

## The Diary Of A Social Butterfly Moni Mohsin

With powerful words and pictures Florida Frenz chronicles her journey figuring out how to read facial expressions, how to make friends, how to juggle all the social cues that make school feel like a complicated maze. Diagnosed with autism as a two-year-old, Florida is now an articulate 15-year-old whose explorations into how kids make friends, what popularity means, how to handle peer pressure will resonate with any preteen. For those wondering what it's like inside an autistic child's head, Florida's book provides amazing insight and understanding. Reading how she learns how to be human makes us all feel a little less alien.

'Anti-Social is brutally honest, exceptionally funny and terribly sad - a scything indictment of broken 21st century Britain. I could not put it down.' THE SECRET BARRISTER 'A fascinating insight into a job that stitches together the cracks in compassion in our communities' RENI EDDO-LODGE, bestselling author of Why I Am No Longer Talking To White People About Race 'Superb. This hysterically funny and moving memoir of an anti-social behaviour officer is a real eye-opener that hits all the right notes' FRANKIE BOYLE \_\_\_\_\_ Anti-Social is the diary of a local authority worker whose job it is to keep people happy, or at least away from each other's throats. That's hard enough at the best of times, but when your day features secret hoarders, violent disputes over dance music and litigious arms dealers, the total breakdown of local society is never far away. The only thing keeping it together are the chronically underfunded officers charged with patching the fraying threads of civilisation, and they have a hard enough time keeping themselves together. This is an urgent, timely but, most of all, hysterically funny memoir of a life spent working with the people society wants to forget and the problems that nobody else can resolve. This book will make you laugh, cry and boil with rage, all within a single sentence. Updated with a new chapter for the paperback edition \_\_\_\_\_ 'Get this book ... I'm telling you now, you will absolutely love this guy, what he has to say and the book that he has written. In equal parts devastating and dark and incredibly funny.' NIHAL ARTHANAYAKE 'Laugh-out-loud funny. The delivery is punchy and the humour dark - think Irvine Welsh minus the Scottish vernacular' EXPRESS 'Think Adam Kay's This is Going to Hurt but with more dead bodies ... It's a gloriously cynical read but it's also sympathetic and deeply empathetic.' KATHY BURKE 'Riveting and brilliantly written... a potent cocktail of heartbreak and horror; wickedly funny, wearily endearing and absolutely enraging' CAROLINE SANDERSON, Bookseller 'A funny, thoughtful look into one of the toughest jobs I can imagine' SHAPPI KORSANDI 'I absolutely loved it. It reads like a novel, has that page-turning quality everyone looks for in a good book but it delivers the punch that only true life can - funny obviously but with humanity and warmth for people at the edges of society most in need of our understanding and compassion' KIT DE WAAL, author of My Name Is Leon 'Brilliant. This deserves to be a huge success - funny, sad and heartbreaking' LORRAINE KELLY \_\_\_\_\_ Reader reviews for Anti-Social: 'The timing of this book could not be better' 'Politicians of all hues should be made to read this book' 'Readable and compulsive' 'Well written and stunningly well observed' 'The author and all his long-suffering, dedicated colleagues deserve dustbin lid-sized medals' 'It had me in stitches, it had me in tears' 'Top-drawer stuff ... utterly riveting' 'I don't often take the time to review books here, but would very much recommend Anti-Social.'

When Savannah Stephens returns to her hometown Sydney after a stint as a music journalist in London, she is thrown into the burgeoning world of society parties and the excesses of the eighties social scene. Savannah's first job back on home soil is as the editor of the newly created Social Diary. Her days are spent battling old fashioned newspaper colleagues, who frown upon the so-called 'women's pages' and tut when her stories make front page splashes. By night she is awash in a sea of expensive champagne at the biggest and best parties the city has to offer. It is there that she collides with the unbelievable characters and larger-than-life personalities who are fast becoming legendary for their jaw-dropping antics. Will Savannah manage to prove her critics wrong or will she be distracted by a very handsome yet mysterious man? Funny and satirical, The Social Diary reads at times like an extended version of Ros Reines' real-life gossip column feature Guess Who Don't Sue, and is written by someone who has been through it all and lived to tell the tale.

