

The Denham Massacre

The Denham Massacre

Williamson County in southern Illinois has been the scene of almost unparalleled violence, from the Bloody Vendetta between two families in the 1870s through the Herrin Massacre of 1922, Ku Klux Klan activities that ended in fatalities, and the gang war of the 1920s between the Charlie Birger and Shelton brothers gangs. Paul Angle was fascinated by this more-than-fifty-year history, and his account of violence has become a classic.

? In 1954, a massive irradiated dinosaur emerged from Tokyo Bay and rained death and destruction on the Japanese capital. Since then Godzilla and other monsters, such as Mothra and Gamera, have gained cult status around the world. This book provides a new interpretation of these monsters, or kaiju-?, and their respective movies. Analyzing Japanese history, society and film, the authors show the ways in which this monster cinema take on environmental and ecological issues—from nuclear power and industrial pollution to biodiversity and climate change.

The dramatic true story of a celebrated young survivor of a 1919 British massacre in India, and his ferocious twenty-year campaign of revenge that made him a hero to hundreds of millions—and spawned a classic legend. When Sir Michael O'Dwyer, the Lieutenant Governor of Punjab, ordered Brigadier General Reginald Dyer to Amritsar,

File Type PDF The Denham Massacre

he wanted Dyer to bring the troublesome city to heel. Sir Michael had become increasingly alarmed at the effect Gandhi was having on his province, as well as recent demonstrations, strikes, and shows of Hindu-Muslim unity. All these things, to Sir Michael, were a precursor to a second Indian revolt. What happened next shocked the world. An unauthorized gathering in the Jallianwallah Bagh in Amritsar in April 1919 became the focal point for Sir Michael's law enforcers. Dyer marched his soldiers into the walled garden, blocking the only exit. Then, without issuing any order to disperse, he instructed his men to open fire, turning their guns on the thickest parts of the crowd, filled with over a thousand unarmed men, women, and children. For ten minutes, the soldiers continued firing, stopping only when they ran out of ammunition. According to legend, eighteen-year-old Sikh orphan Udham Singh was injured in the attack, and remained surrounded by the dead and dying until he was able to move the next morning. Then, he supposedly picked up a handful of blood-soaked earth, smeared it across his forehead, and vowed to kill the men responsible. The truth, as the author has discovered, is more complex—but no less dramatic. Award-winning journalist Anita Anand traced Singh's journey through Africa, the United States, and across Europe until, in March 1940, he finally arrived in front of O'Dwyer himself in a London hall ready to shoot him down. *The Patient Assassin* shines a devastating light on one of history's most horrific events, but it reads like a taut thriller and reveals the incredible but true story behind a legend that still endures today.

This book features fifty-six Victorian murder cases from the files of the Illustrated Police News.

New York Times bestselling author Stuart Woods delivers a riveting thriller that introduces an exciting addition to the pantheon of fictional sleuths. Forced into early retirement at thirty-seven, smart, attractive, and fiercely independent Major Holly Barker trades in her bars as a military cop for the badge of deputy chief of police in Orchid Beach, Florida. But below the sunny surface of this sleepy, well-to-do island town lies an evil that escalates into the cold-blooded murder of one of Holly's new colleagues. An outsider, Holly has little to go on for answers and no one to help her—except Daisy, a Doberman of exceptional intelligence and loyalty that becomes her companion and protector. The closer Holly gets to the truth, the more she knows that it'll take one smart dog with guts to sniff out this killer—before he can catch her first.

"Kemper's majestic account of Barth's journey restores the reputation of an explorer who was as passionate about science as he was about rigorous travel. It's an enthralling adventure, captivatingly told." —Ziauddin Sardar, Times (London) In 1840 Heinrich Barth joined a small British expedition into unexplored regions of Islamic North and Central Africa. One by one his companions died, but he carried on alone, eventually reaching the fabled city of gold, Timbuktu. His five-and-a-half-year, 10,000-mile trek ranks among the greatest journeys in the annals of exploration, and his discoveries are considered indispensable by modern scholars of Africa. In this

File Type PDF The Denham Massacre

historical adventure, the first book about Barth in English, Kemper goes a long way toward rescuing this fascinating figure from obscurity.

A series providing essential facts about resident acting companies in the United States spanning from 1749 through 1986. Information includes the company's location, history, personnel, and repertory,

In *Dark Night of the Soul*, therapist and writer Pamela Kribbe (PhD) describes her personal experience with depression and psychosis, and seeks to understand these phenomena from a spiritual perspective. The second part of the book contains a series of channeled messages about the meaning of severe crises, the need to face our own darkness, and the unfailing presence of love and compassion in our lives.

