The regrettable fact is that the subject of manners is not much discussed anymore, and good manners seem practiced even less. But good manners are a prerequisite for the growth of moral character; they are the habits of conduct and behavior by which we express in the most ordinary circumstances our fundamental respect for others, whether parents, friends, colleagues, or strangers. Fortunately, Karen Santorum has produced for parents and teachers a wonderfully rich and instructive anthology to help instill good manners in our children—and stand against a decline of civility and a coarsening of our common life. Under such headings as “Honor Your Mother and Father,” “Please and Thank You,” “No Hurtful Words,” “Good Behavior in Sport,” and “Showing Respect for Country,” Everyday Graces features stories and poems that will develop and enrich the moral imagination. This marvelous anthology features classic selections from such well-known authors as Hans Christian Anderson, Beatrix Potter, Mark Twain, Frances Hodgson Burnett, C. S. Lewis, Max Lucado, and Arnold Lobel, as well as forgotten gems that deserve a new hearing. Mrs. Santorum writes that this anthology grew out of the frustration of not being able to find a book on manners that instructs through stories rather than by rules of dos and don'ts. She and her husband tried and tested many of these selections on their six children. Each of the selections is briefly introduced with a thoughtful commentary at the close, producing an informality and intimacy that is inviting and infectious. Find out why Everyday Graces has become a beloved feature in homes, schools, churches, and libraries across America. When B.B. Wolf, who now lives in the Villain Villa Retirement Residence, is invited to the library for a storybook tea, he is careful to follow the advice of his crocodile friend and impresses everyone with how polite he can be.

When did you last tell your children to put their hand over their mouth when they yawn? When did you last suggest that when they are introduced to someone they should shake hands firmly and look them in the eye? Do you suggest that they should wait until everyone is served before they eat rather than Hoover up the best bit for themselves? Do you demand that your young daughter dress decorously lest she elicit outraged looks? Do you think that the children of today have disgraceful manners? Unlike, of course, when you were young ... Well, that's certainly what Erasmus of Rotterdam thought in 1530 when he published *De Civilitate Morum Puerilium: A Handbook on Good Manners for Children*. He felt that learning good manners was crucial to a child's upbringing, and that the uncouth and ill-disciplined behaviour around him demanded a new kind of book. After all, as William of Wykeham memorably said in the 1350s, 'Manners maketh man'. *A Handbook on Good Manners for Children* is considered to be the first treatise in Western Europe on the moral and practical education of children. It was a massive bestseller - indeed the biggest-selling book of the sixteenth century - going into 130 editions over 300 years and being translated into 22 languages within ten years of its publication. In it, Erasmus concerns himself with matters such as how to dress, how to behave at table, how to converse with one's elders and contemporaries, how to address the opposite sex and much else. For example: Table Manners 'It's just as rude to lick greasy fingers as it is to wipe them on your clothing, Use a cloth or napkin instead.' 'Some people, no sooner than they've sat down, immediately stick their hands into the dishes of food. This is the manner of wolves.' 'Making a raucous noise or shrieking intentionally when you sneeze, or showing off by carrying on sneezing on purpose, is very ill-mannered.' 'To fidget around in your seat, and to settle first on one buttock and then the next, gives the impression that you are repeatedly farting, or trying to fart.' The advice is as relevant today as it was 500 years ago.

When it comes to manners, there are just so many things to remember! How do you act when you meet a new friend? What do you do when you cough or sneeze? How do you behave at the dinner table? There are specific customs for all types of interactions we have with other people. When we remember to be polite and courteous, the people we meet will appreciate our friendly and pleasant actions. These rules of behavior are very important—they are your manners—and they must be practiced every day. One little girl is worried she has lost the manners her mother and father worked so hard to teach her. She asks her readers to please help find them somewhere inside the book. Follow along as she reviews the lessons children and adults learn to succeed in every aspect of life.
