

The Bro Code Barney Stinson

It. Is. On. From the pen of the prolific (and bestselling) author Barney Stinson comes the indispensable guide for every Bro looking to score with The Ladies. Featuring the famous plays including: -The Lorenzo Von Matterhorn -Mrs. Stinsfire -The Ted Mosby -The Time Traveller -The 'SNASA' -The Scuba Diver -The 'He's Not Coming' ... and other greatest hits from Barney Stinson's secret Playbook of legendary moves. So suit up and get ready to be schooled in awesomeness.

Bestselling author of The Bro Code, Barney Stinson of How I Met Your Mother fame, presents The Playbook—like Neil Strauss's The Game for Bros, The Playbook offers advice on the many creative and resourceful ways Barney's developed to wine, dine, and score with "The Ladies." Since the dawn of history man has searched for the answer to the most fundamental of questions: "Why am I here...not banging chicks?" The search is over. Now, with the help of The Playbook, you'll be able to approach any beautiful woman, discover her innermost passion, and use that to trick her into sleeping with you. You'll master more than seventy-five seduction techniques, developed by pickup guru and all-around good guy Barney Stinson, guaranteed to turn you into a bona fide ladies' man. Featuring the famous plays including: · The Lorenzo Von Matterhorn · Mrs. Stinsfire · The Ted Mosby · The Time Traveler · The "SNASA" · The Scuba Diver · The "He's Not Coming" ...and other greatest hits from Barney Stinson's secret Playbook of legendary moves. So suit up and get ready to be schooled in awesomeness.

Each set of 12 coasters in this new book from The Needlecraft Shop features a holder for a cute storage solution. These pretty, fun and whimsical sets match any decor and are fun and fast to stitch on 7-count plastic canvas. Skill level: Beginner

The "highly entertaining and thoroughly reprehensible" #1 New York Times bestseller—now with sixteen pages of photos and a new introduction (The New York Times). My name is Tucker Max, and I am an asshole. I get excessively drunk at inappropriate times, disregard social norms, indulge every whim, ignore the consequences of my actions, mock idiots and posers, sleep with more women than is safe or reasonable, and just generally act like a raging dickhead. But, I do contribute to humanity in one very important way: I share my adventures with the world. --from the Introduction Actual reader feedback: "I find it truly appalling that there are people in the world like you. You are a disgusting, vile, repulsive, repugnant, foul creature. Because of you, I don't believe in God anymore. No just God would allow someone like you to exist." "I'll stay with God as my lord, but you are my savior. I just finished reading your brilliant stories, and I laughed so hard I almost vomited. I want to bring that kind of joy to people. You're an artist of the highest order and a true humanitarian to boot. I'm in both shock and awe at how much I want to be you."

F stands for "funny" in this perfect gift for students or anyone who has ever had to struggle through a test and needs a good laugh.

Celebrating the creative side of failure in a way we can all relate to, F in Exams gathers the most hilarious and inventive test answers provided by students who, faced with a question they have no hope of getting right, decide to have a little fun instead. Whether in science (Q: What is the highest frequency noise that a human can register? A: Mariah Carey), the humanities (Q: What did Mahatma Gandhi and Genghis Khan have in common? A: Unusual names), math, or other subjects, these 250 entries prove that while everyone enjoys the spectacle of failure, it's even sweeter to see a FAIL turn into a WIN.

Welcome to Pawnee: More Exciting than New York, More Glamorous than Hollywood, Roughly the Same Size as Bismarck, North Dakota In

Pawnee, Leslie Knope (as played by Amy Poehler on NBC's hit show Parks and Recreation) takes readers on a hilarious tour through her hometown, the Midwestern haven known as Pawnee, Indiana. The book chronicles the city's colorful citizens and hopping nightlife, and also explores some of the most hilarious events from its crazy history -- like the time the whole town was on fire, its ongoing raccoon infestation, and the cult that took over in the 1970s. Packed with laugh-out-loud-funny photographs, illustrations, and commentary by the other inhabitants of Pawnee, it's a must-read that will make you enjoy every moment of your stay in the Greatest Town in America.

Have you ever heard a guy say, "We're pregnant," and wanted to hurt him? Do you have a friend who insists a stripper was into him every time you leave a strip club? Do you know a guy who emails you the kind of porn that makes you want to cry then vomit? These are just a few of the many guys you'll find in Don't Be That Guy.

