So where are your family and friends going to spend eternity - heaven or hell? You can make the difference. I hear many Christians say, "I want to witness, but what do I say?" Many times the hardest part in witnessing is just getting started. When fear grips or they get tongue tied Christians often wonder: "How do I segue this conversation onto the Gospel track?" This is a huge problem because if a Christian does not know how to transition a conversation onto the Gospel track, then they will not be witnessing at all. This book is the solution that contains over 400 Icebreakers to help get you started. These icebreakers are friendly and easy to use and they are listed by location so that you can witness to the lost wherever you go. Many Christians wait to share the Gospel until Christmas or Easter. Many times that is too late because so many young people are killed instantly through car wrecks, drug overdoses or drive by shootings and even middle-aged people die suddenly of heart attacks or some other illness. No one ever knows when their last day on earth will be. It will stir your compassion and give you the needed courage to witness to the lost wherever you go Please be kind, use loving boldness and remember that God is love. All 400 icebreakers Icebreakers are organized in sections under headings: I Want to Witness, But What Do I Say - Around: Entertainment; Financial Affairs; Food; Healthcare; Holidays and Special Times; the Great Outdoors; Shopping or Doing Errands; Sports, Work and Traveling. There is a handy INDEX in the back! Each section contains 7 to 9 different "object evangelism icebreakers." God gave the ideas for these icebreakers when He revealed to me that Jesus taught using objects in his environment in Matthew 13 using parables. Christians can witness like Jesus did through taking an object and making a comment that relates to the Gospel in some way, which makes a great transition or segue into the topic of the Gospel. For e.g.: WATER - "This water reminds me of the living water. Have you ever had any of that water?" Or DOOR - "This door reminds me of what Jesus said (John 10:9) that He is the DOOR to eternal life. Have you ever walked through that door?" Or DOWNLOAD - "Downloading this file or picture reminds me of the time I downloaded Jesus into my heart. Have you ever done that download?" SALT & PEPPER - "These salt and pepper shakers remind me of the Kingdom of Light and the Kingdom of darkness." Or BREAD - This bread reminds me of what Jesus said: "I Am the Bread of Life. He who comes to Me will never go hungry," (John 6:35). Or SUGAR - This sugar reminds me of how sweet it is to trust in Jesus. After you say the icebreaker, you LISTEN to what they say in response and then be led by the spirit in what you say next. It is a "no fail" way to witness to the lost because, even if they do not accept Jesus at that moment, the object is still there to continue to remind them of what you said long after you are gone. After you say the icebreaker, the chapter "Truth to Say to 13 False Religions" will help you even more to witness to: Atheists & Evolutionists, Buddhists, Hindus, Jehovah Witnesses, Jewish people, Mormons, Muslims, New Agers, Scientologists, Unitarian Universalists and Homosexuals and Lesbians. There is also a chapter called Prophetic Evangelism that teaches you how to witness using a word of knowledge that God gives you to deliver a prophetic word to witness to the lost. There are several testimonies that show you, "Yes, it works!" About Rev. Susan Nazarewicz: Susan graduated from the UNC at Chapel Hill (B.A.); RHEMA Bible Training College, Victory World Missions Training Center, Church On the Move School of Ministry and Prophetic Age Ministries Institute and is ordained by John G. Lake Ministries. She works as a prayer partner at Oral Roberts Ministries at the Abundant Life Prayer Group and is a member at RHEMA Bible Church in Tulsa, OK where she sings in the choir.

Many of the vets I interviewed asked me why I was interested in World War II. I never forgot when Pearl Harbor was attacked. I was five years old and standing at the end of the kitchen counter next to the black art deco style radio. The announcer was very loud and excited but I didn't know what he was talking about. My mother was at the other end of the counter standing in front of the kitchen sink washing a dish. All of a sudden she turned off the water and came over to stand in front of the radio. I had never seen a look on her face like that before. She called my dad to come here. Both of them stood in front of the radio with these shocked and unbelieving faces! I never forgot that experience. We next went to Sunday school and church and I remember all of the adults were talking to each other in low tones with stunned looks on their faces.

