Walker, and Star Wars: 5-Minute Star Wars Stories by Disney Lucasfilm Press © & TM LUCASFILM LTD. Used Under Authorization. A bounty hunter's partners to lovers' story. The hunt is on... and he's the prey. Bradford (Ford) King was sure he had the rest of his life mapped out. Though he was no longer a SEAL Lieutenant, his brother was home safe and he had a job that still allowed him to satisfy his hunger for hunting bad guys. Life was simple, no distractions or complications - at age forty-six - that's all Ford wanted. What he didn't want was his work partner, sniper/watchman, Dana, giving him s**t all the time. Dana Cadby had grown up labeled a roughneck from the wrong side of the tracks. He'd fought, scrounged, and survived despite a father that constantly told him he couldn't. Dana pulled himself up by his own boot straps and made a name for himself in the marksman community. He'd been Duke's bounty watchman for five years. It was his job to ensure their safety, watch their backs. At thirty-three, he was trusted, well respected by his peers, his bosses, his friends... so why couldn't he earn the same respect from his partner? Dana knew he was bisexual before he graduated high school. He also knew he was attracted to the huge, 6'3", SEAL from the moment he and his brother came to join their team. It wasn't easy for him to tamp down his immediate reaction to Ford's thick muscles, full beard, and dark eyes. Still, Dana exhibited nothing but professionalism towards him, not wanting to make his 'straight' partner uncomfortable. So why did Ford constantly give him hell? After Dana took back his ex-girlfriend, he'd noticed an intensification in Ford's bad attitude. One that turned aggressive and downright antagonistic, and Dana was damned if he'd just lay down and take it. He was gonna make that man respect him if it was the last thing he did. When Duke sends Dana and Ford out to track down their most dangerous bounty yet, they both embrace the fact that they make one hell of a team... but they fight tooth and nail against the powerful intimacy brewing between them. Beware: If Ford and Dana connect completely, god help the fugitive who's in the sights of the hunter and his watchman. This story is a part of a series but can stand alone. It does not end on a cliffhanger and has a HEA.

Duke Webb has run the most successful bail recovery agency in Atlanta for over twenty years. That's because he has a team of trained, competent hunters backing him up to keep his name feared on the streets. But Duke knows that

nothing can go on forever. His hunters are in committed relationships and ready to settle down, and so is he. That's what leads him to start his new training program. "That's the new vision for Dukes. Veterans operating and tracking behind the scenes with a new powerhouse apprehension team on the streets." Brian and Quick are the first to offer up two new recruits. Kellam Knight has studied martial arts under his sensei, Quick, since he was eight years old. A tossed-out reject from high-society, Kell has a problem fighting on the right side of the law. If he sees an injustice, he has to correct it. He doesn't have to run and cower from his enemies anymore, he's a fighter who can protect himself and others. When Quick offers Kell the opportunity to join Duke's training program, he's all in. Except he's not prepared for the straight, over-confident, extremely disciplined, sexy man Brian has recruited to be his partner. Tyrell Jenkins' world was flipped upside down when his father never returned home from his last deployment. He'd been Ty's teacher, mentor, his guide to living a righteous life as a good man. His father didn't raise him to be like every other young, stereotypical male in Atlanta. Instead, he's been taught to be respectful, to speak the language of real men. When Brian King - his father's most trusted comrade - finally comes to him with the truth, he doesn't come alone. He comes with trained men hidden in the shadows... and a once-in-a-lifetime opportunity to join a brotherhood unlike any other. This installment is a part of a series and contains previously mentioned characters, but CAN stand alone. Each book centers around a new couple. This book ends in a HEA. NO cliffhanger.
