

## The Boy Nobody Knew Faith Ringgold Reflective Essay

Sunday Times bestselling author and foster carer Casey Watson's first heartbreaking memoir. Justin was five years old; his brothers two and three. Their mother, a heroin addict, had left them alone again. Later that day, after trying to burn down the family home, Justin was taken into care.

Young Carlo Bruno Caporrimo, after the tragic loss of his families fortune as a result of the carnage and massive destruction of his native Sicily during WWII, and the subsequent death of both his mother and father shortly after immigrating to America, is persuaded by a bewilderingly glamorous and glittery underworld of top New York City Mafioso to conduct nefarious family deeds. By taking the wrong road Carlo becomes engulfed in a Manhattan night life of organized crime, gambling, sex and bribery. Proclaimed by the government as a marked jewel thief and finally ordered out of New York City by the District Attorney, he sets out west to begin a new life. It is here that he finds his redemption in Calvarys Cross and his spiritual destiny fulfilled. Travel the world with Dr. Bruno Caporrimo as he proclaims the message of faith, restoration and new life in Christ Jesus. Experience his first hand accounts as a Minister of the Gospel to the nations and read of the impact that his far-reaching ministry has had on lives. Journey with him in his autobiography from mafia boss to the cross!

The epic concluding volume in The Two of Swords trilogy by World Fantasy Award-winning author K. J. Parker. "Why are we fighting this war? Because evil must be resisted, and sooner or later there comes a time when men of principle have to make a stand. Because war is good for business and it's better to die on our feet than live on our knees. Because they started it. But at this stage in the proceedings," he added, with a slightly lop-sided grin, "mostly from force of habit." A soldier with a gift for archery. A woman who kills without care. Two brothers, both unbeatable generals, now fighting for opposing armies. No-one in the vast and once glorious United Empire remains untouched by the rift between East and West, and the war has been fought for as long as anyone can remember. Some still survive who know how it was started, but no-one knows how it will end. The Two of Swords is the story of a war on a grand scale, told through the eyes of its soldiers, politicians, victims and heroes.

Effective instructions on how to share the love of Christ with anyone are offered in this guide. Reissue. 30,000 first printing.

The Man Nobody Knew A Novel WestBow Press

"Philip, you--and all the rest of you, too--have been with me for almost three years and yet you still don't know me." We were shocked to hear these words. All twelve of us had been his closest associates these past three years. We had traveled throughout our home country with him. We had carefully observed him interact with all types of people in all manner of circumstances. We were puzzled, dismayed, even angry at what we thought was his unjust and untrue characterization of us, his dearest friends. Had our service to him and his cause been in vain? Within these pages, Garrett Whitworth introduces The Man Nobody Knew, the man every person somehow innately desires to know. It's an irresistible, compelling, surprising road trip from Nazareth to Jerusalem, from a wooden manger to a wooden tree. Feel the Palestinian dust in your sandals,

savor fish, freshly-roasted over an open fire by the Sea of Galilee, see him walk on water and raise the dead, hear him say, "Follow me." -Ted Hamilton, MD

What happens when speaking the truth becomes illegal? That is the question Pastor Pete Holloway faces when California implements the Hate Speech Reparation and Elimination Act. When the San Francisco pastor is threatened with fines, reeducation, and incarceration for violating the state's new hate speech law, he chooses to flee. But from what? Truth? Responsibility? God? Or his own sin? As he struggles to remain one step ahead of the law, Pete is forced to confront his options. Should he join the resistance and fight back, remain on the run until the Draconian law can be overturned, or should he return to take his stand and face the consequences? As he wrestles with his conscience, he discovers things hidden deep in his heart which must be addressed before he can find resolution and peace. Is he courageous enough to confront them, or has his journey been in vain?

Endorsements

As the voice of Conservative Christian politics in Kansas, I am constantly in the bull's-eye of today's Godless cancel culture. Author David Mathews, through his artistic gift *Fugitive of Faith*, teaches me that I rest comfortably in God's hands. I know this brilliant book will be an incredible gift to you as well. Simply put, *Fugitive of Faith* is a glorious journey through the perils of our progressive society and an honor to read.

State Senator Mark B. Steffen, M.D. Since all but a handful of states have hate crimes laws on the books, this fictional look at how a Bible-believing pastor might deal with being accused of violating the law and face both criminal charges and devastating real world effects is especially relevant. As recent events in Canada clearly illustrate, a day of reckoning for members of the clergy may not be as far away as some Christians believe it to be. *Fugitive of Faith* will serve as a catalyst for soul searching and spark spirited discussion for Christians in all walks of life!

