

The Callahans A Mafia Romance The Complete 5 Books Series

I was a Sixty-Eight Whiskey—a combat medic. So when I hear someone shout “MEDIC!” training just kicks in. It’s automatic, immediate. I don’t think I even saw the guy whose leg I tended to, not really. All I saw was him. Zane Badd. His tuxedo fit him like he’d been sewn into it, and his eyes reflected the fury and the hardness of a combat veteran, but when he looked at me, he just...softened. By the time I had his brother patched, Zane and I were both covered in blood, and I knew I had to have him. The trouble with Zane isn’t getting him, it’s keeping him. And the trouble with me is, even if I could hold onto a man like Zane, I wouldn’t know what to do with him. It’s not in my nature, and if life has taught me anything, it’s to not trust anyone, least of all men like Zane. He’s a warrior through and through, hard, muscular, gorgeous, tenacious, and yet oddly tender toward me. Experience and instincts are telling me to run from Zane Badd as fast as possible, but my heart and my body are telling me to stay, to hold on and not let go. Yeah, it’s a conflict as old as humanity itself, but it’s brand new for me. * * * Life as Navy SEAL doesn’t exactly prepare you for normality. Yeah, I can tend bar and goof off with my seven crazy brothers, but what do I do when the woman of my dreams—dreams I didn’t know I’d had until I saw her—explodes into my life like a frag grenade? I’m trained to attack, to win, to survive at any costs, and figuring out what to do about a woman like Amarantha Quinn will take every scrap of tenacity and courage I possess. Combat is easy, it turns out, in comparison to facing your own fears and scars. And then sometimes, just when you think you’ve got it finally figured out, fate throws you a screwball and sends everything FUBAR.

Alannah Sullivan met Dominic Collazo when she was only in the fifth grade. She knew him when the other kids called him names and made fun of his over-sized facial features. She knew him when he was a shy introvert with a quick temper. She knew him when he was first introduced to the mob lifestyle by his father, a made man in the St. Louis mafia. Alannah knew Dominic before anybody could see his potential, and she fell in love with him when she was just a teenager... just in time for her family to pack up and move away from the city and the boy she loved. But, Alannah is back now, and after ten long years, Dominic Collazo is all grown up. No longer the quiet loner, Dominic is larger than life, and every woman's fantasy. He's a rich casino owner with the looks of a Greek god, and an alpha male persona to die for. He's also a captain in the notorious Giordano crime family. When the two of them meet again in the lobby of Lumiere Place Casino & Hotel, Alannah has no idea that her second chance with Dominic will also be her biggest curse. As drama immediately ensues and bullets start to fly, Alannah has to ask herself if Dominic is worth all the trouble that comes with him. Would you risk everything to be with the love of your life, even if he's the mafia's newest KINGPIN?

A modern Hades and Persephone retelling ... My name is Sebastian Lindstrom, and I’m the villain of this story. Don’t mistake this for a confession. I neither seek forgiveness nor would I accept it. My sins are my own. They keep me company. Instead, this is the true tale of how I found her, how I stole her, and how I lost her. She was a damsel, one who already had her white knight. But every fairy tale has a villain, someone waiting in the wings to rip it all down. A scoundrel who will set the world on fire if that means he gets what he wants. That’s me. I’m the bad guy.

When I saw her from across the bar with her pretty little face, her big brown eyes, her long black hair and her beautiful, fuck-me body, I just knew that I would never be able to shake her from my damn mind. She turned my life upside down from the day I fucking laid eyes on her. But then, the situation changed. She saw something she shouldn’t have seen. Found out who I really was. The truth behind my rugged exterior. But you know the rules of the Corsican Mafia. No witnesses... So I had to take her in. I had to make her my hostage. And I had to make her my wife... Whether she liked it or not.

He could do anything he wanted with me. And I know what it is he’s looking for. He can’t hide the desire in his gaze. The flicker of heat between us is something I can’t deny either. And as the days grow colder, I’m finding it harder to resist. Part two of the epic three-part conclusion to the Ruthless People and Children of Vice series... Do you understand why I asked you last time, how well do you think you knew the Callahans? I will show you what they are all really, truly, capable of, because I am no longer in the shadows. I am here. In my kingdom, at last. And I do not give a damn about your opinions of me, or the one who came before me. We are doing things my way now. So bow...or be broken.