They were told that a hurricane was coming... They were told to pack for three days... They were told to evacuate the city... They thought they would return home... But in a single day, the destiny of one church was changed forever! Hurricane Katrina had already struck south Florida as a mild Category 1 hurricane, but after returning to the Gulf of Mexico and regaining strength, she was back! Only this time, she was predicted to be a dangerous Category 5 hurricane, and her next target was none other than New Orleans, Louisiana. For years, the city was warned that a storm like Katrina could eventually strike, but no one knew exactly when. Yet, in 2005, the time had finally arrived. Hurricane Katrina had her eye on the crescent city. As the city's residents scrambled to prepare for the worst, thousands hunkered down while countless others evacuated. But one eastern New Orleans church called Smoking for Jesus Ministry made plans to evacuate and weather the storm together! In a 40-car caravan of approximately 200 members, they began a journey that would mark one of the greatest modern-day deliverance stories of our time. This is a story of the utter devastation,

tragedy, and losses surrounding Hurricanes Katrina and Rita. More importantly, though, this is a story of how this church experienced the hope of God's peace, love, provision, and faithfulness through the storms. And as they traveled together throughout the states of Louisiana and Texas, they had no earthly idea of the amazing promises of God that awaited them at the end of the journey. But first, they would need to survive! Mount Up! This is the story of How One Church Survived Hurricanes Katrina and Rita.

In a time when so many have a negative perception of evangelism, what if a new model was entirely biblical, loaded with skills, and more effective? Soul Whisperer shifts the emphasis from "telling" to a "drawing" paradigm. It develops biblically the pattern of Jesus, who did not give static presentations but rather customized his words to each hearer. By learning his ways, our words, too, can have pinpointed impact! Christians will discover how to draw out first, in order to read their friends and discern the relevant appeal of the gospel. In this way, the style is far more dynamic. It adapts! Understanding the non-believer's unique starting point will determine a distinct path. By creating a conversation about spiritual influence and what is involved in faith formation, this book charts ways for Christians to go deeper in evangelistic relationships. Most importantly, Soul Whisperer infuses skills that will shape a more Christ-likened missional disciple.

Words of the Huron is an investigation into seventeenth-century Huron culture through a kind of linguistic archaeology of a language that died midway through the twentieth century. John L. Steckley explores a range of topics, including: the construction of longhouses and wooden armour; the use of words for trees in village names; the social anthropological standards of kinship terms and clans; Huron conceptualizing of European-borne disease; the spirit realm of orenda; Huron nations and kinship groups; relationship to the environment; material culture; and the relationship between the French missionaries and settlers and the Huron people. Steckley's source material includes the first dictionary of any Aboriginal language, Recollect Brother Gabriel Sagard's Huron phrasebook, published in 1632, and the sophisticated Jesuit missionary study of the language from the 1620s to the 1740s, beginning with the work of Father Jean de Brébeuf. The only book of its kind, Words of the Huron will spark discussion among scholars, students, and anyone interested in North American archaeology, Native studies, cultural anthropology, and seventeenth-century North American history.

The Holy Spirit is ready and willing to free Christians from spiritual attack, and this essential handbook will help readers access that power. Making Crooked Places Straight is a spiritual warfare training manual, equipping believers to walk in victory over the perverse spirit. Everyone wants to shine like a star, but not everyone is willing to pay the price. Because in paying the price, all come face to face with the perverse spirit in his or her life. Since the church has, for the most part, relegated the perverse spirit to the homosexual community, most Christians have no clue how the perverse spirit works in their lives, homes, or churches. Making Crooked Places Straight solves that dilemma by providing information, insights, and answers from a solid biblical base. Writing an exposé of the perverse spirit in the form of a training manual, Penelope Kaye teaches readers how to recognize and overcome this twisted serpent with prevailing prayers, practical tools, and powerful weapons. While experiencing a roller coaster of emotions, believers find the strength to press on and realize God will see their crooked places made straight and they can then truly shine like stars.

