

The Dark Knight Rises Official Novelization Ourecoore

Bane is a super-villain with a bad attitude. When he decides to take over the Gotham City Stock Exchange, the city's in big trouble! Can Batman get there in time to save the day?

Bruce Wayne was not always the fearless and triumphant Batman. Bruce trained relentlessly in the mountains and down in the city gutters—learning to overcome his nemeses with confidence and skill. As Bruce Wayne transformed into Batman, he became a beacon of hope for Gotham's residents, and the symbol of dread for Gotham's villains. But when a villain called the Joker comes to town, Batman faces one of his biggest challenges yet. With the help of Lieutenant Jim Gordon and District Attorney Harvey Dent, Batman attempts to shut down the Joker before the Joker shuts down Gotham—but not before he finds that his allies may be his enemies. Can Batman save the city on his own, and still be the beloved hero he once was?

Pittsburgh as Gotham documents the day-to-day filming of 'The Dark Knight Rises' during the production's month long residence in Pittsburgh, Pennsylvania. This book contains on set descriptions, full color photographs, and detailed location maps.

Complete, Unabridged Guide to The Dark Knight Rises. Get the information you need--fast! This comprehensive guide offers a thorough view of key knowledge and detailed insight. It's all you need. Here's part of the content - you would like to know it all? Delve into this book today!..... : Bale has stated that The Dark Knight Rises will be the final film in which he plays Batman, Bale describes the character's arc as finally confronting the pain of loss that he has deferred for years by fighting criminals balanced against the need to internalise that pain lest he give into his emotions and become the killer the city already believes him to be. ...The film's storyline has been compared with the Batman comic book series' story arcs Knightfall (1993), which showcased Bane; The Dark Knight Returns (1986), in which Batman returns to Gotham City after a ten-year absence; and No Man's Land (1999), which depicts a Gotham cut off from the rest of the world overrun by gangs. ... Shortly before Christmas of 2011, Christopher Nolan invited many of America's most prominent directors, including Edgar Wright, Michael Bay, Bryan Singer, Jon Favreau, Eli Roth, Duncan Jones and Stephen Daldry, to Universal CityWalk's IMAX theatre for a private screening of the first six minutes of The Dark Knight Rises, which had been shot on IMAX film and edited from the original camera negative. Nolan, feeling that the use of film stock in cinema is currently being phased out due to the introduction of digital cinematography and projection, used this screening to make a case for the continued use of film, which he asserts still offers superior image quality to any digital format, and warned the filmmakers that unless they continued to assert their choice to use film in their productions, they may eventually lose it as an option. There is absolutely nothing that isn't thoroughly covered in the book. It is straightforward, and does an excellent job of explaining all about The Dark Knight Rises in key topics and material. There is no reason to invest in any other materials to learn about The Dark Knight Rises. You'll understand it all. Masked vigilantes have been deemed illegal, and the Magistrate has commandeered a bullet train to take those they've captured to a reformation facility-and filled the rest of the train with innocent children! Catwoman is hellbent on ensuring it never reaches its destination. Armed with a new magnetic suit, assisted by her trusty band of Strays, and featuring Catwoman's new protégé, she must pull off the impossible: a train heist where she steals...the train itself! But Selina isn't the only person aboard who has plans for this train and its most unexpected passenger!

To fight crime in Gotham City, Batman uses a number of gadgets and vehicles, including the Batmobile, the Batcomputer, and his utility belt.

Gotham City is home to the one and only Caped Crusader—Batman. Now you can explore the Dark Knight's world, from the Batcave to the inside of the Batmobile, and all over Gotham. Meet Batman's notorious enemies and his trusted allies, and see the gadgets and weapons he uses in his fight against crime. Filled with images from Christopher Nolan's acclaimed Batman trilogy, this movie scrapbook is the perfect companion for any fan.

Explores the world created by filmmaker Christopher Nolan and his reboot of the Batman series in 2005 with "Batman Begins" and continuing through to "The Dark Knight" and the upcoming series conclusion "The Dark Knight Rises."

