

The Chronicles Of The Wars Of The Roses The Turbulent Years Of The Last Plantagenets Seven Kings From Richard Ii In 1377 To Richard Iii In 1485

Provides trivia questions about the six Star Wars films, with answers provided by an electronic scoring module attached to the book.

With the Vampire Wars burning hotter and bloodier with each new day, Reporter Yuki Nitobe is abducted and brought into the vampire underground. When Yuki is shown the world of these new species of vampires, she realizes no one has been telling the truth! Does she risk everything by exposing both sides or file the report that she knows gives her the biggest ratings?

During the Vietnam War, young African Americans fought to protect the freedoms of Southeast Asians and died in disproportionate numbers compared to their white counterparts. Despite their sacrifices, black Americans were unable to secure equal rights at home, and because the importance of the war overshadowed the civil rights movement in the minds of politicians and the public, it seemed that further progress might never come. For many African Americans, the bloodshed, loss, and disappointment of war became just another chapter in the history of the civil rights movement. Lawrence Allen Eldridge explores this two-front war, showing how the African American press grappled with the Vietnam War and its impact on the struggle for civil rights. Written in a clear narrative style, *Chronicles of a Two-Front War* is the first book to examine coverage of the Vietnam War by black news publications, from the Gulf of Tonkin incident in August 1964 to the final withdrawal of American ground forces in the spring of 1973 and the fall of Saigon in the spring of 1975. Eldridge reveals how the black press not only reported the war but also weighed its significance in the context of the civil rights movement. The author researched seventeen African American newspapers, including the *Chicago Defender*, the *Baltimore Afro-American*, and the *New Courier*, and two magazines, *Jet* and *Ebony*. He augmented the study with a rich array of primary sources—including interviews with black journalists and editors, oral history collections, the personal papers of key figures in the black press, and government documents, including those from the presidential libraries of Lyndon Johnson, Richard Nixon, and Gerald Ford—to trace the ups and downs of U.S. domestic and wartime policy especially as it related to the impact of the war on civil rights. Eldridge examines not only the role of reporters during the war, but also those of editors, commentators, and cartoonists. Especially enlightening is the research drawn from extensive oral histories by prominent journalist Ethel Payne, the first African American woman to receive the title of war correspondent. She described a widespread practice in black papers of reworking material from major white papers without providing proper credit, as the demand for news swamped the small budgets and limited staffs of African American papers. The author analyzes both the strengths of the

black print media and the weaknesses in their coverage. The black press ultimately viewed the Vietnam War through the lens of African American experience, blaming the war for crippling LBJ's Great Society and the War on Poverty. Despite its waning hopes for an improved life, the black press soldiered on.

"The Thomas Covenant saga . . . will certainly find a place on the small list of true classics in its specialized field."—The Washington Post Book World After scant days in his "real" world, Thomas Covenant finds himself again summoned to the Land. There, forty bitter years have passed, while Lord Foul, immortal enemy of the Land, moves to fulfill his prophecy of doom. The Council of Lords find their spells useless, now that Foul the Despiser holds the Illearth Stone, ancient source of evil power. At last High Lord Elena turns in desperation to Covenant and the legendary white gold magic of his ring. . . .

For the first time ever, Napoleon's "Chronicles of Caesar's Wars" ("Prcis des guerres de Csar") is available in English. Dictated by Napoleon to Count Marchand, his valet, while in exile on St. Helena, *Chronicles of Caesar's Wars* explores Caesar's rise, his campaigns in Europe and North Africa, and the plot that killed him. Napoleon, who had a lifelong obsession with Caesar, wrote this book in one of his last acts. The work relaxed him, "tossing a few flowers on the path that was leading to the tomb," as Count Marchand's preface recalls. Napoleon passionately explores Caesar's battles in Gaul and during the Civil War. He concludes each chapter with observations, sometimes providing details, sometimes veering away from praise towards criticism, applying the insights of a military career and a healthy ego to explain what he would have done better. Napoleon ends the book with a remarkable defense of Caesar's dictatorship. He takes apart his assassins' justifications and the fault-finding of "good Plutarch the libeler" with such fervor that one can scarcely believe a gulf of two millennia stood between the two eminent men. In a sense, though, it was also a defense of his own government. Attached to the book are previously untranslated essays in which Napoleon takes on the role of literary critic and philosopher. He criticizes Virgil's *Aeneid* for butchering Homer's *Iliad*, and Voltaire for unflatteringly depicting Mohammad, another of Napoleon's heroes. He explores in another essay whether a man has the right to kill himself, an act we now know he had personally attempted.

