

The Collector The Bone Chilling Thriller From The Bestselling Author Of Rattle

SOON TO BE A MAJOR TELEVISION EVENT FROM NBC, STARRING RUSSELL HORNSBY, ARIELLE KEBBEL, AND MICHAEL IMPERIOLI. From the #1 international bestselling author of *The Bone Collector* and *The Devil's Teardrop* comes this spine-chilling thriller that pits renowned criminalist Lincoln Rhyme against the ultimate opponent—Amelia Sachs, his own brilliant protégée. A quadriplegic since a beam crushed his spinal cord years ago, Lincoln Rhyme is desperate to improve his condition and goes to the University of North Carolina Medical Center for high-risk experimental surgery. But he and Sachs have hardly settled in when the local authorities come calling. In a twenty-four-hour period, the sleepy Southern outpost of Tanner's Corner has seen a local teen murdered and two young women abducted. And Rhyme and Sachs are the best chance to find the girls alive. The prime suspect is a peculiar teenaged truant known as the Insect Boy, so nicknamed for his disturbing obsession with bugs. Rhyme's unsurpassed analytical skills and stellar forensic experience, combined with Sachs's exceptional detective legwork, soon snare the perp. But even Rhyme can't anticipate that Sachs will disagree with his crime analysis and that her vehemence will put her in the swampland, harboring the very suspect whom Rhyme considers a ruthless killer. So ensues Rhyme's greatest challenge—facing the criminalist whom he has taught everything he knows in a battle of wits, forensics, and intuition. With the intricate forensic detail, breathtaking speed, and masterful plot twists that are signature Deaver, *The Empty Chair* is page-turning suspense of the highest order.

But what seems a simple investigation quickly thrusts him into the dark heart of America's tech hub and the cutthroat billion-dollar video-gaming industry. "Escape if you can." When another victim is kidnapped, the clues point to one video game with a troubled past--*The Whispering Man*. In that game, the player has to survive after being abandoned in an inhospitable setting with five random objects. Is a madman bringing the game to life? "Or die with dignity." Shaw finds himself caught in a cat-and-mouse game, risking his own life to save the victims even as he pursues the kidnapper across both Silicon Valley and the dark 'net. Jeffery Deaver has famously thrilled and chilled fans with tales of masterful villains and the brilliant minds who bring them to justice. Now the author of the Lincoln Rhyme series (The Cold Moon and The Bone Collector) returns with a second

volume of his award-winning, spine-tingling short stories of suspense. While best known for his twenty-four novels, Jeffery Deaver is also a short story master—he is a three-time recipient of the Ellery Queen Reader’s Award for Best Short Story, and he won the Short Story Dagger from the Crime Writers Association for a piece that appeared in his first short story collection, *Twisted*. The *New York Times* said of that book: “A mystery hit for those who like their intrigue short and sweet...[The stories] feature tight, bare-bones plotting and the sneaky tricks that Mr. Deaver’s title promises.” The sneaky tricks are here in spades, and Deaver even gives his fans a new Lincoln Rhyme and Amelia Sachs story. Deaver is back with sixteen stories in the tradition of O. Henry and Edgar Allan Poe. His subjects range from a Westchester commuter to a brilliant Victorian England caper. With these intricately plotted, bone-chilling stories, Jeffery Deaver is at the top of his crime-writing game.

