The Bottom Corner A Season with the Dreamers of Non-League Football Random House

Jesus is coming—the marvellously heartwarming theme of Paul's two electrifying epistles to the Thessalonian believers—is a stirring, rejuvenating communiqué of vibrant hope, one they desperately needed to hear. In today's post 9/11 world where we seemingly lurch from crisis to crisis, this is a message we do well to take on board.

**NATIONAL BESTSELLER WINNER OF THE PULITZER PRIZE** The searing, post-apocalyptic novel about a father and son's fight to survive. A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. 'Not since The Football Man has a book so captured the passion of the game. The Bottom Corner is a wonderful journey through life in the lower reaches of the football pyramid. A fascinating tale of a very different world of football from that of the overpaid stars of the television age' Barry Davies In these days of oligarch owners, superstar managers and players on sky-high wages, the tide is turning towards the lower reaches of the pyramid as fans search for football with a soul. Plucky underdogs or perennial underachievers, your local non-league team offers hope, drama or at least a Saturday afternoon ritual that's been going for decades. Nige Tassell spends a season in the non-league world. He meets the raffle-ticket seller who wants her ashes scattered in the centre-circle. The envelope salesman who discovered a future England international. The ex-pros still playing with undiluted passion on Sunday mornings. He spends time at clubs looking for promotion to the Football League, clubs just aiming to get eleven players on a pitch every week, and everything in between. One thing unites them: they all inhabit the heartland of the beautiful game.

Glory encounters an unexpected friend, a dog he calls Captain Will, with a will of his own, and the hardships they endure together will touch your heart. This beaten, bullied, starved, and left-for-dead dog knows firsthand what it is like to be hated, tormented, tortured, and starved every day. One day, he meets a boy just like him—in the same heartbreaking situation. A loving boy and a dog hope for a good life with amazing love.

A young woman that seems to have her life in control, struggles with love and relationships. Caught up in a love triangle she confuses sex, and stability with love and commitment.

Dr. Brooke Spencer always felt different from other girls. Now a successful scientist, she is finally discovering where she belongs: working alongside the brilliant, trailblazing researcher Dr. Charles Samuelson. Dr. Samuelson has recently made a discovery that has eluded philosophers and dreamers for centuries: How to transmute iron into gold. Determined to use the knowledge for good, Dr. Samuelson recruits Brooke to assist him with his new plan, his "Golden Manifesto." But humans are not alone and his discovery has not gone unnoticed. Extraterrestrial visitors seek to control Dr. Samuelson's Breakthrough, and before long, Brooke is all that stands between Earth and total Destruction. Will she be able to hold her ground? Or will the timeless temptation of gold prove too much for even the strongest of spirits? Brooke will soon face a choice that will make her question her background, her career, and the fate of the planet.

**BEN SMITH: PROFESSIONAL FOOTBALLER.** Recognise the name? Of course you don't. That's because most of Smith's years in the game were spent outside the vaunted, big-money environs of the Premier League - and this sporting memoir is all the more entertaining as a result. 1995: an adolescent Ben arrives at the training ground of one of England's biggest clubs to begin his journey and realise his dream of playing top-flight professional football. Aged just sixteen, he shares pre-season sessions at Arsenal with the likes of Dennis Bergkamp and Ian Wright. Surely this is the start of a stellar career? Instead, the next seventeen years saw the bright young star descend the ranks from Highbury to obscurity. With seasons playing for the likes of Reading, Yeovil, Southend, Hereford, Shrewsbury and Weymouth - and a career including three promotions, one relegation and some very memorable FA Cup games - Ben's story is one of a quintessential journeyman footballer. Candidly describing the negotiations, insecurities, injuries, relocations, personal implications and wet Saturday afternoons playing in front of 500 people, Journeyman offers a unique insight into the unvarnished life of a lower-league player - so far removed from the stories of pampered Premiership stars - as well as documenting the many teammates, opponents, managers and coaches who left an indelible mark on Ben's eclectic career. Refreshingly unsentimental and often hilarious, Smith's story is essential reading for all true fans of the not-always-so-beautiful game.