Courtney Montgomery Political blogger at *The Cerebral Conservative*

Includes both books and articles.

Different faiths, shared hopes. Are we more alike than we know? In these first-person stories from diverse voices of faith, hear from people whose faith leads them to seek justice and work for love amidst our world's violence and divisions. Gain a deeper understanding of the diverse beliefs practiced by your neighbors and our shared hopes for building a better world. Reflection questions with each chapter make this book perfect for small group study or read as a private devotional. Acting on Faith inspires hope and encourages personal action through concrete examples of faithfulness, justice, and love from those on the front lines of activism and advocacy. A portion of the proceeds from this book will be donated to Habitat for Humanity of Wake County's Interfaith Build.

Do you constantly struggle with your walk of obedience? Does the secret of faith elude you? Confound you? The first thing we discover after the honeymoon of commitment is that we don't know how to walk in faith. Is it because we don't have enough faith? We assume we should not have a problem with our walk of faith because we love God, but if the truth be known, we do--more often than we care

to admit. Walking in defeat becomes the norm as we struggle to control our lives. Don't lose heart! The Simplicity of Faith offers help and hope where these and other issues are concerned.

In 2004, Jim McKinley contracted Guillain-Barre syndrome. He was trapped inside himself with only slight movements to acknowledge conversation. Many saw him during this time and believed the end was at hand, but God had other plans. Jim did survive and now tells you about his journey. He dealt with pain and demons and was rescued by angels and describes the angel who hovered near his bed one day. He teaches us of God's love, the importance of family and friends, and much more.

Shares a dialog on the Holocaust, anti-Semitism, and faith

**THE STORY:** In *DEFENDER OF THE FAITH*, Stuart Carolan's debut play, an IRA family living in rural Armagh, Ireland, in 1986 come apart under the immense strain put on them when an IRA interrogator visits determined to find the informer in their midst.

Christians are the products of yesterday, today, and forever. It means that we have the past, present, and future. Everybody has past records; if not well handled with faith, it can ruin your future completely. You need faith in Jesus Christ to remain successful in life. Look for faith and make it the foundational stone that will hold your past, present, and future without any unnecessary anxieties. Friends are important when they are contributing to your success, but when you are the only one carrying their burdens, you will soon be like them—poor. Faith will make you survive when you are left alone. God will never visit you for a special miracle until men will leave you alone in the midst of trouble. There are two people you must trust for your future: Jesus Christ and yourself. A meaningful and outstanding future is the result of faith commanded into critical situation when all hope is lost. Everyone that wants to have a glorious future must look for faith to embrace. You cannot divorce faith and marry future. You never know how important faith is until you know how painful it is to live life without faith. The Bible says, "The just shall live by faith" (Romans 1:17, NKJV). Brethren, it is only those that have faith who will drive into future with fearless minds.

During a student exchange program, seventh-graders Ivy June and Catherine share their lives, homes, and communities, and find that although their lifestyles are total opposites they have a lot in common.

The *Viral Faith* is meant to help people pass through their most difficult phases in life with the greatest of ease rather than letting in thoughts of defeat or, at the extreme, suicide. It's a book with high level of inspiration with so many messages of hope and survival. The book shows you how to handle the disappointments from unmet expectations from our spouses, the government, the environment, or our preconceived desires from life. If you have ever given up or are about to give up on anything, then this is a must read book before you take that decision.

God wants to do something fantastic with what you already have!

No one in the vast and once glorious United Empire remains untouched by the rift between East and West, and the war has been fought for as long as anyone can remember. Some still survive who know how it was started, but no one knows how it will end. This serial novel from the World Fantasy Award winning K. J. Parker is the story of a war on a grand scale, told through the eyes of its soldiers, politicians, victims and heroes. The first three parts of The Two of Swords will arrive in April 2015, with further installments to be released monthly. This is the nineteenth installment in the Two of Swords serialization.

I wrote this book for two reasons, both of which are tightly intertwined. First is the fact that my daughter Connie and I discussed writing this book together while she was a freshman at the University of Kentucky. After her death, I needed to accomplish that goal we had set together, to share our faith in God with others who were not fortunate to have been brought up in a Christian home. Second is the fact that I know Satan was controlling the drunk driver who was responsible for Connie's death. Therefore, I want to honor God by sharing my faith that Connie is in heaven. Satan took Connie's life in this world, but God gave Connie eternal life in heaven. Through faith in Jesus Christ, we will someday be in heaven together again. The Bible is the most published book in the world by far, at over nine billion copies. Yet I acknowledge that the Bible is not the easiest place for someone new to Christian theology to begin a journey with God in our modern, science-dominated, politically correct culture. Therefore, I have captured a lifetime of study and discussions about the Bible and shared it with you in this book, in the hopes it will make you aware of what God offers everyone.