Discover the haunting untold true story of the woman whose crimes inspired speculation that Jack the Ripper was a woman. On October 24, 1890, a woman was discovered on a pile of rubbish in Hampstead, North London. Her arms were lacerated and her face bloodied; her head was severed from her body save a few sinews. Later that day, a blood-soaked stroller was found leaning against a residential gate, and the following morning the dead body of a baby was found hidden underneath a nettle bush. So began the chilling story of the Hampstead Tragedy. Eventually, Scotland Yard knocked on the door of No. 2 Priory Street, home to Mary Eleanor Pearcey, the pretty 24-year-old mistress whose dying request was as bizarre and mysterious as her life. *Woman at the Devil's Door* is a thrilling look at this notorious murderer and the webs

she wove.

Arriving in the town of Eagle Pass, searching for some relief from the hot sun, Slocum comes to the aid of the townsfolk by taking down a ruthless bully and helping the beautiful sister of a harmless bandito. Original.

Black death at Bletchley! Pustules and pest houses. Burnt at the stake! Lollards tortured and hanged. French kings and guillotines! Exiled King Louis XVIII at Hartwell House. Farmhouse of thieves! The amazing true story of the Great Train Robbery. Buckinghamshire has one of the darkest histories on record. Its residents included the Dinton Hermit – better known as Charles I's executioner – and Sir Everard Digby, the Gayhurst nobleman who tried to blow up James I, as well as a truly apocalyptic priest at Water Stratford. With Romans running amok in the Chilterns and the Anglo-Saxons terrorising Aylesbury, this chilling catalogue of battles, deaths, diseases and disasters will make you see the county in a whole new light.

Misty Blue takes her childhood trauma and grabs you with its intensity. She skillfully and effortlessly invites you to travel with her as she explores her toxic environment and brings to light the horrors that so many innocent children could be experiencing this very moment! She unravels the unsolved mystery of the HOFFA-KENNEDY killings and most of all, she sets the story straight without reservation! She uses her southern writing style leaving you no doubt that her story is the truth. Misty Blue was born into an alcoholic emotionally unavailable

family and is brutally honest about the life threatening situations she experienced on a daily basis. She has survived situations the rest of us only hear and read about . From a father that was a criminal and psychological abuser who parented with fear to a mother who is chronically depressed and trapped; she is proof you can survive a sad hopeless childhood without love. She has seen Hell and lived to tell about it! She is proof that God's is our unconditional loving parent and that it is humans and evil that create suffering.

Davidson spent extensive time on the island and this was one of the most extensive histories up to its time and the only detailed study in English. Some argue that it remains unsurpassed as a history & ethnography of the island. It traces the history of Taiwan from early Dutch rule in 1514 to the early 20th century & describes natural resources, trade, industry, people, language, bird & animal life. Davidson went on to polar fame, going north with Peary to north Greenland.

A novelization of the 1930s cinematic classic follows the discovery on a remote island of the giant ape, the beast's ill-fated affection for a young woman, and his capture and exploitation by greedy would-be entrepreneurs. Reprint. (A Universal Pictures film, directed by Peter Jackson, releasing December 2005, starring Adrien Brody, Naomi Watts, & Jack Black) (Science Fiction)

You have to be crazy to cross Slocum. After a rough run-in with a bunch of Apaches, Slocum is left without a horse in the hottest, driest place next to hell—West Texas. He stumbles into Eagle Pass looking for some relief. Yet it's the town that's relieved when Slocum shows up. Eagle Pass has a bully on the loose. The lazy deputy would rather lock up an annoying—but harmless—bandito known as El Loco than the real criminal. But Slocum can't let that happen, not with El Loco's beautiful sister riding him. He'll see justice served, no matter how dangerous—or crazy—the task may be...