Diary Methods, sometimes known as intensive repeated measures or ecological assessments, are an important method for social and personality psychologists. The volume begins with a rationale for such methods, with an emphasis on social and personality psychology, and then provides a non-technical, accessible description of how to use such methods, including advice on study design, data analysis, and preparation of papers. Both interval contingent methods (e.g., daily diaries) and event contingent methods (e.g., social interaction diaries) are covered. The author, John B. Nezlek, has used these methods in his own scholarly work for over 30 years and has written this book to provide an introduction to these methods for those who are not familiar with them. This book will be perfect for advanced students and researchers in social and personality psychology and related disciplines who use and want to use diary methods in their research. The SAGE Library of Methods in Social and Personality Psychology is a new series of books launching in early 2011 to provide students and researchers with an understanding of the methods and techniques essential to conducting cutting-edge research. Each volume explains a specific topic and has been written by an active scholar (or scholars) with expertise in that particular methodological domain. Assuming no prior knowledge of the topic, the volumes are clear and accessible for all readers. In each volume, a topic is introduced, applications are discussed, and readers are led step by step through worked examples. In addition, advice about how to interpret and prepare results for publication are presented. The Library should be particularly valuable for advanced students and academics who want to know more about how to use research methods in social and personality psychology.

'The book has no competitor; it summarises the development of the method, follows through all stages of research from accessing subjects through design to analysing diary information as data, and considers how the method can best be exploited and used. No other book comes remotely near doing this. I for one shall be using it gratefully as the single best text for diary research' - Professor Anthony P Macmillan Coxon, Honorary Professorial Fellow, University of Edinburgh In this accessible and lucid introductory text, Andy Alaszewski considers the analysis of diaries as a distinctive research technique in its own right. Nothing has previously covered this area in single-volume format, but the timely emergence of Using Diaries for Social Research recognizes the increased interest in and relevance of diary methodology within social research teaching. Effectively combining theory, history and methodology, Alaszewski begins by discussing how diary keeping has developed; outlining the key features of the medium and examining the ways in which diaries have been and can be used for social research. He describes how suitable diaries and diarists can be identified by the researcher and, once found, how these diaries can be structured to generate research material. Finally, the researcher is taken through the analysis stage; examining statistical techniques, content-analysis and structure-analysis as effective methods of investigating diary texts. This introductory student guide is an essential text for anyone involved in the area of social or historical research and for those working in the narrative tradition.

A social worker's experiences and the times in the mid 1970s working with the needy at the Salvation Army in Pontiac, Michigan, in an unsafe neighborhood and she had a bodyguard. It describes the variety of people and problems she encountered from dangerous situations to filling orders for kitchen chairs. There are also stories about WW 11 veterans, alcoholism, first city to have forced busing, Hoffa's disappearance, and what life was like without some of the technology conveniences of today. She felt it was a life changing experience that increased her awareness of her many blessings, God's help, and she will never forget, but for the grace of God, walk I.

The diary of Heinrich Witt (1799-1892) is the most extensive private diary written in Latin America known to us today. Written in English by a German migrant who lived in Lima, it is a unique source for the history of Peru, and for international trade and migration.

Lined 6x9 journal with 108 blank pages. This is the perfect and inexpensive birthday, Anniversary, Valentine's day, or any occasion gift for social workers to doodle, sketch, put stickers, write memories, or take notes in. Grab this amazing journal gift now!

The volume presents the diary of one of the great anthropologists at a crucial time in his career. Malinowski's major works grew out of his findings on field trips to New Guinea and North Melanesia from 1914-1918. His journals cover a considerable part of that period of pioneer research. The diary contains observations of native life and customs and vivid descriptions of landscapes. Many entries reveal his approach to his work and the sources of his thought. In his introduction, Raymond Firth discusses the significance of the notebooks which formed the basis for this volume. First published in 1967.

A 2019 NEWBERY HONOR BOOK "A gripping, nuanced story of the human cost of conflict appropriate for both children and adults." -Kirkus, starred review In the vein of *Inside Out* and *Back Again* and *The War That Saved My Life* comes a poignant, personal, and hopeful tale of India's partition, and of one girl's journey to find a new home in a divided country It's 1947, and India, newly independent of British rule, has been separated into two countries: Pakistan and India. The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, *The Night Diary* is a heartfelt story of one girl's search for home, for her own identity...and for a hopeful future.