Selected from sermons delivered by C. S. Lewis during World War II, these nine addresses offer guidance and inspiration in a time of great doubt. These are ardent and lucid sermons that provide a compassionate vision of Christianity.

'Gus Poyet declared it to be the toughest league in England. Neil Warnock went further, believing it to be the tightest division in Europe. Norwich boss Daniel Farke went further

still: "The Championship, without any doubt, is the toughest league in the world." On the final day of the 2019/20 season, only four clubs in the Championship, England's second tier of soccer, had nothing to play for, everyone else was fighting for promotion or survival. It's stats like this that give the league its well-deserved reputation as the most exciting league in football. Anything can happen, and often does. In *The Hard Yards*, Nige Tassell tells the Championship's stories, uncovers its hidden gems and takes the reader on an entertaining and eye-opening tour of the 2020/21 season. Following three clubs in particular – newly promoted Wycombe Wanderers, newly relegated Bournemouth and stalwarts Sheffield Wednesday, who start the season on 12-point deficit – he'll dip into the seasons of clubs across the league, interviewing managers, fans, kit men and chairmen. A world away from the glamour and melodrama of the Premiership, the Championship is the heart and soul of football and in *The Hard Yards* Nige Tassell will take it back to basics. Praise for *The Bottom Corner*: 'Warm and celebratory but also sharp and insightful, *The Bottom Corner* is a love letter to non-league football that is also a vivid snapshot of its place in our national life' -- Stuart Maconie 'A wonderful journey through life in the lower reaches of the football pyramid. A fascinating tale of a very different world of football from that of the overpaid stars of the television age' -- Barry Davies

"In the beginning we were happy. And we were always excessive. So in the beginning we were happy to excess." With these opening lines Sean Wilsey takes us on an exhilarating tour of life in the strangest, wealthiest, and most grandiose of families. Sean's blond-bombshell mother (one of the thinly veiled characters in Armistead Maupin's bestselling *Tales of the City*) is a 1980s society-page staple, regularly entertaining Black Panthers and movie stars in her marble and glass penthouse, "eight hundred feet in the air above San Francisco; an apartment at the top of a building at the top of a hill: full of light, full of voices, full of windows full of water and bridges and hills." His enigmatic father uses a jet helicopter to drop Sean off at the video arcade and lectures his son on proper hygiene in public restrooms, "You should wash your hands first, before you use the urinal. Not after. Your penis isn't dirty. But your hands are." When Sean, "the kind of child who sings songs to sick flowers," turns nine years old, his father divorces his mother and marries her best friend. Sean's life blows apart. His mother first invites him to commit suicide with her, then has a "vision" of salvation that requires packing her Louis Vuitton luggage and traveling the globe, a retinue of multiracial children in tow. Her goal: peace on earth (and a Nobel Prize). Sean meets Indira Gandhi, Helmut Kohl, Menachem Begin, and the pope, hoping each one might come back to San Francisco and persuade his father to rejoin the family. Instead, Sean is pushed out of San Francisco and sent spiraling through five high schools, till he finally lands at an unorthodox reform school cum "therapeutic community," in Italy. With its multiplicity of settings and kaleidoscopic mix of preoccupations—sex, Russia, jet helicopters, seismic upheaval, boarding schools, Middle Earth, skinheads, home improvement, suicide, skateboarding, Sovietology, public transportation, massage, Christian fundamentalism, dogs, Texas, global thermonuclear war, truth, evil, masturbation, hope, Bethlehem, CT, eventual salvation (abridged list)—*Oh the Glory of It All* is memoir as bildungsroman as explosion.

A story that will burn into your very soul. From Sinner to saint a young black mans personal transformation. The stripping away of high tough cloth. The removal of the dross from the silver to ascend to his true glory! Only the strong of faith should dare read this book.