Over the last two decades, a new theory and practice of spiritual warfare has taken hold around the world. This teaching proposes the existence of 'territorial spirits'. Along with the theory has come a new practice of spiritual warfare, ruling demons are named, their territories identified, and they are then bound or cursed.

Dieting has become very popular in our communities today. Food consumers have become particular of what they eat, because not all food is good for our bodies. While certain foods are body-building, some are the source of many diseases in our world today. Long life is attributed to good eating habits. What is naturally true is also spiritually true. There's food readily available at no cost that can transform our lives for the better. Many people are misinformed about this food. They are hungry in the midst of abundance and sick in the presence of the Great Physician. God in His wisdom has given us food to keep us healthy and strong. And that food is found in the bread of life. Here in this book, you will personally discover how this bread of life can bring healing to your body and victory to your spiritual battles.

This opportunistic and uncaring business woman--seemingly an easy target for Jade--just happens to also be the spiritual assignment of Steven, a soon-to-be angel sent by God to save her soul. When Sarah learns that a company projected to make her a millionaire has a sinister agenda, she must decide to reveal the truth--which may cost her life--or look the other way, which will cost her soul. While she is completely unaware her soul is the subject of a spiritual tug-of-war, the decision she ultimately makes will bind her to one realm forever.

Elmer Towns's *Fasting for Spiritual Breakthrough* has become must-reading as this powerful spiritual discipline of fasting has seen a revival among followers of Christ. Now Towns digs deeper into one of the most popular forms of fasting today, the Daniel Fast. With an emphasis on a healthy, simple diet, the Daniel Fast is named after the prophet Daniel who participated in a partial fast for spiritual purposes. Daniel was taken captive into Babylon when he was sixteen years old. The Babylonian king wanted the young prophet to help him administer his rule over the captive Jews--and he wanted to "Babylon-ize" Daniel, to make the young man of God more like him. The first step the king took in his campaign was to provide a sumptuous feast to tempt Daniel--food fit for a king-- basically fattening comfort foods. In response, the prophet refrained from the king's table, choosing instead to eat only vegetables and to drink only water. He honored God over the king. Dr. Elmer Towns introduces readers to the spiritual, physical, and mental basics of the Daniel Fast, coaching them through either a ten-day or twenty-one-day period of renewal, and he includes original Daniel Fast recipes created by executive chef John P. Perkins. Dr. Towns addresses practical questions, such as what to eat and when, as well as how to pray effectively. Readers will learn how to encounter God during their fast, how to worship through self-discipline, and how to pray for specific answers. They will also explore the role of weeping, repentance, and spiritual warfare in their life of faith. Daniel is a model to God's people of someone who chooses spiritual nourishment over bodily satisfaction, in *The Daniel Fast for Spiritual Breakthrough*, God's people can learn to follow his example.

They made it through, and you can, too. Whatever stage of life you are in - single, married, divorced or widowed - you have to find happiness and peace within yourself. Follow the dreams and the desires deep within you. Don't let anything or anyone stop you from achieving your destiny in life. Remember, "a quitter never wins, and a winner never quits."

Many people do not know that the world system was designed to fail. You should know, the world was never designed to be ruled by presidents, chancellors etc, but by a king. Scripture confirms , the Antichrist is coming as a god-king, ruler and owner of all life on earth. The Bible reveals how the devil is using Democracy to garnish his sons ascendancy to power. Every Christian has heard of the mark of the beast, but what many do not know is that the mark has two dimensions. The real mark of the beast is a person! Reasons may be given to explain most of the world chaos, but it is clear the mark is at the center and the financial crunch is just a small but significant part! You must know today what the Bible says about the happenings around us in the higher places of wickedness.