"Utilizing the anime illustrations to capture the attention of teens and tweens, we have developed this book to teach the core concepts related to Michelle Garcia Winner's Social Behavior Mapping (SBM). SBM's teach how our own behaviors, expected and unexpected, impact how others feel about us, ultimately treat us which then affects how we feel about ourselves. The core of the book consists of 10 social scenarios, each one scenario is played out through the lens of Social Fortune or Social Fate by demonstrating visually how a situation can change quickly based on how someone reacts within it. Every scenario begins with a mini-story told through a four pictured comic strip which then leads the protagonist to a decision making point. If the decision made leads to others feeling good and ultimately the character feeling good about him or herself, this will be represented as "social fortune." However, if the protagonist makes a decision that traps him/her and peers/adults in an uncomfortable or frustrating situation, this leads to "social fate." The social fortune and social fate decisions are depicted through unique four-pictured comic strips."--Publisher's website.

The social world can be a mystery, even to the most savvy among us. While social relationships are frequently a source of joy and satisfaction, they can be a source of frustration and confusion -- downright. What is someone to do if his entire social world is a mystery to him? How is a person supposed to proceed in life if she does not understand why others act the way they do, or how she is supposed to behave in order to fit in with others? While *Diary of a Social Detective* is first and foremost a detective/ mystery book for young readers, it also addresses these often unspoken questions and offers clear-cut, practical strategies for solving social mysteries. The book is unique in that it steps outside the usual box of social skills solutions and delivers insights, tools and solutions within an engaging storyline that kids can relate to. As a result, it has appeal not just for kids in need of social tools, but also for children ages 8+ who are simply in search of a good story. *Diary of a Social Detective* chronicles the work of young Johnny who, through his own struggles to fit in socially, has become a well-known social detective in his school, helping other kids solve their social mysteries. The book offers kids (and the people who care for them) practical strategies for dealing with some of the most common problems kids face in everyday social situations in a way that is fun and entertaining.

This journal is a perfect gift for friends and family, male or female. Other features of this notebook are: - 120 pages - 6x9 inches - matte cover This book is convenient for writing. It has the perfect size to carry anywhere for journaling and note taking.

Rachel Livoni loved social media and blogging so much she missed a marriage proposal! She was so busy on Facebook, Twitter, Pinterest, and LinkedIn that she missed her fiancée's entire marriage proposal plans. After Rachel realized what she missed, a thunderous awakening swept through her heart. She decided to take a break from social media, a drastic, tortuous 30-day social media detox to help re-prioritize her life and stop the addictive behavior of checking her phone all the time. *Diary of a Social Media Detox* is a humbling and hilarious memoir of one woman's' frustration, defeat, humility, excitement, and transformation. These intimate journal entries are Rachel's deepest darkest confessions over a 30-day period that will shock you, perhaps have you ponder about your own relationship with social media, and make you laugh more than a tweet. Included are the top 10 signs you may be addicted to Facebook and a guide for eating alone in a restaurant without using your cell phone. Anyone who has ever struggled with overwhelming pressure to use social media for their business or hears family members say, "Put that down!" should read this quirky, insightful, life-changing story of how one woman profoundly changed her life after taking a break from social media.

A collection of the author's lesser-known writings includes stories, personal reminiscences, previously deleted excerpts from her diary, and an unfinished novel composed while she was hidden from the Nazis.

The diary as a genre is found in all literate societies, and these autobiographical accounts are written by persons of all ranks and positions. *The Diary* offers an exploration of the form in its social, historical, and cultural-literary contexts with its own distinctive features, poetics, and rhetoric. The contributors to this volume examine theories and interpretations relating to writing and studying diaries; the formation of diary canons in the United Kingdom, France, United States, and Brazil; and the ways in which handwritten diaries are transformed through processes of publication and digitization. The authors also explore different diary formats including the travel diary, the private diary, conflict diaries written during periods of crisis, and the diaries of the digital era, such as blogs. *The Diary* offers a comprehensive overview of the genre, synthesizing decades of interdisciplinary study to enrich our understanding of, research about, and engagement with the diary as literary form and historical documentation.

This volume presents a fully-referenced modern edition of the diary of the Manchester barber Edmund Harrold, covering the period 1712-1715. It is remarkable for its insights into his life and thoughts, laying open his struggles with alcohol, his attitudes to (and frequency of) marital sex, his reactions to the death of his three wives and 5 children, and his religious meditations upon these and other subjects. The diary also relates the ups and downs of his business, and the day-to-day realities of life as a provincial barber. More than this though, it is a frank, and often anguished, insight into the mind of an eighteenth century man, seeking to come to terms with himself, his god and a changing society.