First published in 1943, this autobiography is also a superb portrait of America's Depression years, by the folk singer, activist, and man who saw it all. Woody Guthrie was born in Oklahoma and traveled this whole country over—not by jet or motorcycle, but by boxcar, thumb, and foot. During the journey of discovery that was his life, he composed and sang words and music that have become a national heritage. His songs, however, are but part of his legacy. Behind him Woody Guthrie left a remarkable autobiography that vividly brings to life both his vibrant personality and a vision of America we cannot afford to let die. "Even readers who never heard Woody or his songs will understand the current esteem in which he's held after reading just a few pages... Always shockingly immediate and real, as if Woody were telling it out loud... A book to make novelists and sociologists jealous." —*The Nation*

When Dave Roberts relocates to the USA, his wife informs him that they can only take what is 'absolutely essential'. Packing his collection of football programmes (1,134 of them - football fans are sticklers for statistics), Dave is aghast to be informed that the programmes do not fall into that category. He must whittle down his treasured archive to only what will fit inside a Tupperware container the size of a Dan Brown hardback. *32 Programmes* tells the story of how Dave made the selection of his most important programmes, and how the process brought back a flood of nostalgia for simpler times. As the sights, sounds and smells of those 1,134 football matches return, the choices Dave makes reflect the twists and turns that life takes. Finally, with just hours to go before the flight, the container is full to the brim. One more programme will be added to the collection - one that Dave never thought he would see and which means more to him than any other. *32 Programmes* is the story of youthful football obsession, crushes on disinterested girls, rubbish jobs and trying to impress skinheads. But most of all, it is the story of a man's life and loves, of family, friends and football.

Shortlisted for the William Hill Sports Book of the Year Award The Sunday Times Sports Book of the Year The Times Sports Book of the Year Telegraph Football Book of the Year 'Ferris's wonderful memoir represents a twin triumph. He has endured every kind of setback in life but has invariably reinvented himself; and his writing is a pure pleasure.' The Sunday Times 'Enough depth and humanity to make your average football autobiography look like a Ladybird book.' Telegraph 'A masterpiece of the genre' Brian McNally 'Football memoirs rarely produce great literature but Ferris's *The Boy on the Shed* is a glistening exception.' Guardian 'Fascinating and stylishly told.' David Walsh, The Sunday Times *The Boy on the Shed* is a story of love and fate. At 16, Paul Ferris becomes Newcastle United's youngest-ever first-teamer. Like many a tricky winger from Northern Ireland, he is hailed as 'the new George Best'. As a player and later a physio and member of the Magpies' managerial team, Paul's career acquaints him not only with Kevin

Keegan, Kenny Dalglish and Bobby Robson, Ruud Gullit, Paul Gascoigne and Alan Shearer but also with injury, insecurity and disappointment. Yet this autobiography is more than a tale of the vagaries of sporting fortune. It begins during 'The Troubles' in a working-class Catholic family in the Protestant town of Lisburn, near Belfast. After a childhood scarred by his mother's illness and sectarian hatred, Paul meets the love of his life, his future wife Geraldine. Talented and carefree on the pitch, shy and anxious off it, he earns a tilt at stardom. His first spell at Newcastle turns sour, as does his return as a physio, although obtaining a Masters degree shows him what he could achieve away from football. When Paul qualifies as a barrister, a career in Law beckons. Instead, a craving to prove himself in the game draws him back to St James' Park as part of Shearer's management triumvirate - with unfortunate consequences. Written with brutal candour, dark humour and consummate style, *The Boy on the Shed* is a riveting and moving account of a life less ordinary

Amoral, cunning, ruthless, and instructive, this multi-million-copy New York Times bestseller is the definitive manual for anyone interested in gaining, observing, or defending against ultimate control – from the author of *The Laws of Human Nature*. In the book that *People* magazine proclaimed “beguiling” and “fascinating,” Robert Greene and Joost Elffers have distilled three thousand years of the history of power into 48 essential laws by drawing from the philosophies of Machiavelli, Sun Tzu, and Carl Von Clausewitz and also from the lives of figures ranging from Henry Kissinger to P.T. Barnum. Some laws teach the need for prudence (“Law 1: Never Outshine the Master”), others teach the value of confidence (“Law 28: Enter Action with Boldness”), and many recommend absolute self-preservation (“Law 15: Crush Your Enemy Totally”). Every law, though, has one thing in common: an interest in total domination. In a bold and arresting two-color package, *The 48 Laws of Power* is ideal whether your aim is conquest, self-defense, or simply to understand the rules of the game.