Chester S. Geier (1921-1990) was a U.S. author and editor whose first work, "A Length of Rope" appeared in *Unknown* in April 1941. Editor Ray Palmer recruited him to write for the Ziff-Davis group of pulp magazines, where he became a frequent contributor to *Amazing Stories* and *Fantastic Adventures*, and less frequently to mystery and western pulps. He published under his own name and several pseudonyms, including Guy Archette, Alexander Blade, P F Costello, Warren Kastel, S M Tenneshaw, Gerald Vance and Peter Worth. Included are: *Dynamite Planet* *The Beacons Must Burn* *The Fire Globe* *Battle in Eternity* *The Bottle Needle* *Me Not The Gods of Madness* *Gods Under Glass* *Outlaw in the Sky* *The Floating Lords* *The Astral Exile* *Amazing New Discoveries of Ancient Egypt* *Bewitched Apartment in Cincinnati* If you enjoy this ebook, don't forget to

Denham has been known to house some notable residents such as the late Cilla Black, Sir John Mills, Paul Daniels, Shane Richie and a fair few more to mention. However, the tiny village sadly has more of a tale to tell than that of housing celebrities, and it is a tale told and known by many people far and wide. The Evil that Came to Denham is based on the true and gruesome tale of the Denham Massacre which took place in 1870 in Denham Village. The story is told from the point of view of the author's own father which adds credibility and believability to an incredible narrative. The macabre subject matter is sensitively treated and the tale is retold with empathy and feeling for the characters involved. With suspense, intrigue and mystery, in addition to real life matters of family and work, The Evil that Came to Denham really does have something for everyone.

Winner of the 2015 Man Booker Prize One of Entertainment Weekly's Top 10 Books of the Decade One of the Top 10 Books of 2014 – Michiko Kakutani, The New York Times A “thrilling, ambitious . . . intense” (Los Angeles Times) novel that explores the attempted assassination of Bob Marley in the late 1970s, from the author of Black Leopard, Red Wolf In A Brief History of Seven Killings, Marlon James combines brilliant

File Type PDF The Denham Massacre

storytelling with his unrivaled skills of characterization and meticulous eye for detail to forge an enthralling novel of dazzling ambition and scope. On December 3, 1976, just before the Jamaican general election and two days before Bob Marley was to play the Smile Jamaica Concert to ease political tensions in Kingston, seven gunmen stormed the singer's house, machine guns blazing. The attack wounded Marley, his wife, and his manager, and injured several others. Little was officially released about the gunmen, but much has been whispered, gossiped and sung about in the streets of West Kingston. Rumors abound regarding the assassins' fates, and there are suspicions that the attack was politically motivated. *A Brief History of Seven Killings* delves deep into that dangerous and unstable time in Jamaica's history and beyond. James deftly chronicles the lives of a host of unforgettable characters – gunmen, drug dealers, one-night stands, CIA agents, even ghosts – over the course of thirty years as they roam the streets of 1970s Kingston, dominate the crack houses of 1980s New York, and ultimately reemerge into the radically altered Jamaica of the 1990s. Along the way, they learn that evil does indeed cast long shadows, that justice and retribution are inextricably linked, and that no one can truly escape his fate. Gripping and inventive, shocking and irresistible, *A Brief History of Seven Killings* is a mesmerizing modern classic of power, mystery, and insight.

Continuation of the reference work that originated with Robert Dodsley, written and published each year, which records and analyzes the year's major events,

File Type PDF The Denham Massacre

developments and trends in Great Britain and throughout the world. From the 1920s volumes of The Annual Register took the essential shape in which they have continued ever since, opening with the history of Britain, then a section on foreign history covering each country or region in turn. Following these are the chronicle of events, brief retrospectives on the year's cultural and economic developments, a short selection of documents, and obituaries of eminent persons who died in the year.

This is the first book to appear on British intelligence operations based in both India and London, which defended the Indian Empire against subversion during the first two decades of the twentieth century. It is concerned with the threat to the British Raj posed by the Indian revolutionary movement, the resulting development of the imperial intelligence service and the role it played during the First World War.

Now reissued – William March's 1954 classic thriller that's as chilling, intelligent and timely as ever before. This paperback reissue includes a new P.S. section with author interviews, insights, features, suggested reading and more. What happens to ordinary families into whose midst a child serial killer is born? This is the question at the center of William March's classic thriller. After its initial publication in 1954, the book went on to become a million-copy bestseller, a wildly successful Broadway show, and a Warner Brothers film. The spine-tingling tale of little Rhoda Penmark had a tremendous impact on the thriller genre and generated a whole perdurable crop of creepy kids. Today, *The Bad Seed* remains a masterpiece of suspense that's as chilling, intelligent, and timely

as ever before.