Eleven-year-old Nellie Lee Love records in her diary the events of 1919, when her family moves from Tennessee to Chicago, hoping to leave the racism and hatred of the South behind.

The diary method is highly flexible and can be incorporated into a range of research projects. For example, diary researchers can operate under a range of epistemological assumptions (i.e. both realist and social constructivist, etic and emic, etc.). In addition, diary studies can address a variety of research questions, and diaries themselves can be used to collect data for use in qualitative, quantitative, and mixed-methods designs. Further, emerging developments in the use of technologies, such as video recording, social media, and photography, offer new opportunities for the collection of data within a range of everyday contexts. However, managing, analyzing, and writing up the complex data gathered in these diary studies can present unique challenges to the qualitative research. For example, the researcher will have to consider the potential for participant attrition in this labor intensive research design, variability in the richness of participant diary entries, and a range of ethical considerations in preserving the anonymity of participant life descriptions. Other considerations include the style for

presenting the data, the size and selection of quotes extracted for the manuscript, and whether to organize the presentation of results by participant, group, context, themes, or time. The strengths, weaknesses, and usefulness of a diary study will depend upon how the researcher addresses these issues during their data collection process, data analysis, and in the composition of the final report. In this book, Hyers provides her readers with a wealth of guidance and expert insight to ensure the success of their diary studies.

Bestselling author Sherman Alexie tells the story of Junior, a budding cartoonist growing up on the Spokane Indian Reservation. Determined to take his future into his own hands, Junior leaves his troubled school on the rez to attend an all-white farm town high school where the only other Indian is the school mascot. Heartbreaking, funny, and beautifully written, *The Absolutely True Diary of a Part-Time Indian*, which is based on the author's own experiences, coupled with poignant drawings by Ellen Forney that reflect the character's art, chronicles the contemporary adolescence of one Native American boy as he attempts to break away from the life he was destined to live. With a forward by Markus Zusak, interviews with Sherman Alexie and Ellen Forney, and four-color interior art throughout, this edition is perfect for fans and collectors alike.

The social world is a big, complicated place! We are all social detectives as we observe, gather, and make sense of the clues within different social contexts (settings, situations, and the people in them) to figure out the hidden rules for expected behaviors. This leads us toward understanding how we each feel and think about others in a situation and how we choose to respond to each other's actions and reactions. We are good Social Detectives when we use our eyes, ears, hearts, and brains to figure out what others are planning to do next or are presently doing and what they mean by their words and actions. This revised, expanded 2nd edition of the awarding-winning storybook teaches from the social learner's perspective about the power of observation, reading context, and interpreting clues before choosing how to respond in ways that meet their social goals. A new structured approach to observation, new illustrations reflecting a broader range of inclusion and diversity in characters, practice pages and activities for deeper learning, specific teaching tips, and a glossary of Social Thinking Vocabulary and concepts are just some of the new material you'll find inside. This is the first book in the Superflex® series. It guides readers on a journey of discovery where they can:

- Learn formulas for gathering clues by observing a setting, situation, and people in it
- Be empowered to figure out how the social world works through their own detective lens
- Learn to identify feelings and emotions and connect them to behaviors
- Understand that all feelings are okay, even uncomfortable ones, and we can still learn and grow
- Get support from emojis and special word banks
- Find core Social Thinking® Vocabulary words highlighted throughout to support and strengthen key learning concepts
- Have numerous opportunities to make smart guesses about hidden social rules in various situations
- See examples and tips for school, home, and community life
- Celebrate how all of us are social observers who are affected by others' actions and reactions

*The Diary of a Young Girl*, also known as *The Diary of Anne Frank*, is a book of the writings from the Dutch language diary kept by Anne Frank while in 1942, with her occupying Holland, a thirteen-year-old Jewish girl and her family fled their home in Amsterdam and went into hiding. The family was apprehended in 1944, and Anne Frank died of typhus in the Bergen-Belsen concentration camp in 1945. In her diary Anne Frank recorded vivid impressions of her experiences during this period. By turns thoughtful, moving, and amusing, her account offers a fascinating commentary on human courage and frailty and a compelling self-portrait of a sensitive and spirited young woman whose promise was tragically cut short. The diary was retrieved by Miep Gies, who gave it to Anne's father, Otto Frank, the family's only known survivor, just after the war was over. The diary has since been published in more than 60 languages.