The most spectacular tribute to the Star Wars phenomenon yet, this deluxe limited edition features the most comprehensive collection of photographs, production stills, sketches, and outtakes ever assembled. Nearly the entire Lucasfilm archives, with hundreds of never-before-seen images and dozens of creatures, and sections on Star Wars TV specials that have never been published in book form, are brought together in this luxurious, slipcased volume. With its enticing size and elegant design, *Star Wars Chronicles* is the ultimate collection for serious Star Wars fans.

Meet Zachary Olason, a bad boy struggling on the brink of alcoholism. During the

Great Depression, Zack loses himself and spirals into nights of debauchery, riots and drunkenness. His brother, Adam, thinks lowly of him as his entire family struggles to help him. But Zack is determined to make a mess of his life. Until he meets a beautiful petite woman, half Cree and part British, who helps him to grow into a better version of himself. Then just as he thinks life is getting better, he sinks to the bottom of hell. Will he survive from his own self-destruction? The only way he sees out is to join the Canadian Navy. The Battle of the Atlantic will either teach him or break him. THE WARS BETWEEN US With action packed adrenaline and steamy love scenes, The Wars Between Us will keep you gripped to your seat on a ride of addiction, unwavering love and the fight to stay alive during WWII. Add The Olason Chronicles to your bookshelf, you will be wondering why it took you so long.

Over the eons, an endless struggle between the forces of order and chaos has shaped the world of Azeroth and its inhabitants. The orcish Horde's violent invasion of the Eastern Kingdoms stands as one of history's most tumultuous periods. Through the Burning Legion's demonic machinations, the once-noble orcs were transformed into a nearly unstoppable foe and let loose upon Azeroth's unsuspecting denizens. Yet even in the face of the Horde's unparalleled fury, brave heroes risked everything to rise up in defense of the . . . Rise of the Horde: Before the savage orcs began their rampage across Azeroth, they were a proud shamanic race native to the world of Draenor. The cunning demon Kil'jaeden saw lethal potential in the clan-based orcs, and thus he set about molding them into the Horde—a single, brutal force driven by an all-consuming thirst for destruction. But the foul demonic magic that granted the Horde its immense strength began consuming the orcs from within, ultimately threatening to destroy everything that they once were. The Last Guardian: Long ago a group of magi known as the Council of Tirisfal was formed to fight a secret war against the sinister demons of the Burning Legion. To this end, the council imbued a single champion with enormous power to act as the world's guardian. Medivh was one such Guardian of Tirisfal, and he was expected to be the greatest who had ever lived. Yet he was destined to follow a much darker path. From birth a mysterious evil had tainted the core of his being, and his subsequent struggle against the darkness within himself would precipitate the orcish Horde's invasion of Azeroth . . . and change the world forever. Tides of Darkness: During the First War, the orcish Horde laid waste to the once-great human kingdom of Stormwind. From the ashes of this terrible defeat, however, hope emerged. Anduin Lothar, Champion of Stormwind, rallied the survivors of his ruined homeland and valiantly led them to Lordaeron in the hopes of uniting the human nations into a mighty Alliance that could stand against the Horde and its ruthless new leader, Orgrim Doomhammer. Yet as formidable as Lothar believed the Alliance would be, many humans feared that no force would ever be capable of stopping the Horde's merciless onslaught. Beyond the Dark Portal: In the aftermath of the Second War between orcs and humans, the Dark Portal, a

gateway connecting Azeroth to Draenor, was destroyed. The orcs, however, did not abandon their lust for war. Led by the mysterious orc shaman Ner'zhul, a fresh wave of Horde fighters flooded into Azeroth. Even more unsettling was that small bands of orcs intent on something other than mere conquest began scouring Azeroth for powerful artifacts desired by their sinister leader. To counter the Horde's dark schemes, only one option remained for the Alliance: a suicide mission into the orcs' ruined homeworld of Draenor.

This up-to-date companion to LEGO "Star Wars," contains detailed information about the latest sets and minifigures and is illustrated with extensive photography.

