

The Coveted The Unearthly Book 2

Margaret Rogerson

The Unearthly Laura Thalassa,2013-06-25 The first time I was declared dead, I lost my past. The second time, I lost my humanity. Now I'm being hunted, and if I die again, my soul is up for forfeit. After enrolling in Peel Academy, an elite supernatural boarding school on the British Isles, the last of the sirens, Gabrielle Fiori, only wants to fit in. Instead, the elixir meant to awaken her supernatural abilities kills her. When Gabrielle wakes up in the morgue twelve hours later, something wicked is awakened in her, something even the supernatural community has never seen before. Now the only person who can help her is Andre de Leon, the community's infamous bad boy and the king of vampires. Yet even his help can't prevent the repeated attempts on Gabrielle's life. Someone is after her, and they will stop at nothing to end her short existence. Only Gabrielle cannot let that happen now that her soul hangs in the balance, because she may have met the devil. And he wants her. Bad.

The Coveted Laura Thalassa,2013-12-12 In places that know more about heaven and hell than we do, you have a reputation, Gabrielle. To them you are known as the devil's consort. When a body shows up near Peel Academy, all signs indicate the killer is a vampire. Ravaged throat, body drained of blood. At least that's all it appears to be when the Politia, the supernatural police force, assigns Gabrielle to the case. Now it's Gabrielle's job to figure out who did it. But after a second body turns up with the same lethal wounds, it's clear that a serial killer is stalking the island. The murders have compromised the truce between the Politia and vampires, and as long as the killer roams free, it is in danger of dissolving. If that happens, no vampire is safe from persecution, not even Gabrielle. Now Gabrielle must team up with Andre, her soulmate and the one person she's tried to stay away from, to investigate the murders before the truce dissolves. And keeping her distance is proving to be impossible. But Gabrielle has a bigger problem. The world of the dead know about her, and their whispers hint that something is coming for her. And it's coming soon.

The Damned Laura Thalassa,2015-11-14 Taken. Whisked away to hell. Forever bound to a monstrous god. This is seventeen-year-old Gabrielle Fiori's fate. It's everything she's ever feared, and it has all come to pass. Only ... the devil isn't the monster she remembers. At times he seems gentle and, most unnerving of all, she's drawn to him. He wants her for all eternity, and if she gives in, everything he has to offer can be hers. The only cost? The last of her soul-and her humanity. By a twist of myth, Gabrielle finds herself back on earth from dusk to dawn. Back where the living breathe, where Andre de Leon,

the king of vampires and her former soulmate, await her. Yet she can't help but feel that something's wrong. She's wrong. Her blood seeds demons and her powers can move earth and air and all manner of creation. Now angels flood the skies, gods and demons are made flesh. A battle between good and evil is erupting, and if Gabrielle wants to escape hell and save the world, she'll need to end it, once and for all.

The Forsaken Laura Thalassa,2015-03-09 Since her Awakening, seventeen-year-old Gabrielle Fiori has known the devil wants her as his own, and that when she dies, he'll finally lay his claim. Evading death should be easy. But when a prophecy linking her to the lord of the underworld is leaked, supernaturals-both good and bad-come together for one purpose: to kill her, the girl they believe is the anti-Christ. Andre de Leon, Gabrielle's soulmate and the king of vampires, will do anything to save her from a fate that's been predestined for thousands of years. Even if that means killing. Even if that means dying. But Gabrielle harbors a secret: death is only a matter of time. The magic that flows through her veins, changing her from human to vampire, is killing her. Her heart is slowing, her lungs strain for breath, her body sickens. The world has forsaken her, and unless fate can save her, she'll be damned to hell and the devil that waits for her. And this time, it'll be for good.

Another Pan Daniel Nayeri,Dina Nayeri,2010-12-07 In this pulse-quickening sequel to Another Faust, an ancient Egyptian spell is turning the tony Marlowe School into a sinister underworld. Will all hell break loose? Sixteen-year-old Wendy Darling and her insecure freshman brother, John, are hitting the books at the Marlowe School. But one tome consumes their attention: THE BOOK OF GATES, a coveted Egyptian artifact that their professor father believes has magical powers. Soon Wendy and John discover that the legend is real—when they recite from its pages and descend into a snaking realm beneath the Manhattan school. As the hallways darken, and dead moths cake the floor, a charismatic new R.A. named Peter reveals that their actions have unleashed a terrible consequence: the underworld and all its evil is now seeping into Marlowe. Daniel Nayeri and Dina Nayeri return to reimagine Peter Pan as a twisty, atmospheric, and fast-paced fantasy about the perils of immortality.