Forrester Road is the first standalone book in the Winston/Barnett saga. When Faith Barnett climbed the steps of the caboose on Chuck Winston's freight train, it was the first time she ever set foot outside Wilke County. Stowing away with Chuck would get her to college, but school would not prepare her for the difficulties of the adult world. As Texas and the whole nation were plunged into the globe's first world war, a more insidious and destructive enemy sneaked into town with one of the returning soldiers. The deadly La Grippe, otherwise known as the Spanish Flu, spread around the world like a dark cloud, leaving few households untouched. A lesser war raged in Faith's heart as Gabriel Hamilton weakened her resolve to devote her life to her career as an old-maid school teacher. Faith's discovery that the adult world contained people perfectly willing to betray friends shocked her but seemed trivial when she met Gabe's scheming and manipulative Uncle Horace. If you love history, you will love meeting the families along Forrester Road. Unlike British royalty, many Texans acquired their property through Spanish Land Grants, but the struggles and interaction between the characters is as rich with the intrigue of the times as the storyline of Downton Abby.

Cameron fostered great dreams as a child, and included serving his country like his father did--a World War II veteran and one of the first African American air force pilots. As Cameron matures he discovers that his color and ancestry will make achieving his dreams nearly impossible. Bigotry casts a long shadow and follows Cameron. However, it does not deter the young man from pursuing his desire to serve his country. Despite harsh challenges he begins basic training to become a full-fledged soldier. Cameron's story is one of friendship, love, espionage, and high stakes drama. Cameron and his mismatched friend travel the world free and wild where passion, intrigue, and major challenges confront them. Horizons of Heroes: Free and Wild is a riveting, funny, sexy novel.

In the first book to explore the religious ideals and background of the 43rd president of the United States, *The Faith of George W. Bush* discusses how Bush's spiritual beliefs shape his private life as well as drive his policies and politics. More than any other presidency in recent years, George W. Bush's presidency is "faith based." He has often said that faith saved his life, nurtured his family, established his political career, and helped form the destiny of the nation. Discover how Bush incorporates his faith and belief in God into every detail of life. From his devotional time alone each morning to his frequent use of Scripture in his speeches, the president relies upon his faith to direct his actions and goals. *The Faith of George W. Bush* recounts Bush's conversion to Christianity in 1986, when he overcame a growing dependence on alcohol by turning to the Bible to save his marriage and family. From the tragedy of September 11 to the conflict in Iraq, President Bush has learned to use his faith to help him live his public and private life. This revealing book will inspire others to do the same.

Readers will greatly benefit reading this book's forerunner *SO MUCH WATER SO LITTLE WOOD* for they play in contrasting milieus of maladministration and usually well administered milieus of the financial and other worlds. The American Association of University Professors deserves praise for its penetrating light on that book's milieu benefitting employees and other educational institutions for future years. Professions have their unique vocabulary and idioms of wisdom as does the investment business. Its truth will be summarized. Business flourished for me. Ruth and I could vacation and travel — a more pleasant life. Sorrow struck. Ruth had developed small brain aneurysms and died within four days. Two and a half years later I married Janice Seybolt Morton, a widow with two young daughters. Life went on. And Princeton Seminary? Purposely locked in a forget corner. Then my phone rang. The same student who wanted a copy of my prayer decades ago, now Seminary Archivist, looked for my file, but it was forever assigned to trash. "I still have your prayer," he said. He came for three days, asking questions and recording my answers. He unlocked the corner. I had portraits of five deceased, outstanding former colleagues at Princeton painted for the Seminary, and eventually established endowments for scholarships and distribution of Bibles in South Africa, together with liberal contributions for a new library. Graciously the Seminary dedicated a lecture room in the new library for me on October 22, 2013. This book fulfills my dream of tribute to several of my friends at Pretoria University dedicating their lives to the Kingdom of God. They are all long gone now, one fifty years ago in 2013, but to all applies the inscription on Johannes Petrus Potgieter's grave stone at his mission station Rivoni: "THOU THEY WERE DEAD, YET SHALL THEY LIVE."