Three riveting, life-changing diaries of addiction and heartbreak in the tradition of *Go Ask Alice* are now available in one collectible boxed set. Lucy was a good girl, living a good life. One night, one party, changed everything. Ana was an athlete with a bright future. She only wanted to lose a few pounds. David had everything: family, friends, a girlfriend, an undefeated football team...and a secret that was destroying him. Read their devastating stories in their own words, in the diaries they left behind.

The paranormal physical phenomena and professional encounters in this book are teachings to take home and hopefully re-position oneself on the right path.

*Diary of a Wimpy Kid*

'Opinions are like arseholes - everybody has one' James Blunt, 6 December 2014 Once upon a time, James Blunt's most enduring legacy was a three-minute, thirty-second pop song about a girl he saw on the underground, and a nation's worth of abuse. But with the invention of Twitter, James found his real voice, and with it, the chance to reply with a simple 'up yours'. Now the King of Twitter has ascended to the heady heights of occasionally 'winning the internet'. Selected and introduced by James himself, this is a year in the life of the world's most reluctant social media sensation. Now learn for yourself how to be a complete and utter Blunt . . .

*Diary of a Social Detective* Real-life Tales of Mystery, Intrigue and Interpersonal Adventure AAPC Publishing

When her best friend dares her to become part of the popular crowd and record her experiences in a diary, fifteen-year-old Mimi's world turns upside down when the diary gets into the wrong hands. Original.

The compelling diary of a young girl on the brink of maturity as her life draws to toward its tragic end -- one of the most moving and vivid documents of the Jewish experience.

A BuzzFeed "Best Book of June 2021" From sixteen-year-old Dara McAnulty, a globally renowned figure in the youth climate activist movement, comes a memoir about loving the natural world and fighting to save it. *Diary of a Young Naturalist* chronicles the turning of a year in Dara's Northern Ireland home patch. Beginning in spring—when “the sparrows dig the moss from the guttering and the air is as puffed out as the robin's chest”—these diary entries about his connection to wildlife and the way he sees the world are vivid, evocative, and moving. As well as Dara's intense connection to the natural world, *Diary of a Young Naturalist* captures his perspective as a teenager juggling exams, friendships, and a life of campaigning. We see his close-knit family, the disruptions of moving and changing schools, and the complexities of living with autism. “In writing this book,” writes Dara, “I have experienced challenges but also felt incredible joy, wonder, curiosity and excitement. In sharing this journey my hope is that people of all generations will not only understand autism a little more but also appreciate a child's eye view on our delicate and changing biosphere.” Winner of the Wainwright Prize for UK nature writing and already sold into more than a dozen territories, *Diary of a Young Naturalist* is a triumphant debut from an important new voice.

This book offers an up-to-date and definitive explanation of how to build relationships via social media in the sales process and is a guide to encouraging sales people to embrace these revolutionary techniques. \* Enlightening case studies of the use of social media in sales, including Facebook, Twitter, LinkedIn, blogging, and social bookmarking \* Written with the input of contributing experts in the field of social networking, sales, communication, and consumer purchasing behavior \* Includes ten ways to boost ROI using the "New Handshake" methods \* Illustrations depicting the Tannebaum and Schmidt decision-making model, as well as screenshots from blogs, Constant Contact, Delicious, Digg, and LinkedIn \* A complete bibliography serves as a handy resource guide

From reviews of the first edition: "This is perhaps the best theoretically oriented book by a United States urban sociologist since the work of Firey, Hawley, and Sjoberg in the 1940s and 1950s.... Gottdiener is on the cutting edge of urban theoretical work today." —Joe R. Feagin, *Contemporary Sociology* Since its first publication in 1985, *The Social Production of Urban Space* has become a landmark work in urban studies. In this second edition, M. Gottdiener assesses important new theoretical models of urban space—and their shortcomings—including the global perspective, the flexible accumulation school, postmodernism, the new international division of labor, and the "growth machine" perspective. Going beyond the limitations of these and older theories, Gottdiener proposes a model of urban growth that accounts for the deconcentration away from the central city that began in the United States in the 1920s and continues today. Sociologists, political scientists,

economists, geographers, and urban planners will find his interdisciplinary approach to urban science invaluable, as it is currently the most comprehensive treatment of European and American work in these related fields.