The Well of Loneliness Radclyffe Hall,2015-04-24 This early work by Radclyffe Hall was originally published in 1928 and we are now republishing it with a brand new introductory biography. 'The Well of Loneliness' is a novel that follows an upper-class Englishwoman who falls in love with another woman while serving as an ambulance driver in World War I. Marguerite Radclyffe Hall was born on 12th August 1880, in Bournemouth, England. Hall's first novel The Unlit Lamp (1924) was a lengthy and grim tale that proved hard to sell. It was only published following the success of the much lighter social comedy The Forge (1924), which made the best-seller list of John O'London's Weekly. Hall is a key figure in lesbian literature for her novel The Well of Loneliness (1928). This is her only work with overt lesbian themes and tells the story of the life of a

masculine lesbian named Stephen Gordon.

An Enchantment of Ravens Margaret Rogerson,2017-09-26 A skilled painter must stand up to the ancient power of the faerie courts--even as she falls in love with a faerie prince--in this gorgeous debut novel. 6 x 9.

The Living Blood Tananarive Due,2002 Award-winning author Tananarive Due's spine-tingling tale of supernatural suspense weaves a stronger net than ever (Kirkus Reviews) as a woman searches for inherited power that can save her hometown from the forces of evil.

The Cursed Laura Thalassa,2014-06-12 ***Due to language, violence, and sexual situations, this book is recommended for mature audiences.*** It's been two months. Two months since Gabrielle survived the horror that was Samhain. Two months since she slipped from the devil's clutches. Two months since she learned that she might have to face him again. Her nights are plagued by dreams of him, and she wakes to find that she's creeping closer to that unholy reunion. So when a ritualistic murder occurs on a ley line in Romania and Gabrielle is called in to investigate, it seems like a harbinger of things to come. Angelic victims, a killer that smells like ash and roses, and wounds that speak of pagan sacraments-it should be enough evidence for Gabrielle to solve the case and get back to her winter break. But the clues keep slipping through her fingers; someone is always one step ahead. In the same city, Andre De Leon, king of the vampires, stands trial for the massacre at Bishopcourt, and his coven's justice system is infamous for its cruelty. Up until now he's been able to shield Gabrielle from their brutality, but her nearness makes her vulnerable to their wrath, and they will use her to get to Andre. A killer, a vampire trial, the devil-all in the same city. It's too coincidental, which is to say that it is not a coincidence at all. Fate has betrayed her.

In 2005, a century later, James Bradley traveled in the wake of Roosevelt's mission and discovered what had transpired in Honolulu, Tokyo, Manila, Beijing and Seoul. Instead, he lit the long fuse on the Asian firecrackers that would singe America's hands for a century.

The Unbearable Lightness of Being Milan Kundera,2023-03-28 "Far more than a conventional novel. It is a meditation on life, on the erotic, on the nature of men and women and love . . . full of telling details, truths large and small, to which just about every reader will respond." — People In *The Unbearable Lightness of Being*, Milan Kundera tells the story of two couples, a young woman in love with a man torn between his love for her and his incorrigible womanizing, and one of his mistresses and her humbly faithful lover. In a world in which lives are shaped by irrevocable choices and by fortuitous events, a world in which everything occurs but once, existence seems to lose its substance, its weight. Hence, we feel the unbearable lightness of being not only as the consequence of our pristine actions but also in the public sphere, and the two inevitably intertwine. This magnificent novel is a story of passion and politics, infidelity and ideas, and encompasses the extremes of comedy and tragedy, illuminating all aspects of human existence.

Death (The Four Horsemen Book 4) Laura Thalassa,2021-11-23 As the last horseman carries out his mission to wipe out humanity, he meets the one woman who is immune to his abilities in this long-awaited enemies-to-lovers romance.

