How To start to love yourself unconditionally I am absolutely sure that this book will help everyone to get to know yourself better and on a deeper level, improve your relationships, accept yourself and others, love your life and be happy while enjoying "peace of mind," get rid of fear and stress, find the meaning of your life, solve different problems, and, finally, find God within you. While reading this book you can find the answers to many of your questions because this book is based on the Bible, a universal book of life created by God and proven by billions of people of different nations for thousands of years. All the relationships including all the problems in the relationships were given to you by God to show you that you need to learn how to love yourself. That is the main purpose of life. The only thing that we learn in this life is to love. What is loving yourself? There is always a misconception about it, but loving yourself is a most important thing in your life and this book will prove it. I am sure many of us have read the Bible; but so, fewer people actually understood very famous quote Mark 12:31 "Love your neighbor as yourself." If you really spend some time thinking about this phrase, maybe sleep on it, what do you think this phrase is about?

You should love yourself first. Always. You need to learn how to love yourself first, and only afterwards you could love your neighbor.

Therefore, if you don't love yourself, it's not possible to love others. There is simply no such way. There is a common misconception nowadays that relationships are supposed to bring love to our life. When it doesn't happen, we become miserable. The truth is that, according to the Bible, romantic relationships are never the source of love. Remember: Love your neighbor as yourself. First, you love yourself and only then you could love your boyfriend or girlfriend. So, true source of love is within us! Nowadays people are looking for love in the relationships without having love in their soul and, of course, they fail to find it. Relationships are not a source of love, but a reflection of our soul and mind. Therefore, if we don't have a love in ourself, we are never going to find love in our relationships. And that is the word of Christ. You will see that money is creation of God Money always existed and will exist forever. Because money was created by God. During our life, we always

interact with each other. Two things in this are always true: nothing is free, and nothing goes unnoticed. If you go to the grocery store to buy some milk, you must pay some money. If money didn't exist, this simple transaction of buying milk would be very hard to solve. In that case you, would interact with many others like farmers who produced this milk, sellers who sell the milk, etc. You would need to do chores and help them in order to get some milk from them. How could you get a milk in this situation? That's why God created money as a universal solution where you can get what you need and keep going. You will learn how to accept yourself, forgive yourself, and be kind to yourself What are the concrete actions of loving yourself? The first and foremost is self- forgiveness. You need to forgive yourself for not matching that image of a perfect you. Because just having that image of a perfect you is a sign of self-hate. If you accept who you are, you are totally happy with who you are. Learn how to start to love yourself unconditionally. Scroll up and click the buy button now

Mark Yarhouse gives honest and accurate answers to parents and pastors who have questions about homosexuality. Throughout the book, the author uses a new framework for understanding the issue, carefully separating the concept of "same sex attraction" from a "gay identity." In a clear and compassionate style, he explains the research regarding what causes same-sex attraction and whether or not it can be overcome. He also discusses what Christians can do when someone they know opens up to them about their homosexual attractions.

What You Should Know about Islam's Holy Book How is it like the Bible? How is it different? Why is it important? Muslims believe the Koran exists as a literal book in heaven and was dictated to the prophet Muhammad by the angel Gabriel. It is only the length of the New Testament, yet a fifth of the world claims it is the complete revelation of God. To most Americans, though, the Koran remains a mystery. Did you know that the Koran teaches the virgin birth and miracle-filled, prophetic ministry of Jesus? Claims to fully embrace his teachings? Reveres Abraham, Moses, Jonah, and other biblical prophets? Find out how the Koran resembles the Bible—and the drastic ways in which it differs. Understanding the Koran gives you a fascinating essential grasp of Islam's holy book: where it came from, what it teaches, how Muslims view it, and how the Allah of the Koran compares with the God of the Bible. Cherished as the final, perfect revelation of God's will by 1.2 billion Muslims worldwide, the Koran has become a part of American life. Today, those who read and memorize it may work in your town, shop where you shop, or send their children to the same school your kids attend. What do you know about the holy book that shapes the lives and eternal destinies of your neighbors and a fifth of the world's population? While some similarities exist between the Koran and the Bible, the differences are striking. Written by a pastor who was born to a Muslim father and raised in Saudi Arabia, Understanding the Koran gives you a fascinating, easy-to-understand overview that will show you:

- Why the background behind the Koran is important
- How the Koran came into existence
- A summary of the main teachings of the Koran, including what it says about Jesus and the crucifixion
- Similarities and differences between Muslim and Christian views of God
- What the Koran teaches about Jihad and holy war
- What the Koran teaches about heaven and hell

More than furnishing you with an essential grasp of Islam's holy book, Understanding the Koran points you to the one thing that can draw your Muslim friends to Jesus—his love, demonstrated to them through you. Discussion questions enable you to use this book in group studies

We human beings tend to compartmentalize our lives; separating the spiritual from the secular, the holy from the mundane. Our prayer life becomes disjointed and set apart from our everyday living. The purpose of this book is to help us learn to unlock the tabernacle where we have hidden Jesus safely away and to invite His presence into every aspect of our being, no longer saving God for Sunday alone. Jesus wants to inspire us and to walk with us, increasing our joys and diminishing our sorrows. He wants to help carry our burdens and to lift our spirits. An existence filled with His presence gives everything deeper meaning and eternal consequence. The various chapters of this book deal with the

In popular usage, "mysticism" typically refers to New Age or Eastern forms of spirituality. However, the mystical tradition is also an important component of the Christian tradition. At its heart--and much like its expression in other faith traditions--Christian mysticism is an ancient practice that incorporates meditation, contemplation, worship, philosophy, the quest for personal enlightenment, and the experience of Divine presence. This volume is a comprehensive introduction and guide to Christian mysticism. It is a big book about a big possibility: the hope of achieving real, blissful, experiential unison with God. Among the topics covered here are a general introduction to mysticism, the Bible and mysticism, the history and types of Christian mysticism, biographical sketches of leading Christian mystics, and practical instructions about practicing mysticism today. This is a breathtaking work that explores a form of spirituality that has changed lives over the course of 2,000 years. Learning about Christian mysticism and how it has been articulated through the centuries will prove inspirational for today's seekers, regardless of the faith tradition. "The mystic is not a special kind of person; every person is a special kind of mytic." --William McNamara