A guy walks into a bar car and... From here the story could take many turns. When this guy is David Sedaris, the possibilities are endless, but the result is always the same: he will both delight you with twists of humor and intelligence and leave you deeply moved. Sedaris remembers his father's dinnertime attire (shirtsleeves and underpants), his first colonoscopy (remarkably pleasant), and the time he considered buying the skeleton of a murdered Pygmy. With Let's Explore Diabetes with Owls, David Sedaris shows once again why his work has been called "hilarious, elegant, and surprisingly moving" (Washington Post).

Shares "bro-style" advice for prospective parents that declares that the cool time of life is over once children arrive and explains how to render a child's life awesome in spite of parental lameness.

Beyond summarizing the three volumes on Persona, Shadow and Ego in the Map of the Soul series, this latest book explores the entire BTS album, start to finish, revealing profound insights into the collective psyche of BTS. The title of BTS's latest album, Map of the Soul: 7, captivates the mind with its suggestive and alluring imagery. It came as a surprise to many fans. Expected was an album that would follow upon Map of the Soul: Persona with songs about Shadow or Ego. While the new album does indeed include songs with these themes, it is much more complex and broader in vision than expected. The number 7 suggests mystery. It catches the mind's attention with its symbolic significance. What does this number mean in relation to the idea of a "map of the soul?" This book dives into this mystery and explores the unconscious reaches of our mind. Fans of BTS from around the world will marvel at the depth of meaning in the songs contained in Map of the Soul: 7. They take the listener into deep reflection upon the meaning of striving and ambition, the dangers of worldly success, and the amazing resiliency of the human spirit to recover and go on despite the pitfalls on life's journey. The songs themselves function as a map for souls who are setting out in life and engaging in challenging relationships. The songs are reflective, mirroring what we find within ourselves in our struggles to become and to thrive. When you stand on the threshold of a new land, it is useful to have a map as your guide. The great psychologist of the 20th Century, Carl Jung, created a Map of the Soul that many people in his time found more than a little helpful, even lifesaving. It is even more so now, for people in the 21st Century, caught in the profound complexities of modern life. Armed with this map, people are better able to find their way successfully through life's journey. Today, BTS is putting this map into the hands of their fans. For this great service we are profoundly very grateful.

Every culture is governed by an internal code of conduct, and this publication captures the code of Saudi culture. Most Saudi norms have long been unwritten and only orally communicated among citizens. As a result, visitors to the country have been unable to read about these norms. For this reason, this book spells out these norms in bold print. It provides bite-sized descriptions of 'the Saudi'. It is informed by around 2,000 interviews with Saudis and expats. It is the first to talk about the culture in a purely descriptive (and therefore non-judgemental)

manner. Writings about Saudi culture tend to be too serious; however, this publication is meant not to be taken too seriously. It is, rather, intended to be entertaining (and, surely, informative). It is written mostly on the toilet (and is, likewise, meant to be read on the toilet). It avoids being biased, recording both 'negative' and 'positive' norms. It tries to avoid using such sensitive words as 'religion' and 'politics', considering that it is written entirely for cultural orientation (not for religious or political matters). The book is the first to be written by a male Saudi who was born and raised in the country, who is still based there, who is a former officially-recognised 'imam' (i.e. a worship leader) and who comes from a working-class family. Yet, he is a traveller, professor and Oxford graduate. He has been with people from different ethnicities. He has published in different languages and with globally known publishers. Hence, he has shown an ability to communicate with international readers and convey information to foreign mentalities.

Nestled in thriving woodlands, overlooking bodies of water, or even exposed to the elements on a mountain's peak, architects are contending to create high-impact spaces on a small scale. Cabin Fever takes a broad look at remote retreats designed to make the most of their natural surroundings and illustrates why the call of the wild is louder than ever. A desire to escape the commotion of the city without sacrificing creature comforts is something felt by many; especially in today's interconnected world. Featuring rustic timber cabins on stilts, mirrored pods in the woods, and otherworldly off-grid getaways, Cabin Fever showcases a new wave of modern hideaways, all remotely positioned and away from the hustle and bustle.