They shared a name, of course, and their physical resemblance was startling. And both Frank Thrings were huge figures in the landscape of twentieth-century Australian theatre and film. But in many ways they could hardly have been more different. Frank Thring the father (1882–1936) began his career as a sideshow conjuror, and he wheeled, dealt and occasionally married his way into becoming the legendary ‘F.T.’ — impresario, speculator and owner of Efftee Films, Australia’s first ‘talkies’ studio. He built for himself an image of grand patriarchal respectability, a sizeable fortune, and all the makings of a dynasty. Frank Thring the son (1926–1994) squandered the fortune and derailed the dynasty in the course of creating his own persona — a unique presence that could make most stages and foyers seem small. He won fame playing tyrants in togas in Hollywood blockbusters, then, suddenly, came home to Melbourne to play perhaps his finest role — that of Frank Thring, actor and personality extraordinaire. Central to this role was that Frank the son was unapologetically and outrageously gay. Peter Fitzpatrick’s compelling dual biography tells the story of two remarkable characters. It’s a kind of detective story, following the tracks of two men who did all they could to cover their tracks, and to conceal ‘the self’: Frank the father used secrecy and sleight-of-hand as strategies for self-protection; Frank the son masked a thoroughly reclusive personality with flamboyant self-parody. It’s also the tale of a lost relationship — and of the power a father may have had, even over a son who hardly knew him.

Their curse might be broken, but big questions still lie ahead for the Sohma family. Now that Kyo is free to dream of his future, what will he make of it? Does growing up mean growing apart, or will his bond with Tohru only strengthen with time? Perhaps their first date will decide! And at long last, the meaning of Kyoko's ominous words "I'll never forgive you..." becomes clear. Fans of the series won't want to miss this thrilling conclusion! In addition to the new translation and color illustrations this volume also contains over 150 pages of bonus material, including a never before published interview with Natsuki Takaya-sensei, character profiles, a timeline of the series, and much, MUCH more!!!

Edgar Award-winner Harlan Coben brings us his most astonishing—and deeply personal—novel yet. And it all begins when Myron Bolitar's ex tells him he's a father . . . of a dying thirteen-year-old boy. Myron never saw it coming. A surprise visit from an ex-girlfriend is unsettling enough. But Emily Downing's news brings him to his knees. Her son Jeremy is dying and needs a bone-marrow transplant—from a donor who has vanished without a trace. Then comes the real shocker: The boy is Myron's son, conceived the night before her wedding to another man. Staggered by the news, Myron plunges into a search for the missing donor. But finding him means cracking open a dark mystery that involves a broken family, a brutal kidnapping spree, and the FBI. Somewhere in the sordid mess is the donor who disappeared. And as doubts emerge about Jeremy's true paternity, a child vanishes, igniting a chain reaction of heartbreaking truth and chilling revelation. Praise for *Darkest Fear* "A slam dunk . . . You race to turn the pages . . . both suspenseful and often surprisingly funny."—*People* "Terrific."—*Boston Globe* "A winner."—*Orlando Sentinel* "Fast-paced . . . layered with both tenderness and fun . . . FBI Special agent Brad Raines is facing his toughest case yet. A Denver serial killer has killed four beautiful young women, leaving a bridal veil at each crime scene, and he's picking up his pace. It's there that he meets Paradise, a young woman who witnessed her father murder her family and barely escaped his hand. Diagnosed with schizophrenia, Paradise may also have an extrasensory gift: the ability to experience the final moments of a person's life when she touches the dead body. In a desperate attempt to find the killer, Raines enlists Paradise's help. In an effort to win her trust, he befriends this strange young woman and begins to see in her qualities that most 'sane people' sorely lack. As the *Bride Collector* picks up the pace-and volume-of his gruesome crucifixions, the case becomes even more personal to Raines when his friend and colleague, a beautiful young forensic psychologist, becomes the *Bride Collector's* next target. Aimee Liu, who wrote *Solitaire*, the first-ever memoir of anorexia, in 1979, returns to the subject nearly three decades later and shares her story and those of the many women in her age group of life beyond this life-altering ailment. She has extensively

researched the origins and effects of both anorexia and bulimia, and dispels many commonly held myths about these diseases with the persuasive conclusion that anorexia is a result of personality. Key revelations include: the temperament required for eating disorders, the long-term effects of eating disorders on health, brain function, relationships and career, why some individuals recover while others relapse, and why many relapse in mid-life, which treatment approaches are most successful long-term and how parents can tell if a child will be vulnerable to eating disorders. Using her own experience and the stories of many recovering anorexics she's interviewed, Liu weaves together a narrative that is both persuasive in argument and compelling in personal details.
