Pulitzer Prize–winner James B. Stewart shows for the first time how four of the eighties' biggest names on Wall Street—Michael Milken, Ivan Boesky, Martin Siegel, and Dennis Levine—created the greatest insider-trading ring in financial history and almost walked away with billions, until a team of downtrodden detectives triumphed over some of America's most expensive lawyers to bring this powerful quartet to justice. "A lush and luminous gem of a novel: *The Den* is a book with depth and mystery and soul." --Chris Bohjalian, author of *The Red Lotus* Sisters Henrietta and Jane are fifteen and twelve, growing up in a farmhouse on the outskirts of a small New England town. When Henrietta becomes obsessed with a local boy, Jane takes to trailing the young couple, spying on their trysts. Until one night, Henrietta vanishes into the woods. A century and a half earlier, sisters Elspeth and Claire are separated by an ocean: Elspeth's pregnancy at seventeen meant she was quickly married and sent to America to avoid certain shame. But when she begins ingratiating herself with a wealthy mill owner, a series of wrenching and violent events unfold, culminating in her disappearance. Each in their own times, Jane and Claire must search for their missing sisters beneath the watchful eyes of their shared small town. With echoes of *The Scarlet Letter*, *The Den* is a transporting, layered tale of two women, living generations apart yet connected by place and longing, and condemned for the very same desires.

A lively intellectual history that explores how prominent midcentury public intellectuals approached Zionism and then the State of Israel itself and its conflicts with the Arab world In this lively intellectual history of the political Left, cultural critic Susie Linfield investigates how eight prominent twentieth-century intellectuals struggled with the philosophy of Zionism, and then with Israel and its conflicts with the Arab world. Constructed as a series of interrelated portraits that combine the personal and the political, the book includes philosophers, historians, journalists, and activists such as Hannah Arendt, Arthur Koestler, I. F. Stone, and Noam Chomsky. In their engagement with Zionism, these influential thinkers also wrestled with the twentieth century's most crucial political dilemmas: socialism, nationalism, democracy, colonialism, terrorism, and anti-Semitism. In other words, in probing Zionism, they confronted the very nature of modernity and the often catastrophic histories of our time. By examining these leftist intellectuals, Linfield also seeks to understand how the contemporary Left has become focused on anti-Zionism and how Israel itself has moved rightward.

"Den of Thieves rollicks....This is a book I would be happy to have written." —Dave Duncan Remember this name: David Chandler. With *Den of Thieves*, the first book in his astounding fantasy series, *The Ancient Blades Trilogy*, Chandler immediately establishes himself as a major player in the world of action-rich epic fantasy—right up there alongside George R. R. Martin, R. A. Salvatore, and Raymond E. Feist. An enthralling and wonderfully gritty tale of cutpurses, knights and demons, witches, betrayals, and darkest intrigue—in the popular vein of the bestselling works of Brent Weeks, Joe Abercrombie, and Scott Lynch—*Den of Thieves* introduces readers to Malden, an amiable young criminal whose one grave mistake bonds him to the lord of the underworld and sets him on an impossible quest that will most likely lead the hapless thief to his doom.

Into the Den is a story about overcoming the hardships of coming of age in the 21st century where friends are dying young on the streets and in foreign lands; where questioning authority has become second nature; and where trouble can grow like a cancer offering little hope for the afflicted. *Into the Den* is the story of Sam Conway. At 19, Sam Conway has just graduated from Choate Rosemary Hall, a prestigious boarding school in Connecticut. Because of Sam's poor grades and even worse attitude, Sam's parents decide he needs an extra year at a post-graduate prep school to improve his options for attending college. They send Sam to Saint Jude Academy, a small boarding school in Maine for misguided youths. Sam fits right in. During the course of his year at Saint Jude, Sam's horrible past tries desperately to grab hold of his life while Sam fights to control the realities of his immediate situation in Maine. Eventually, Sam is forced to meet the challenge of his everyday routine of drugs, sex, and alcohol and grow stronger by gaining hard-won insights about truth and adversity. A note to be missed first novel by Author Jesse Mattson.

Will James has had an interesting summer so far. He met a ghost, resurrected her, and took her for a girlfriend. She is a witch who died in 1891. She tells him he's a necromancer. His occasional hookup becomes a full-time hookup. He meets an angel. He resurrects another ghost. His out-of-town girlfriend turns out to be a sorceress. He ties his boss up at a workshop, and she likes it. All these ladies want Will. What's a guy to do? Create a harem of strong, talented women, of course. To make matters more interesting, Will learned the woman that owns the theater where he performs is a succubus. Additionally, he killed a zombie with a thought, killed a demon with his powers, and won his first battle against another necromancer. On the down side, his sister has terminal cancer, and the Church apparently wants both his witch girlfriend and his succubus friend dead before they enslave him. As summer turns to autumn, Will is faced with the challenges of learning what it means to be a necromancer. His focus turns to growing his skills and dusting off his combat skills to protect his growing family and his circle of friends - all while trying not to draw the attention of the Church. Will's succubus friend, Bernadette, notifies him that she has a demon problem she needs Will's help with. It looks like Will and his family will be spending a lot of time at Bernadette's Den of Iniquity. Note from the Author: This is a harem-lit, supernatural, story. As such, there are a variety of explicit sexual situations and unconventional relationships in this story. BDSM and prostitution feature in this story in addition to demonic possession and magic. I also don't represent magic or supernatural beings in a conventional way. I tend to write in a 'slice of life' style. If any of that bothers you, please go to enjoy life elsewhere with my blessing.

Stefan is thrown into turmoil after meeting the school's mysterious and malevolent headmaster, Ebenezer Finch, who doesn't hold back his disapproval towards the young boy; simply because he is of German and Jewish heritage. Finch, along with two of his students, make Stefan's life a misery, and when a classmate vanishes in extremely suspicious circumstances, the truth about what is really going on behind Institute walls begins to unravel. Despite the many hardships he faces during his stay in England, Stefan manages to develop close friendships with a fellow student, a Land Girl and even his English teacher, Harry Marlowe, who puts everything on the line to keep him safe; however, Harry's reasoning behind his actions are far more complex than what first meets the eye. Just as Stefan finds his feet, war strikes, leaving devastation at every turn and those who survive it to bear their scars forever.