From the hit TV show *How I Met Your Mother* comes Barney Stinson's words of wit, wisdom, and awesomeness, *The Bro Code*—the New York Times bestseller (really!) with more than a million copies in print all around the world. Everyone's life is governed by an internal code of conduct. Some call it morality. Others call it religion. But Bros in the know call this Holy Grail *The Bro Code*. The Bro Code is a living document, much like the Constitution. Except instead of outlining a government, or the Bill of Rights, or anything even resembling laws, *The Bro Code* provides men with all the rules they need to know in order to become a "bro" and behave properly among other bros. Historically a spoken tradition passed from one generation to the next and dating back to the American Revolution, the official code of conduct for Bros appears here in its published form for the first time ever. By upholding the tenets of this sacred and legendary document, any dude can learn to achieve Bro-dom. Containing approximately 150 "unspoken" rules, this code of conduct for bros can range from the simple (bros before hos) to the complex (the hot-to-crazy ratio, complete with bar graphs and charts). With helpful sidebros *The Bro Code* will help any ordinary guy become the best bro he can be. Let ultimate bro and coauthor Barney Stinson and his book, *The Bro Code* share their wisdom, lest you be caught making eye contact in a devil's three-way (two dudes, duh).

"In *Dad is Fat*, stand-up comedian Jim Gaffigan, who's best known for his legendary riffs on Hot Pockets, bacon, manatees, and McDonald's, expresses all the joys and horrors of life with five young children--everything from cousins ("celebrities for little kids") to toddlers' communication skills ("they always sound like they have traveled by horseback for hours to deliver important news"), to the eating habits of four year olds ("there is no difference between a four year old eating a taco and throwing a taco on the floor"). Reminiscent of Bill Cosby's *Fatherhood*, *Dad is Fat* is sharply observed, explosively funny, and a cry for help from a man who has realized he and his wife are outnumbered in their own home"--

Seen through the eyes of siblings 14 years apart in age, *X vs. Y* is a smart, funny, stylish, and visually driven anthology that compiles and compares their two generational cultures. It's a story told through lists, infographics, essays, anecdotes, and images, with chapters devoted to fashion, TV, music, technology, dating, books, and movies. Through musings on topics such as leg warmers, *Clueless*, *Sassy* magazine,

and MTV, along with mixtapes and TV characters, X vs. Y paints a portrait of two intricately entwined generations.

The Bro Code Barney Stinson

Nora Ephron returns with her first book since the astounding success of *I Feel Bad About My Neck*, taking a cool, hard, hilarious look at the past, the present, and the future, bemoaning the vicissitudes of modern life, and recalling with her signature clarity and wisdom everything she hasn't (yet) forgotten. Ephron writes about falling hard for a way of life ("Journalism: A Love Story") and about breaking up even harder with the men in her life ("The D Word"); lists "Twenty-five Things People Have a Shocking Capacity to Be Surprised by Over and Over Again" ("There is no explaining the stock market but people try"; "You can never know the truth of anyone's marriage, including your own"; "Cary Grant was Jewish"; "Men cheat"); reveals the alarming evolution, a decade after she wrote and directed *You've Got Mail*, of her relationship with her in-box ("The Six Stages of E-Mail"); and asks the age-old question, which came first, the chicken soup or the cold? All the while, she gives candid, edgy voice to everything women who have reached a certain age have been thinking . . . but rarely acknowledging. Filled with insights and observations that instantly ring true—and could have come only from Nora Ephron—I Remember Nothing is pure joy.

"Legen, wait for it, dary! " Comme Barney Stinson, soyez le bro le plus cool, le plus séducteur, le mieux habillé de la terre... Le Bro Code, c'est 150 règles de vie à respecter absolument pour être un bro. Article 7 : Un Bro ne doit jamais avouer qu'il ne sait pas manier un levier de vitesse. Même après un accident. Article 137 : Quand un Bro reçoit chez lui, il achète toujours assez de pizzas pour tous ses bro. Article 100: Quand il s'arrête à un feu, un Bro baisse la vitre pour que tout le monde puisse apprécier sa sélection musicale.

Some rules were made to be broken. As a certified stand-up bro, Nick Maguire knows that some things in life are sacred: Do not skip ab workouts. Never back down from spicy foods. And always accept the outcome of Rock, Paper, Scissors. For these are the revered doctrines of The Bro Code, rules of conduct that have been passed down through the ages from bro to bro. Heading into his senior year, Cassidy High's star soccer player has his priorities straight and intends to spend his time playing sports, hanging out, and living by the code. But when his best bro Carter's sister Eliza returns from studying overseas, the awkward, academic girl Nick remembers is different. Carter might be Nick's bro, but Eliza becomes his whole world—and choosing between them is unimaginable. Ultimately, Nick needs to decide if being with the girl of his dreams is worth breaking The Bro Code's most important rule of all: never date your best bro's sister . . . because he simply can't have both.