Sincerely, Mrs. Callahan

Killing for me is easy. Loving is an entirely different thing. Una is the only person I ever gave a damn about, but she's off limits. I'm grateful she only spends the summer with us. I can't risk her getting involved in my life of crime. But now she's here, all grown up, and this time, I don't think I can stay away from her. When Una starts partying with Darragh, who's as wild and unpredictable as they come, I can't afford keeping my distance any longer. Bodies seem to stack up wherever he goes. Cleaning up his messes used to be annoying. Now I have Una to consider, Una to protect. My family is belly deep in the criminal underworld, and she's a distraction I can't afford. The closer she gets to me, the more I'm spiraling out of control. I can't let her see who I really am, but I can't seem to let her go. Vicious is a two part story focusing on Finn and Shane O'Reagan.

Travis Maddox, Eastern University's playboy, makes a bet with good girl Abby that if he loses, he will remain abstinent for a month, but if he wins, Abby must live in his apartment for the same amount of time.

Children of Vice #2 "Show me a strong woman and I'll show you the scars on her soul that made her so." Everything I've done, everything I will do...no remorse. The world is a vicious place for a woman. It's even crueler to the daughter of the Ceann na Conairte—discarded, married off, left powerless... But I am no ordinary daughter of the mafia. Unlike every other mafia family, my mother was Melody Callahan, Bloody Mel, the Don of the Italian Mafia, and the Don didn't raise some precious mafia princess. Bone by bone she broke me first, so no one else could—and bone by bone, I pieced myself back together. I am no longer just the daughter. I am the Don. I am Donatella Aviela Callahan, and there is only one way—my way.

A cop in a snowy Minnesota town pulls over a sharp-witted woman with ties to the Russian mob in this fast-paced, fun and sexy novel from New York Times bestseller Elizabeth Hoyt writing as Julia Harper. IS THERE A PROBLEM, OFFICER? Small town cop Sam West certainly doesn't mind a routine traffic stop: speeding ticket, stern warning, and sayonara. With a whopper of a blizzard closing in, that's all he has time for. But the lawbreaker he pulls over is anything but typical. From her mile-long legs to her razor-sharp wit, Maisa Burnsey is like nothing Coot Lake, Minnesota, has ever seen . . . and she's about to take Sam on the ride of his life. BEING BAD HAS ITS BENEFITS Whoever said blood is thicker than water probably wasn't related to a former Russian mobster. But an innocent mix-up and rumors of stolen diamonds soon have the Russian mob taking an unusual interest in the sleepy little town-and Maisa facing heated

scrutiny from a certain tall, dark, and handsome deputy. Sam's dazzling blue eyes beg her to reveal all her secrets, but how much should she tell? Getting snowed in with the sexiest lawman in the frozen north may not be the worst way to decide . . .

Lucia It all started with a contract signed by him, then by me, while our families watched. While my father sat silent, a man defeated, giving his daughter to the Benedetti monsters. I obeyed. I played my part. I signed my name and gave away my life. I became their living, breathing trophy, a constant symbol of their power over us. That was five years ago. Then came the time for him to claim me. For Salvatore Benedetti to own me. I had vowed vengeance. I had learned hate. And yet, nothing could have prepared me for the man who now ruled my life. I expected a monster, one I would destroy. But nothing is ever black or white. No one is either good or evil. For all his darkness, I saw his light. For all his evil, I saw his good. As much as he made me hate him, a passion hotter than the fires of hell burned inside me. I was his, and he was mine. My very own monster. Salvatore I owned the DeMarco Mafia Princess. She belonged to me now. We had won, and they had lost. And what better way to teach a lesson than to take from them that which is most precious? Most beloved? I was the boy who would be king. Next in line to rule the Benedetti Family. Lucia DeMarco was the spoils of war. Mine to do with as I pleased. It was my duty to break her. To make her life a living hell. My soul was dark, I was hell bound. And there was no way out, not for either of us. Because the Benedetti family never lost, and in our wake, we left destruction. It's how it had always been. How I believed it would always be. Until Lucia.