The Vanishing Girl Laura Thalassa,2015-01-27 Each night after Ember Pierce falls asleep, she disappears. She can teleport anywhere in the world: London, Paris, her crush's bedroom, or wherever her dreams lead her. Ten minutes is all she gets, and once time's up, she returns to her bed. It's a secret she's successfully kept for the last five years. But now someone

knows. A week after her eighteenth birthday, when frustratingly handsome Caden Hawthorne kidnaps her, delivers her to the government, and then disappears before her eyes, Ember realizes two things: One, she is not alone. And two, people like her--teleporters--are being used as weapons. Forced into a quasi-military training camp for teleporters, Ember discovers she has been paired--perhaps for life--with Caden, the boy who got her into this mess in the first place. Now, she has to work with him on a series of teleporting missions, each one riskier than the last. But Caden just might hold the key to Ember's escape plan, if she can survive her missions without losing her heart...or her life. Revised edition: This edition of *The Vanishing Girl* includes editorial revisions and is intended for mature audiences.

The Angel Tiffany Reisz, 2017-11-13 "Reisz continues to surprise . . . her work is raising the bar for erotic fiction. This is not your mother's Harlequin romance." —New York Journal of Books No safe word can protect the heart . . . Infamous erotica author and accomplished dominatrix Nora Sutherlin is doing something utterly out of character: hiding. While her longtime lover, Søren—whose fetishes, if exposed, would be his ruin—is under scrutiny pending a major promotion, Nora's lying low and away from temptation in the lap of luxury. Her host, the wealthy and uninhibited Griffin Fiske, is thrilled to have Nora stay at his country estate, especially once he meets her traveling companion. Young, inexperienced and angelically beautiful, Michael has become Nora's protégé, and this summer with Griffin is going to be his training, where the hazing never ends. But while her flesh is willing, Nora's mind is wandering. To thoughts of Søren, her master, under investigation by a journalist with an ax to grind. And to another man from Nora's past, whose hold on her is less bruising, but whose secrets are no less painful. It's a summer that will prove the old adage: love hurts. "Tiffany Reisz's *The Original Sinners* series is painful, prideful, brilliant, beautiful, hopeful, and heart-breaking. And that's just the first hundred pages." —Courtney Milan, New York Times–bestselling author "I loved *The Original Sinners* series . . . Her prose is quite beautiful, and she can weave a wonderful tight story." —Jennifer Probst, New York Times–bestselling author "I worship at the altar of Tiffany Reisz! Whip smart, sexy as hell—*The Original Sinners* series knocked me to my knees." —Lorelei James, New York Times–bestselling author

The Fallen World Laura Thalassa, 2021-06-20 In order to end a decades-long war, a young soldier marries an immortal king only for the two to fall for each other.

Jane Eyre Charlotte Bronte, 2019-06-26 Charlotte Brontë (April 21, 1816 - March 31, 1855) was an English novelist and the eldest of the three Brontë sisters whose novels have become enduring classics of English literature.

Defiance of the Rose Perveen Sharkir, Parvīn Shākir, Rashid, 2019 Both for the reader who knows Perveen Shakir as well as the one who does not, the poems in this volume offer a glimpse into the full breadth of her work. Between the chilling piece that opens the collection, and the troubling finale, many poems here will surprise even those who are already familiar with her work in Urdu. There is the beguilingly titled 'Tomato Ketchup' which marches steadily on to its startling conclusion,

and the endlessly nuanced 'Those with the Memory of Camels', which unveils a new shade upon every reading. Also included in this collection are some insightful and astutely observed portraits of ordinary men and women in society as well as well-known figures. Rendered with the lightness of a water colour, their readability draws us in, and makes it all the more impactful when the final irony of their situation strikes at closure. All said and done, her signature poems will, perhaps, always remain the ones in which she explores the full spectrum of feminine experience without apology, from its pleasures to its ordeals, and the range of roles it encompasses. Beyond any simplistic black and white notions of feminism and its implied denials, her embrace of womanhood is courageous and nuanced, comfortable with all its inherent contradictions, and revelling in every shade of its experience. The hallmark of her work is her poetic style - simple, and crisp. Her verse maintains an airiness and ease of touch at all times. Even when the realms she explores are inky and opaque, her words never become obtuse ('Macbeth', 'An Unearthly Night'). Similarly, in her shorter, tauter poems, where she plays with the gymnastics of a single sentence, the acrobatics of form do not eclipse the message, and these short pieces strike with the spontaneity of an overheard snippet from a conversation ('Tantrum', 'Reorienting Focus').