Now everyone's favorite joke books from Rob Elliott can be found in one economical volume! Combining his bestselling *Laugh-Out-Loud Jokes for Kids*, *Zoolarious Animal Jokes for Kids*, and *Knock-Knock Jokes for Kids*, Elliott will have kids

of all ages laughing with the gut-bustingest, knee-slappingest, guffaw-inducingest, funniest collection of clean jokes you can find. Great on car rides, at the dinner table, on the playground, and anywhere in between, this collection of hilarity will make you and those around you smile every day.

Extending from the belief that masculinities are multiple, consisting of complexities and constructions that make up the traits associated with each, this book explores the various ways in which boys and men are conditioned to view women as inferior to themselves and predominantly sexual objects—and the deleterious effects this has on both women and men, society, and culture at large. Beginning in childhood, the book provides a critical framework to understand one form of masculinity referred to as "bro culture," and how it is reproduced and reinforced through popular culture, social institutions, and patriarchal forms of religion and politics. Weaving together current research with illuminating historical and contemporary examples, Thomas Keith unpacks the attitudes, beliefs, and behaviors that constitute this subculture and reveals the ways in which traditional and outdated codes of manhood, power, and gender relations have evolved into problematic forms of sexism, misogyny, and abuse. For as much as popular culture is revealed to be a contributing factor in the passage of bro codes, the book also includes examples of cultural forces that are challenging and seeking to overthrow the core tenets in powerful and lasting ways. Timely and thought-provoking, *The Bro Code* addresses the implications of an enduring social problem and moves us to reflect on ways to empower men away from this toxic form of masculinity.

Barney Stinson, Kultfigur der TV-Sitcom "How I Met Your Mother", ist das neue Männervorbild unseres Jahrzehnts und der beste Bro ("Brother") aller Zeiten. Ein Bro ist ein Kumpel, mit dem man durch dick und dünn geht, dem man alles anvertrauen kann und der immer zu einem hält. Für Barney sind seine Bros wichtiger als die große Liebe. Er macht für sie mit nervigen Freundinnen Schluss und klettert auch mal morgens um 4 Uhr verrostete Feuerleitern hinauf, wenn das Mädchen, mit dem sein Bro gerade nach Hause gegangen ist, keine Kondome da hat.

Compassionate and profound in their wry humor, this collection of stories captures the poetry of human relationships at the point where reality and imagination meet.

The Bro Code: 1) Bros before hos. 2) Bros don't leave their bros behind. 3) Bros don't give their bros the silent treatment. 4) And bros never, ever, try to steal their bro's girlfriend. Best friends Jay and Mike live by The Bro Code. Their senior year of college is a time to party and prepare for graduation. It's not a time for relationships with serious girls like Amanda Slate. Too bad they're both in love with her. The new sweet-hot romance from Jacqueline Patricks! 'I WAS THERE WITH THESE TWO GIRLS ONCE; THEY WERE STRIPPERS. THEY SAID 'DAVE, WE'D LIKE YOU TO GO UPSTAIRS, THE TWO OF US, WITH YOU. ' SO I SAID, 'OKAY'. IT WAS ANGUS, AND IT WAS HOT AND SWEATY AND

HUMID, AND WE COMMENCED TO DELIVER THE GROCERIES AT 138 BEATS PER MINUTE OR MORE. ONE OF THE GIRLS HAD \$1500 IN SINGLES AND FIVES AND TENS, HER END-OF-THE-WEEK TIPS AND PAY AND EVERYTHING IN HER G-STRING. NOBODY NOTICED, YOU KNOW, WHEN THE G-STRING CAME UNDONE -- WELL, I NOTICED -- NOBODY NOTICED THE MONEY, LIKE, FLOATING AROUND. I WOKE UP AT SOME POINT AROUND DAWN, THE TWO OF THEM WERE ASLEEP, AND ALL THREE OF US WERE COVERED WITH MONEY, EVERY SQUARE INCH OF SKIN HAD A DOLLAR BILL PASTED TO IT -- THERE WAS NOTHING BUT. THE WHOLE BED WAS COVERED WITH BILLS. OUR BODIES WERE COVERED WITH BILLS. THERE WAS BILLS IN MY UNDERWEAR. TAKE A LITTLE PICTURE OF THAT. ' So begins perhaps the ultimate rock autobiography. Throughout the late-seventies and eighties Van Halen were the archetypal American rock group. Whats more they were also the highest paid band in the history of show business, taking a cool \$1 million for a night's work at a festival in 1983 and making the Guinness Book of Records.