Hurt: Chronicles of the Drug War Generation weaves engaging first-person accounts of the lives of baby boomer drug users, including author Miriam Boeri's first-hand knowledge as the sister of a heroin addict. The compelling stories are set in historical context, from the cultural influence of sex, drugs, and rock 'n' roll to contemporary discourse that pegs drug addiction as a disease punishable by incarceration. With penetrating insight and conscientious attention to the intersectionality of race, gender, and class, Boeri reveals the impact of an increasingly punitive War on Drugs on a hurting generation.

When a weapon that could destroy the moral fabric of humanity is unleashed inside the Syrian border, one man takes a stand against the overwhelming wave of tyranny triggered by martial law, hell-bent on restoring America's liberty and saving civilization as we know it.

The intriguing futuristic dystopian story begun with *The Lost Puzzler* continues in this expansive speculative science fiction adventure. There is nothing out of the ordinary in waking up . . . unless you're dead. Sent on a dangerous mission with little hope of succeeding, the man known as "Twinkle Eyes" has beaten the odds and found the key that could save civilization: Rafik, a teenage boy with the power to unlock the invaluable Tarakan technology that can restart their world. But the world might not be ready for what is unleashed, and now Twinkle Eyes must find a needle in a haystack in order to save himself . . . and perhaps the world. This time, though, he will not go it alone. And while his companions—from the fiery Vincha to the laconic Galinak—have their own motivations, each will be vital in solving the last grand puzzle. One that could bring prosperity and progress to the world or destroy humanity's last hope for ascension. Now, a lone assassin from another era, two old friends, a dead man, a ruthless rogue mercenary, and a vicious warlord are all hunting for the ultimate prize. But what will happen when the final secret is unlocked, and technology long since buried once again finds its way into the hands of mankind?

The eight chronicles edited here are the principal surviving historical narratives of the Wars of the Roses written in English by men who lived through those wars. These are the best accounts by commoners (and one lord) written for their fellow Englishmen, produced within a few years of the events they describe, and have a particular immediacy. Six of these chronicles recount in detail particular events:

The First Battle of St Albans (21-23 May 1455) and The Siege of Bamburgh Castle (June-July 1464) (battles); The Rebellion in Lincolnshire (March 1470), and The History of the Arrival of King Edward IV (March-May 1471) (campaigns); and The Manner and Guiding of the Earl of Warwick (22-30 July 1470) (negotiations). The remaining three describe the development of the larger conflict over extended periods: the Continuation of Gregory's Chronicle (1450-69), Howard's Chronicle (1461-70), and Warkworth's Chronicle (1461-74). They do not cover the last stages of the Wars of the Roses, since by the end of May 1471, it must have looked as if the conflict was permanently resolved. These accounts, although contemporary, have to be treated with caution. All of them are narratives of public events intended for public consumption. They remain, however, vibrant and immediate accounts of the events they describe in a systematic, modern edition.

From George Lucas, creator of Star Wars(r) and Indiana Jones, and Chris Claremont, author of the bestselling X-Men adventures, comes the thrilling sequel to Shadow Moon, taking readers deeper into a stunningly original world of magic, myth, and legend. The momentous Ascension of Princess Elora Danan should have brought peace to the Thirteen Realms. Instead, an intense Shadow War rages, spearheaded by the evil Mohdri. He has dispatched his dread Black Rose commando assassins to capture Elora and her sworn protector, Thorn Drumheller. But Mohdri himself is just a facade for a more dangerous entity: the Deceiver. But who--or what--is the Deceiver? And how can Elora, Thorn, and their ragtag band defeat this unspeakable force? The answer lies in a perilous journey to a land undisturbed since the dawn of time. A journey that will end at the unbreachable citadel of the dragon, where a chilling betrayal will change the fate of Elora, Thorn, and the Thirteen Realms forever.

A riveting, ultra-realistic example of "dystopian fiction at its best" (Brad Thor, #1 New York Times bestselling author) from the acclaimed author of the Day By Day Armageddon novels! During an unacknowledged mission inside the Syrian border, a government operative had unwittingly triggered an incredible worldwide event that irrevocably shaped the future of the United States. In the aftermath of the crisis, families have struggled to survive in a world short on food, water, and electricity. Hyperinflation cripples the United States economy and post-war armored military vehicles are patrolling the streets. One man has now stepped forward and continues to push back the dark wave of tyranny brought on by martial law in the streets of America, and may be the only hope of saving liberty for the country's future.