Publishing alongside the world premiere of Christopher Nolan's third Batman film "The Dark Knight Rises", Will Brooker's new book explores Batman's twenty-first century incarnations. Brooker's close analysis of "Batman Begins" and "The Dark Knight" offers a rigorous, accessible account of the complex relationship between popular films, audiences, and producers in our age of media convergence. By exploring themes of authorship, adaptation and intertextuality, he addresses a myriad of questions raised by these films: did "Batman Begins" end when "The Dark Knight" began? Does its story include the Gotham Knight DVD, or the 'Why So Serious' viral marketing campaign? Is it separate from the parallel narratives of the Arkham Asylum videogame, the monthly comic books, the animated series and the graphic novels? Can the brightly campy incarnations of the Batman ever be fully repressed by "The Dark Knight", or are they an intrinsic part of the character? Do all of these various manifestations feed into a single Batman metanarrative? This will be a vital text for film students and academics, as well as legions of Batman fans.

For use in schools and libraries only. When Commissioner Gordon and the police are unable to stop the deadly new threat to Gotham, Batman returns to face Bane, a powerful and methodical villain, who is spreading chaos and death.

The Dark Knight Rises: The Official Novelization Titan Books (US, CA)

Christopher Nolan's caped crusader trilogy—Batman Begins, The Dark Knight, and The Dark Knight Rises—is considered by many to be one of the finest translations of comic book characters to the big screen. The second film in the series, The Dark Knight, was both a critical and commercial success, featuring an Oscar-winning performance by Heath Ledger as the Joker. The score—by Academy Award winner Hans Zimmer and eight-time Oscar nominee James Newton Howard—also received accolades, including a Grammy. Intricately interwoven with the sound design—and incorporating Mel Wesson's ground-breaking ambient music design, —Zimmer's and Howard's music gives the film an added layer of ominous tones that makes palpable the menace facing Gotham City. In Hans Zimmer and James Newton Howard's The Dark Knight: A Film Score Guide, Vasco Hexel delves into the composers' backgrounds to reveal the many facets of meaning in the highs and lows of the score. This book also highlights the working methods of Zimmer and Howard and how they collaborated with each other and the filmmaking team to create such a memorable soundtrack. By drawing on unprecedented access to some of the key creators of the film, the author provides unique insights into the score's composition. Hans Zimmer and James Newton Howard's The Dark Knight: A Film Score Guide will be of interest to cinema and music scholars, as well as fans of both composers.

There's a ferocious feline in town, and she's out to steal from Gotham's wealthy citizens. Unfortunately, Catwoman makes a mistake when she visits venerable citizen Bruce Wayne and takes Bruce's prized family heirloom. She thinks she made a clean escape . . . but she doesn't know who she toyed with!

Young readers can follow Batman as he fights crime using some very advanced gadgetry. Full color.

Despite his tarnished reputation after the events of The Dark Knight (2008), in which he took the rap for Dent's crimes, Batman feels compelled to intervene to assist the city and its Police force, which is struggling to cope with Bane's plans to destroy the city.

Anthony Lane on Con Air— “Advance word on Con Air said that it was all about an airplane with an unusually dangerous and potentially lethal load. Big deal. You should try the lunches they serve out of Newark. Compared with the chicken napalm I ate on my last flight, the men in Con Air are about as dangerous as balloons.” Anthony Lane on The Bridges of Madison County— “I got my copy at the airport, behind a guy who was buying Playboy’s Book of Lingerie, and I think he had the better deal. He certainly looked happy with his purchase, whereas I had to ask for a paper bag.” Anthony Lane on Martha Stewart— “Super-skilled, free of fear, the last word in human efficiency, Martha Stewart is the woman who convinced a million Americans that they have the time, the means, the right, and—damn it—the duty to pipe a little squirt of soft cheese into the middle of a snow pea, and to continue piping until there are ‘fifty to sixty’ stuffed peas raring to go.” For ten years, Anthony Lane has delighted New Yorker readers with his film reviews, book reviews, and profiles that range from Buster Keaton to Vladimir Nabokov to Ernest Shackleton. Nobody’s Perfect is an unforgettable collection of Lane’s trademark wit, satire, and insight that will satisfy both the long addicted and the not so familiar.