The #1 New York Times Bestseller: "A hilarious take on that age-old problem: getting the beloved child to go to sleep" (NPR). "Hell no, you can't go to the bathroom. You know where you can go? The f**k to sleep." Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don't always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won't care. Bold illustrations and easy-to-read text encourage children who are going out into the world to spread their wings, knowing they have everything they need inside them.

THE BRO CODE provides men with all the rules they need to know in order to become a "bro" and behave properly among other bros. THE BRO CODE has never been published before. Few know of its existence, and the code, until now, has been verbally communicated between those in the 'bro'. Containing approximately 150 "unspoken" rules, this code of conduct ranges from the simple (bros before hos) to the complex (the hot-to-crazy ratio, complete with bar graphs and charts). With helpful sidebros THE BRO CODE will help any ordinary guy become the best bro he can be. Let ultimate bro and co-author Barney Stinson and his book, THE BRO CODE share their wisdom, lest you be caught making eye contact in a devil's three-way (two dudes, duh.) Sample Articles from THE BRO CODE: Article 1: Regardless of veracity, a Bro never admits familiarity with a Broadway show or musical. Article 53: A Bro will, whenever possible, provide his Bro with prophylactic protection. Article 57: A Bro may not speculate on the expected Bro / chick ratio of a party or venue without first disclosing the present-time observed ratio.

Bestselling and beloved creator Todd Parr brings his trademark wit and wisdom to this celebration of all different kinds of brothers, perfect for children expecting new siblings! Some brothers are big. Some brothers are little. Some brothers are quiet. Some brothers are a little wild. All brothers are a special part of your family! Following up on his family classics The Mommy Book, The Daddy Book, The Grandma Book, and The Grandpa Book, Todd Parr turns to siblings! With his trademark childlike art, Todd

celebrates all different kinds of brothers. Whether they are older or younger, enjoy playing sports or dancing, or prefer to hang out together or need time to themselves, brothers are always a special part of your family. This sibling celebration is perfect for brothers of all ages, and for older boys and girls who are expecting a new little one.

Quotes captures your subconscious mind, which forms 90% of your total mind. The subconscious mind is the creative mind. So, when it is frequently filled with positive commands it will bring an overall change in your overall personality. Most of the quotes will hardly take you 10-20 seconds to swallow. However the message contained in these quotes are quite heavy, which will be sufficient for months or even years. If you closely make a study of quotes, you will come to see, they were not created, rather it happened by accident. Great leaders and visionaries say things from their life experience which will be picked up by their followers and they will publicize it to the world. So it is not sold to you, rather it is passed from generation to generation, like a rare gem. "Girls are like cartons of milk. Each one has a hotness expiration date and you've hit yours. I'm not saying the occasional guy won't still go to the fridge, open you up, take a sniff, shrug and take a sip anyway: but it's all downhill from here." - Barney Stinson Barney Stinson is awesome. How do we know? Because the supremely confident womanizer played by Neil Patrick Harris on How I Met Your Mother never lets anyone forget it. The show may be about the road to romantic love for main character Ted Mosby, but the most entertaining parts of any episode are the hilarious one-liners and bold proclamations made by Barney. "Okay, pep talk! You can do this, but to be more accurate, you probably can't. You're way out of practice and she's way too hot for you. So, remember, it's not about scoring. It's about believing you can do it, even though you probably can't. Go get 'em, tiger!" - Barney Stinson

Since Spring 2013, Francesca Hornak has been writing a hugely popular column in the Sunday Times Style section, 'History of the World in 100 Modern Objects'. Featuring a different iconic object each week, the column explores contemporary middle-class life through the objects we fetishise. Each column is a little vignette about a different character, such as Izzy, who's 26 and interns at Kelly Hoppen and gets into a spat with her flatmate about a twee Oliver Bonas cake stand, Nick, 40, who's considering the safety aspects of his children's bike trailer and remembering his old DJing days, and Philippa, 64, who's tussling with her Sky TV remote after her divorce. Funny, charming and sometimes poignant, each column is an evocative slice of modern life. The columns are accompanied by crisp, colourful illustrations by the illustrator James Joyce, which make the book into a design object itself.