It's a dark day for the earth realms. Will it be the last? Sorcerer Nate Garrett lost much in the battle that devastated Asgard, but the war against darkness is far from over. He's spent a year searching for Arthur, hell-bent on stopping the evil leader of Avalon and rescuing his friend Tommy from his clutches. Nate's investigation brings him to Washington, DC, where he finds the city under siege. Just when all hope seems lost, Layla Cassidy and her team arrive to join the fight, but Avalon's deadly plan to conquer the earth realm is underway. Meanwhile, Mordred is on a quest to find allies in the upcoming war against Avalon, hoping to find Arthur and stop him before it's too late. As the rebellion forces close in on Arthur, each of them know this could be their last fight. But with Arthur massing an unstoppable army of his own, will Nate's fury be enough to defeat him once and for all?

Demon-spawn, some call him, an evil seed of the UnNamed One. Young Lirak fears they may be right. Sent on a divine quest to test his prescient dreams, he returns to find his people slaughtered and scattered. Ruthless invaders and their fell warlocks spread death and destruction across the land. Lirak swears to avenge his tribe. But before he can lead the remnants of his people in vengeance, he must win their trust. Only then can he enter the spirit realm and unleash the surging power he feels inside him. But the Seven Gods play for higher stakes, and Lirak's trials are just beginning.

The Earth Chronicles series, in six volumes, deals with the history and prehistory of Earth and humankind. Each book in the series, based upon information written on clay tablets by the

ancient civilizations of the Near East, records the fantastic and real battles that occurred between the original creator gods over control of planet Earth. Asserting the premise that mythology is not fanciful but the repository of ancient memories, The Earth Chronicles series suggests that the Bible ought to be read literally as a historic/scientific document, and that ancient civilizations--older and greater than assumed--were the product of knowledge brought to Earth by the Anunnaki, "Those Who from Heaven to Earth Came." The 12th Planet, the first book of the series, presents ancient evidence for the existence of an additional planet in the Solar System: the home planet of the Anunnaki. In confirmation of this evidence, recent data from unmanned spacecraft has led astronomers to actively search for what is being called "Planet X." The subsequent volume, The Stairway to Heaven, traces man's unending search for immortality to a spaceport in the Sinai Peninsula and to the Giza pyramids, which had served as landing beacons for it--refuting the notion that these pyramids were built by human pharaohs. Recently, records by an eye-witness to a forgery of an inscription by the pharaoh Khufu inside the Great Pyramid corroborated the book's conclusions. In The Wars of Gods and Men, the third volume of his series, Zacharia Sitchin recounts events closer to our times, concluding that the Sinai spaceport was destroyed 4,000 years ago with nuclear weapons. Photographs of Earth from space clearly show evidence of such an explosion. The Wars of Gods and Men additionally embraces Canaanite, Hittite, and Hindu sources to include in these investigations the incidents of The Great Flood, the Tower of Babel, and the upheaval of Sodom and Gomorrah. Sitchin's unique reexamination of ancient mysteries explains these past cataclysmic events in the history of humanity, opening insights into our future.

From two of the greatest imaginations of our time comes a magnificent novel of adventure and magic...SHADOW MOON: First in the Chronicles of the Shadow War. The genius of Star Wars(r) creator George Lucas and the vision of Chris Claremont, the author of the phenomenally bestselling The Uncanny X-Men adventures, merge in what must be the fantasy event of the year. In Shadow Moon, war and chaos have gripped the land of Tir Asleen. An ancient prophecy reveals one hope: a savior princess who will ascend to the throne when the time is right. But first, a Nelwyn wanderer must face forces of unimaginable malevolence and dangerous, forbidden rites of necromancy that could bring back a powerful warrior from soulless sleep. George Lucas reshaped filmmaking in the '70s and '80s with his Star Wars and Indiana Jones films. When Bantam Books asked Lucas if he had any stories he would like to develop as novels rather than as films, Lucas turned to his 1988 fantasy film, Willow. "When I wrote the story for Willow, I began with the pre-story," Lucas said, "but the full story was yet to be told." Now, Lucas's vision is being fulfilled with the talented help of Chris Claremont. Having previously taken the reins of what was for a decade the bestselling comic in the western hemisphere (The Uncanny X-Men) Claremont assumes the responsibility of foster parent to Lucas's creation. On sale in hardcover now, and available on BDD Audio Cassette as well, SHADOW MOON is a momentous new adventure for readers looking to spend part of this summer in a fantastic world. SHADOW MOON is one of Bantam Spectra's most exciting publishing events in 1995, the year we celebrate our 10th Anniversary as the premiere publishing imprint of books of speculative fiction.