'Jane Austen meets Bridget Jones... Hilarious' Glamour Meet Butterfly – loveable socialite, avid party-goer, inspired shopper and unwittingly acute observer. Of course everyone thinks her life is perfect but having to contend with a conniving mother-in-law, a husband who doesn't like parties, and a circle of friends who bring new meaning to the word competitive, Butterfly thinks her life is far from enviable. And as she lurches from crisis to crisis, trailing Jimmy Choos and pearls of wisdom along the way, it seems she might have a little more on her plate than she's first realised... Wicked, irreverent and hugely entertaining, The Diary of a Social Butterfly gives you a delicious glimpse into the parallel universe of the have-musts.

Being a teen or tween isn't easy for anyone but it can be especially tough for Asperkids. Jennifer O'Toole knows; she was one! This book is a top secret guide to all of the hidden social rules in life that often seem strange and confusing to young people with Asperger syndrome. The Asperkid's (Secret) Book of Social Rules offers witty and wise insights into baffling social codes such as making and keeping friends, blending in versus standing out from the crowd, and common conversation pitfalls. Chock full of illustrations, logical explanations, and comic strip practice sessions, this is the handbook that every adult Aspie wishes they'd had growing up. Ideal for all 10-17 year olds with Asperger syndrome, this book provides inside information on over thirty social rules in bite-sized chunks that older children will enjoy, understand, and most importantly use daily to navigate the mysterious world around them.

Josselin was vicar of Earls Colne, Essex, from 1641 until his death in 1683, and this is the intimate record of his ministry and his private doubts and triumphs as a Christian that give the Diary its shape. As a prosperous farmer, he also noted details of harvests, accounts, the weather and farming methods, which pieces together a picture of yeoman farming at that time. As father and husband he felt impelled to record a series of observations on family life that seem unique for this period. Recognized as one of the great seventeenth-century diaries, ranging over topics from sin and disease, dreams and money to millenarianism and the Civil War, this richly rewarding document reveals Josselin as a sympathetic and entirely human figure, and provides fascinating insights into the thought-world of seventeenth-century life. This methodologically oriented collection brings together higher education diary research studies from international contexts to showcase the versatility of the method and its adaptability to higher education research. While keeping a diary is a familiar personal practice, diary method is a neglected form of research in higher education studies as well as the social sciences more broadly. This book showcases the range of options within diary method, as well as the benefits and challenges that this fascinating but mysterious method may bring to students and academic researchers alike. The benefits and the risks and challenges of diary research are discussed across the empirical studies included in the volume. Using a variety of solicited diary techniques, including audio, written and photo diaries, and focusing on different aspects of higher education including undergraduate and postgraduate students and academics, these studies include salient topics such as: LGBTQ identities, faith, caring responsibilities, international students, socioeconomically disadvantaged students and employability. This important contribution to methodological innovation in the higher education research field promotes diary method as a viable option in social sciences and beyond. Whether new to the method or a seasoned diary researcher, this book is ideal reading for anyone who would like to learn the fundamentals of diary research and explore its feasibility in empirical contexts.

You can leave Belvedere and Tiburon, but Belvedere-Tiburon never leaves you. Paige Peterson discovered that when she moved to New York City. For many years now, she has visited Belvedere, where she stays with her mother in the house her grandfather built on the Belvedere Lagoon. Paige and her sister packed sandwiches in paper bags and rode off on their bikes to explore the Tiburon Peninsula. Swimming, sailing, hiking, clamming, daredevil bike riding-their day was a long, unsupervised adventure. There was no interaction with parents until the Tiburon Fire Department blew the 4:30 whistle, signaling that it was time to head home. Her family's photographs confirm the story of fit, sun-kissed kids enjoying a charmed, idyllic childhood. Dave Gotz, the Archivist for the Belvedere-Tiburon Landmarks Society, deepens that personal story with archival photographs. His captions reveal his extensive knowledge of Tiburon Peninsula history: Mexican Ranchos, Portuguese dairymen, the many changes on Beach Road, Main Street, the Lagoon and the Cove, the importance of the railroad. Along the way, Paige and Dave showcase some of the area's remarkable characters. Tiburon's "Goat Lady," who so loved nature that she donated her land for open space. Blackie the horse. The artists who lived on West Shore and created a bohemian colony. And the residents of Belvedere and Tiburon who, again and again, rallied to protect open land and the special charm of their towns. Taken together, Paige's cinematic stories and Paige and Dave's curated images and capsule histories deliver an authoritative portrait of a historically diverse community.