Dom Joly sets off round the world, but this time he's not looking to holiday in a danger zone - he's monster hunting. Ever since he was given a copy of Arthur C. Clarke's Mysterious World for his ninth birthday Dom has been obsessed with the world of cryptozoology - monster hunting - and in Scary Monsters and Super Creeps he heads to six completely different destinations to investigate local monster sightings. He explores the Redwood Curtain in northern California in search of Sasquatch; in Canada he visits Lake Okanagan hoping to catch a glimpse of a thirty-foot snake-like creature called Ogoopogo; and near Lake Tele in Congo he risks his life tracking the vegetarian sauropod Mokele-mbembe. Naturally he heads to Loch Ness - but for this hunt he has his family in tow; he treks across the Khumbu Valley in Nepal looking for Yeti; and in the hills above Hiroshima in Japan he enlists the

help of a local man to find the Hibagon, a terribly smelly 'caveman ape'. Are the monsters all the product of fevered minds, or is there a sliver of truth somewhere in the madness? Either way, the search gives Dom an excuse to dive into six fascinating destinations on a gloriously nutty adventure. In typically hilarious and irreverent fashion, Dom explores the cultures that gave rise to these monster myths and ends up in some pretty hairy situations with people even stranger than the monsters they are hunting. Like philosophy itself, *How I Met Your Mother* has everyone thinking. How does a successful show that's been on the air for years suddenly become a hit in its fifth and sixth season? Have you ever wondered why you identify so strongly with Barney despite the fact that he's such a douche? Or why your life story doesn't make sense until you know the ending—or at least, the middle? Or where the Bro Code came from and why it's so powerful? Or why you'd sooner miss the hottest date in your life than have to live in New Jersey? Of course you have, or if you haven't, you'll clearly remember from now on that you have. *How I Met Your Mother* and *Philosophy* answers all these questions and a whole lot more, including one or two that even you may not have thought of. Twenty of the awesome-est philosophers ever congregated in one bar have come together to quaff a few drinks—and to analyze this most awesomely philosophical of sitcoms. They poke, prod, and sniff at such momentous matters as the metaphysics of possible worlds, the misdeeds of Goliath National Bank, the ontology of waiting to get slapped, the epistemology of sexual attraction, why the Platinum Rule is to never love thy neighbor, the authenticity of censoring yourself, the ethics of doing bad things with partly good intentions, why future Ted's opinions matter to present-day Ted, whether it's irrational to wait for the Slutty Pumpkin, and why Canadians have that strange Canadian slant on things. This book shows that viewers of *How I Met Your Mother* and *Philosophy* know that philosophy is much more than a song and dance routine.

« Legen... wait for it... dary! » Comme Barney Stinson, soyez le bro le plus cool, le plus séducteur, le mieux habillé de la terre... Le Bro Code, c'est 150 règles de vie à respecter absolument pour être un bro. Art. 7 : Un Bro ne doit jamais avouer qu'il ne sait pas manier un levier de vitesse. Même après un accident. Art. 137 : Quand un Bro reçoit chez lui, il achète toujours assez de pizzas pour tous ses bro. Art. 100 : Quand il s'arrête à un feu, un Bro baisse la vitre pour que tout le monde puisse apprécier sa sélection musicale.

Nos vies sont toutes gouvernées par un code de conduite que nous intériorisons. Certains l'appellent la morale, d'autres la religion. Les Bros avertis appellent ce Saint Graal : Le Bro Code. N'existant jusqu'alors que par le biais d'une tradition orale transmise de génération, en génération, le code de conduite officiel des Bros est aujourd'hui publié pour la toute la première fois en langue française. En observant les doctrines de ce document sacré et hallucinant, n'importe quel mec peut se faire une place dans le Broyaume.

About the Author Barney Stinson is an awesome dude who lives in New York City and appears weekly on the hit CBS

show How I Met Your Mother. Matt Kuhn is one of the coolest staff writers for How I Met Your Mother and helps write Barney's Blog on the show's website. He lives in Los Angeles, California. Everyone's life is governed by an internal code of conduct. Some call it morality. Others call it religion. But Bros in the know call this holy grail The Bro Code. Historically a spoken tradition passed from one generation to the next, the official code of conduct for Bros appears here in its published form for the first time ever. By upholding the tenets of this sacred and legendary document, any dude can learn to achieve Bro-dom.