Everyone yearns for the mountaintop. We search for the conference that will (God willing) be life-changing. The moment when everything in our lives will neatly come together. (It could happen.) Yet daily experience teaches us that we don't — and probably never could — permanently live at such heights. The opposite is also true. Tragedies touch our lives every now and then. When they do we hold on to God with all our might — because He's the only thing that's real to us in those times. But just like life at the heights, life in “the pit” is not the norm. The truth is, most of life is lived somewhere between Mt. Everest and the Grand Canyon. We reside at the corner of Mundane and Grace. The bad news? It gets boring and a little tough to keep going. The good news? That's exactly where God wants you. With light-hearted humor, gentle encouragement, and a healthy dose of wisdom and insight, Chris Fabry reveals the beauty in where you are today — encouraging you to step forward in faith and to encounter God as you have never before At the Corner of Mundane and Grace. You will laugh, cry, and pray as Chris Fabry takes you to the corner of Mundane and Grace. He writes with wonderful, penetrating, down-to-earth insights into both human foibles and the wonders of God's grace. At the corner of Mundane and Grace you will see God in your life in the most marvelous ways. --Charles W. Colson, Prison Fellowship Ministries If your life is rather ordinary, this book will lead you to the extraordinary stuff that God has hidden in your daily routines. --Joseph M. Stowell, President, Moody Bible Institute A big problem in our Christian faith is that we think God is with us only in the pew, when we're spit-shined and all tucked in. Chris Fabry tells us otherwise — that God is with us when we're elbow-deep in dirty diapers, when our marriages are faltering, when the kids are sick and the dog is dying. --Philip Gulley, Author, *Front Porch Tales* Warm, witty, winsome! This happy volume will have a special place in my heart and in my home. I predict that others who taste and feast will be delighted and nourished as I have been. --Adrian Rogers, Pastor, Bellevue Baptist Church

Shortlisted for The Telegraph Sports Book Awards 2019 Long before perma-tanned football agents and TV mega-rights ushered in the age of the multimillionaire player, footballers' wages were capped – even the game's biggest names earned barely more than a plumber or electrician. Footballing legends such as Tom Finney and Stanley Matthews shared a bond of borderline penury with the huge crowds they entertained on Saturday afternoons, on pitches that were a world away from the pristine lawns of the game's modern era. Instead of the gleaming sports cars driven by today's top players, the stars of yesteryear travelled to matches on public transport and returned to homes every bit as modest as those of their supporters. Players and fans would even sometimes be next-door neighbours in a street of working-class terraced houses. Based on the first-hand accounts of players from a fast disappearing generation, *When Footballers Were Skint* delves into the game's rich heritage and relates the fascinating story of a truly great

sporting era.

Bess was enamored by Cole in every way. He was a big, strong man with a gentle and caring heart, and an almost childlike innocence. Cole easily brought out laughter in Bess. It did not take her long to realize she was falling deeply in love with him. Bess ignored the warning signs. She loved this man and her future was with him. Proverbs 22:24

Because it's Saturday is a compelling portrait of life in the professional grass roots of football, far from the glitz and glamour of Premier League superstars. Why does anyone travel from Grimsby to Accrington on a wet Tuesday night in November to watch players battling on a muddy pitch with more gusto than grace? How do teams survive in half-empty stadia, and how does a Cotswolds village side owned by an ex-hippy challenge the likes of Luton for promotion? Award-winning writer Gavin Bell spoke to the owners, managers, players and supporters of eight lower-league sides, over the course of a season, to discover the fierce passions and loyalties that sustain clubs unlikely to win anything other than the devotion of their fans. Going beyond the fields of dreams, Bell explores the communities for whom these clubs are more than football teams. From gritty northern towns blighted by post-industrial decline, to ivory towers of academia and a seaside resort riven by a fans' civil war - it's a rollercoaster ride of a season.

