max Chafkin’s *The Contrarian* is much more than a consistently shocking biography of Peter Thiel, the most important investor in tech and a key supporter of the Donald Trump presidency. It’s also a disturbing history of Silicon Valley that will make you reconsider the ideological foundations of America’s relentless engine of creative destruction.”—Brad Stone, author of *The Everything Store* and *Amazon Unbound*

Since the days of the dot-com bubble in the late 1990s, no industry has made a greater impact on the world than Silicon Valley. And few individuals have done more to shape Silicon Valley than Peter Thiel. The billionaire venture capitalist and entrepreneur has been a behind-the-scenes operator influencing countless aspects of our contemporary way of life, from the technologies we use every day to the delicate power balance between Silicon Valley, Wall Street, and Washington. But despite his power and the ubiquity of his projects, no public figure is quite so mysterious. In the first major biography of Thiel, Max Chafkin traces the trajectory of the innovator’s singular life and worldview, from his upbringing as the child of immigrant parents and years at Stanford as a burgeoning conservative thought leader to his founding of PayPal and Palantir, early investment in Facebook and SpaceX, and relationships with fellow tech titans Mark Zuckerberg, Elon Musk, and Eric Schmidt. *The Contrarian* illuminates the extent to which Thiel has sought to export his values to the corridors of power beyond Silicon Valley, including funding the lawsuit that destroyed the blog Gawker and strenuously backing far-right political candidates, notably Donald Trump for

president in 2016. Eye-opening and deeply reported, *The Contrarian* is a revelatory biography of a one-of-a-kind leader and an incisive portrait of a tech industry whose explosive growth and power is both thrilling and fraught with controversy.

Picture book and creativity guru Peter H. Reynolds brings us a universally poignant celebration of the colorful spectrum of what it means to dream and the many ways to find happy! While the world tells us to sit still, to follow the rules, and to color inside the lines, *Happy Dreamer* celebrates all those moments in between when the mind and spirit soar and we are free to become our own true dreamer maximus! In Peter's signature voice and style, this empowering picture book reminds children of how much their dreams matter, and while life will have ups and downs, he enlists readers to stay true to who they are, to tap into their most creative inner selves, and to never ever forget to dream big! Peter H. Reynolds' latest inspirational book is a perfect choice for children with ADHD, and it is a wonderful gift for graduations, new babies, milestone moments, and any happy occasion throughout the year.

"Wise, bracingly honest...A reassuring reality check...Exhilarating." —New York Times Book Review
"There are some stories that require as much courage to write as they do art. Peter Ho Davies's achingly honest, searingly comic portrait of fatherhood is just such a story...The world needs more stories like this one, more of this kind of courage, more of this kind of love." —Sigrid Nunez, National Book Award-winning author of *The Friend* "There is nothing superfluous in these pages...A

novel that...earns its place on the shelf alongside the frank and sometimes acerbic memoirs of Rachel Cusk and Anne Enright." —Claire Messud, Harper's A heartbreaking, soul-baring novel about the repercussions of choice that "will strike a resonant chord with parents everywhere," (starred Kirkus) from the award-winning author of *The Welsh Girl* and *The Fortunes A Lie* *Someone Told You About Yourself* traces the complex consequences of one of the most personal yet public, intimate yet political experiences a family can have: to have a child, and conversely, the decision not to have a child. A first pregnancy is interrupted by test results at once catastrophic and uncertain. A second pregnancy ends in a fraught birth, a beloved child, the purgatory of further tests—and questions that reverberate down the years. When does sorrow turn to shame? When does love become labor? When does chance become choice? When does a diagnosis become destiny? And when does fact become fiction? This spare, graceful narrative chronicles the flux of parenthood, marriage, and the day-to-day practice of loving someone. As challenging as it is vulnerable, as furious as it is tender, as touching as it is darkly comic, Peter Ho Davies's new novel is an unprecedented depiction of fatherhood.

Despite dire warnings from his mother, Peter Rabbit ventures into Mr. McGregor's garden and is lucky to escape with only the loss of his clothes.

Features an audio read-along! With a simple, witty story and free-spirited illustrations, Peter H. Reynolds entices even the stubbornly uncreative among us to make a mark -- and follow where it takes us. Her teacher smiled.

"Just make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us.

The unspoken, private and emotional underbelly of the neoliberal university

Lara Jean's letter-writing days aren't over in this follow-up to the bestselling *To All the Boys I've Loved Before* and *P.S. I Still Love You*. Soon to be a major motion picture coming to Netflix in 2021—the first two movies in the series are streaming now! Lara Jean is having the best senior year a girl could ever hope for. She is head over heels in love with her boyfriend, Peter; her dad's finally getting remarried to their next door neighbor, Ms. Rothschild; and Margot's coming home for the summer just in time for the wedding. But change is looming on the horizon. And while Lara Jean is having fun and keeping busy helping plan her father's wedding, she can't ignore the big life decisions she has to make. Most pressingly, where she wants to go to college and what that means for her relationship with Peter. She watched her sister Margot go through these growing pains. Now Lara Jean's the one who'll be graduating high school and leaving for college and leaving her family—and

possibly the boy she loves—behind. When your heart and your head are saying two different things, which one should you listen to?

Acts is the sequel to Luke's gospel and tells the story of Jesus's followers during the 30 years after his death. It describes how the 12 apostles, formerly Jesus's disciples, spread the message of Christianity throughout the Mediterranean against a background of persecution. With an introduction by P.D. James

To All the Boys I've Loved Before is now a major motion picture streaming on Netflix! Lara Jean's love life gets complicated in this New York Times bestselling "lovely, lighthearted romance" (School Library Journal) from the bestselling author of The Summer I Turned Pretty series. What if all the crushes you ever had found out how you felt about them...all at once? Sixteen-year-old Lara Jean Song keeps her love letters in a hatbox her mother gave her. They aren't love letters that anyone else wrote for her; these are ones she's written. One for every boy she's ever loved—five in all. When she writes, she pours out her heart and soul and says all the things she would never say in real life, because her letters are for her eyes only. Until the day her secret letters are mailed, and suddenly, Lara Jean's love life goes from imaginary to out of control.

Living with his little brother, Fudge, makes Peter feel like a fourth grade nothing. Fudge is never far from trouble. He's a two-year-old terror who gets away with everything--and Peter's had enough. When Fudge walks off with Dribble, Peter's pet turtle, it's the last straw.

The adventures of a little boy in the city on a very snowy

day. On board pages.

In *The Go-Getter*, Bill Peck, a war veteran, persuades Cappy Ricks, the influential founder of the Rick's Logging & Lumbering Company, to let him prove himself by selling skunk wood in odd lengths—a job that everyone knows can only lead to failure. When Peck goes on to beat his quota, Rick hands Peck the ultimate opportunity and the ultimate test: the quest for an elusive blue vase. Drawing on such classic values as honesty, determination, passion, and responsibility, Peck overcomes nearly insurmountable obstacles to find the vase and launch his career as a successful manager. In a time when jobs are tight and managers are too busy for mentoring, how can you maintain positive energy, take control of your career, and prepare yourself to ace the tests that come your way? By applying the timeless lessons in this compulsively readable parable, employees at all levels can learn to rekindle the go-getter in themselves.

In 1940, when the Nazis reach their Norwegian village, twelve-year-old Peter and his friends use their sleds to transport gold bullion to the secret harbor where Peter's uncle waits to take it to the United States for safekeeping.

Popular radio and television talk show host Larry King recalls some of his most memorable celebrity interviews and associations, offering inside glimpses of some of the most famous celebrities of the past three decades