No artist creates his works in a vacuum. Beyond the conscious influence of books read, artwork seen, minds probed (through conversation or exchange of letters), writers are in no small part products of everything that surrounds them--people, places, things, events. MILTON'S CENTURY is designed to place one particular genius--John Milton, arguably the finest poet the English nation (perhaps even Western civilization) has produced--in the context of his time. And what a remarkable time it was--a century of revolutions, of discoveries, of literary and artistic efflorescence, of religious turmoil and political turbulence, of plagues and fires and ultimate rebuilding...and of the first adumbrations of the Modern Age. MILTON'S CENTURY becomes vital and alive for twenty-first-century readers through the vast network of connections and interconnections that Professor Collings articulates. [Borgo Literary Guides, No. 15.] This chilling volume brings together more murderous tales that shocked not only the county but made headline news throughout the nation. Covering the length and breadth of Buckinghamshire, the featured cases include the brutal slaying of a family of seven in Denham in 1870, the killing of a butcher's wife in Victorian Slough for which no one was ever found guilty, a double shooting at Little Kimble and a killing near Haddenham in 1828, in which a letter written a year later sealed the killers' fate, and the doctor who disappeared in 1933 and whose decomposed corpse was found in Buckinghamshire woods the following year. This well-illustrated and enthralling text will appeal to

File Type PDF The Denham Massacre

everyone interested in true-crime history and the shadier side of Buckinghamshire's past.

The Nemesis was the first of a generation of iron-clad, steam-powered naval vessels that established British dominance in Asian waters in the nineteenth century. The world's first iron warship, the first vessel with truly watertight compartments, and the first iron vessel to round the Cape of Good Hope, Nemesis represented a staggering superiority over the oar- and sail-powered naval forces of Britain's Asian rivals. Yet strangely her story has never been told to modern audiences, and her origins and actions have until now been shrouded in mystery. This lively narrative places her in the historical context of the last years of the East India Company, and in the history of steam power and iron ships. It tells of her exploits in the First Opium War, in pirate suppression and naval actions across Asia, from Bombay to Burma to the Yangtze River and beyond.

This fascinating chronicle of murder in the Hoosier State paints a chilling portrait of the American Midwest from mid-19th century to the Jazz Age. In *Murders that Made Headlines*, Jane Simon Ammeson uncovers a grizzly history of crime in Indiana, offering a stark contrast to the nostalgic image of a simpler time in America's heartland. While the Midwest saw many changes between the 1850s and the 1930s—from horses and buggies to Hudson sedans; ladies in long dresses to flappers in short skirts—the passions that led to murder remained the same. In this compendium of sensational and

File Type PDF The Denham Massacre

scandalous crimes, you will find tales of romantic jealousy, manic greed, racism, and family dysfunction—themes that remain all too familiar today. Ammeson recounts the astonishing and sometimes bizarre stories of arsenic murders, Ponzi schemes, prison escapes, perjury, and other shocking crimes that took place in the Hoosier state. These extraordinary true events once captured the public's attention, only to be forgotten by time. But through extensive research into public records, genealogies, and even exhumed graves, Ammeson reveals the notorious true crimes lurking in our history. Denham has been known to house some notable residents such as the late Cilla Black, Sir John Mills, Paul Daniels, Shane Richie and a fair few more to mention. However, the tiny village sadly has more of a tale to tell than that of housing celebrities, and it is a tale told and known by many people far and wide. The Evil that Came to Denham is based on the true and gruesome tale of the Denham Massacre which took place in 1870 in Denham Village. The story is told from the point of view of the author's own father which adds credibility and believability to an incredible narrative. The macabre subject matter is sensitively treated and the tale is retold with empathy and feeling for the characters involved. With suspense, intrigue and mystery, in addition to real life matters of family and work, The Evil that Came to Denham really does have something for everyone.

In May 1870, seven members of the Marshall family, including three small children, were found brutally murdered in their home in Denham, Buckinghamshire. They had all

File Type PDF The Denham Massacre

been bludgeoned to death with a sledgehammer, an axe and a poker. The crime scene looked like a battlefield or a slaughterhouse. In *THE DENHAM MASSACRE*, retired Metropolitan police officer Neil Watson provides the first full-length study of this sensational but largely forgotten Victorian murder case. He carefully reconstructs the events leading up to the crimes and their aftermath, and describes in detail the police investigation and the eventual arrest of the suspect John Owen, an armed and dangerous criminal with a long record of petty offending. Following a day-long trial, Owen was convicted of the capital crimes and executed at Aylesbury Gaol by the notorious hangman William Calcraft. The Denham Massacre stands as one of the most shocking and disturbing cases of mass murder in British criminal history. Based on years of original research into the case, and drawing on his experience as a serving police officer, Neil Watson takes us unforgettably to the very heart of a real-life Victorian murder mystery. It is a gripping, provocative read.