Graphic fantasy adventure.

Bachelor Thesis from the year 2013 in the subject English - Literature, Works, grade: 1,7, University of Hannover (Philosophisch Fakultät), language: English, abstract: Men find themselves searching for their position in a world in which gender conceptions are drastically changed and redefined. The past discussions of women’s roles have left their male counterparts in an undefined, blank space. Modern popular culture, such as the movie industry, uses the elusiveness of modern gender conceptions to question the antique hierarchy of the white male protagonist as the hero and savior of the world. Walter Hollstein (Was vom Manne uebrig blieb - Krise und Zukunft des straken Geschlechts) and R.W. Connell (Men and the Boys) investigate in their works the shift within masculine identity. In their research they make an attempt to answer the questions whether men need to be heroes, what roles their bodies play and how childhood (in regards to the parent-child relationship) effects the individual conception of masculinity. Chris Holmlund explores The Masculinity as Multiple Masquearde as the reinforcement of hegemonic power relations. And in Hard Bodies – Hollywood Masculinity in the Reagan Era Susan Jefferson provides a detailed observation of the beginnings of openly emphasized masculine body images in the 1980s. The result, is the strive of movie directors to create protagonists who are the representation of such a lost, white, heroic individual. Does this description of a lost, masked, lonesome hero sound familiar? Indeed, Director Christopher Nolan shapes this character in his Dark Knight trilogy. But how did he manage to change a cultural icon from the 20th century, a man in purple tights, into the dark cynical postmodern anti-hero? My Bachelor thesis is: Christopher Nolan's Dark Knight trilogy cinematically denounces Batman as the agent for the masculine crisis in modern Hollywood. In order to proof this thesis, my paper scientifically analyzes the effects used in the trilogy to highlight the change of masculine gender conception and where it fails to accomplish this goal. First of all, the paper starts with the cinematography, Nolan uses to reinforce the theme of an orphaned, masked, vigilante superhero questioning the hierarchy of society. Low key lighting reinforces the dark, cynical mood transmitted in the movie. The various ways of framing the shots that underline a hero who physically flies above the roofs of Gotham and metaphorically above the law. Speed and length of shots draw a clear distinction between Bruce Wayne and his alter ego Batman. Further more, the director's use of the

mis-en-scene...

Starring Christopher Bale, Michael Caine, Gary Oldman, Cillian Murphy and Morgan Freeman, the trilogy commenced with Batman Begins, which traced the origins of how Bruce Wayne took on the role of the masked crusader to fight the forces of evil. But the Batman's adversaries in the first film paled in comparison to the forces of anarchy unleashed by The Joker in the second film, The Dark Knight. Physically and psychologically depleted by his encounter with The Joker, in The Dark Knight Rises, Batman must marshal all his forces to meet the threat to Gotham City posed by the masked villain Bane. These three films form a trilogy unique in the history of cinema - and express a dark imaginative vision that reflects the uncertainties of the 21st century. Nominated for thirteen BAFTA awards and nine Oscars, the Dark Knight Trilogy starred Christian Bale, Michael Caine, Tom Hardy, Gary Oldman and Morgan Freeman. Christopher Nolan's other films include Insomnia, Momento, Inception and most recently Interstellar starring Matthew McConaughey and Anne Hathaway.