From New York Times bestselling author Monica Murphy comes an angst-filled new adult romance featuring Drew + Fable's (One Week Girlfriend) daughter, Autumn Callahan! Asher Davis. My first crush. My first kiss. The boy who ripped my heart out of my chest again and again. Over and over. I let him have it every single time. Willingly. We are that toxic high school couple you hear about, the one you witness in the hallway as they avoid each other. You laugh at them in class when they're forced to work together, their gazes full of hatred. We are the couple you gossip about when they win homecoming prince and princess their sophomore year... The back and forth is what kills me the most. I'm not his princess, I'm the girl he toys with when he's bored. And he's definitely not my prince, no matter how badly I want him to be. Finally it's our senior year and we're months away from never having to see each other again when disaster strikes—and brings us closer together. All it takes is one touch, and I'm burning for Ash. Hotter than I ever have. But will that burn turn into a devastating fire? Or can we actually make it work this time?

"We knew the risk. We decided to take it. I don't regret a single second and neither should you..." - Bryant Benson. It started out so innocent. I saw my best friend's father at an art show, and I knew the woman hitting on him wasn't looking for love. I thought I could do him a favor. That's what I told myself and I think I even believed it. I was just going to walk up, pretend to be his date, and then we would laugh about it after she was gone. You know what they say about the best laid plans... One night of make believe that never should have happened. It ignited a spark inside both of us. We tried to fight it until we made a mistake, and one forbidden kiss led to so much more. Sometimes, you don't know that you're about to cause a scandal until you're right in the middle of it.

Breakout sensation Monica Murphy takes the romance genre by storm with the deeply emotional, completely addicting story of Drew and Fable. Temporary. That's the word I'd use to describe my life right now. I'm temporarily working double shifts—at least until I can break free. I'm temporarily raising my little brother—since apparently our actual mother doesn't give a crap about either of us. And I always end up as nothing but the temporary girlfriend—the flavor of the week for every guy who's heard the rumor that I give it up so easily. At least Drew Callahan, college football legend and local golden boy, is upfront about it. He needs someone to play the part of his girlfriend for one week. In exchange for cash. As if that's not weird enough, ever since he brought me into his world, nothing really makes sense. Everyone hates me. Everyone wants something from him. And yet the only thing Drew seems to want is . . . me. I don't know what to believe anymore. Drew is sweet, sexy, and hiding way more secrets than I am. All I know is, I want to be there for him—permanently. Praise for One Week Girlfriend "A sweet and sexy read with a dash of angst. It will hook you from page one!"—Under the Covers "The author had me hooked within the opening pages. What a great debut novel by Monica Murphy! . . . The perfect book that would make the world stop for a few hours and suck me into another universe completely. The perfect book that would make my heart race and stop all at the same time. Be on the lookout for Monica Murphy because I'm sure you'll be hearing more great things from her!"—Mostly YA Book Obsessed "A delicious read, hot romance, complicated characters and intense drama."—Literary Cravings "An emotional and heartbreaking storyline . . . Cilla The Beast had Belle. Killian Black has me. How I got here doesn't matter, even though he says it does. Says it was my choice. He doesn't get it, though. It wasn't ever a choice for me. And now, he's changing the rules. The agreement was one month. For thirty days, I'd be his. He's no longer satisfied with my body alone, though. He wants my soul, too. Wants every part of me. Born into one of the leading Mob families in Chicago, Aria Scuderi struggles to find her own path in a world where no choices are given. Aria was only fifteen when her parents betrothed her to Luca - The Vice - Vitiello, the oldest son of the head of the New York Cosa Nostra to ensure peace between the two families. Now with eighteen, the day Aria has been dreading for years is looming dangerously: her wedding to Luca. Aria is terrified of marrying a man she hardly knows, especially someone like Luca who got his nickname 'the Vice' for crushing a man's throat with his bare hands. Luca might be one of the most sought after men in New York thanks to his good looks, wealth and predator-like charisma that radiates power, but the society girls throwing themselves at him don't know what Aria does: that the bad boy aura isn't just a game; blood and death lurk beneath Luca's striking gray eyes and arrogant smile. In her world a handsome exterior often hides the monster within; a monster who can just as easily kill as kiss you. The only way to escape the marriage to Luca would be to run away and leave everything she's ever known behind but Aria can't bear the thought of never seeing her family again.