Demon-spawn, they call him; evil seed of the UnNamed One. Lirak wonders if they might be right. Sent on a holy quest to test his prophetic dreams, he returns to find his people scattered or slaughtered. Ruthless invaders and their dread warlocks spread death and destruction across the land. Before he can lead the remnants of his people in vengeance, he must win their trust. But blades and arrows alone will not defeat this enemy. His only hope is to master warlock sorcery, turning their own fell powers against them. Can he learn their arcane secrets in time, or will the deadly power consume him? Only the Seven Gods could know, but they war amongst themselves, Lirak is a pawn in their divine conflict. Even if he defeats the invaders, he fears his trials are just beginning.

Tanner, Gwen, and Castor are more determined to succeed on their quest to defeat Derthsin's evil army than ever before. In order to save Avantia they must retrieve four parts of an ancient mask, which grants power over all of the Beasts of the land.

A comprehensive account of four hundred years of struggle draws on contemporary accounts--missionary journals, captivity narratives, and oral testimonies--to describe how native American nations fought to protect their land from white colonizers.

Chronicle of War: 1914 to the Present Day examines the conflicts that made the twentieth century the bloodiest in history. Contemporaneous reports and photographs from the Daily Mail archives, including many eyewitness accounts, show how the conflicts developed, describing the key battles, tactical decisions and turning points that settled their conflicts.

Traces the causes of the first World War, the progress of the war, the United States involvement in the conflict, and the aftermath.

The Chronicle of a People's War: The Military and Strategic History of the Cambodian Civil War, 1979–1991 narrates the military and strategic history of the Cambodian Civil War, especially the People's Republic of Kampuchea (PRK), from when it deposed the genocidal Khmer Rouge regime in 1979 until the political settlement in 1991. The PRK survived in the face of a fierce insurgency due to three factors: an appealing and reasonably well-implemented political program, extensive political indoctrination, and the use of a hybrid army. In this hybrid organization, the PRK relied on both its professional, conventional army, and the militia-like, "territorial army." This latter type was lightly equipped and most soldiers were not professional. Yet the militia made up for these weaknesses with its intimate knowledge of the local terrain and its political affinity with the local people. These two advantages are keys to victory in the context of counterinsurgency warfare. The narrative and critical analysis is driven by extensive interviews and primary source archives that have never been accessed before by any scholar, including interviews with former veterans (battalion commanders, brigade commanders, division commanders, commanders of provincial military commands, commanders of military regions, and deputy chiefs of staff), articles in the People's Army from 1979 to 1991, battlefield footage, battlefield video reports, newsreel, propaganda video, and official publications of the Cambodian Institute of Military History.

An illustrated collection of over 100 essays on the English people, politics, manners, customs and mores.

Lively, highly dramatic treatment of the war that changed the world. More than 900 vivid images; plus essays, sidebars, timelines, and eyewitness accounts.

Pearl Harbor, Germany on the Attack, The Allies Strike Back, Hitler's Final Gamble, Hell in the Pacific, and much more.

As expansive as it is personal, this chronicle of World War II is a firsthand account by a journalist and the woman he would marry of the dramatic events that engulfed the world in the middle of the twentieth century. The

correspondence between Charles Kiley and Billee Gray also tells the poignant tale of two young people in love but forced apart by the circumstances of war. Edited by Charles and Billee's daughter, son, and son-in-law, this never-before-published compilation of letters is a striking example of the heroic, call-to-duty spirit that characterized "the greatest generation." Charles was a soldier-journalist for the U.S. Army's Stars and Stripes newspaper and reported on the war from London, Normandy, Paris, Reims, Belgium, and Germany. As the sole reporter allowed direct access to Eisenhower's staff, he was the only reporter on the scene when the German high command was negotiating its unconditional surrender on May 7, 1945. Among his army newspaper friends and colleagues was Andy Rooney, later CBS correspondent and 60 Minutes commentator. Billee, like many young women of her time, witnessed the war years from the home front and filled vital civilian roles--defense-industry plant worker, Red Cross volunteer, war bonds salesgirl, and civil defense plane-spotter--and wrote about it all in her letters to Charles. Peppered with fascinating details about soldiers' and civilians' lives, and including Stars and Stripes articles and personal photographs of the era, *Writing the War* is both important history and a tribute to two remarkable people as well as their extraordinary generation.