Bruce Wayne may be a dead man in the eyes of the villainous Magistrate, but this dark detective isn't through yet! In this pulse-pounding finale, Bruce makes his final move and comes face to face with the man at the top of Gotham's oppressive regime, Peacekeeper One! With bombs planted and the trap waiting to be sprung, this final battle will decide the fate of Gotham City once and for all... And after the events of the last "Red Hood" chapter, Jason Todd is a wanted man. He got too close to the mystery of the new Red Hood Gang, and that forced the Magistrate to take extreme measures-because no one can know the truth. Hurt and alone, Jason must turn to some unlikely allies if he's going to survive! Bruce Wayne may be a dead man in the eyes of the villainous Magistrate, but this dark detective isn't through yet! Behind the scenes—and the mask—of the great Batman film trilogy, including stunning illustrations. In 2005, director Christopher Nolan reimagined and forever redefined the Batman legend when he began his epic trilogy of films—Batman Begins, The Dark Knight, and The Dark Knight Rises—starring Christian Bale as the Caped Crusader in a fresh, dynamic reboot of the franchise. All three films would go on to blockbuster success and critical acclaim—including an Academy Award for Best Supporting Actor for Heath Ledger's unforgettable performance as Batman's eternal nemesis, the Joker. The Art and Making of the Dark Knight Trilogy tells the complete story of these three monumental films. Based on in-depth interviews with Nolan and all of the films' key cast and crew—including cowriters David S. Goyer and Jonathan Nolan, cinematographer Wally Pfister, and more—the book reveals the creative process behind the epic Dark Knight Trilogy, supported by lavish art and on and off-set photos. This is a fascinating glimpse into the minds that gave new life to one of the most beloved and renowned superheroes in history.

Batman battles his toughest enemy yet—Bane. Will the Dark Knight rise to the challenge and save Gotham City?

Batman battles his toughest enemy yet--Bane. Will the Dark Knight rise to the challenge and save Gotham City?

Please note that the content of this book primarily consists of articles available from Wikipedia or other free sources online. Commentary (films not included). Pages: 134.

Chapters: The Dark Knight Rises, The Dark Knight (film), Tron: Legacy, Transformers: Dark of the Moon, Star Trek: First Contact, Star Trek VI: The Undiscovered Country, Fast Five, Quantum of Solace, Harry Potter and the Half-Blood Prince (film), Pirates of the Caribbean: On Stranger Tides, Harry Potter and the Order of the Phoenix (film), Indiana Jones and the Kingdom of the Crystal Skull, Iron Man 2, The Twilight Saga: Breaking Dawn - Part 1, The Chronicles of Narnia: Prince Caspian. Excerpt: The Dark Knight Rises is a 2012 superhero film directed by Christopher Nolan, who co-wrote the screenplay with his brother Jonathan Nolan and the story with David S. Goyer. Featuring the DC Comics character Batman, the film is the third and final installment in Nolan's Batman film trilogy, and it is the sequel to Batman Begins (2005) and The Dark Knight (2008). Christian Bale reprises the lead role of Bruce Wayne/Batman, with a returning cast of his allies: Michael Caine as Alfred Pennyworth, Gary Oldman as James Gordon, and Morgan Freeman as Lucius Fox. The film introduces the characters of Selina Kyle (Anne Hathaway), a cunning cat burglar in search of a way to escape her past, and Bane (Tom Hardy), a militant revolutionary whose objective is to destroy Gotham City. The film deals with a Batman who has retired, but new threats to the city draw him back into action. Christopher Nolan was initially hesitant about returning to the series for a second time, but agreed to come back after developing a story with his brother and Goyer that he felt would conclude the series on a satisfactory note. Nolan drew inspiration from Bane's comic book debut in the 1993 Knightfall storyline, the 1986 series The Dark Knight Returns, and the 1999 storyline No Man's Land. Filming took place in various locations, ..

This is a complete reference work to the history of Batman big screen works, from the 1940s serials through the campy 1960s TV show and film, and up through the series of Warner Bros. summer blockbusters that climaxed with Christopher Nolan's 2012 film The Dark Knight Rises. Chapters on each Batman feature include extensive film and

production credits, a production history, and a critical analysis of the movie relative to the storied history of the Batman character. The book also examines the Batman-related works and events that took place in the years between the character's film exploits.