For football fans who hungrily feed on gossip and rumour, Christmas comes twice a year – once in August and again in January. These are the months when the transfer window dominates thoughts, when the prospect of a new signing or two reinvigorates the hopes and dreams of the hopelessly devoted. Nige Tassell goes behind the scenes to observe the workings of the transfer window and to examine why it continues to hold such fascination for a nation of football lovers. He speaks to players, managers, chairmen, agents, scouts, analysts, fans, journalists, broadcasters and even bookmakers to hear how they survive – and possibly prosper from – these red-letter months in the football calendar. Completely up to date to include key action from the 2018/19 transfer window. Nobody writes about football like Nige Tassell: poignant, funny, nostalgic and reminds us why we love the game.

Buried in the bowels of one of the several intelligence agencies in the US government is an office of clandestine medical personnel. Their mission is to analyze the health and mental state of international persons of interest and report their findings to America's policymakers. The team is on call 24/7 to comment on and analyze any written observations, pictures or videos of such persons of interest that may come into the hands of the U.S. government. The goal is to provide timely information to policymakers and negotiators so that the United States of America may achieve maximum success in dealing with the people concerned. Usually this is done in the safe confines of the Agency walls, but sometimes the analysts are forced to place themselves in harms way. Through it all and despite the circumstances, their Code of Honor is to Do No Harm.

Boone Adams: He was so smart he wrote half the English papers for the freshman class, when he wasn't getting drunk at night and waking up hung over in the morning. To him life was full of promise . . . just the ones it didn't intend to keep. Jennifer Grayle: She was the campus golden girl, so rich, so pretty, that every boy wanted to take her out. Except Boone. He wanted to marry her. John Merchant: He was tall and blond with blue eyes and a cleft in his chin like Cary Grant's. He didn't have Boone's lively imagination, but he had something else: Jennifer. Praise for Love and Glory “[Robert] Parker writes with economy and precision and wit and passion. . . . Love and Glory [is] one of the best love stories I've ever encountered.”—The Press-Chronicle “A straightforward, unrelenting, shamelessly romantic novel that's about a two-year obsession. . . . It works . . . [and] love stories that work are almost an extinct breed. Almost.”—Santa Cruz Sentinel “Parker's writing is like fine architecture or music—it's both intricate and direct. There are no false notes.”—Chicago Sun-Times

Football stadiums are supposed to be packed with cheering fans. It was that way for more than 100 years until the coronavirus pandemic changed all our lives. Football managed to struggle on at some levels but without crowds - just cardboard cut-outs and fake noise instead. There was even a half measure for a while with a couple of thousand spectators allowed in. A banner at Old Trafford read, 'Football is nothing without fans', but what we discovered is that it isn't nothing, it's just better with fans there. Filled with fascinating stories, anecdotes, opinions and social media comments, Football's Better with Fans explores what it means to be a supporter. It's a light-hearted and highly dippable look at the lives of loyal fans, the fun and games they've enjoyed, their songs, banter, commitment, tattoos and traditions. The book doesn't shy away from tragedies, hooliganism or racism, but mainly it's a joyful celebration of football fandom and how we all survived when we couldn't go to games.

Dave Roberts was, for once, almost lost for words as the news sank in. Perennial underachievers Bromley, in the vertigo-inducing fifth tier of English football? It was the greatest achievement in the club's 130-year history and, by extraordinary coincidence, Dave had decided to spend the next 12 months in the UK, after an absence of 35 years, deciding whether he and his wife Liz could live there. And what better way to explore modern day Blighty than by following a roadmap based on the fixtures in the Vanarama National League? It was like the ultimate package holiday; well, for Dave at least. Home and Away takes Dave - and occasionally Liz too - the length and breadth of the land on a journey of discovery, with Bromley games thrown in.