"A great resource for students of the Civil War. The first half of this volume takes a day-by-day look at the events of the Civil War, looking at what was going on both politically and militarily across the Country on almost every day of the years 1861 - 1865. Following this is an encyclopediac reference to all manner of Civil War-related topics. Most of the entries are brief, but it is a worthy starting-point at least."--Publisher's description.

There's thunder on the horizon, and the lightning of war is about to strike. After years of struggle, Layla Cassidy has finally mastered the dark powers that threatened to control her and turned them to good. She's ready to fight, but the next battle will be her greatest test yet. The forces of Avalon are growing ever stronger, reinforcing their dominance with almighty displays of brutality. When Abaddon comes close to crushing Layla and her friends, it's clear that the thunder of war is about to give way to lightning--and that they have no chance of surviving it alone. The final battle against Abaddon is drawing closer. Now Layla and her friends must fight for themselves--and the future of the world. To win, they will need every power and ally they can muster. But even with all their strength, will it be enough to stand against the impending doom? King Alexander and his guildmates have expanded Elysia into a formidable kingdom. Their ongoing battle against the Dark One and the drow wizards is escalating. Alexander works to bring together the Elves, Dwarves, and Human Kingdoms to establish the alliance proposed by the Dragon King. But the dark magic of the drow has infiltrated even the highest offices, blocking his efforts. War comes once again to the gates of the keep, and Alexander must find a way to defend his citizens before he can go on the offensive and take the fight to the stronghold of his enemies. All of Io, citizens and players alike, are pulled into war as the forces of darkness strive to destroy or enslave every surface city. Olympus is still under siege, and the threat intensifies as doctors determine it's necessary to wake Jules from her months-long slumber. Jules

and Alexander prepare to meet face to face for the first time, with a little help from their friends. Join the Greystone Guild for this epic conclusion of a LitRPG tale of magic, monsters, wizards and dragons.

Far away from home, under the command of his brother, Raylan and his squad must retrieve an ancient relic stolen from their kingdom's trading partner-the Tiankong Empire. Traveling deep into unknown enemy territory to complete their mission, Raylan learns that the ancient relic holds unexpected life; a creature buried in legends, one not seen in their world for more than two hundred years. With their enemies closing in, Raylan and his friends search, desperately, for a safe way home. Danger lurks around every corner: Warriors larger than any man, predators stalking them through the night and soldiers determined to hunt them down. Leaving them all little choice, except to keep moving as they plot and fight their way back to those awaiting their return.

This book details the experiences of John C. Frémont's Body Guard during the Civil War in Missouri.

The fight for the galaxy has just begun Galactic War - Book 9 of The Pike Chronicles A crumbling empire. A galactic crusade. Humanity rising to power. Hidden enemies waiting to strike. Eight years have passed since the Builders and the Dark Ones left the galaxy. In that time, Jon Pike has scored successive victories against the Juttari. Once he drives them out of Diakan space, his forces will be poised to finally strike at the heart of the ruthless Juttari Empire. But, an unseen power is emerging from the shadows, threatening to destroy all of Jon Pike's progress and plunge humanity into a new galactic war. Old enemies also continue to pose a deadly threat to the Admiral. Can Jon Pike avoid disaster for himself, humanity and the galaxy? Find out in Galactic War - Book 9 of The Pike Chronicles

Winner of the Mark Lynton History Prize Winner of the Anisfield-Wolf Book Award Winner of the Lionel Trilling Book Award A New York Times Critics' Best Book of 2018 "Excellent... stunning."--Ta-Nehisi Coates This book tells the story of America's original sin--slavery--through politics, law, literature, and above all, through the eyes of enslaved black people who risked their lives to flee from bondage, thereby forcing the nation to confront the truth about itself. The struggle over slavery divided not only the American nation but also the hearts and minds of individual citizens faced with the timeless problem of when to submit to unjust laws and when to resist. The War Before the War illuminates what brought us to war with ourselves and the terrible legacies of slavery that are with us still.
